About JK Lakshmipat University

Founded in 2011, JK Lakshmipat University (JKLU) continues JK Group's 140-year legacy of excellence and commitment to nation-building. Accredited with an 'A' grade by NAAC, JKLU is at the forefront of innovation, blending academia with industry through its interdisciplinary programmes in engineering, management, and design that prepare students to excel in an ever-evolving workspace.

JKLU's faculty includes accomplished scholars from globally renowned institutions such as the IIMs, IITs, NIDs, and other top universities worldwide. The university's curriculum focuses on interdisciplinary learning, hands-on projects, and practical problem-solving, providing students with the flexibility and choice of tools they need to address complex challenges and drive a meaningful change.

The university's strong industry connections, real-world projects, and immersive internships form a core part of the JKLU experience, bridging the gap between academic knowledge and practical application. Through strategic partnerships and exchange opportunities with leading institutions in India and abroad, students gain a global perspective that enriches their education and broadens their horizons.

At JKLU, students also benefit from access to cutting-edge centers such as the Centre for Critical Thinking and Communication, the Atal Incubation Centre, and the AIMA BizLab. These platforms foster innovation, entrepreneurship, and critical inquiry, encouraging students to explore new ideas and develop a problem-solving mindset.

With state-of-the-art facilities, a vibrant campus community, and a culture that nurtures talent, JKLU empowers students to become leaders, innovators, and changemakers, poised to make a positive impact on society.

The JKLU Edge

Heritage of Excellence

JK Lakshmipat University (JKLU) is an initiative of the JK Group, continuing their 140-year legacy of excellence and nation-building.

Distinguished Faculty

JKLU's faculty comprises experts and PhD holders from leading institutions such as IIMs, IITs, NIDs as well as top global universities.

Faculty-Student Ratio

JKLU's impressive 1:15 faculty–student ratio—among the best in Rajasthan—ensures that students receive personalised attention and effective mentorship.

Innovative Curriculum

JKLU offers an interdisciplinary curriculum combined with project-based pedagogy, preparing students to tackle real-world challenges with a holistic approach.

Semester Exchange Opportunities

Students get access to multi-semester study opportunities at premier institutions such as IITs, IIITs and leading global universities.

Recognised For Excellence

JKLU holds NAAC 'A' accreditation and is ranked among the top 50 universities in India according to the IIRF Ranking 2024.

Cutting-Edge Centers

JKLU is home to the Centre for Critical Thinking and Communication, the Atal Incubation Centre, and the AIMA BizLab, offering students the resources to excel.

Best-in-Class Placement Support

JKLU provides internship opportunities and best-in-class placement support, empowering students with industry-ready skills and access to top recruiters.

Legacy of Excellence & Nation Building

JK Lakshmipat University proudly carries forward the legacy of the JK Group, one of India's oldest and most respected industrial conglomerates which has made invaluable contributions to the nation's economic growth and social transformation for over a century.

JK Group

JK TYRE TOTAL CONTROL | JK PAPER LTD. Creating lasting impressions | JK LAKSHMI CEMENT LTD. | JK Fenner | CLINIRX™

JK INSURANCE BROKERS WE ARE ALWAYS THERE | JK AGRI GENETICS LTD. | UMANG DAIRIES LIMITED | DELOPT INSPIRED TO INNOVATE A Division of JK Paper Ltd

Headquartered in New Delhi, the organisation spans a diverse spectrum of industries including automotive tyres, cement, paper, textiles, agriculture, dairy, healthcare, risk management, and education. With operations across more than 50 countries, the group employs over 40,000 employees and generates annual revenues exceeding 50,000 crore (USD 6 billion).

The JK Group's enduring commitment to nation-building was shaped by Late Lala Lakshmipat Singhania (1910–1976), a visionary industrialist who championed the creation of India's intellectual and social capital through strategic investments in education and healthcare.

That legacy was carried forward with equal conviction by Shri Hari Shankar Singhania (1933–2013), who served as President of the JK Organisation and as the founding Chancellor of JK Lakshmipat University (JKLU).

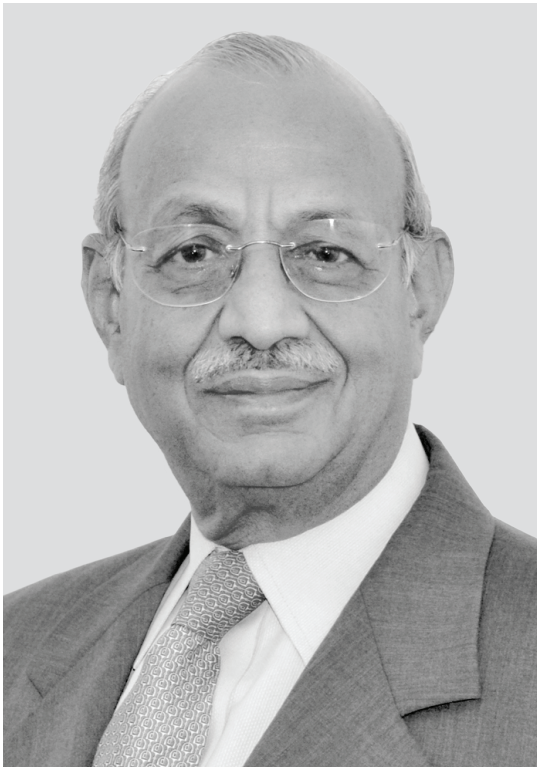

Today, the JK Group exemplifies not only industrial leadership but also a deep and continuing commitment to inclusive growth, sustainability, and purpose — values that align with the evolving aspirations of a modern India and the global community it increasingly shapes.

From the Chancellor's Desk

"We, as an industrial conglomerate, have been steadfastly committed to education and meritocracy in the country for more than 140 years. In the world of JK Lakshmipat University, your passion and talents are not only nurtured but also encouraged to blossom. It's a realm where you can cultivate lifelong relationships with mentors and peers who will guide and support you at every step.

At JKLU, we view higher education not merely as a means to a degree but as a journey of personal and professional growth. We challenge our students to explore new ideas and perspectives, think critically and creatively, and embrace innovation and entrepreneurship.

Constantly striving to improve and innovate, we push the boundaries of what is possible and create new opportunities for our students to succeed. Investing in cutting-edge research and technology, forging partnerships with industry leaders, and expanding our programs to meet the evolving needs of today's workforce are integral to our commitment."

Shri Bharat Hari Singhania

Chancellor, JK Lakshmipat University
President, JK Organisation

Vice Chancellor's Message

I am delighted to introduce JK Lakshmipat University (JKLU) to you. Inheriting the century-old legacy of the JK Group, JKLU has earned recognition as a hub of excellence for a wide range of future-focused disciplines in engineering, design and management.

In today's rapidly evolving world, success belongs to those who can think critically, adapt swiftly, and integrate ideas across disciplines. At JKLU, we are deeply committed to cultivating such thinkers and leaders. Our academic philosophy emphasises interdisciplinary learning, where engineering meets design, management merges with technology, and innovation is nurtured through collaborations.

Through experiential learning, research, and industry immersion, our students gain not only technical proficiency but also the capacity for ethical reasoning, critical analysis, and creative problem-solving.

Beyond academics, JKLU fosters a vibrant ecosystem of inquiry and growth. Our faculty members — distinguished scholars, researchers, and industry practitioners — mentor students to learn by doing. Here, education is not confined to classrooms; it extends into laboratories, design studios, startups, and communities.

At JK Lakshmipat University, our aim is not merely to prepare you for a profession. We are committed to providing you with all possible opportunities that prepares you to make an enduring mark in this world and beyond.

Professor
Vijaysekhar Chellaboina

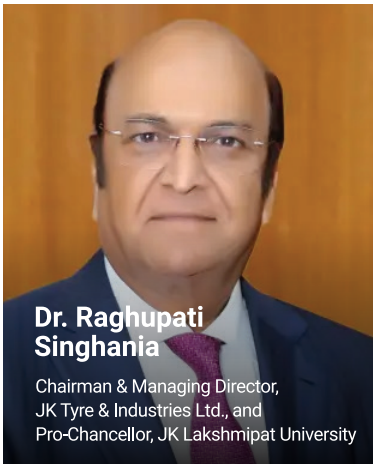

Vice Chancellor, JK Lakshmipat University

Board of Management

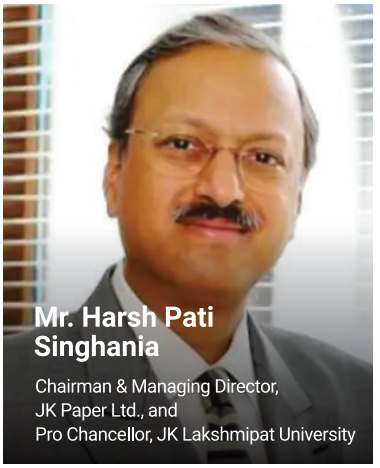

Mr. Bharat Hari Singhania

President, JK Organisation and Chancellor, JK Lakshmipat University

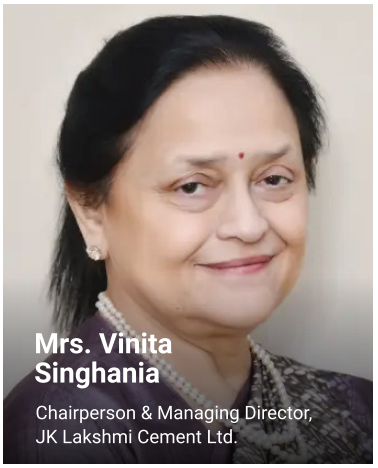

Dr. Raghupati Singhania

Chairman & Managing Director, JK Tyre & Industries Ltd., and Pro-Chancellor, JK Lakshmipat University

Mr. Harsh Pati Singhania

Chairman & Managing Director, JK Paper Ltd., and Pro Chancellor, JK Lakshmipat University

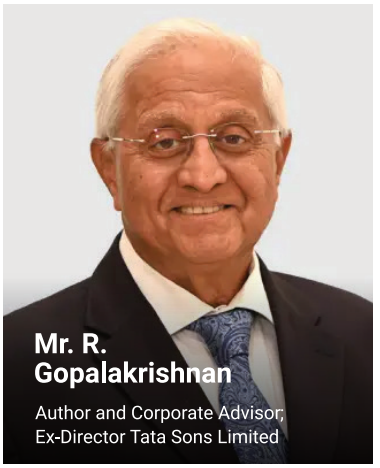

Mrs. Vinita Singhania

Chairperson & Managing Director, JK Lakshmi Cement Ltd.

Prof. Vijaysekhar Chellaboina

Vice Chancellor, JK Lakshmipat University

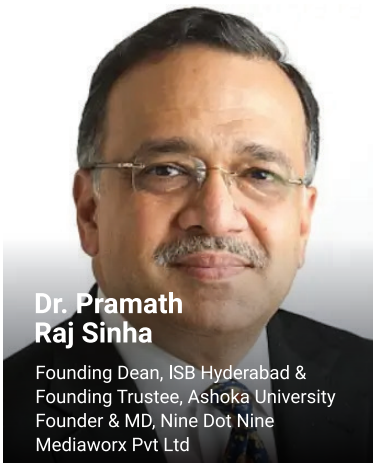

Mr. R. Gopalakrishnan

Author and Corporate Advisor; Ex-Director Tata Sons Limited

Registrar & CFO, JK Lakshmipat University (Member Secretary)

Academic Programmes

Bachelor of Technology (B.Tech) & Master of Technology (M.Tech)

The B.Tech and M.Tech programmes at the Institute of Engineering and Technology (IET), JK Lakshmipat University, seamlessly incorporate the latest technological advancements with cutting-edge pedagogical methods. These programmes are meticulously crafted to prepare graduates for the future, striking a perfect balance between job readiness and academic inquiry through a project-based learning approach and a collaborative educational environment.

B.Tech

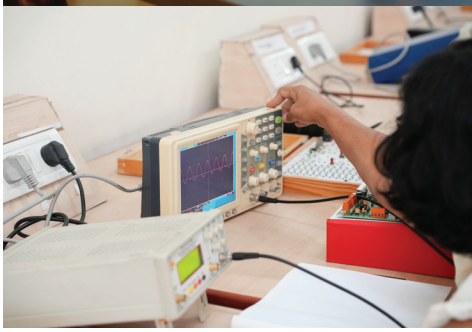

- Computer Science and Engineering
- Computer Science and Engineering (SAP)
- Computer Science and Engineering (Artificial Intelligence)
- Computer Science and Engineering (Data Science)
- Computer Science and Engineering (Cyber Security)
- Electronics and Communication Engineering (VLSI Design)

Highlights of CSE (SAP)

- Approximately 480 hours of learning from SAP professionals.
- 10-month guaranteed internship along with placement support.
- Modules: SAP ABAP Backend Development, SAP Fiori.
- 3 Global SAP certifications included in the course.
- 3 years complimentary access to SAP learning hub.

Master of Technology (M.Tech)

The M.Tech programme in Computer Science and Engineering is structured to build a strong foundation in Mathematics and Research methodologies. The curriculum includes advanced courses in Algorithms, Software Engineering, Database Systems, Artificial Intelligence, and Machine Learning.

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration programmes at the Institute of Management at JK Lakshmipat University are designed to shape future business leaders through a dynamic and contemporary curriculum. With a strong focus on essential 21st-century skills such as Artificial Intelligence, Machine Learning, critical thinking and problem-solving, the institute nurtures students to excel in diverse professional arenas.

- BBA (Hons) - 4 Years
- BBA - 3 years
- BBA (KPMG Certification)
- BBA Fintech – 3 Years

BBA (Hons) Specialisations

- Entrepreneurship
- Banking, Financial Services and Insurance (BFSI)
- Business Analytics
- Marketing

Highlights of BBA (KPMG Industry-Ready Certification)

- 180 hours of learning from KPMG professionals
- Case-study based, hands on learning
- Training in job-ready skills to boost employability
- Designed by KPMG subject matter experts to make curriculum relevant and engaging

Bachelor of Design (B.Des) & Master of Design (M.Des)

The award-winning Bachelor of Design (B.Des) & Master of Design (M.Des) programmes at JKLU's Institute of Design (IOD) offer comprehensive educational experience, meticulously designed to cultivate a broad range of skills in aspiring designers. The curriculum seamlessly integrates traditional educational methodologies with modern design practices, ensuring that students are well-versed in both foundational and contemporary design principles. The B.Des & M.Des programmes at IOD were honoured with the 2025 Don Norman Design Award (Education) "for transforming learning and cultivating the next generation of humanity-centred designers."

B.Des Specialisations

- Product Design
- Interaction Design
- Interdisciplinary Design
- Integrated Communication Design

M.Des Specialisations

- Product Design
- Interaction Design

Eligibility

Course Name	Minimum Percentage in Qualifying Examination	Subjects
B.Tech (All Programmes)	60%	60% combined average in Mathematics, Physics, Chemistry & English; Minimum 60% in Mathematics
BBA (KPMG Certification)	60%	Combined average in English and three chosen subjects
BBA (Hons), BBA, BBA (Fintech)	50%	Combined average in English and three chosen subjects
B.Des	60%	Combined average in English and three chosen subjects
M.Des	60% marks or equivalent CGPA	Any subject
M.Tech CSE	60% marks or equivalent CGPA	Allied disciplines
PhD	Minimum 55% marks or equivalent CGPA	Relevant subject

Considerations

- For B.Tech, BBA and B.Des programmes, marks awarded by a recognized Central/State Board/University Examination in India, or any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU) will be considered.
- Students in their final examination of class XII may apply; however, admission will be provisional, subject to achieving the minimum marks.
- For M.Tech in CSE, those whose degrees are not in an allied discipline are required to provide proof of relevant coursework or pass the GATE in an allied area.
- For M.Tech & M.Des programmes, the qualifying examination is Bachelor's Degree
- For B.Des and M.Des programmes, applicants will be required to take the JK-DET entrance exam as part of the qualifying process for admission to the university.

Academic Fee

Program	Duration	Academic Fee/Year
B.Tech (CSE, AI, Data Science, Cyber Security, ECE VLSI Design)	4 Years	2,84,000
B.Tech (SAP)	4 Years	3,84,000
BBA / BBA Fintech / BBA (Hons)	3 / 4 Years	1,75,000
BBA (KPMG Certification)	3 Years	1,95,000
B.Des	4 Years	3,51,000
M.Des	2 Years	3,02,000
M.Tech	2 Years	1,80,000
PhD	-	55000

Hostel Fee*

Type of Room	Double Sharing / Year		Triple Sharing / Year	
	AC	Non-AC	AC	Non-AC
Hostel Fee	84,000	68,000	73,500	60,000
Utility Charges	33,000	18,000	27,500	15,000
Total	**1,17,000**	**86,000**	**1,01,000**	**75,000**

Mess Advance (to be adjusted as per actual) – INR 58,000

Transport Fee

For students commuting from Jaipur City to the JKLU campus, we offer air-conditioned bus service for an annual fee of INR 50,000.

Note:

- A one-time, non-refundable admission fee of INR 5,000 will be charged at the time of admission.
- For hostel students, a refundable security deposit of INR 5,000 will be charged with the first year's fees and is refundable upon leaving the hostel.
- All fees are subject to yearly revision.
- Annual technology fee of INR 10,000 will be applicable for all B.Tech programmes and INR 30,000 will be applicable for B.Des and M.Des programs.

**T&C Apply*

Scholarship Criteria

Bachelor of Technology (B.Tech)

Scholarships are granted based on academic performance in Class XII marks in specified subjects, JEE Score, and CUET. The scoring criteria for the assessment of scholarships is as follows:

Scholarship %	Class XII Percentage (Specified Subjects)	JEE Mains Score (Percentile, only for B.Tech.)	CUET Score (3 Specified Subjects)
100%	N/A	Above 95	N/A
75%	N/A	> 90 and <= 95	N/A
50%	Above 95	> 85 and <= 90	551 - 600
30%	> 90 and <= 95	> 80 and <= 85	501 - 550
20%	> 85 and <= 90	> 75 and <= 80	451 - 500
10%	75 and <= 85	70 and <= 75	401 - 450

- *B. Tech XII Standard Subjects: Physics, Chemistry, Mathematics and English
- **B. Tech CUET Subjects: English, Mathematics, and one domain-specific subject

Bachelor of Business Administration (BBA)

Scholarships for BBA applicants are awarded based on merit, specifically through Class XII results or CUET scores.

Scholarship %	Class XII Percentage (Specified Subjects)	CUET Score (3 Specified Subjects)
50%	Above 90	551 - 600
30%	>85 and <=90	501 - 550
20%	> 75 and <= 85	451 - 500
10%	65 and <= 75	401 - 450

- *BBA XII Standard: English and any three additional subjects (internals with weightage more than 50% to not be considered)
- **BBA CUET Score: English and two domain-specific subjects of choice

Bachelor of Design (B.Des)

Merit Based Scholarships: Applicants will be awarded scholarships through Class XII score or performance in JK Design Entrance Test (JK-DET) and portfolio round.

Class XII Percentage (Specified Subjects)	
Scholarship %	**Marks**
50%	Above 95
30%	>90 and <=95
20%	80 and <=90

or

JK Design Entrance Test	
JK-DET %	**Portfolio**
>=90 25% Scholarship	>=4 on a score of 0-5 25% Scholarship

*Specified subjects include English and three subjects chosen by the applicant. However, a subject with internal marks of 50 percent or higher will not be considered.

- Students who achieve a 90 percentile or higher in the JK-DET and score 4 or more in the portfolio review are eligible for a 50% scholarship.
- Students who meet only one of the above criteria (either >=90 percentile in JK-DET or achieving 4 or more in the portfolio round) will be eligible for a 25% scholarship.

National Design Entrance Exams

- Applicants who do not qualify for a scholarship through the JKDET but surpass a predetermined cutoff in the NID, NIFT, or UCEED entrance exams will be granted a 25% scholarship on the academic fee. The specific cutoffs for these exams are yet to be determined.

Other Scholarships

- **Alumni / Sibling:** A 20% scholarship will be applicable for eligible applicants who are siblings of JKLU students or alumni, or alumni pursuing a second degree.
- **Single Girl Child:** Single girl children with no siblings will be eligible for a 10% scholarship.
- **Special Category:** A 10% scholarship will be awarded to applicants who are wards of defense personnel, SC/ST, differently abled students, students from Northeast, Union Territories (except Delhi and Chandigarh).
- **Special Circumstances:** Awarded on a case-by-case basis and subject to governing body approval, we support applicants who are wards of JKLU staff, JK Group entities, those not covered by other categories, or individuals demonstrating exceptional performance in sports or other areas as evaluated by the sports committee.

Considerations

- **Scholarship Allocation:** If a student qualifies for more than one scholarship, only the higher value scholarship will be applied.
- **Scholarship Applicability:** Scholarships apply solely to academic fees.
- **Scholarship Continuation:** As per university norms.

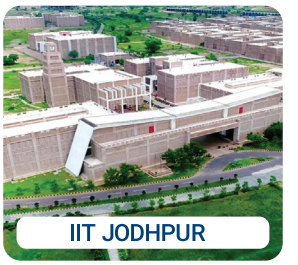

Student Mobility Programmes
with IITs, IIITs & Leading Global Institutions

JKLU offers its students opportunities to join semester study as well as research programmes at prestigious institutions like IITs, IIITs, and other renowned engineering colleges. These programmes allow our students to gain exposure to diverse academic settings and curricula.

International Collaborations

University of Florida

Michigan State University

University of South Carolina

St. Cloud State University

Carleton University

University of Birmingham

University of Wales

Edinburgh Napier University

Széchenyi István University

Norwegian University of Science and Technology – NTNU

Hanyang University

Through our academic partnerships with some of the world's leading institutions, JK Lakshmipat University enables students to participate in semester exchange programmes at top-tier universities in India and abroad.

These programmes provide access to a wide range of academic resources, renowned faculty, and diverse student communities. They are designed not only to enrich students' academic experiences but also to broaden their perspectives and enhance their employability through a global outlook and practical international experience.

Students are not required to pay tuition fee at JKLU during the course of their study at the partner institution.*

Advanced Labs

Our laboratories are equipped with state-of-the-art technology, including advanced CPUs and GPUs. These facilities offer a transformative learning environment where theoretical knowledge meets practical application, enabling students to deepen their understanding and proficiency in complex concepts.

AI LAB

The AI Lab is a high-performance computing environment optimised for machine learning, deep learning, and computer vision. Powered by Intel i7 processors, dedicated GPUs, and dual-boot Linux/Windows, it offers industry-standard frameworks like TensorFlow, PyTorch, and OpenCV, providing students with robust infrastructure for research, prototyping, and deployment of next-generation AI solutions.

Data Science Lab

Equipped for large-scale data processing, the Data Science Lab integrates SSD-based systems, Python, R, and advanced libraries for analytics, modelling, and visualisation. With seamless access to cloud platforms and live datasets, it enables students to address real-world challenges across healthcare, finance, marketing and beyond.

Computer Networks & Cyber Security Lab

This lab delivers hands-on mastery of network architecture and modern security practices. Dual-boot systems, Cisco hardware, and specialised tools like Wireshark, Nmap, and Packet Tracer enable penetration testing, digital forensics, and vulnerability assessment.

AR/VR Lab

The AR/VR Lab supports advanced 3D modelling, real-time rendering, and interactive experience design. Powered by RTX-class GPUs and platforms like Unity and Unreal Engine, it enables creation of virtual worlds, simulations, and games.

Project Lab

With Intel Core i9 processors, NVIDIA Quadro Pro graphics, 32GB RAM, and SSD storage, the Project Lab supports demanding tasks like AI/ML training, IoT development, full-stack projects, and data-intensive simulations.

Programming Lab

Designed to solidify computational thinking, the Programming Lab offers high-performance systems and multiple IDEs for C, C++, Java, and Python. Students progress from foundational algorithms to advanced object-oriented and data-driven development, bridging theory and practice to prepare for research, competitive programming, and enterprise-scale software engineering.

BYOD Lab

The BYOD Lab is a flexible, high-connectivity workspace optimised for interdisciplinary collaboration. With high-speed wired/wireless access, ergonomic design, and seamless integration with institutional cloud and virtual lab resources, it empowers students to develop, test, and present projects on their own devices in an adaptive, real-world working environment.

Smart Grid Lab

Smart Grid Lab focuses on tackling traditional grid challenges for a sustainable energy future. Equipped with energy test benches, it features a grid emulator, 40 W solar a 1-phase microgrid setup. This setup panel, 30 W wind emulator, converters, hybrid energy storage, & programmable load.

Circuit Design and VLSI Laboratory

Equipped with 30 computers, this lab is also furnished with Virtex-7 Field Programmable Gate Array (FPGA/CPLD) boards and high-precision multi-channel Digital Storage Oscilloscopes to support comprehensive hardware testing and project development.

Analog and Digital Electronics Laboratory

This laboratory is equipped with Texas Instruments Trainer Kits that incorporate breadboards and power supplies. Students design digital logic or analog circuits using Integrated Circuits (IC) and discrete components. Testing is done using Digital Storage Oscilloscopes and Multimeters.

Embedded Systems and Internet of Things Laboratory

This laboratory is equipped with low-power microcontrollers such as the MSP430 and TIVA boards from Texas Instruments, which are based on Reduced Instruction Set Computing (RISC) architecture and are used for laboratory experiments and student projects.

Communication Laboratory

The Communication Laboratory has Microwave test benches, Optical Fiber Communication setups, and an Antenna Simulator. It is designed to provide practical exposure to analog and digital modulation techniques, time and frequency domain analysis, and wireless communication concepts.

Mac Lab

Purpose-built for advanced digital creation, the Mac Lab houses high-performance Apple iMacs with Retina displays and the full Adobe Creative Cloud suite. It supports professional-grade workflows in visual design, animation, UI/UX, and media production, enabling students to execute complex, interdisciplinary projects with the same tools and standards used by leading global studios.

Design Lab

The Design Lab is a space where students and faculty research, explore, and discover the connection between technology, usability, and design. Its AI-powered UX tools, eye-tracking systems, usability testing stations, and digital fabrication tools offer support for data-driven research on UI/UX, information visualization, and digital product design in real-time.

AIMA BizLab

Management students at JKLU get access to AIMA BizLab software for simulating diverse management strategies. This lab is used regularly by top B-Schools like IIMs, ISB Hyderabad, ISB Mohali, IIT Chennai, XLRI, ICFAI Business School, and Amrita Business School.

Campus Life

At JK Lakshmipat University, campus life thrives as a vibrant tapestry of experiences, where every corner pulsates with energy and opportunity. Here, students immerse themselves in a dynamic community, enriched by a kaleidoscope of activities tailored to their passions and interests. From spirited academic debates to collaborative projects, cultural festivals, and sports competitions, our campus buzzes with excitement and creativity.

It's a place where friendships are forged, ideas are exchanged, and personal growth flourishes. With state-of-the-art facilities, lively student clubs, and a supportive network of faculty and staff, JKLU's campus offers an environment where students can explore, discover, and thrive.

Study in Jaipur

Set in the vibrant and culturally rich city of Jaipur, JKLU offers a global learning experience in one of India's fastest-growing urban hubs. Known for its design heritage, entrepreneurial spirit, and modern infrastructure, Jaipur blends tradition with innovation. The campus is adjacent to the Mahindra SEZ, humming with entrepreneurial activities.

Students enjoy:

- Safe and modern student housing
- A thriving startup ecosystem
- Access to art, culture, and global cuisine hubs.
- Excellent connectivity to major cities (3 hours from capital Delhi)

At JKLU, the Jaipur experience is more than a location — it's an inspiration.

Modern Facilities

Mess

The campus mess at JKLU is dedicated to providing hygienic and healthy dining options. It serves a variety of nutritious meals in a clean and welcoming environment, fostering a sense of community. Managed collaboratively by students and faculty, the mess ensures dining is not just about food, but also about wellness and connection.

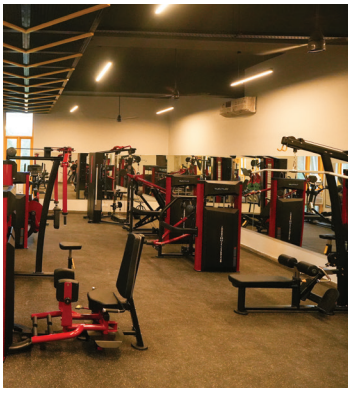

Hostels

Experience the comfort of on-campus living at JKLU. Our spacious hostels are designed with modern living quarters and vibrant communal areas that encourage bonding and create a warm, home-like atmosphere. It's a space where students can foster friendships and create lasting memories while enjoying the convenience of campus life.

Sports

Sports forms an integral part of life at JKLU. From inter-university tournaments to intramural events, there's something for everyone. Our facilities cater to a wide range of interests, including outdoor sports like cricket and basketball, as well as indoor games such as chess and table tennis, ensuring a vibrant and active campus culture.

Fitness Center

Our state-of-the-art fitness center is equipped with the latest training equipment to help students maintain an active and healthy lifestyle. Whether it's strength training, cardio, or functional workouts, the center supports a balanced and holistic approach to physical well-being.

Medical Center

The on-campus Medical Centre at JKLU provides 24/7 qualified medical assistance, ensuring the health and safety of our community. Regular health check-ups, follow-up care, and wellness services are readily available. For emergencies, we offer a dedicated ambulance service in collaboration with Blue Circle Medi Services Pvt. Ltd.

Cafeteria

The multi-cuisine cafeteria at JKLU is the perfect spot to unwind and recharge. Whether you're grabbing a quick snack between classes or enjoying a relaxed meal with friends, the cafeteria serves a wide variety of delicious dishes in a lively, inviting atmosphere that makes every dining experience enjoyable.

Festivals

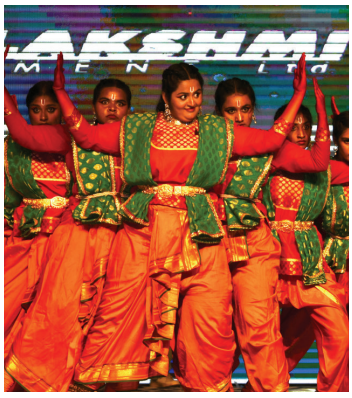

Aarambh

The 12-day residential orientation program features power talks, workshops, club activities, and an adventurous hiking trip. Led by dedicated organizers, the program fosters a sense of belonging and skill development among newly inducted students of JK Lakshmipat University.

Parichay

The annual fresher's party aims to craft an indelible welcome for the latest additions to our academic family. It is a splendid canvas for our newly inducted students to display our institution's rich cultural heritage while embracing the contemporary spirit of our diverse student body.

Sabrang

Our annual cultural fest celebrates diversity and talent. With over 30 activities and 1000+ participants nationwide, it fosters creativity, teamwork, and cultural exchange. From trading challenges to DJ nights, it's a vibrant showcase of student excellence and community spirit, setting new benchmarks each year.

Spardha

The three-day event hosts a variety of inter-university outdoor and indoor sports competitions on campus, including cricket, football, basketball, volleyball, kabaddi, crossfit, and athletics. It showcases the sportsmanship and team spirit of the students, bringing them together in a spirited display of athletic prowess and camaraderie across universities.

Hack JKLU

Our annual hackathon isn't just about coding; it's a fusion of innovation, teamwork, and inspiration. With engaging workshops, expert talks, and cultural performances, it cultivates creativity and problem-solving skills. Participants collaborate, learn, and innovate, leaving a lasting impact on our community's culture of innovation.

Jaipur Design Week

Jaipur Design Week (JDW) celebrates creativity and innovation, bringing together designers, professionals, and enthusiasts worldwide. Through workshops, discussions, and exhibitions, it nurtures talent, fosters collaboration, and explores the transformative role of design. JDW inspires new ideas and showcases the impact of design in shaping our world.

JKLU Laureate Awards

Since 2014, JKLU is honoring nationally and internationally acclaimed and outstanding achievers with JKLU Laureate Award each year not only to venerate these accomplished leaders from all walks of life but also to facilitate the young minds in our country to identify their role models and emulate them.

Former Prime Minister of India, Dr. Manmohan Singh, receiving the JKLU Laureate Award 2019 from Shri Bharat Hari Singhania, President, JK Organisation & Chancellor, JKLU in the presence of JKLU Pro Chancellor, Shri R.P. Singhania, and former JKLU Vice Chancellor, Dr. RL Raina.

Shri Deepak S Parekh, Former Chairman, HDFC receiving the JKLU Laureate Award 2024 from JKLU Pro Chancellor, Shri HP Singhania and Shri RP Singhania in the presence of former JKLU Vice Chancellor, Dr. Dheeraj Sanghi.

Former President of India, Shri Pranab Mukherjee, receiving the JKLU Laureate Award 2018 from Shri Bharat Hari Singhania, President, JK Organisation & Chancellor, JKLU, in the presence of JKLU Pro Chancellor, Shri R.P. Singhania, and former JKLU Vice Chancellor, Dr. RL Raina.

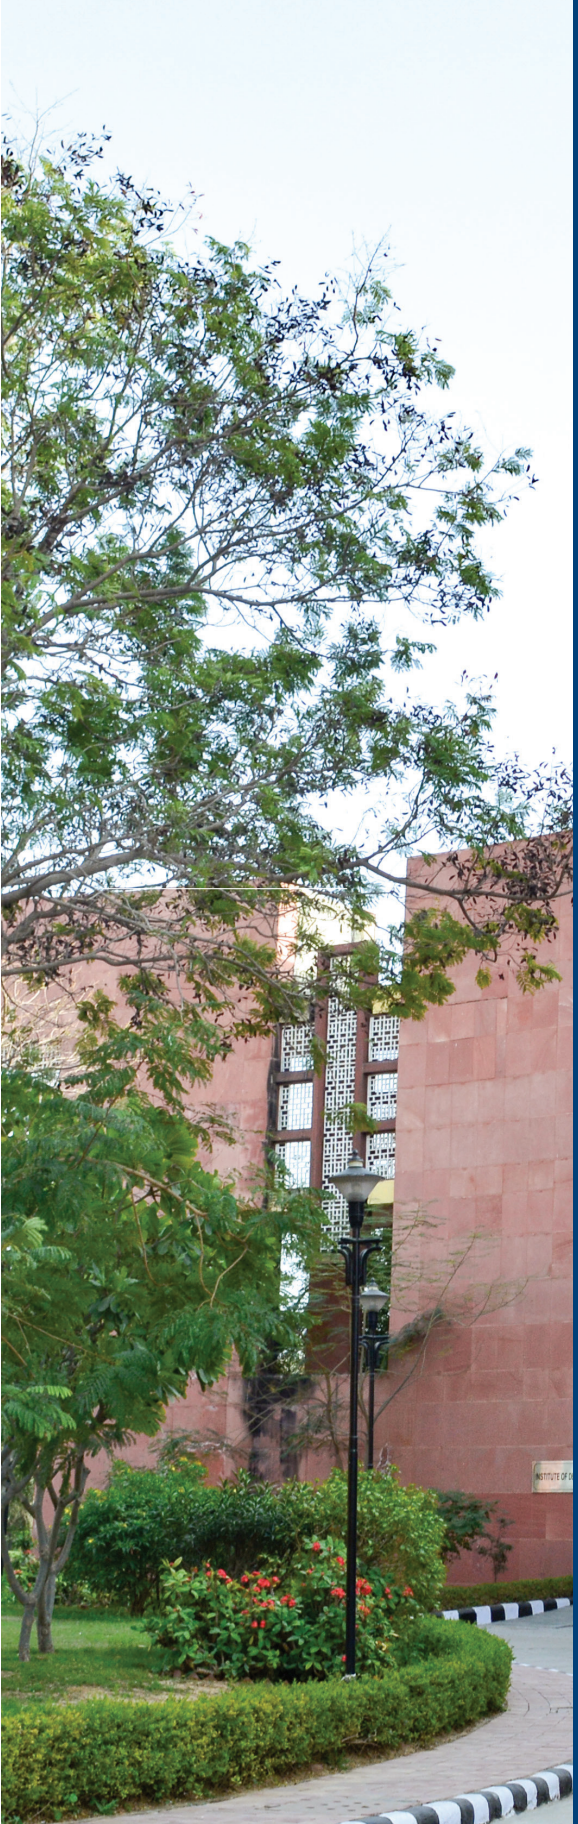

Dr. K. Kasturirangan, former Member of Rajya Sabha and former Chairman of the Indian Space Research Organisation, receiving the JKLU Laureate Award 2014 from Shri Bharat Hari Singhania, President, JK Organisation & Chancellor, JKLU.

Dr. R.A. Mashelkar, world-renowned scientist, and former Director General of CSIR, receiving the JKLU Laureate Award 2023 from JKLU Pro Chancellor, Shri Harsh Pati Singhania, in the presence of former JKLU Vice Chancellor, Dr Dheeraj Sanghi, and former JKLU Pro-Vice Chancellor, Mr. Asheesh Gupta.

Nobel Peace Prize Awardee and child rights activist, Shri Kailash Satyarthi, receives the JKLU Laureate Award 2016 from Shri Bharat Hari Singhania, President, JK Organisation & Chancellor, JKLU, in the presence of JKLU Pro Chancellor, Shri R.P. Singhania, and former JKLU Vice Chancellor, Dr. RL Raina.
