Training Programmes

SAP Training Programme for MM and ABAP Modules Organized at IET, JKLU

SAP Advance Module Training (Train the Trainer) Session was conducted from 20 November, 2017 to 30 November, 2017. Dr. Kavita Choudhary coordinated the SAP session. Both the sessions started with the fundamentals and applications of SAP in industry. In Marketing Management (MM) Module, Mr. Vivek Raut, Primus Techsystems was the trainer. The expert tried to coordinate the SAP MM module lecture session with product manufacturing facility in industry and its need in creating purchase requisition, vendor evaluation, creation of purchase order and verification of invoice etc. The expert also highlighted some key facts about configuring the server as per the demand and requirement of the end users.

In Advance Business Application Programming (ABAP) Module, Mr. Aditya Jadhav, Primus Tech systems was the trainer. ABAP is a high-level programming language created by the German software company SAP. It is currently positioned as the language for programming the SAP Application Server, which is part of the Net Weaver platform for building business applications. The deliverables in ABAP programming covers ABAP Events, Reports, Internal Tables, ABAP Dictionary, Function Modules, Logical Data Base, Dialog Programming, ALV, Sap Query, Script, Smart Forms, BAPI & BADI Example Program.

SAP Training Programme for SD, HCM and FI Modules Organized at IM, JKLU

SAP training Programme for advanced training on domain specific modules was conducted at IM, JKLU during 27th Nov- 12th Dec, 2017. Six faculty members attended the training on three modules, namely Sales and Distribution (SD), Human Capital Management (HCM) and Finance (FI). Training was provided in Train-The-Trainer mode by trainers from Primus Techsystems Pvt. Ltd. The Programme was co-ordinated by Dr. Ashwini Sharma.

SAP Training Programme at IM, JKLU

Faculty development Programme

Faculty development is a continuous process aimed at further enriching the skill-sets and competencies of the faculty for enhanced performance in their teaching, research, training and consulting. In consonance with this approach, JKLU has launched a series of innovative Faculty Development s (FDPs). FDPs are facilitated by our Vice-Chancellor Prof R.L. Raina. Dr. Raina is a frequent consultant for a wide range of clients and develops trainings

Prof. R.L. Raina (Honourable Vice-Chancellor) interacting with participants during the FDP

on 'Effective Communication'. His other training areas include 'Leadership Communication', 'Corporate Communication', 'Media Relations' and 'Scholarly Writing'. 15 faculties of JKLU participated in the FDP focused on “Art and Science of Inspirational Teaching” on Dec 21-22, 2017 at MDC, JKLU. FDP started with welcome address by Director, IET and Dean, IM. FDPs included two core elements: Art of inspirational teaching and leadership for faculty. Event was completed with felicitation of the participant faculty members and a vote of thanks from Prof Raina. received a very positive feedback.

Academic Roundup

An Expert Lecture for the Students of Computer Science

Mr. Pawan Rawal interacting with students

Mr. Pawan Rawal, the Technical Solution Manager – Client Technical Engagement Hybrid Cloud visited our campus and shared his views on the latest emerging technologies with the students of the CSE Department on October 3, 2017. He introduced the students with the usage of CAMS and took the journey of how Back Office Computing in 1900 changed to Client Server PCs, then WWW E-business in 1990s and finally the emerging technology of Confluence of Social, mobile, Big Data Analytics and Cloud computing in 2010. He then threw some light on the upcoming latest technologies upon which the undergrads can focus and could choose a career in that stream. The talk was coordinated Dr. Kavita Choudhary and Dr. Alok Kumar.

Basics of Indian Capital Markets and Career opportunities

Under Extra Muller Lecture Series Institute of Management JKLU, Jaipur organized an expert talk on “Basics of Indian Capital Markets and Career opportunities” on 6 October 2017. The talk was delivered by Dr. Pulock Bhattachar (Vice President, Bombay Stock Exchange) and coordinated by Dr. Kirti Jainani. Dr. Pulock while discussing the basics of Indian Capital Markets said stock exchange provides a place where existing and approved securities can be bought and sold easily. He further threw some light on various career opportunities prevailing in Indian capital market. The primary objective of the session was to aware all students about the Indian Stock Market activities and provide them a platform full of knowledge and thought process about career opportunities available into Indian Stock exchanges.

Expert Talk on Importance of Student's Publication in Flagship IEEE Conferences and Referred Journals

Dr. Avireni Srinivasulu, delivering the expert lecture

An expert talk was organized on the topic “Importance of Student's Publication in Flagship IEEE Conferences and Referred Journals” on 2nd November 2017 for students & faculties of ECE & EE. Dr. Avireni Srinivasulu, Professor (ECE) & former Dean(R&D), VFSTR University, Guntur, A.P. has delivered the lecture. Along with importance publication in flagship IEEE he discusses on the basics & the recent advancement in Semiconductor&Integrated Circuit Technology. He explained that the next generation mobile receiver with Fin FET technology will work without any charger.

The Computer Science Engineering Department organized an Expert Lecture on Cyber Security and prevention measures for B. Tech. Computer Science Engineering students of IV and VI semester on 15 December 2017. The speaker of the lecture was Dr. C. B. Sharma who is a retired IPS officer and currently working as the Founder and CEO of Dr CBS Cyber Security. He was accompanied by Mr. Sachin Sharma and Mr. Gaurav who work as a part of the Software team in the team. The main purpose of this lecture was to brief the students about Cybercrime, the prevention measures as well guidelines for security while developing a web application. The event was organized by Prof. Devendra Bhavsar and managed by student volunteers Aditya Sharma, Astha Rai and Divya Sharma.

Workshop on ‘Aptitude Training

A workshop on Aptitude Training was conducted by Institute of Engineering and Technology at the University on October 27-28, 2017. The workshop was conducted by a team from Career Aspirant Academy. All the students of B. Tech VII Semester attended these sessions. The objective of this workshop was developing skills in the students that will help them in achieving their future goals especially in getting quality placements. The learning for students in these sessions was on seating arrangement, interview facing skills, analytical thinking, group discussion and mock interviews.

Workshop on “Enhancing Employability Skills”

A Workshop on “Enhancing Employability Skills” was organized for the benefit of MBA Final Year students during October 28 – 29, 2017. The Resource Person for the Workshop was Mr. Mukesh Vyas, Patron, Winners Academy for Excellence, Jaipur. The objective of the workshop was to provide a framework for recognizing and developing general employability skills and to prepare the current third semester MBA students to face campus recruitment and develop upon their areas of personality development. The Workshop was of two days duration with six hours of input on each day. Each day consisted of 4 sessions. There were sessions on Communication Skills, Personality Development, Presentation Skills, Leadership Skills, Resume writing and Preparatory sessions for facing Group Discussions and Interviews besides the conduct of Mock Interviews. Feedback was given at the end of the Workshop by Ms. Anushree Dixit, Director, Winners Academy for Excellence, Jaipur.

Glimpse of the Workshop on Enhancing Employability Skills

Workshop on “Introduction of Water Modelling Software- MIKE Powered by DHI and Hands on Training on MIKE Hydro River”

Prof. Dr.-Ing. Anupam Kumar Singh with experts from DHI-India

Civil Engineering Department of IET- JKLU has organized a 2-days workshop from 31st Oct. to 1st Nov. 2017 on Introduction of Water Modelling Software for the students of B. Tech CE in association with DHI-India and JK Lakshmipat University (JKLU). The training was carried out by Ajeet Singh (Assistant Manager- Client Support-DHI India) and Mr. Manish Kumar (Water Resource Engineer DHI India). The participants had opportunity to learn and use MIKE HYDRO River in river related

application areas such as flooding, flood forecasting and flood management, dam break analysis, salinity intrusion and sediment transport in rivers, canals etc. The workshop was coordinated by Prof Vinod Vishwa karma and Prof Vishakha Meena.

Workshop on “System Design and Control: Hands on Experience with MATLAB”

Department of ECE, EE and ChE, IET- JKLU has organized a 3-days workshop from 30th Oct. to 1st Nov. 2017 on System Design and Control for B.Tech students in association with Math Works India. The training session was carried out by Mr. Dhirendra Singh (Application Engineer- Math Works India) and Dr. Satyanarayana Neeli from MNIT, Jaipur. The sessions included design of complex controllers and the application domain of MATLAB and state space analysis and its MATLAB implementation. The objective of this workshop was to provide students to the state-of-art in control system engineering through interactions with experts. The workshop was coordinated by Dr. Neha Sharma, Prof. Narayan Sahoo and Dr. Ashis Tripathy.

The participants with faculty members and experts

Three-day workshop on “Regeneration of the Banas-Bisalpur Socio-ecological Complex”

JK Lakshmipat University Jaipur organized a 3 -day workshop on “The Regeneration of the Banas-Bisalpur Socio-ecological Complex” from 4th to 6th December 2017. It has brought together approximately 70 participants from government, NGOs, academia, village governance institutions and Corporate Social Responsibility (CSR)s sharing an interest in reversal of the currently degrading cycle of linked ecological and socioeconomic degradation across the Banas River catchment in Rajasthan. The workshop was organised in association with the University of the West of England (UWE Bristol, UK), JK Lakshmipat University (Jaipur, India), and Water Harvest – India Liaison Office (Udaipur, India), and was sponsored by Wetlands International – South Asia Office (Delhi, India). The main objective of this workshop was to develop common understanding of current status and trends in the Banas catchment, including vulnerabilities of all linked rural, urban, irrigation and wildlife co-beneficiaries.

Glimpse of the workshop on Regeneration of the Banas-Bisalpur Socio-ecological Complex

Industrial visit

Industrial visit at Manu Yantralaya, Mahindra World City, Jaipur

Industrial visit at Manu Yantralaya, Mahindra World City, Jaipur

EDC- Yi Yuva organized an Industrial Visit for the Yi Yuva student members of Institute of Management to Manu Yantralaya (P) Ltd., Mahindra SEZ (Manufacturer of dust shield, ball bearing cage and bearing components) on 12 October 2017. Manu Yantralaya Pvt. Ltd. is one of the leading Indian Manufacturer of Metal Bearing Cages and Dust Shields which was established in 1988. The students of J K Lakshmipat University visited one of the Production units of Manu Yantralaya which is situated at Mahindra SEZ, Jaipur. The main objective behind the visit was to make student acquainted with production activities of an exporting firm, practical look at the various concepts of Operations and Supply Chain Management. The visit was organized by IM- EDC coordinator, Dr. Sheetal Mundra.

Industrial Visit to Saras Dairy, Jaipur

A group of B.Tech. III semester and V semester EE Students have visited at Saras Dairy, Jaipur on October 27, 2017. The Industrial visit provided practical exposure of Dairy products and control process. Students have been exposed to milk process lab, butter process lab, paneer process lab and Ghee process lab. It was very useful, knowledgeable and exciting visit for the students. The visit was coordinated by Prof. H.P. Agrawal

Industrial Visit to Saras Dairy, Jaipur

Industrial Visit & Excursion Trip

An industrial visit of the final year students of Institute of Management was organized and successfully conducted. The visit was conducted in Baddi Industrial area along with an excursion tour to Manali from 13 December 2017 – 16 December 2017. There were 25 students and was accompanied by Dr. Vaibhav Kaushik and Dr. Rakhi Arora from IM-JKLU.

The second day was an early start at around 8 am for the industrial visit of Vardhman Spinning Mills (Auro Weaving Mills) and Elin Appliances Pvt Ltd at Baddi, Himachal Pradesh. They observed the assembling and manufacturing of quality standardization and their practical implementation. The staff and the managers of both the industries were extremely cooperative and answered all the questions posed by students. It was an enriching experience for the students.

The industrial visit was followed by an excursion of one of the most beautiful hill station of North India, Manali. Students were taken to various points like Solang Valley and the famous Mall road. The day ended with a dinner and DJ party at hotel. After Manali, the group left for Jaipur. The trip ended with unforgettable memories, long term bondages, photos and knowledge.

Industrial visit to Vardhman Spinning Mills (Auro Weaving Mills)

Industrial Visit to Parle Factory, Neemrana

An industrial visit of management students to Parle Factory, Neemrana was scheduled on December 20, 2017. The students from BBA, B.Com (Hons.) 2016 & 2017 along with MBA 2017 batch were present for the visit. After reaching the location, the students were guided by Miss Jyoti from the factory. She guided the students to the manufacturing unit where there were silos for storage of the raw materials before which, the raw materials are tested.

Industrial Visit to Parle Factory, Neemrana

Field Visit at Infrastructure Projects at Jaipur

Glimpse of the Field Visit to Infrastructure Projects at Jaipur

An educational tour for II and III year students was organized to see the various infrastructure projects near or in the Jaipur city on 20 December 2017. Ring Road Project, Dravyavati River Front Project, Ghat Ki Guni Tunnel projects were covered during the visit. The main objective of the education tour is to understand the need of different types of Infrastructure Projects. These three projects serve the different need of people. Similarly, in these three projects different type of approaches were used for finance.

Distinguished Lecture Series

Interactive Session of Dr. Pramath Raj Sinha with Faculty Members

JK Lakshmipat University organized a faculty interaction with newly Inducted member of the Board of Management, Dr. Pramath Raj Sinha, on December 8, 2017 in IM Amphitheatre. Dr. Sinha has been associated with the Indian School of Business (ISB) and Ashoka University. During the session he emphasized on making education system more flexible in terms of depth and width. He strongly believes that India would be a powerhouse of building world class institutions. He further said in India students and job market decides that a Programme is academically sound or not. It is not only availability of the resources but the usage of resources which decides the possibility of achieving the goals. Children are immature in

Dr. Pramath Raj Sinha during his interactive session

taking decisions in their early stage. So do not limit their scope and offer them wide range of courses with full flexibility to make them versatile. While highlighting the importance of communication, he said Reading, Listening and Writing are the basic requirement of the world, so these should be the baseline of education system. Learning by doing and experiential learning should also be adopted by academic institutions. The session was coordinated by Dr. Sheetal Mundra.

Centre for Entrepreneurship & Innovation Round Up

An Entrepreneurship Awareness Programme on 'Stupreneurs'

CEI JKLU organised an entrepreneurship awareness Programme on 'stupreneurs' for the students on 6 October, 2017. The was facilitated by startup oasis, (jointly ventured by CIIE-IIMA and RIICO) and conducted by Mr. Abhishek Gupta. Stupreneurs is a state level business plan competition that further provides support and guidance to entrepreneur. The whole Programme was based on three things: Co- Write, Connect and create. Further, he talked on how to build an MVP (Minimum Viable Product) and what could be a fundable startup business model. He also introduced different business model components and their analyses. The was coordinated by BBA IInd Year student, Faiq Ali khan and faculty, Dr. Sheetal Mundra.

Mr. Abhishek Gupta interacting with students

Start-up Talk 'Market Research for Start-ups'

Mr. Ashish interacting with students during the session

CEI-JKLU organized a Start-up talk on 'Market Research for Start-ups' for MBA students on 1 November 2017. The Start-up entrepreneur was Mr. Ashish, founder of SIP & GOSSIP, an innovative restaurant of its own style. He first shared his story with the students and shared the tips to be taken while running a start-up from his practical experience. He strongly and positively worked on his feedback system. He built his venture USP by maintaining quality, presentation and new items of food. He shared some valuable tips while discussing his own journey- like Keep on research to make your venture competitive and innovative, keeping best price to attract the customer

but it should also justify the cost of the venture, should have a strong customer feedback system, because it is ultimately customer, who will make you and your venture successful. The talk was coordinated by Dr. Sheetal Mundra.

Academic Forum

Digital Initiatives in Education

The Academic Forum activity of the Academic Year 2017-18 resumed with a brief introductory talk by honourable Vice Chancellor Dr. R.L. Raina and then followed by presentation on the topic: "Digital Initiatives in Education" by Dr. S.C. Bhaduri, Professor-Mechanical Engg. Dept., IET on 18th Nov. 2017. Dr. Bhaduri highlighted various scope and benefits of online courses offered and briefed about MOOCS and various online platform like SWAYAM, COURSERA etc. The session was co-ordinated by Dr. Sonal Jain and Dr. Kapil Arora.

Dr. S.C. Bhaduri delivering his talk in Academic Forum

Academic Forum Session on Learning from JKO-TMC 2017

Dr. Manoj Bhatia and Dr. Anupam K Singh during the academic forum session

Panorama of Events

PRAKTIKUM-2017

Institute of Management, JK Lakshmipat University, Jaipur organized PRAKTIKUM-2017, the 6th National Summer Internship Project Presentation Contest on October 7, 2017 at the IM Amphitheatre Hall, JKLU Campus. PRAKTIKUM-2017 provided an excellent opportunity to budding young management graduates and undergraduate to share their story and learning from the summer Internship Projects, which they had completed during summer of 2017. The event was inaugurated by Dr Manoj Kumar Bhatia, Associate Dean - IM, along with other dignitaries on the dais lighting of the lamp. The Institute of Engineering & Technology – JKLU was represented by Dr. S.C. Bhaduri, Professor – IET. The event was introduced by Dr Kapil Arora, Co-coordinator, PRAKTIKUM-2017. The event received an over welcoming response as 32 participants registered themselves for this event from various esteemed institutes of India. The event was organized in two parallel tracks, each of which had two judges – one from industry and other from Academia. Each participant was given 10 minutes for presentations and 3-5 minutes for Q&A. The participants touched upon various aspects of corporate world and also shared their missions, objectives and various key learning from their summer internship project. Ms. Sonali Kabra (International school of Informatics and Management, Jaipur) was the Winner of PRAKTIKUM-2017 and won the first prize of Rs.10,000/-. There were two joint runner-up: Ankita Mishra (Faculty of Management Studies, Institute of Rural Management, Jaipur) and Utkarsh Jha (TAPMI School of Business, Manipal University, Jaipur) who shared the runner-up's prize of Rs.7,500.

Glimpse of PRAKTIKUM-2017

A Musical Evening “Open Air 1.0”

Someone has truly said that where words fail, Music speaks. On the evening of 9th October, 2017, our university experienced this thing to the core. The Open Air 1.0 was the very first musical evening this university has experienced. To felicitate this event, our special guests were Honourable Vice Chancellor Prof. R.L. Raina and the very talented singer and composer Mr. Abhishekh Mishra. There were total 3 events namely Surkshetra (Solo Singing), Cross Lyrics (Antakshari) & Beat Battle in the Open Air 1.0 followed by the Band performance of 'PANKH'. The surkshetra experienced active participation from students of the university as well as outside the university. Aditya Tiwari nailed his performance, matched the right tone and bagged the first prize. Our guest Mr. Mishra was extremely delighted by the level of talent in our university and gave an equally amazing performance which made the audience dance to his tunes. At last, the most awaited part of the evening was started with the DJ Night wherein students danced cheerfully and ended amazing evening on a very high note.

Glimpse of Musical Evening “Open Air 1.0”

Interactive Session on “Climate Change” at LSA, Kolkata

JK Lakshmipat University organized a session at LSA, Kolkata on “Climate Change” on 26 October 2017 to orient the student about the Climate Change and how everyone can contribute to make it in favor of humanity with a small individual effort. Inauguration of Centre for Communication & Critical Thinking

Glimpse of the Inauguration ceremony of the Centre for Communication & Critical Thinking

JK Lakshmipat University launched a new Centre dedicated to developing effective communication and critical thinking among the students of the University on 14 December 2017. The University is making a break from the traditional approaches followed at most Universities in India and is adopting best practices from Ivy League and top Universities in the world by bringing into the curriculum those competencies and courses which contribute to professional success universally. The Centre, which will use latest approaches, tools and methodologies to help students develop these skills, was inaugurated by Dr. R.L. Raina the Vice Chancellor of JKLU in the presence of Ms. Shreyasi Singh, journalist, author and former editor of Indian edition of Inc., the

iconic global publication on entrepreneurship. The Centre for Communication & Critical Thinking will offer courses to JKLU students across all years of graduate and undergraduate study.

Inauguration - Centre for Entrepreneurship & Innovation

Centre for Entrepreneurship & Innovation at JKLU is solely dedicated to promote students to explore new ideas and build them into a successful venture. To promote these activities and provide more supports to budding entrepreneurs and innovators a Centre for Entrepreneurship & Innovation has been set-up at JKLU Campus on 16 December 2017. It was inaugurated by Dr. Rohit Kumar, Dean External Relations and Professor at Cornell SC Johnson School of Business, Cornell University.

Centre for Entrepreneurship & Innovation

Christmas and New Year Eve Celebration

JKLU Student Life Committee has organized Christmas and New year eve Celebration Programme on 21st December, 2017 at LRC stairs in the campus to celebrate the festival of Christmas and arrival of New Year 2018. Such Programme is organized for the first time at the JKLU Campus to provide a platform to all the students to enjoy and celebrate the occasion on such a grand scale. The Programme was officially inaugurated by the Dr. R. L. Raina ,Hon'ble Vice Chancellor of the University, followed by fun filled performance by the student volunteers. The Programme was started with dance performance by Aditya Mehta, Ayushi khetan, Aqsa Ahmad, followed by the song performance by Ritwi ktak, Divya Bhatia, Namanpatni, Sandeep and group song performance by Snehashish and his team. Chirag Bansal and his team presented a skit on Christmas followed by highlight of the evening mime act on Jesus Christ life from his birth to death by Abhanshu Agarwal and his team members. Mr. Ramakant and Mr. Reman played the role of Santa and filled the atmosphere with fun by their acts, songs and distributed chocolates to all the audience. The Programme was anchored by Deepansh and Aditya. More than 300 day scholar and hostellers were present in the Programme along with staff and faculty members and the Programme was well appreciated by Hon'ble Vice Chancellor who was with us till the end of the program. The Programme was coordinated by Chair, Student life committee Prof. Lokanath Mishra.

Prof. R.L. Raina(Honorable Vice-Chancellor) addressing the gathering during the Christmas and New Year Eve Celebration

New Year Eve Celebration 2018

The New Year signifies that the time has arrived to bid farewell to the by-gone year and to welcome the New Year. In view of this, student life committee along with the students of JK Lakshmipat University gathered on 31st December 2017 at 9:00 pm for welcoming the New Year 2018 and bid farewell to 2017. Everyone was super excited and happy for the New Year eve celebration. The Honourable Vice Chancellor Prof. R.L. Raina, JKLU started the Programme with the fly sky lantern. All the members sat around the bonfire in a circle. Music was on its peak and everyone enjoyed the warmth of the bonfire. The celebration concluded with games, dancing, antakshari etc. At sharp 12 am, everyone welcomed 2018 with lighting the crackers. The age-old tradition of planning new resolutions for the coming year was also taken.

Campus Visits

Interaction session with students and faculty members of Gyandeeep Sr. Sec School

A campus visit has been organized for Gyandeeep Sr. Sec School at JKLU campus on 11th Nov. 17. An interactive session conducted at IM- Amphi theatre by Mr. Akhilesh Chandra, Mr. Tushar Sharma and Ms. Heena Sharma followed by campus visit. 25 students from Commerce stream along with a faculty member attended the session.

Visit of Red Rose Sec School at JKLU campus

Students from Red Rose Sec School visited JKLU campus on 20th Nov. 2017. Two faculty members and 67 students attended the session. Thirty one students were from 11th and thirty six students were from 12th standard. Session was conducted by Mr. Rohit Rastogi, Dr. Devanshu & Akhilesh Chandra. After the session all students and faculty members visited the campus.

Students of Red Rose Sec School having interactive session

Visit of LPS Kankroli School at JKLU campus

Students from LPS Kankroli reached at JKLU campus on 20th Nov. 2017 and visited JKLU campus on 21st Nov 2017. Honourable Pro Vice Chancellor Presented Memento to School Faculty Members. 28 students from Commerce and 6 from science stream, accompanied by 3-faculty members attended the same. Dr. M.K. Bhatia, Mr. Rohit Rastogi, conducted the session.

Students of LPS Kankroli, observing the JKLU students' Project

Visit of Mahapragya Sr. Sec School at JKLU campus

Students of Mahapragya Sr. Sec School Visiting Technology Lab at JKLU Campus

Students from Mahapragya Sr. Sec School visited JKLU campus on 28th Nov. 2017. One faculty member and 45 students from Commerce and science streams attended the session. The interactive session was conducted by Dr. Umesh Guta and Mr. Rohit Rastogi. After the session all students and faculty had visited our campus and seen laboratory setup at JKLU Campus.

Campus Visit of Students of Parishkar International College

Campus visit for the students of Parishkar International College was organized on 15th Dec 2017. Thirty one students from BBA/B.Com visited our campus along with 2 faculty members. Career counselling session was conducted by Mr. Rajiv Ranjan Dubey & Dr. M. K. Bhatia. They talked about various programs & teaching methodology at JKLU. Mr. Akhilesh Chandra and Mr. Rohit Rastogi conducted a management game for all students. The session was appreciated by students and faculties.

Student Achievement

- Two of our B.Tech (Computer Science Engineering) students Mr. Kapil Jainani (2016BTechCSE206) and Mr. Dishan Shukla (2016BTechCSE224) have secured 1st and 3rd position respectively in Enigma competition conducted by IIT Bombay during Technorion, Nationwide zonal competitions of Techfest 2017-18 on 02nd October, 2017 at Swami Keshwan and Institute of Technology, Jaipur.
- Two of our B.Tech (Mechanical Engineering) students Mr. Rajat Nebhnani (2016BTechME019) and Mr. Nadeem Khan (2015BTechME012) have been notified as Toppers in online certification exam organized by NPTEL Ministry of HRD, Government of India held in the month of October, 2017 and September, 2017 respectively. Mr. Rajat Nebhnani has secured position among Top 2% for the course Manufacturing Systems Technology-I & II, whereas Mr. Nadeem Khan is among Top 5% for the course Laws of Thermodynamic
- Rajasthan Digi Fest, one of the largest tech startup events of India was organized by Department of Information Technology and Communication (DoIT&C), Government of Rajasthan on 2nd and 3rd December 2017. It was a 24 hour, multi-topic, innovation marathon for coders, developers, designers, inventors and all-around creators. Six teams of B. Tech (Computer Science & Engineering Department) from JK Lakshmipat University were the part of the grand event. These teams were Pirates (Sarthak, Rishabh, Anadi), CoDerZ_By_ Nature (Anwessha, Geetanshu, Harsh), Code_geass (Aman, Kapil, Kamal, Dishan), Kreek (Shishir, Tarun, Asit, Harsh), Coderbruh (Jai, Mayank, Rghav, Priyanshu), Innovating (Kapil, Shubham, Roshan, Karan). The teams were mentored by Dr. S. Taruna, JK Lakshmipat University.
- Ten students of MBA from IM- JKL University registered for Dyson pool campus drive and the same attended the drive. Ms. Riya Choudhary got shortlisted for the final round.

Students participating in Rajasthan Hackathon3.0

Sharing Vision beyond Boundaries

- Dr. Roshan Lal Raina delivered a keynote address on "Media & Information Literacy: Challenges & Opportunities in Knowledge Driven Context" in the UNESCO and Gandhi Smriti & Darshan Smiti sponsored Workshop on Media and Information Literacy to promote Gandhian Approach to Environment and Sustainable Development, organized by Punjabi University Patiala, during October 13-14, 2017 at Patiala.
- Dr. Roshan Lal Raina delivered an address on "Academic-Industry Interface: Already Late to Trickle Down to the Classroom" in the National Conclave on Synergizing Academia-Industry Towards Skilling & Transforming India, organized by Federation for World Academics at New Delhi on November 4, 2017.
- Dr. Roshan Lal Raina delivered an address on "A Digital Universe of Infinite Possibilities" in the 20th National Convention – NACLIN 2017, organized by DELNET, New Delhi on November 29, 2017.
- Dr. Sheetal Mundra conducted a 'Career Counseling' session on October 9, 2017 at MGD Girls School, Jaipur.
- Dr. Sheetal Mundra conducted a 'Career Counseling' session on October 9, 2017 at WEC, Jaipur.
- Dr. Sandeep Kumar Tomar delivered a contributory talk on "Synthesis of CNT's from natural resources and their application in super capacitor" in the 12th National Conference on Solid State Ionics (NCSSI 2017) at Birla Institute of Technology & Science, (BITS) Pilani, during 21-23 December 2017.

Research and Academic Contributions

Awards, Honours and Achievements

1. “Exemplary Academic Leadership Award” conferred upon Dr. R.L. Raina on the occasion of Federation for World Academics (FWA) National Conclave - 2017 on “Synergizing Academia-Industry towards Skilling & Transforming India” organized in New Delhi on November 4, 2017. The award was presented during the 8th National Education Leadership Awards 2017, by the Business World and the Education Post.
2. “Visionary edu-leader of India” Award conferred upon Dr. R.L. Raina on the occasion of National Convention of edu LEADERS & edu PRENEURS in Higher Education, organized in New Delhi on December 11, 2017. The award was presented during the The Fifth Estate Summit 2017, organized by Re: think India in the presence of Sri Pranab Mukherjee, the 13th President of India.
3. Dr. R. L. Raina was nominated as a Member of the Board of Studies (BOS) by the All India Management Association (AIMA) - Centre for Management Education (CME), New Delhi.
4. Quality Circle Forum of India (QCFI) organized a National Convention on Quality Concepts: Creating Value to the Society at Mysuru from 1-3 December 2017. Director-IET (Dr. Anupam Kumar Singh) attended and acted as a Judge for evaluating the case study presented by various industries on quality concepts, Kaizen and 5S. The event was attended by 17000 participants represented by 1680 Quality Circles from 380 multi-national and national organizations across India.
5. Dr. Ashis Tripathy has been awarded the best oral paper presentation for his paper titled “Synthesis Morphological, Electromechanical Characterization of (CaMgFex) Fe_{1-x} Ti₃O₁₂₋₃ / PDMS Nanocomposite Thin Films for Energy Storage Application” organized by The International Academy of Science and Engineering for Development at the ISMDMA 2017 Conference (2017 International Symposium on Mechanical Design, Manufacture and Automation), which was held on 24-26 November, 2017 in Dubai, UAE. It is a proud moment for JKLU.

Dr. Ashis Tripathy receiving best paper presentation award at ISMDMA 2017, Dubai-UAE

Paper Presentations Abroad

1. Dr. Jaya Gupta presented a paper entitled "The Lomax - Weibull Distribution" in an International conference "Applied Mathematics in Science and Engineering International Conference ", (APPEMSE-2017) during Oct. 10th - 12th, 2017 held at Phuket, Thailand.

Dr. Jaya Gupta with delegates during the conference

2. Dr. Punam Mishra presented a paper entitled "Factors Affecting Anti-consumption Brand Behavior in FMCG Sector in India" in TIMES-iCON-2017, organized by Mahidol University, Thailand, during November 20-21, 2017.

Dr. Punam Mishra receiving the certificate

3. Prof. Narayan Sahoo presented a paper entitled "Single axis control of ball position in a magnetic levitation system using fuzzy logic controller" in the 2017 International Symposium on Mechanical Design, Manufacture and Automation (ISMDMA) in Dubai, UAE, organized by The International Academy of Science and Engineering for Development during 24-26 November, 2017.

Prof. Narayan Sahoo receiving the certificate

4. Dr. Ashis Tripathy presented a paper entitled “Synthesis Morphological, Electromechanical Characterization of $(\text{Ca Mg Fex}) \text{Fe}_{1-x} \text{Ti}_3\text{O}_{12-3}$ / PDMS Nanocomposite Thin Films for Energy Storage Application” in the 2017 International Symposium on Mechanical Design, Manufacture and Automation (ISMDMA) in Dubai, UAE, organized by The International Academy of Science and Engineering for Development during 24-26 November, 2017.

Dr. Ashis Tripathy presenting his paper

5. Dr. Richa Sharma presented a paper entitled "Markovian Queue with Multi Stage Service, Finite Capacity and Breakdowns" in the 2nd International Conference on System Reliability and Safety(ICSRS)at Politecnico di Milano, Milan, Italy, during December 20-22, 2017.
6. Prof. Gireesh Kumar presented a paper entitled “Analysis of Software Reliability Growth Model under Two Types of Fault and Warranty Cost” in the 2nd International Conference on System Reliability and Safety (ICSRS), at Politecnico di Milano, Milan, Italy, during December 20-22, 2017.

Research Papers presented in Conferences

1. Devika Kataria. Realization of MEMS based silicon cantilever using Bulk Micromachining. Presented in the conference on "Recent Innovations in Signal Processing and Embedded Systems RISE 2017" conducted jointly by MANIT Bhopal, IEEE and ESIEE France on October 28, 2017.
2. J. P. Sharma and H. R. Kamath. Stochastic voltage stability margin in unbalance feeder with fuzzy based distributed generation placement. Presented in the "XIV Control Instrumentation System Conference", CISCON 2017 held at Manipal Institute of Technology, Manipal during November 3-4, 2017.
3. Upasana Singh. High Performance HR Practices in India: An Examination from Universalistic and Institutional Perspective. Presented in an International Conference on "Sustainable Development of Human Capital: Exploring Perspectives from Grassroots to Global Research and Practice" held at IIM Ahmedabad during November 8-10, 2017.
4. Upasana Singh. Role of Emotional Intelligence in Conflict Management. In an International Conference on "Research and Business Sustainability" held at IIT Roorkee during December 15-16, 2017.

5. Ganesh Dash. Minimising Gaps for Maximum Satisfaction: framework for Developing Economies. Presented in the 2nd Asia- Pacific Conference on "Managing Business Sustainability" held at Jaipuria Institute of Management, Lucknow, India on December 15-17, 2017.
6. Vaibhav Kaushik. GST: Mission and Vision. Presented in the Conference on "GST: In Indian Context" held on November 24-25, 2017 at S.S.
- Jain Subodh P.G. (Autonomus) College, Jaipur, India.
7. Vaibhav Kaushik. Efficiency of Black and Scholes Model for Pricing Options at Indian Stock Market. Presented in the 2nd Asia- Pacific Conference on "Managing Business Sustainability" held on December 15-17, 2017 at Jaipuria Institute of Management, Lucknow, India.

MDP/FDP Conducted

1. Dr. R. L. Raina conducted a two-day Faculty Development Program on "Art & Science of Inspirational Teaching" during December 21-22, 2017 at JKLU. Fifteen faculty members of JKLU participated in the FDP which included two core elements: Art of inspirational teaching and leadership for faculty. Event was completed with felicitation of the participant faculty members and a vote of thanks proposed by Prof Raina.

Glimpse of the Faculty Development Programme

Academic Positions / Distinctions Held

1. Dr. Sandeep Kumar Tomar has been appointed Organizing Committee Member for International Conference on Science & Engineering of Materials (ICSEM 2018), from January 06-08, 2018 at Sharda University, Greater Noida.
2. Dr. Devika Kataria has been appointed as Session Chair on VLSI for two sessions on 29th October 2017 on an International Conference on Recent Innovations in Signal Processing and Embedded Systems-RISE 2017.
3. Dr. S. Taruna has been appointed as Technical Committee Member for 2018 IEEE 3rd Advanced Information Technology, Electronic and Automation Control Conference (IAEAC-2018), China October 12-14, 2018.
4. Prof. J. P. Sharma has been appointed Technical Committee Member for the third International Congress on Information and Communication Technology (ICICT 2018) London, United Kingdom to be held during February 27-28, 2018.
5. Prof. Yogesh Rohilla has been appointed Technical Committee Member for 10th International Congress on Computational Intelligence and Communication Networks (CICN 2018), Esbjerg, Denmark during August 18-20, 2018.
6. Dr. Ganesh Dash chaired a technical session in the 2nd Asia- Pacific Conference on Managing Business Sustainability held during December 15-17, 2017 at Jaipuria Institute of Management, Lucknow, India.

Upcoming Events

International 5G Conference	2-4 February 2018
National Tech-Management Fest (Sabrang)	22-23 February 2018
National Sports Contest (Spardha)	16-18 March 2018
