Editor's Note

As we reflect on the defining moments of the past month at JK Lakshmipat University, one theme that stands out clearly is the transformative power of partnerships and collaborations in shaping the future of higher education. In today's interconnected world, universities must go beyond classrooms to create meaningful global and industry linkages that expand opportunities for students and faculty alike.

Our recent collaborations with Nottingham Trent University, Object Automation System Solutions, and Celebal Technologies exemplify this commitment. These partnerships are opening pathways for international study, industry-led learning, internships, placements, collaborative research, and emerging technology exposure. From semester exchange opportunities in design education to hands-on industry projects in AI, semiconductor chip design, and data engineering, our students are gaining experiences that prepare them for a rapidly evolving global workforce.

Our efforts in building partnerships and bridging the industry-academia gap have not gone unnoticed. Remarkably, at the Rajasthan Leadership Awards 2026, JKLU was honored with the 'Innovation in Building Academic & Industry Interface' award, while I and Prof. Sheetal Mundra, Acting Head of the Institute of Management, received Inspirational Leader and Outstanding Faculty awards, respectively. What is more, our Hari Shankar Singhania School of Business (HSB), which offers India's pioneer MBA in Product Management, won the Best Innovation in Teaching Pedagogy Award.

Equally heartening are the achievements of our faculty, whose research, publications, conference presentations, and innovation initiatives continue to strengthen JKLU's academic reputation and societal impact.

As another graduating batch prepares to embark on new journeys, I extend my heartfelt congratulations and best wishes. May you continue to learn, lead, innovate, and make meaningful contributions to society wherever life takes you.

Dr. Vijaysekhar Chellaboina

Vice Chancellor,
JK Lakshmipat University

Defining Moments

JKLU Shines at Rajasthan Leadership Awards 2026

- JKLU received the Innovation in Building **Academic & Industry Interface** Award.
- Hari Shankar Singhania School of Business won the **Best Innovation in Teaching Pedagogy** Award.
- JKLU Vice Chancellor **Dr. Vijaysekhar Chellaboina** won the Inspirational Leader Award.
- **Prof. Sheetal Mundra**, Acting Head of the Institute of Management bagged the Outstanding Faculty Award.

In a landmark moment for the entire university community, JK Lakshmipat University emerged as a distinguished winner at the prestigious Rajasthan Leadership Awards 2026, reaffirming its position as a leading institution driving excellence, innovation, and impactful change in higher education.

JKLU was honoured for 'Innovation in Building Academic & Industry Interface' at the award ceremony hosted by the World Education Congress in Jaipur on May 29. This award was in recognition of JKLU's relentless efforts towards creating strong collaborations between academia and industry and the continued focus on experiential learning, interdisciplinary education, industry engagement, and preparing students to thrive in a rapidly evolving global environment.

Adding to the university's achievements, the Hari Shankar Singhania School of Business (HSB), which offers India's pioneer MBA in Product Management, won the Best Innovation in Teaching Pedagogy Award. Dr. Archana Shukla, Director of HSB, received the award.

JKLU Vice Chancellor **Dr. Vijaysekhar Chellaboina** received the Inspirational Leader Award in recognition of his exemplary leadership and contribution to higher education.

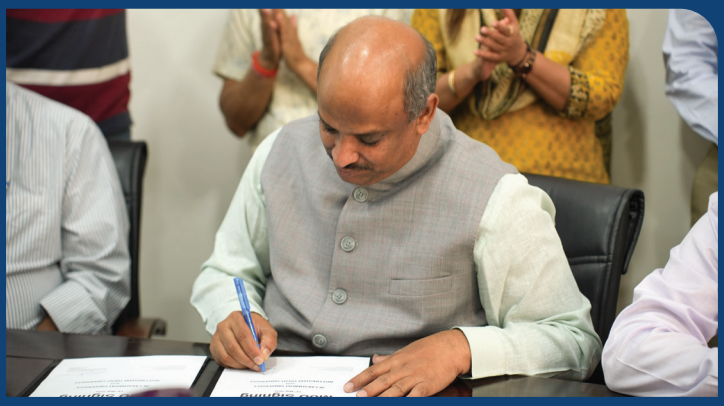

Prof. Sheetal Mundra, Acting Head of the Institute of Management at JKLU, was conferred with the Outstanding Faculty Award for excellence in teaching, mentorship, and academic contribution. The event brought together distinguished academicians, institutional leaders and researchers from across the country to celebrate excellence and innovation in the education sector. Reflecting on the achievement, Dr. Vijaysekhar Chellaboina, Vice Chancellor, JK Lakshmipat University said, "This recognition at the Rajasthan Leadership Awards 2026 is a proud moment for the entire JK Lakshmipat University community. It reflects our collective commitment to building a future-focused institution that seamlessly integrates academic excellence with industry relevance."

The Rajasthan Leadership Awards, hosted by World Education Congress, continues to serve as a prestigious platform recognizing institutions and individuals who are making impactful contributions to the education ecosystem through innovation, leadership, and academic excellence.

Defining Moments

MoU with Nottingham Trent University

JK Lakshmipat University (JKLU) and Nottingham Trent University (NTU) signed a strategic Memorandum of Understanding (MoU) on May 14 to create international academic progression opportunities for students in design disciplines. The collaboration reflects a shared commitment to global education, industry-oriented learning, and enhanced student mobility.

The collaboration aims to create international academic pathways and provide globally enriched learning opportunities for students, particularly in the field of design education, through semester exchange programmes, postgraduate progression opportunities, and academic pathways such as 2+2, 3+1, and 4+1 progression routes.

The partnership is expected to enhance academic mobility, global exposure, and collaborative engagement for both students and faculty members. The Institute of Design played an important role in shaping and developing this MoU, given the strong academic alignment of the collaboration with design education and future international pathways for design students.

The Centre for Global Learning Program (CGLP) will serve as the primary coordinating and implementing body for this collaboration, working closely with the Institute of Design and other relevant academic units to facilitate student mobility, course mapping, institutional coordination, and implementation of the agreed academic pathways.

Defining Moments

MoU with Object Automation Systems for VLSI Chip Design

JKLU signed an MoU with California-based Object Automation System Solutions on May 21, marking an important step towards strengthening the university's collaboration with industry in the areas of advanced technology, skill development, and industry-aligned education. The MoU aims to create opportunities for students and faculty through expert lectures, specialized training programs, collaborative projects, internships, and industry interaction.

The collaboration will particularly focus on preparing students for projects on semiconductor chip design and AI for healthcare, bioinformatics, banking and finance, and other related domains.

The partnership with Object Automation System Solutions would help enhance students' practical exposure and bridge the gap between classroom learning and real-world industry requirements.

Both organizations have also agreed to collaborate in designing and developing new curricula and organizing conferences, symposia, workshops, refresher courses, and international events.

Through this MoU, JKLU seeks to further strengthen its commitment to experiential learning, innovation-driven education, and meaningful industry engagement for the benefit of students and faculty alike.

Industry Collaboration: JKLU Partners with Celebal Technologies

JKLU and Celebal Technologies established an industry-academia collaboration through a Memorandum of Understanding (MoU) aimed at creating long-term opportunities for students in internships, placements, technical training, mentorship, workshops, hackathons, and industry engagement initiatives. The collaboration seeks to strengthen practical learning exposure and bridge the gap between academic curriculum and evolving industry requirements in emerging technology domains.

As part of this initiative, an industry interaction session was organized on May 9 for B.Tech 3rd Year students. The session introduced students to the "Celebal Excellence Internship Program (CEI)", a structured program offering industry-oriented learning through training, mentorship, live projects, internships, and PPO (Pre Placement Offer) opportunities.

During the session, representatives from Celebal Technologies familiarized students with the organization, work culture, and career opportunities in Data Science and Data Engineering. Students were also briefed about the internship structure, learning modules, evaluation methodology, Kaggle-based assessments, and interview process.

The program includes an 8-week virtual internship followed by a 20-day advanced project phase focused on solving real-world industry problems. It also offers LMS-based learning, mentorship support, continuous evaluation, certification opportunities, and PPO consideration for high-performing students.

The session concluded with an interactive Q&A segment, where students actively engaged with the company representatives to gain insights into industry expectations and career pathways. Following the assessment and shortlisting process, 15 students from JK Lakshmipat University were selected for the 2-month internship program.

Academic Roundup

Campus to Career Summit

Participating at the Campus to Career (C2C) Summit, a premier convening organised by the Higher Education Department, Government of Karnataka on May 15, JKLU Vice Chancellor Dr. Vijaysekhar Chellaboina moderated an insightful panel discussion that distilled the critical challenges involved in building an AI-ready workforce in India.

The session brought together prominent leaders from academia, industry, and policy to discuss how institutions can prepare learners for success in an AI-driven world.

Chaired by **Madan Padaki**, Founder, JanAI & Co-Chair, Karnataka Higher Education Vision Group, the speakers of the session included Andreea Willmott, Founder & CEO, Athena GESDA: Global Education Strategy and Development Alliance; Vinay Swamy, Country Head, Pearson; Gopalakrishnan Ea, Principal, Amrita School of Computing & AI, E-Cell, Amrita Vishwa Vidyapeetham Bengaluru; Satya Narayanan R, Chairman, CL Educate; Murlidhar S, Founder & CEO, Lodestar; and Pramod Idiculla, Director, Enterprise Learning, Adobe.

Immersion 2.0 Workshop: 3-Day Residential Training Program

Dr. Ashwini Sharma, Associate Professor at JKLU's Institute of Management co-ordinated the Immersion 2.0 workshop organized for young executives of JKO entities from May 18-20. The key focus areas of the workshop included digital transformation for competitive advantage, value creation through innovative business models, experience economy, critical thinking & mental agility, and emotional intelligence in leadership & practice. Sixteen participants from various businesses of JKO attended the programme.

Panorama of Events

Campus Engagement Session by Xebia

JK Lakshmipat University hosted a campus engagement session by Xebia on May 9 for B.Tech Computer Science students. The session was conducted by Gunjan Saini, General Manager – Talent Development at Xebia, and focused on empowering students with industry insights, emerging technology trends, and career guidance in the AI-driven software engineering domain.

The session highlighted key industry trends including AI and automation, Cloud Native technologies, DevOps, Data Analytics, and digital transformation across sectors. Students were introduced to the growing importance of cloud computing, cybersecurity, and remote collaboration tools in modern workplaces.

Interactive activities and workshops formed an important part of the engagement, encouraging teamwork, collaborative problem-solving, and communication skills essential for global consultancy roles. Students also gained insights into recruiter expectations, continuous learning, and the importance of building a strong professional profile aligned with evolving industry demands.

The session served as a valuable platform bridging academic learning with practical industry requirements and provided students with meaningful exposure to emerging opportunities in the technology sector.

A Royal Goodbye: BBA & BCA Batch of 2026 Celebrate Memories and Milestones

The Farewell Ceremony 2026 for the graduating BBA and BCA students at the Institute of Management was an evening woven with celebration, gratitude, and cherished memories. Held on May 17, the event embraced the vibrant theme of “Royal Bollywood,” transforming the campus into a dazzling space of lights, music, and emotions.

From Bollywood-themed games and lively team challenges to heartfelt speeches and laughter-filled moments, the evening beautifully captured the spirit of togetherness that defined the batch’s journey.

A particularly touching highlight was the faculty video presentation on the song ‘All Is Well’. Featuring recorded messages and blessings from faculty members who could not attend in person, the tribute left many smiling nostalgically.

Fun awards such as “Entertainer of the Batch” and “Best Dressed of the Batch” added sparkle to the evening, while the cake-cutting ceremony, dinner, and group photographs marked a heartfelt conclusion to a memorable chapter. As the seniors bid farewell to campus life, they carried with them friendships, experiences, and memories to treasure for years to come.

Panorama of Events

B.Tech Batch of 2022–2026 Logs Out from Campus

Laughter echoed through the halls, music filled the air, and familiar faces carried the bittersweet realization that an unforgettable journey was coming to an end. The farewell evening for the 2022–2026 B.Tech batch at the Institute of Engineering & Technology, held on May 21, was a celebration of friendships, milestones, and memories that will long outlive college life. Organised thoughtfully by the second and third-year students, the evening brought together faculty members, juniors, and graduating students for a warm and emotional send-off. Addressing the gathering, Dr. Tapas Kumar, Dean, Institute of Engineering & Technology, and Prof. Umesh Gupta, Dean, Academic Affairs, shared words of encouragement and wished the outgoing batch success in the years ahead.

Games, dance performances, and the lively "Mr. and Ms. Farewell" competition added energy and excitement to the celebration, with Deepak Kumar and Sheetal Shekhawat winning the titles. As the evening concluded over cake, music, dinner, and endless photographs, the campus witnessed something timeless, the beauty of saying goodbye while carrying a piece of JKLU forever.

Farewell Ceremony for the Graduating B.Des and M.Des Batches

The Institute of Design organized a dinner gathering for the graduating batches of B.Des 2022–2026 and M.Des 2024–2026 on May 27 to celebrate the students' academic journey, achievements, and contribution to the institute. In the usual candid style of the Institute of Design, the farewell was filled with informal conversations, emotional moments, shared memories, food, music, and fun interactions between students and faculty members.

The evening included faculty and student interactions, cake cutting, group photographs, and dinner. The JKLU cafeteria where the event was held was arranged in accordance with the event theme "Noir," creating a warm and celebratory atmosphere for the graduating batch.

The graduating students expressed their gratitude towards the university, faculty members, and peers for their support throughout their academic journey. The event concluded on a memorable and emotional note as students prepared to move forward into the next chapter of their lives.

Panorama of Events

Ballers & Spikers Cup 2026

The Ballers & Spikers Cup 2026, an Inter-School Basketball and Volleyball Tournament, was successfully conducted from 1st May to 3rd May 2026. The event brought together young athletes from various schools, providing them with a platform to showcase their sporting talent, teamwork, and competitive spirit.

The tournament witnessed enthusiastic participation, with more than 20 school teams each in Basketball and Volleyball competing over three days of exciting matches.

The event was marked by high levels of sportsmanship, dedication, and skill, attracting support from students, teachers, coaches, and spectators.

In the Volleyball Tournament, Fellowship Mission School emerged as the Champion, while Defence Public School secured the Runner-Up position after a series of closely contested matches. In the Basketball Tournament, Vivek Techno School claimed the Winner's Trophy, with Gyan Ashram School finishing as the Runner-Up.

The successful execution of the tournament was made possible through the collective efforts of participating schools, coaches, officials, volunteers, and the organizing team. Ballers & Spikers Cup 2026 not only promoted physical fitness and sporting excellence but also fostered camaraderie and healthy competition among students. The event concluded on a high note, leaving participants with memorable experiences and a strengthened passion for sports.

Admissions Rush

Glimpses from Campus Tours

AIC-JKLU Events & Initiatives

AIM SUMVAAD Conclave

AIC-JKLU participated in AIM SUMVAAD 2026 – The Central India Chapter, organized by Atal Innovation Mission at Raja Ramanna Centre for Advanced Technology on May 11-12. The two-day conclave brought together incubators, innovators, and ecosystem stakeholders to strengthen collaboration and drive innovation-led entrepreneurship. A major highlight of the event was the launch of The Thar Incubation Alliance (TIA), a collaborative startup and innovation ecosystem focused on fostering partnerships, innovation exchange, and entrepreneurial growth across the region. Participation in the conclave reinforced AIC-JKLU's commitment to supporting startups and contributing to India's innovation ecosystem.

MOU Signing with Instarto

AIC-JKLU signed an MoU with Instarto on May 13 to strengthen support for startups and foster innovation-driven entrepreneurship. The collaboration aims to enhance access to fundraising opportunities, investor readiness, valuation support, and investment banking services for startups incubated at AIC-JKLU. Instarto, a trusted global platform connecting startups and SMEs with investors from Seed to Series B stages, brings expertise in investment facilitation and deal preparation. Through this partnership, AIC-JKLU will further empower innovators and entrepreneurs by enabling better access to funding networks, mentorship, and growth opportunities.

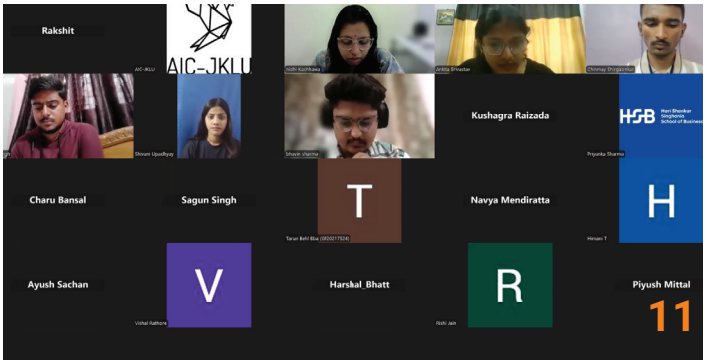

Startup Meetup at iStart Rajasthan

AIC JKLU participated in the Startup Meetup at iStart Rajasthan on May 16, engaging with startups, innovators, and ecosystem stakeholders from across the region. The event provided an opportunity for networking, collaboration, and discussions focused on strengthening Rajasthan's startup and innovation ecosystem. The meetup also witnessed the presence of Shri V. Srinivas, Chief Secretary of Rajasthan, whose interaction with the startup community highlighted the state government's continued emphasis on entrepreneurship, innovation, and ecosystem development. Participation in the event enabled meaningful engagement with key stakeholders and emerging startups, fostering opportunities for future collaborations and ecosystem partnerships.

Orientation Program for Hari Shankar Singhania School of Business

An online orientation session was conducted on May 19 for HSB students under the MBA Runway Program to introduce them to AIC-JKLU and its startup ecosystem. The session provided insights into the incubation center's focus areas, including energy, elder care, and sustainability, along with opportunities available for students such as internships, live projects, research initiatives, and startup support. Students actively engaged in discussions around entrepreneurship, startup incubation, funding opportunities, and innovation-driven business ideas. The interactive session also encouraged students to explore collaboration opportunities with AIC-JKLU through internships, innovation programs, and one-on-one mentoring support.

Faculty Achievements

Paper Presentation & Publication

- **Dr. Vijaylakshmi's** paper titled *"Cultivating Critical Thought in Academic Research Practices"* has been accepted for presentation at the International Conference on Climate and Disaster Resilient Himalayas (ICCDRH-2026), scheduled to be held at Indian Institute of Technology Mandi from 23–25 June 2026.

- **Afreen Faridi** presented a paper, *"Food Sovereignty and Access to Commons by Pastoral Nomads in Western Himalayas: From Subsistence to Dependence"*, at the conference Pastoralism in India: Changes and Continuity, held at the Indian Institute of Technology Hyderabad on 8–9 May 2026.

- **Dr. Anusha Hegde** presented a paper, "*Dialogues on Dharma: Perspectives in Shanti Parva and Bhagavad Gita*" in the IAFOR Asian Conference on Arts and Humanities (ACAH) 2026 Conference organized in Tokyo, Japan on 13th May 2026.

- **Dr. Ashish Jain** has co-authored a research article titled *"Reinhard GAN Hybrid Strategic Light Optimization for Normalization of H E-Stained Colorectal Cancer"* in *EAI Endorsed Transactions on Pervasive Health and Technology*, a prestigious EAI journal (Vol. 11, pp. 1–17). The journal is indexed in Scopus (Q2). Publication Date 18-05-2026

Book Chapter

- **Mr. Vishwajeet Sehwag**

Co-authored a chapter titled "Neither Here, Nor Whole: Queer In-Betweenness and Diasporic Disillusionment in Neel Patel's *If You See Me, Don't Say Hi*" for *The Routledge Handbook of Indian Diaspora Writers*, scheduled to be published in July 2026.

Research Article

Dr. Satveer Singh

1. Co-authored the research article titled *"A multilingual smart farming system for real time agricultural decisions using machine learning"*, published in Springer Nature journal *Discover Applied Sciences* on April 11. The journal is indexed in Scopus.

2. Co-authored the research paper titled *"Fog Device Deployment for Enhanced Edge Communication and Network Cohesion using JAYA"*, published in the Journal of *Grid Computing* on May 2. The journal is published by Springer Nature and is indexed in the Science Citation Index Expanded (SCIE).

Mr. Vishwajeet Sehwag

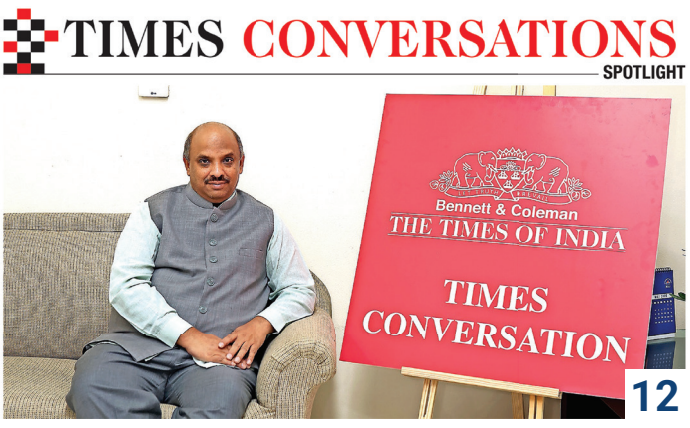

- Co-authored an article titled *"The Compost of History: Olfactory Aesthetics, Patriarchal Ruin, and the Decolonial Archive in Shani Mootoo's Cereus Blooms at Night"*, published in *Critique: Studies in Contemporary Fiction*, a double blind peer reviewed Taylor & Francis journal. This is a Scopus-Indexed Q1 journal.

In the Media

- *How Students Can Choose the Right Course When They Have Multiple Interests.* Dr. Vijaysekhar Chellaboina, Vice Chancellor at JK Lakshmipat University. The Indian Express, 04 May 2026.

- *Beyond Delhi and Bengaluru: How Tier-2 cities are reshaping India's higher education landscape.* Dr. Vijaysekhar Chellaboina, Vice Chancellor at JK Lakshmipat University. The Economic Times, 18 May 2026.

- *Rethinking education in the AI age.* Dr. Vijaysekhar Chellaboina, Vice Chancellor at JK Lakshmipat University. The Times of India, 31 May 2026.

Faculty Achievements

Patent

- **Dr. Amit Kumar Sinhal and Dr. Ashish Jain**
  published an Indian Patent titled "*Bio-Inspired Adaptive Task Offloading System for Energy Efficient IoT Edge Cloud Healthcare Continuum*" on 1 May 2026 (Application No. 202611027418A).

Academic Activities

- **Mr. Devendra Bhavsar**
  successfully completed the 12-week Faculty Development Program (FDP) titled "Foundations of Deep Learning: Concepts and Applications," offered by Indian Institute of Technology Madras through NPTEL during the Jan–Apr 2026 session.

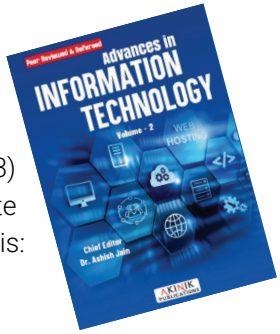

- **Dr. Anusha Hegde**
  has been selected as a paper presenter in the ICSSR-sponsored International Conference on Indian Knowledge Systems being organized by SGBT Khalsa College, Shri Anandpur Sahib, Punjab. The Conference is scheduled to occur on 6th and 7th August 2026.

- **Dr. Shubham Ranjan**
  joined the Editorial Board of Humanities and Social Sciences Communications (ISSN 2662-9992), published by *Nature Portfolio/ Springer Nature*. The journal is indexed in SSCI, AHCI, DOAJ, Scopus, and many more with a 2024 Journal Impact Factor of 3.6.

- **Dr. Vijaylakshmi**
  has been selected as a Member of the International Scientific Committee for the 4th International Conference on Advancing Sustainable Futures (ICASF 2027) organised by Abu Dhabi University, UAE.

- **Dr. Ashish Jain**
  has edited the book Advances in Information Technology (Volume 3) as the Chief Editor. Publication date 21.04.2026. The ISBN of the book is: 978-93-7150-101-9.

- **Afreen Faridi**
  has been inducted as a Member of the Steering Group of Diversifying and Decolonising Economics (D-Econ). D-Econ works to promote an economics field free of discrimination, including sexism, racism, elitism, and discrimination based on approach and geography.

Awards and Recognition

Rajasthan Leadership Awards 2026

- JKLU received the Innovation in Building **Academic & Industry Interface** Award.
- Hari Shankar Singhania School of Business won the **Best Innovation in Teaching Pedagogy** Award.
- JKLU Vice Chancellor **Dr. Vijaysekhar Chellaboina** won the Inspirational Leader Award.
- **Prof. Sheetal Mundra**, Acting Head of the Institute of Management bagged the Outstanding Faculty Award.

IIRF India University Ranking 2026

JKLU was ranked 49th in India and 7th in Rajasthan in the New Age Private University-Overall category of the latest IIRF India University Rankings 2026

Doctorate Degree

Dr. Anusha Hegde has been conferred with PhD Degree in English at the 11th Convocation of the Central University of Punjab, Bathinda on 23rd May 2026.

HR Updates

Recruitments

Mr. Aman Mishra

Joined on May 11 as Assistant Professor at CCCT in the Institute of Management, JKLU. Mr. Mishra possesses an impressive academic background in History. He is currently in the final stage of his PhD from the Indian Institute of Technology (IIT) Mandi. He completed his M.A. in History from the University of Rajasthan and B.A. (Hons.) in History from Rajasthan College, University of Rajasthan. Additionally, he completed specialized certification courses in Basic Brāhmī Script Writing & Deciphering and Basic Sanskrit from reputed institutions. Prior to joining JKLU, he was associated with Vivekananda Global University, Jaipur.

Mr. Sachchidanand Pathak

Joined on May 11 as Senior Executive, Administration at JKLU. Mr. Pathak brings with him over 14 years of rich professional experience in Soft Services Operations, Facility Administration, Corporate Event Management, and MIS Reporting across reputed organizations including Quess Corp, HCL Technologies, TCS, Aon Hewitt, and Dharampal Satyapal Group. He completed a Diploma in Facilities Management from Oxford HSC. Prior to joining JKLU, he was associated with EFS Facilities Services Pvt. Ltd.

Ms. Anmol Kaushik

Joined on May 18 as Senior Executive, Admissions & Outreach at JK Lakshmipat University. Ms. Kaushik brings over 4 years of professional experience in client relationship management and career counselling. She has previously worked with organizations such as FIS Global Business Solutions, Times Pro, and PRS Healthcare. She holds a Bachelor of Business Administration (BBA) degree from Kalinga Institute of Technology Bhubaneshwar.
