JK LAKSHMIPAT UNIVERSITY ACT

As per the State Government Notification No. F. 2 (23) Vidhi/2/2011 dated September 15, 2011, the JK Lakshmipat University, Jaipur (Rajasthan) has been established by an Act No. 19 of 2011 – The J.K. Lakshmipat University, Jaipur Act, 2011 of State Legislature of Rajasthan as a State Private University and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies / councils, wherever required. This Act is effective from June 4, 2011.

MESSAGE FROM THE VICE CHANCELLOR

I am pleased to present the 5th Annual Report of the JK Lakshmipat University, Jaipur for the session 2016-17. JK Lakshmipat University was established in 2011 as a private University under the Rajasthan Private Universities Act, with the explicit purpose of providing facilities for the quality, globally relevant and future ready education, research, training and consultancy.

The University has state-of-the-art infrastructure and facilties driven by new-age knowledge delivery systems. The two constituent institutes of the University named Institute of Management (IM) and Institute of Engineering and Technology (IET) offer world class education to budding managers and technocrats. The fifth batch of MBA and M. Tech programmes and the third batch of six B. Tech programmes have passed out successfully. We had the honour of having Shri Som Mittal, Former Chairman and President – NASSCOM, as Chief Guest for the 5th Convocation on June 3, 2017. The Third JKLU Laureate Award was conferred on Nobel Laureate Shri Kailash Satyarthi on October 1, 2016. The corporate world also has vested its confidence in the University by offering possible support in various respects.

This report provides an overview of various curricular, co-curricular and extra-curricular activities of the University during the period from July 1, 2016 to June 30, 2017. The report also gives a glimpse of teaching-learning process, research, consultancy and infrastructure of the University.

1.5.ACADEMIC AND ADMINISTRATIVE POLICIES

Teaching - Learning Process

With a vision "To create an educational environment that engages deep intellectual, moral and spiritual stimulation, thereby nurturing leadership", JK Lakshmipat University (JKLU) started with two institutes: Institute of Management (IM) and Institute of Engineering and Technology (IET) which are offering varied Graduate, Postgraduate and Doctoral Programmes. These programmes at JKLU have been designed so as to equip the future professionals with the latest tools and techniques in their area of studies.

In addition to various academic programmes at two institutes, University has established Management Development Centre (MDC) that conducts various Management Development Programmes (MDPs) and Faculty Development Programmes (FDPs) for various industries and institutions. These programmes are serving training and development needs of various corporates and institutions.

The University has recruited Professors, Associate Professors , Assistant Professors and other supporting staff members to effectively address its objectives. The University regularly collects feedback from students and teachers as a part of quality assurance.

The admission in various programmes is based on merit as per the rank obtained in the entrance test(s) or marks obtained in qualifying examination. Merit scholarships and Merit-cum-Means scholarships are awarded based on the performance of the students from second year onwards.

Group and Self-Learning

This is a very effective means towards preparing professionals who are proactive in seeking and acquiring knowledge rather than having it imparted only in the classroom. Free exchange of ideas among the group members through discussions and presentations not only leverages on time ideas exchange and effort but also enhances teaching and communication skills. Aptitude is developed for self-study and use of web resources and data banks to foster lifelong learning.

Problem Solving Exercises

Problem solving is an integral part of the teaching-learning process. Lectures emphasize this aspect through carefully set, open-ended design problems. Students are organized in small groups where an opportunity is provided to carry out problem solving exercises, engage in design activities, and perform information search and processing.

Evaluation Procedure

The University follows the continuous evaluation system, which is at par with leading institutes in the country. Multiple inputs are given for evaluation of students' performance through assignments, quizzes, weekly tests,

minor and major tests at the middle and end of each semester, and a holistic view is taken of all these inputs for awarding the final Grade.

Credit based academic programmes with modular structure offer flexibility to progress at one's own pace. A minimum level of performance is necessary for satisfactory progress. At the end of a semester, letter grades O, A+, A, B+, B, C, P, F and I are awarded to the students based on their overall performance in the course. There is a strict attendance policy for the students to appear in the examinations.

Guest Lectures & Seminars

Eminent professionals from the country and abroad drawn from academic institutions, research laboratories and industry were invited for delivering lectures and seminars and for interactions with the Institute's fraternity.

Latest Curricula

Students are exposed to the latest techniques in their domains. Courses are flexible and will be updated continuously.

1.6.RESEARCH AND DEVELOPMENT

Research and Consultancy Cell (RCC)

RCC has been constituted in the present academic session to prepare guidelines and policy framework for submission and execution of seed money projects, research projects and consultancy assignments.

Chancellor's Seed Money Project Grants for Faculty

The outcome of seed money grant can further be used to prepare proposals for obtaining financial support from industry or government funding agencies related to research and consultancy assignments. JKLU proposed Chancellor's Seed Money Project Grants for faculty members beginning 01 April, 2016.

The faculty should normally have completed at least a year of their service in JKLU at the time of applying for research grant. However, a shorter period of service at JKLU can also be considered in exceptional cases based on project quality. The maximum budget limit for a seed money project is Rs.50,000/- (Rs fifty thousand only).

Guidelines for undertaking Sponsored Research and Consultancy Assignments

JKLU encourages its faculty to undertake research and consultancy work as a measure of scientific/technical collaboration with outside agencies including industries.

KLU updated its guidelines for undertaking Sponsored Research and Consultancy Assignments to bring transparency in dealing with such projects and to empower faculty members with necessary JKLU resources support.

Centre for Energy

Industry and Society in general is going through an era of environmental degradation due to major application of energy in terms of day to day living and manufacturing. The loading on energy resources is also increasing multifold. The need of the hour is to optimize the use of all such resources. Keeping this in view, JKLU has establish a Centre for Energy. The focus of the Centre, to begin with, is "Thermal and Electrical Energy".

Center for Water and Environment System Research

Providing sustainable water and environment to billions of Indians is a challenging task. Water and environment market potential in India is estimated to be around US $ 20 billion by 2025. As Indian economy is on boom, the quality of the services provided should be acceptable to citizens, cities and the Government. Keeping this in view, University has established a Center for Water and Environment System Research at its campus.

5. Dr. Hemant Kumar Gupta received Rs. 50,000.00 as grant-in-aid from Institute of Engineers for his project 'Development of Set Up for Selection of Alternative Heat Transfer Fluids for Direct Absorption of Solar Energy'.

6. Prof. Jagdish Sharma receives international travel support by Science and Engineering Research Board (SERB), Department of Science & Technology, Government of India to participated in the "2017 6th International Conference on Clean and Green Energy (ICCGE 2017)", Frankfurt, Germany, February 8-10, 2017.

4.3. INFRASTRUCTURE DEVELOPMENT

Industry sponsored/supported labs

JK Fenner: CNC Lab is sponsored by J.K. Fenner (India) Limited.

JK Tyre: Polymer Testing Lab is sponsored by JK Tyre & Industries

Texas Instruments: Texas Instruments Innovation Lab is set up by EdGate Technologies Private Limited.

Highlighting the Institutes and their strengths

The lobbey of both the Institutes were renovated by highlighting their collaborations, achievements, labs on the walls of lobbey. Name plates were pasted for all the blocks. New lab block of Institute of Engineering and Technology has been renamed as 'Technology Center'.

Roof Top Solar Power Plant

Installation of 400 KWp Roof Top Solar Power Plant has begun at JKLU campus. This plant is being installed by Green First Power Ventures Pvt. Ltd.

4.4. NEW COLLABORATIONS

CII-Young Indians (September 6, 2016)

A MOU was signed with Confederation of Indian Industries –Young Indian (CII-Yi). Through this MOU, Yi intends to provide an opportunity to start thinking and work for India, Sowing the seeds of thinking about India and its growth at schools and colleges, an invaluable motivation for young minds to see how other young achievers are making a difference, bridging potential with achievement, a unique networking opportunity with peers across the country, developing leaders for tomorrow, an experience on leadership and team building and an opportunity to volunteer / participate in Yi events at the chapter and national level.

Academic Positions / Distinctions Held

1. Professor Dr.-Ing. Anupam K Singh was nominated as Session Chair for the Session on 'Parvyavaran' in the Third Rashtriya Hindi Vigyan Sammelan-2016 organized by Vigyan Bharti and University of Rajasthan at Center of Converging Technologies, Rajasthan University, Jaipur during December 16-17, 2016.
2. Dr. S. C. Bhaduri was appointed as Member of National Technical Committee, ISHARE.
3. Dr. S. C. Bhaduri was appointed as a Convener, Urjavaran 2016, ISHRAE Jaipur.
4. Dr. S. C. Bhaduri delivered an expert talk on "Comparison of VRF air conditioning system with Chilled water air conditioning System" in Urjavaran 2016 at Raipur, Chattisgarh on February 11, 2017.
5. Dr. Vipin Kumar Jain was nominated as Returning Officer, Indian Society of Training and Development (ISTD), Jaipur Chapter Elections-2017-18 on April 24, 2017.
6. Dr. Vipin Kumar Jain was appointed as "Observer" of BSTC-2017, A Rajasthan State Level Examination Conducted by MDS University, Ajmer on April 30, 2017.
7. Dr. Vipin Kumar Jain was appointed as "Observer" of Pre-teacher Education Test (PTET)-2017, A Rajasthan State level Examination Conducted by MDS University, Ajmer on May 14, 2017.
8. Dr. Umesh Gupta was re-elected as 'Hony. Treasurer' of Indian Society of Training and Development, Jaipur Chapter for 2017-18.
9. Dr. Umesh Gupta has been elevated to Senior Member from Member of Operational Research Society of India.
10. Dr. Umesh Gupta was nominated as Treasurer of Vigyaan Bharati, Jaipur Prant unit of Rajasthan.

11. Dr. Umesh Gupta was appointed as President of Soft Computing Research Society, Jaipur Chapter.
12. Dr. Umesh Gupta was inducted as Member of Coordinating Committee in the Third Rashtriya Hindi Vigyan Sammelan-2016 organized by Vigyan Bharti and University of Rajasthan at Center of Converging Technologies, Rajasthan University, Jaipur during December 16-17, 2016.
13. Dr. Kavita Chaudhary was invited as Judge in Annual Paper Presentation Contest Xpression'16 at Jagannath University, Jaipur on 22nd October, 2016.
14. Dr. MurariLal Gupta was inducted in the Management Committee of the Indian Rubber Institute, Rajasthan Branch.
15. Dr. Murari Lal gupta appointed as an Technical Program committee Chair in ICMMT 2017, Singapore.
16. Dr. D. Seth has been selected as the TPC Member- 2017 International Conference on Wireless Communications, Networking and Applications [WCNA 2017] which will be held on October 20-22, 2017 in Shenzhen, China.
17. Dr. D. Seth has been elevated to IEEE Senior Member from IEEE Member, by IEEE, USA.
18. Dr. D. Seth became a reviewer of the "Journal of Experimental and Theoretical Artificial Intelligence", Taylor & Francis on line publication.
19. Dr. D. Seth Selected as the TPC Member- 2017 International Conference on Wireless Communications, Networking and Applications [WCNA 2017] which will be held on October 20-22, 2017 in Shenzhen, China.
20. Dr. Shahnawaz Khan became a editorial board member of "International Journal of Medical Sciences & Pharmaceutical Research".
21. Prof. J. P. Sharma became an Editorial board member for "Review of Industrial Engineering Letters", Pak Publishing Group, Singapore. Journal DOI: 10.18488/journal.71 and indexation in Web of Science and Scopus are process.
22. Dr. Neha Sharma was elected as Executive committee member of Indian institute of chemical engineers (IICHE) Jaipur Regional Centre.
23. Dr. Neha sharma was appointed as a local organizing committee member at National symposium on "Water Purification & Reject Management" (WRPM 2016) organized by Department of Chemical Engineering, MNIT Jaipur and WSSO, PHED Rajasthan.
24. Dr. Neha Sharma was appointed as Session Co-chair at 4th Rajasthan Science Congress, "Leveraging Science and Technology for Resurgent Rajasthan" held during October 15-17, 2016 at JK Lakshmipat University, Jaipur, India.
25. Dr. Jitendra Kumar Singh elected as Executive committee member of IIChE Jaipur Regional Chapter for the duration of two years (2017-2019).

MDP/FDP Conducted

1. Dr. Sonal Jain and Dr. Umesh Gupta conducted faculty development programme on "Computational Techniques & Tools for Research". The programme was organized by Department of Computer Science Engineering, JKLU in association with Michigan Technological University and Soft Computing Research Society, October 6-8, 2016 at JK Lakshmipat University, Jaipur.
2. Dr. Vipin Kumar Jain and Dr. Ashwini Sharma conducted a Faculty Development Program on "Understanding Industry Needs from Fresh Students" at Birla International School, Sojat on February 18, 2017.

9. ACTIVITIES OF UNIVERSITY'S CENTRES

9.1. MANAGEMENT DEVELOPMENT CENTRE

The Management Development Centre (MDC) has been set up for practicing managers & engineers to build capabilities through short-term programmes. Well-researched and need-based Management Development Programmes facilitate learning amongst the participants and help orgnizations to transform into learning organisations. It organizes practitioner sessions by bringing in industry stalwarts and functional experts from various sectors. In addition, short-term executive and professional development programmes are conducted for the working professionals from the industry and the academia.

Open-house Faculty Development Programmes Conducted

S. No.	Date	Programme Leader	Programme Coordinator	Programme	Venue	No. of Participants
1	October 6-8, 2016	Dr. Allan Struthers	Dr. Sonal Jain & Dr. Umesh Gupta	Computational Techniques & Tools for Research	JKLU	15

9.2. LEARNING RESOURCE CENTRE

Learning Resource Centre (Library)

The Learning Resource Centre (LRC) came into existence as a constituent of the JK Lakshmipat University, Jaipur. The aim of the LRC is to serve the needs of the Faculty, Research Scholars, Students and External Members of the LRC. It is heart of the University and acts as a centre for the collection of literature predominantly related to management, engineering and technology and its allied subjects and develops a comprehensive collection of information that is useful for teaching and reference purposes. User satisfaction is the prime objective of LRC services. Library is situated in a multi-story building with growing collection of Books, Journals and other reading materials. LRC is subscribing wide range of national and international periodicals and journals, in addition to an impressive collection of databases such as EBSCO (Business Source Elite & Academic Search Elite), corporate & technical annual reports and

CDs, CII (Confederation of Indian Industry) publications, DELNET ProQuest Management and Engineering / Technology Collection and IEEE ASPP and POP Plan.

LRC is managed by KOHA software, which is web based integrated library system installed on Linux platform. KOHA is equipped with Acquisition, Cataloging, Circulation, Serial Control and OPAC modules. It supports MARC21 and UNIMARC for professional cataloguing and z39.50 for copy cataloguing from reputed libraries. OPAC module provides access to the library catalogue. Through this module, users of the library will also be able to check their borrowing details, reserved items, make suggestions for new books, and update their personal details as well as add tags to books of their liking. This module provides a simple and clear search interface. Users are able to search through all fields of the database as well as within specific fields. OPAC can be access through following Links:

- OPAC Link http://192.168.1.10 (Intranet)
- OPAC Link http://182.19.7.131 or http://lrc.jklu.in/ (Internet)

Online Resources

4. JKLU Question Papers: This collection contains soft copy of all end term exam papers conducted by the university in said programs this is up to date till June 2016.Repository can be accessed using following link: http://172.16.5.1:8080/xmlui/

E-Journals

LRC subscribed following full-text online Journals along with print journals published by Sage Publications can be accessed by following link: http://online.sagepub.com (IP Authentication)

URKUND (the solution to plagiarism problems)

This product facilitates checking plagiarism for maximum of 1000 documents (A document is defined as a single text computer file i.e. pdf. Doc.,docx etc) of maximum 20MB within one year of subscription Period i.e. 27-07-2016 to 26-07-2017. A Zip file containing one pdf will be counted as one document, a zip file containing five pdfs will be counted as five documents. The maximum number of characters per document is 4,00,000. For more details please see enclosed license agreement.

LRC is facilitating this service for PhD scholars and other students. Whereas, each faculty is privileged to scan 6 documents on their own and for extra documents, LRC will facilitate for their research. For creating username and password to use URKUND individually LRC has initiated registration process using faculty official e-mail ID initially and on request.This can be accessed through following link: https://secure.urkund.com/account/en-US/auth/login(IPAuthentication).

9.3. INFORMATION TECHNOLOGY (IT) CENTRE

Wireless Network: Enhancements

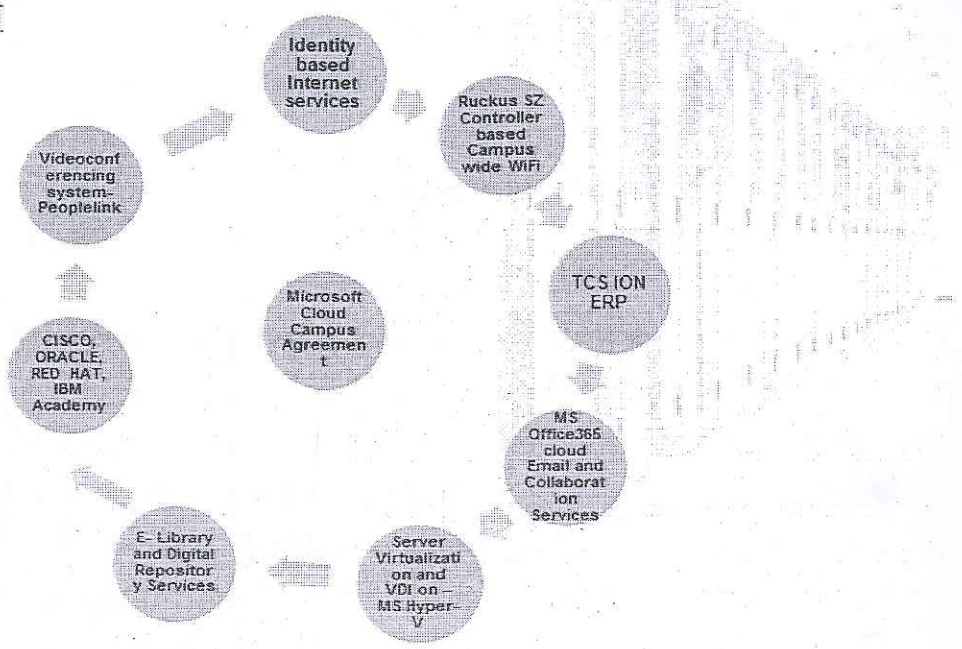

- Replacement of existing N series (300 Mbps) Wi-Fi devices by latest dual band AC series devices for higher throughput and coverage.
- Establishment of Lan and Wireless connectivity at EB1 new classrooms.

Cloud based Online Application Portal having Google Analytics

- Activation of Online Application portal with real time monitoring through form dotstar cloud setup .Capable of sending automated scheduled application fee paid /unpaid status reports to admission team on daily basis.
- Source (digital, print, google search etc.) wise applicant enrollment reports are available to Admission team for taking better ROI related decisions.
- Live monitoring of Eform applicants status using in built Google Analytics. Leads are captured even from incomplete Form submissions for effective follow-ups
- State wise/program wise applicant report.
- Multiple Payment gateway Integration for secure online payment.
- Redesigning of JKLU website (pc and mobile version)

IT INFRA. SERVICES AT JKLU

IT ECOSYSTEM

Improvements in IT Infrastructure 2016-17

Establishment of Cloud IVRS and TFS based Call center for Admissions

- Having integrated Lead management system with call recording facility for effective monitoring and handling of calls. Capable of handling 20 concurrent user calls along with 3 missed calls. Live monitoring and performance auditing with the help of App.
- Live monitoring of manpower using IP camera.

Activation of Online Claims/Advances in TCS iON ERP

- Using this solution, user can online apply all his reimbursements (CEA, TA, DA, LTA, CA etc.) .University can better manage and utilize his workforce, while reducing the administrative tasks and paper work needed for it.

Internet Bandwidth Upgrade:

ILL Bandwidth has been enhanced from existing 50 Mbps to 100 Mbps for meeting user requirements.

Identity Management & BYOD (Bring Your Own Device)

- Sessions created by different apps are increasing day by day as well as more throughput is required to filter down unwanted traffic in the network. At present 63% traffic is through mobile devices (smartphones/tab).
- We placed Sophos endpoint and UTM system for Identity Based Secure Internet access with logging and Reporting to identify and manage endpoints(pc and mobile)

9.4. CENTER FOR INNOVATION, INCUBATION AND ENTREPRENEURSHIP (CIIE)

CIIE at Universities organized various activities for awareness about entrepreneurship and to support and motivate them to choose this as a career option.

1. Tanay Mathur and Prince Narchal, students of BBA VI Semester have successfully completed their short term project at JVS Foods Pvt. Ltd. in association with Young Indians- Jaipur Chapter from January 28 to March 16, 2017 and submitted a project report on "A Study on Consumer Bahavior Towards Multigrain Pooridges with special Reference to Single Grain Dalia" and "A Study of Growing sales of Instant Products in Rajasthan" respectively.
2. Centre of Innovation, Incubation and Entrepreneurship (CIIE), JKLU organised an orientation session on Yi Yuva for the students of IM and IET on July 27, 2016. Yi (Young Indians) Yuva is a youth leadership development initiative of Young Indian, under the aegis of the Confederation of Indian Industry (CII) with the objective of developing leadership among the students and make them industry savvy. Yi Yuva envisions connecting students to the community, the country at large and working towards a movement for "Nation Building". This is done by the formation of the "Yuva Chaupal" at the institutions. Mr Shreyans Kasliwal Chair Yi Yuva Vertical & Director, Kamal Autofinance Ltd., Mr Apurv Bordia Co Chair Yi Yuva Vertical & Director, Everdata technologies pvt. ltd. Mr Sankalp Temani, Executive Member-Yi Jaipur Chapter, visited University and introduced to the students that Yuva will help students on two levels, first through introducing course on 'Introduction to Leadership' and also help them on 'Leadership through Nation Building'. This platform provides students an opportunity to develop and network with industry and entrepreneurs. Dr. Sheetal Mundra and Dr. Umesh Gupta coordinated the event.
3. Centre of Innovation, Incubation and Entrepreneurship (CIIE), JKLU organised a workshop on 'Youth Empowerment and Skills Development' by the Art of Living from July 29-31, 2016 (also known as YES PLUS programme of Art of Living). The facilitator was Dr. Saurabh Shekhawat, State Teachers' Coordinator, The Art of Living, Rajasthan. It taught a very sacred process, Sudarshan Kriya which is a core of each and every happiness program. This two and a

half day seminar ended with a positive note wherein the last day was a beautiful Satsang where each and every one participated and sung divine Bhajans and some of the most popular film songs. This concert was led by the lead singer of the Rhythm Divine Band – Mr Manish Sharma accompanied by student of IM – Mr Kunj Ahuja of MBA 2nd Year. 28 students from IM and IET participated in the workshop. The event was very well coordinated with joint efforts of Mr Tanay Mathur and Mr Sourabh of BBA 3rd Year and Dr. Sheetal Mundra, faculty, IM.

4. JKLU participated in two-day Rajasthan Startup Fest, 2016 was organized by Rajasthan State Industrial Development and Investment Corporation (RIICO) along with Rajasthan's leading incubation Center, Startup Oasis as a co-organizer to promote the spirit of entrepreneurship and encourage startups in the Rajasthan State on October 5-6, 2016 at JECC- Sitapura, Jaipur.
5. A team comprising of CII-Yi members and students of B. Tech I Year, Ms. Videsha Bansal and Mr. Deepansh Dixit achieved first position in Yuva Debate Competition, organized by CII-Yi, held on December 8, 2016 at GIT, Jaipur on the topic "Demonetization is a game changer for Indian Economy".
6. CIIE, JK Lakshmipat University organized NEN (National Entrepreneurship Network) E-Leader Workshop on December 15-16, 2016.
7. CIIE, JKLU organised a two day workshop on "Digital Marketing and Entrepreneurship" on December 16-17, 2016. It was conducted by MakeIntern (workshop partner) on behalf of Carpe-Diem (IIM Calcutta Event) followed by a competition. The workshop was facilitated by Mr. Ujjawal Chug, founder member and CEO of 'ISOLS Group', New Delhi based entrepreneurial venture.
8. Young Indians and India, an initiative by CII celebrated 75th foundation day and organized Cleanliness drives on January 21, 2017 under national volunteering week. Yi Yuva student team of JK Lakshmipat University along with the other institutes took part in cleanliness drive at Vivekananda Industrial area, Jaipur. Team cleaned the footpath areas, which were all covered with industrial waste. The Cleanliness drive took place for 2 hours and Yi Yuva team of JKLU was appreciated for their work.
9. Yi Yuva, Centre of Innovation, Incubation and Entrepreneurship (CIIE), JKLU organised Meditation workshop with the Heartfullness Institute for the Yi Yuva students of IM and IET on on January 30, 2017 observing the Peace and Non-violence Day at IM amphitheater.
10. MOOC based course on Entrepreneurship started on February 7, 2017 with the collaboration of NEN with two batches of total 37 students by Dr. Umesh Gupta and Dr. Sheetal Mundra. All the students were awarded certificates by NEN on its completion.

10. CLUB ACTIVITIES

10.1. JKLU Fraternity Club (JKLUFC): JKLUFC is a social and cultural club that was formed in the year 2011. The objective of this is to have a platform where the active and retired fraternity and their family members can interact and participate in myriad and meaningful activities. The existence of a non-political campus organization adds value to the university system where involvement of the fraternity and their family members could be restricted to pure entertainment. All round the year JKLUFC organized various activities. The club membership is open to the active and retired fraternity of JKLU. This includes only full time membership of the fraternity. Membership is open around the calendar year.

JKLUFC Executive Committee Members

11.3 WORKSHOPS

24 workshops were organized on various topics in this session to provide specialized skill set to the students.

1. A workshop for the Students of Computer Science Engineering was jointly organized by Roxent Technologies Ltd., Delhi and JK Lakshmiapat University, Jaipur during August 11-12, 2016. Mr. Chandan Verma, Android App Development Expert from Roxent Technologies Ltd., Delhi, imparted this training. The workshop was coordinated by Prof. Gireesh Kumar.
2. Demonstration session of GPS receiver was organized in coordination with AIMIL Ltd New Delhi by Dr. Ravikumar Ganti, Department of Civil Engineering on August 23, 2016.
3. Four days IBM CE Enablement Programme on Advances in CAMS (Cloud, Analytics, Mobile & Security) was organized in coordination with IBM India, Private Limited by Dr. Sonal Jain and Mr. Gireesh Kumar, Department of computer science and engineering on 31 August 2016 to 3 September 2016.
4. Department of Mechanical Engineering, Institute of Engineering and Technology organized a three day training programme on "A Training Programme on Creo 2.0" on September 2-4, 2016 in coordination with Vision World Tech Pvt. Ltd. The sessions were delivered by Mr. Vipul Dave and Mr. Jayant Kumar from Vision World Tech Pvt. Ltd. The programme was coordinated by Mr. Sachin Gangwar.
5. Department of Electrical Engineering and Department of Electronics & Communication Engineering organized a workshop in coordination with DUCAT, Noida on September 7, 2016. The programme was coordinated by Dr. S. S. Sengar.
6. Learning Resource Centre of the University organized a program for the Students of Computer Science Engineering, Electrical Engineering and Electronics & Communication Engineering with the help of Department of Computer Science Engineering on September 13, 2016. Mr. Sapan Kumar Gupta, Assistant Manager – Training, Global Information Systems Technology Pvt. Ltd., Gurgaon, addressed the students during the program. Prof. Devendra Bhavsar coordinated the event.
7. Department of Electrical Engineering and Department of Electronics & Communication Engineering organized a workshop on Wireless Communication (MATLAB Simulation) on September 23, 2016. The session was delivered by Dr. Yogesh N. Trivedi, Professor, Nirma University, Ahmedabad. The event was coordinated by Prof. Divanshu Jain, Prof. Jitendra Tahalyani and Dr. S.S.Sengar.
8. A workshop was conducted on September 23, 2016 for Computer Science Engineering V and VII semester students by Mr. G.T. Rao at JK Lakshmipat University, Jaipur. The Workshop started at 3:30 pm and the topic of workshop was "FOSS: A BOON FOR DATA SCIENCE". The main focuses of workshop were the use of WEKA, R Programming for the use of Data Science technology having used

the Open Source technologies. Mr. G.T. Rao introduced the new Laptop as well as the integrated device for using the whole applications of CPU in that device. The workshop was concluded with a Vote of thanks by Prof. Devendra Bhavsar.

9. Department of Electrical Engineering, Department of Electronics & Communication Engineering, and Department of Chemical Engineering conducted a two days training programme on " MATLAB/ Simulink" on September 29-30, 2016. Theory sessions of the workshop was conducted by Dr. Rajesh Kumar, Associate Professor, Department of Electrical Engineering, Malaviya National Institute of Technology, Jaipur and the hands on sessions was taken by JKLU faculty members. The programme was coordinated by Prof. H. P. Agarwal.
10. A competitive engineering benefiting workshop "UTKRAANTI'17" was organized in JK Lakshmipat University, in association with IIT-Madras & IIT-Delhi for two days that is October 8-9, 2016. The two days' workshop was an interactive session in which students got a opportunity to enhance the project making abilities in the modern engineering aspiring students and to derive out and nurturing their innovative ideas, benefiting all the first, second, third year students. The workshop was interactive with the technocrats of their own sectors to inculcate practical knowledge in students. The Bridge Design workshop addressed by Mr. VAIBHAV JAIN who is a expertise in Bridge Designing, he gave a brief insights of the software STED .PRO being used in designing a bridge. The workshop was concluded by presenting a token of gratitude to Mr. Vaibhav Jain by Prof. Sandeep Kumar Tomar and Prof. Devendra Bhavsar.
11. The Department of Civil Engineering organized a two days workshop titled "Map Your Campus" using Global Positioning System (GPS) and Total Station along with Indian Society of Geomatics (ISG) Jaipur Chapter and Geomatics Academy on October 20-21, 2016.

    Dr. Anupam Kumar Singh delivered the Key Note address on 'Applications of Geomatics in Civil Engineering'. Mr.Akshay Jain (Expert from Geomatics Academy) and Dr. Ravi Kumar Ganti, Head, Department of Civil Engineering and coordinator of the workshop introduced to students about the concept of different component of GPS, Geo-positioning, Space Based Triangulation and GPS accuracy, field data capturing etc. The other two experts from Geomatics Academy, Mr.Parth Patel, and Mr. Aashish Chaurasia conducted the hand on sessions on mapping of JKLU campus by recording a series of locations , attributes in field and as well as data processing on GPS software.

14. Department of Electrical Engineering organized a workshop on February 09, 2017. The workshop was conducted by Mr. Reetesh Kocheta, Faculty-Petroleum Conservation Research Association. The workshop was coordinated by Dr. Pushpendra Singh and Prof. H. P .Agrawal. Department of Civil Engineering organized a one-day workshop on February 15, 2017 under auspices of Institute of Chartered Waste Managers (ICWM) and Rajasthan State Productivity Council (RSPC). The experts were Prof. Dr. Neeraj Gupta, Professor and Head, Department of Architecture, Central University of Rajasthan, Kishangarh; Dr. Chandra Sekhar Gahan, Assistant Professor, Department of Microbiology, Central University of Rajasthan, Kishangarh; and Dr. Vivekanand, Assistant Professor, Centre for Energy and Environment, Malaviya National Institute of Technology, Jaipur. The workshop was coordinated by Prof. Vinod Vishwakarma.
15. A workshop on 'Aptitude Training' was conducted afor B. Tech IV Semester students on February 2-3, 2017. The workshops was conducted by the placement cell. The sessions in this workshop were conducted by Mr. KIhalid Kamal Hussain from Infosys, Mr. Dinesh Singh and Mr. Sanjeev Gupta from Gateforum, Dr. Ben Baliga from St. Cloud State University, Dr. R. L. Raina, Dr.-Ing. Anupam K Singh, Dr. Umesh Gupta, Dr. Poonam Vyas, HoDs and placement committee members of the University.
16. Department of Electrical Engineering –IET have organized a workshop on topic: Energy Conservation and General Aspects for EE IV semester students on February 09, 2017. Mr. Reetesh Kocheta faculty of Petroleum Conservation Research Association was the expert. The workshop was coordinated by Dr. Pushpendra Singh and Prof. H.P.Agrawal.
17. Department of Civil Engineering IET had organized one day workshop on February 15, 2017 entitled "Managing Waste to Wealth" under auspices of Institute of Chartered Waste Managers (ICWM), Rajasthan State Productivity Council (RSPC) and JK Lakshmipat University (JKLU). Prof. Vinod K. Vishwakarma presenting memento as a token of remembrance to Prof. Dr. Vivekanand from Centre for Energy and Environment, Malaviya National Institute of Technology Jaipur
18. A training Workshop for the final year students of B.Tech and MBA Programs was conducted on February 17-18, 2017. The workshop was conducted by Mr. Subir Karmarkar – Head -HR, L&T. Mr.

Subir delivered a talk on changing trend & industry, advised students to brace the change & be ready as per industry requirements.

19. A Faculty Development Program was organized on March 4, 2017 for faculties of IET, focusing on Bloom's Taxonomy of Learning, Classroom Assessment Techniques, and Emotional Intelligence in work organization at Institute of Engineering & Technology, JK Lakshmipat University, Jaipur by Prof. Dr. Ketan Kotecha, Provost, Parul University, Waghodia.
20. Department of Civil Engineering, IET organized a two day workshop in Association with Civil Simplified Skyfilabs on March 30-31, 2017. The event was coordinated by Prof. Debasree Das.
21. A workshop was organized on 'Six Sigma Manufacturing' on April 01, 2017 by Department of Mechanical Engineering and Department of Chemical Engineering. The instructors in the workshop were Mr. Kanu Patel and Mr. Kamlesh Bakhtiani from Linde Engineering India Ltd, Vadodara. About 40 students participated in the workshop.
22. A session on increasing awareness towards SAP- ERP software was organized for IM and IET students on April 03, 2017. Speaker for the session was Mr. Prabitra Nayak from SAP India Pvt. Ltd. The session was well attended by all the faculty members and students of the Institute of Management. The session for IM was coordinated by Dr. Ashwini Sharma and the session for IET was coordinated by Dr. Sonal Jain.

The students and the staff members of the Institute of Management bid adieu to the outgoing MBA (Batch 2015-17) and BBA (Batch 2014-17) batch at the University campus. The programme started with junior batch whole heartedly extending a warm welcome to their senior counterparts. Honorable Vice Chancellor, Dr. R.L.Raina blessed the students with his inspiring words and asked them to step on the path of truth and humanity. He also wished them Good-Luck for bright and successful future and carry forward the brand JKLU. The Chairpersons of the respective programs and the faculty member's wished them success in their future endeavors. The host of the evening made all possible efforts to show the students the glimpse of their two years stay. The event was marked with

a number of melodious song performances by the junior students. It was great to see outgoing students dress up and participate in many fun activities. Number of games and performances were there for the enjoyment of students. Performances of 1st year students were appreciated and applauded by all. Different Titles were awarded to the outgoing students. The juniors gave parting gift to their beloved seniors as a token of remembrance and love. The senior students shared their experience of the time spent in the University with the audience and they thanked the student coordinators for organizing the wonderful evening. They also extended their warm gratitude to the faculty coordinators of the event. The mesmerizing music, songs, flash freezing lights and the exuberant students were the defining moments in the party. It was the day of love, affection, trust and above all the bond of togetherness and belongingness. The program concluded with the gala dinner. The event was organized and coordinated by Dr. Ashwini Sharma and Dr. Vaibhav Kaushik of IM-JKLU.

5. On May 10, 2017, the students and staff of the Institute of Engineering and Technology bid adieu to the outgoing students of B. Tech (Batch 2013-17). The event was marked with a number of mesmerizing performances by the Junior Students.

The best way to predict the future is to invent it
