Training Programmes

Faculty Development Programme

JK Lakshmipat University hosted a 9 days Faculty Development Programme on 'Basic Course in Entrepreneurship' of Wadhvani Foundation, NEN during July 25- August 2, 2018. It is a comprehensive certification program with a blend of classroom training and sustained digital coaching.

Faculty Development Programme
(July 25- August 2, 2018)

Training of Trainers Workshop

GIZ - Proklima (German Institution for International co-operation) on behalf of the Government of Germany and in close co-operation with the Ozone Cell in the Ministry of Environment Forests & Climate Change (MoEF&CC) Govt. of India is implementing HCFC phase-out activities in the Indian Refrigeration and Air conditioning (RAC) servicing sector under the HCFC Phase-out Management Plan (HPMP). This Training of Trainers (ToT) programme was organized in Department of Mechanical Engineering, JK Lakshmipat University, Jaipur during September 24-28, and October 4-11, 2018 by HPMP stage-II.

Training of Trainers Workshop (August 6-10, 2018)

Training of Trainers Workshop (September 24-28, 2018)

Academic Roundup

Gas Insulated Sub-Station

An expert talk of Mr. Akhilesh Pandey (Manager Projects-GIS, Siemens Ltd., India) on 'Gas Insulated Sub-Station' was organized on July 17, 2018 for B.Tech V semester Electrical Engineering students. Mr. Pandey discussed design concept, protection scheme, earthing design for a gas insulated substation. The lecture was coordinated by Prof. H. P. Agrawal and Dr. Pushpendra Singh.

Energy Efficiency in Industries

An expert talk on 'Energy Efficiency in Industries' by Mr. Reetesh Kocheta, Faculty of Petroleum Conservation Research Association, Ministry of Petroleum & Natural Gas, Government of India was organized on July 27, 2018 for B. Tech EE & ECE fifth semester students. He discussed types of energy wastage in different equipment like turbine and condenser etc. and reviewed the projects prepared by our students. The lecture was coordinated by Prof. H. P. Agrawal and Dr. Pushpendra Singh.

Expert talk on Energy Efficiency in Industries (July 27, 2018)

Session on Smart Classrooms

JKLU organized a session on 'Making Your Classroom Smarter' by Mr. Vaibhav Vashisth on August 1, 2018. He told that Acadly is a free smart class platform that helps professors record attendance at the tap of a button and engage students with real time in-class activities.

Session on Smart Classrooms (August 1, 2018)

Project-Based Learning

Dr. Siddhartan Govindasamy, Associate Professor, Olin College of Engineering visited JK LakshmiPat University during August 6-8, 2018 and reviewed the Project-Based Learning Courses. Dr. Govindasamy attended live classes and shared his expertise in making classes interesting, interactive, and experiential for students under the umbrella of PBL approach.

Prof. Siddhartan interacting with the students (August 6, 2018)

Big Data Analytics and Future Technologies

Prof. Shivom Agarwal conducted sessions for specially designed credit course 'Big Data Analytics and Future Technologies' for Computer Science & Engineering students during August 9-11, 2018. Prof. Shivom Agarwal is a visiting faculty in HEC Paris and Associate Professor at IE University, Madrid.

Prof. Shivom Aggarwal interacting with the students (August 9, 2018)

Talk on Jobs, Profession, Career- Choices We Make

Institute of Management, JK LakshmiPat University organized a talk on "Jobs, Profession, Career- Choices We Make". This insightful talk was delivered by Mr. Mayank Jha, Practice Director, WIPRO, London on August 14, 2018. The session was primarily focused on three key elements: 'Understanding the terms- Job, Profession and Career'; 'How to think about work and how to start a job and build a career'? The event was coordinated by Dr. Lokanath Mishra.

Mr. Mayank Jha delivering his talk (August 14, 2018)

Open Session on Exploring the Universe

An open session on “Exploring the Universe” was organized as part of Science Lecture Series by Department of Science and Liberal Arts on August 30, 2018. The speaker (Dr. Akhilesh Nautiyal, Assistant Professor, MNIT, Jaipur) talked about the constituents and evolution of the universe, which is based on Big-Bang theory. The session was coordinated by Dr. Vipin Kumar Jain.

Open Session on Exploring the Universe (August 30, 2018)

Music Based Leadership Program

A professional development workshop on "Music Based Leadership Program" was organized on September 8, 2018. The expert of the session was Mr. Vishal Malik, Director of Operations & Administration at McKinsey & Company. The program was coordinated by Prof. Sarita Gupta and Ms. Pratistha Ghosh.

Music Based Leadership Program (September 8, 2018)

Career Opportunities in Security Market

An open session on Career Opportunities in Security Market for all JKLU students was organized on September 20, 2018. The key speaker of the session was Mr. Ishu

Tayal, Corporate Trainer (BSE), Regional Head (BSE) Rajasthan & MP Zone, Counselor in NISM. The session was coordinated by Dr. Kirti Jainani and Dr. Loknath Mishra.

Mr. Ishu Tayal addressing the gathering (September 20, 2018)

Career Prospects & Higher Education

JKLU Student life committee organized an open session on "Career Prospects and Higher Education" for the students of the University on September 21, 2018. The Speaker for the session was Mr. Rajiv Kapuria, Global Business Executive, Entrepreneur, Investor and Advisor to Deloitte Consulting from Houston, USA. The session was coordinated by Dr. Lokanath Mishra.

Mr. Rajiv Kapuria interacting with the students (September 21, 2018)

Industrial Visits

Sewage Treatment Plant, Delawas

An Industrial visit to Sewage Treatment Plant, Delawas, Jaipur was organized for the students of Civil engineering and Chemical engineering on August 17, 2018. The visit was coordinated by Prof. Vinod Kumar Vishwakarma and Dr. Neha Sharma.

JKLU students at Sewage Treatment Plant, Delawas, Jaipur
(August 17, 2018)

Saras Dairy, Jaipur

An industrial visit to Saras Dairy, Jaipur was organized for the Chemical Engineering (V and VII semester) and M. Tech, Health Safety and Environment (HSE) students on September 6, 2018. The visit was coordinated by Dr. Neha Sharma and Dr. Jitendra Kumar Singh.

JKLU Students at Saras Dairy, Jaipur (September 6, 2018)

RMC and Batch Mixer Plant Devi Construction, Jaipur

An Industrial Visit to Ready Mix Concrete (RMC) and Batch Mixer Plant, Devi Construction near Bagru, Jaipur was organized by the Civil Engineering Department for all the Civil Engineering students of JKLU on September 18, 2018. The visit was coordinated by Prof. Vinod Kumar Vishwa karma and Dr. Kedar Sharma.
