10
marks

(LO1,
2)

A safety committee is an organization group that operates within a workplace and is composed of members from its various departments, including management, frontline workers, and office staff. The main purpose of a safety committee is to mitigate the risk of workplace injuries and illnesses. Its duties also include informing and educating employees about safety issues, setting achievable safety goals for the organization, and fostering a safety culture among the workforce.

- Q. 2 While working on a team project, you notice that some of your co-workers are falling behind and are threatening the outcome of the project. As a project leader what options/alternatives do you have? Use an Ethical Framework to propose a solution. 10 marks (LO3, 4)
- Q. 3 How do Biases and Fallacies affect Decision-Making in the Workplace? Use **TWO** Biases and Fallacies **EACH** to demonstrate example in context of the workplace. 10 marks (LO4, 5)
