Percentile formula to stay for UG admissions

DNA Correspondent @jaipurdna

Jaipur: The Higher Education Admission Policy 2017-18 for the state was released by the Directorate College Education (DCE) on Tuesday.

The DCE clarified that admissions in university would be given on percentile basis this year.

Full report, P5

Transgender policy

Transgender students would be able to easily get admission in govt and pvt colleges in state as they would be given admission on basis of minimum passing marks.

Women education

Special emphasis has also been given on furthering education among women and therefore female students will be given bonus 3% marks during admission.
