5-day webinar on data dissemination concludes at PU

CHANDIGARH: A five-day webinar series on 'Information generation, dissemination and use during Covid-19 lockdown', conducted by Panjab University, concluded on Wednesday. The webinar was organised by the department of library and information science. Roshan Lal Raina, vice-chancellor of JK Lakshmi Pat University, Jaipur, and alumnus of the department, was the keynote speaker on Day 5, and spoke on 'Changing role of library information professionals in the knowledge cycle'.
