Time: 1.5 Hours
MM: 20 Marks

Instructions: Attempt all the questions.

Section A

1. Keeping the personality assessment undergone in the course in your mind, are you more introvert or extrovert, Justify. What can you do to leverage your personality to be more effective leader? **(5 marks)**
2. Explain the biggest challenge you face ⁱⁿ achieving the personal excellence? How you have managed or will be managing it? **(5 marks)**
3. **Read the following passage and answer the questions**

Raveena has worked for her family's fabric business. She was officially a receptionist, but she had gradually taken key responsibilities from sales, to accounting to staffing. Everything changed when Raveena's father fell ill. The family was forced to close the company and Raveena faced a difficult job search. After several months she was offered a temporary job as an office manager.

Raveena's family and friends encouraged her to take a new job, but Raveena doubted her ability to succeed. "I'm just a receptionist and managing office-what skills do I have?" Raveena remembered that friend had offered her a telemarketing job. She realized that she had never taken the time.

- a. What problem Raveena is undergoing in her life and why? **(2 marks)**
 - b. What do you think, Raveena can do can do come out of the situation she is trapped? **(3 marks)**
4. What are values? Do you think personal values play a crucial role in leading one's life and being successful? Elucidate some of your values and how you practice and implement in your action? **(5 marks)**
