JK LAKSHMIPAT UNIVERSITY

Higher Education Upgraded

Unrivalled Education Offered to a Select Few

Future-Ready B.Tech Programme

CSE | CIVIL | EEE | MECH

- Pioneer of Project-Based Learning methodology in India, in collaboration with #3 ranked Olin College of Engineering, USA
- Learn future-ready technologies like AI, Machine Learning, and Robotics & Automation
- Options for multidisciplinary majors and minors in high-demand areas
- 1st year engineering students can also apply for lateral entry admission in 2nd year

World-Class B.Des Programme

Product Design | Interaction Design | Interdisciplinary Design

- Transformative 4-year undergraduate programmes in areas with high demand for talent
- Blended Learning that includes hands-on workshops and minds-on digital classes
- Re-imagined curriculum by the renowned designer Professor A. Balasubramaniam and supported by professionals from the field
- Technology-led, innovative and trans-disciplinary programmes

Admission also open for

Pinnacle MBA | BBA | M.Tech | PhD

International Collaborations with World's Leading Institutions

UF UNIVERSITY of FLORIDA
Ranked 8th among Public Universities in the US, 2019

UMass Amherst
Ranked 26th among Public Universities in the US, 2019

Olin College of Engineering
Ranked among top 3 undergraduate engineering programmes in the US, 2019

HR Innovators Summit & Awards-2019

HR Innovators Summit & Awards-2019 (January 19, 2019)

JK Lakshmipat University, Jaipur organized HR Innovators Summit & Awards -2019 based on the theme 'New Age Workplaces –Changing Role of HR' on January 19, 2019. The main objective was to provide an opportunity to discover the latest HR technologies, trends and innovations in the industries and to provide a forum for peer learning. Guest of Honor, Shri N. K. Jain talked about the skill sets required by students for internship and placement in the industry. Key Note Speaker, Mr. A.Thirunavukkarasu, President, Corporate HR, JK Organization shared his ideas on Technology for Industry 4.0.

International Conference on “Innovations in Technology and Management for Achieving Sustainable Development Goals (SDGs)”

JK Lakshmipat University organized International Conference on “Innovations in Technology and Management for Achieving Sustainable Development Goals (SDGs)” during February 1-3, 2019 at JKLU Campus, Jaipur. The Chief Guest on the occasion was Mr. Kamal Singh, Executive Director, UN Global Compact Network India. The welcome address was delivered by Dr. R. L. Raina, Conference Patron & Hon'ble Vice Chancellor, JKLU. Thereafter, Mr. Asheesh Gupta, Hon'ble, Pro-Vice Chancellor, JKLU threw some light on the various recent developments of the university. Guest of Honour, Dr. Karim MH, University of Kharazmi, Tehran, Iran said Innovation, as the fruit of science and technology, will play a fundamental role in the Sustainable Development Goals. Keynote Address was delivered by Mr. Pramod Kumar Jain (ED-Design), NCRTC. Inaugural Address was delivered by the Chief Guest, Mr. Kamal Singh, Executive Director, UN Global Compact Network India. There were 2 plenary sessions and 6 technical sessions wherein papers related to sub-themes were presented by delegates. In the valedictory session Dr. Dhruvi Bharwad, Social Research Officer with Space Applications Centre (SAC) was the Key Note Speaker who discussed various programmes of ISRO which are contributing significantly in achieving the 17 SDGs.

Glimpse of the International Conference (February 1, 2019)

5th National Seminar on “Leveraging Design Thinking for Introducing Innovative Information Services”

Dr. R.L. Raina delivering the welcome address (Feb 17, 2019)

JK Lakshmipat University organized 5th National Seminar on “Leveraging Design Thinking for Introducing Innovative Information Services (LDT-IIIS)” in collaboration with Rajasthan Technical Library Association (RTLA), Jaipur on February 17, 2019. The Chief Guest on the occasion was Dr S. D. Vyas, Adjunct Professor of Library and Information Science of Banasthali Vidyapeeth. Dr R.L. Raina, Honorable Vice Chancellor delivered the welcome address. Dr Sanjay Goel, Director, IET said there is a dire need to revisit the definition of a library as a concept, not a place, where the concept of 'book' is evolving with passage of time. Dr Raj Kumar Bhakar, Patron, RTLA threw some light on Rajasthan Technical Library Association (RTLA). Thereafter, Mr Mukesh Pathak Organizing Secretary discussed the theme of the seminar. Dr Purnima Kaushik, Guest of Honor, in her address gave emphasis on KISS (Keep it simple and short) principle. Dr S. D. Vyas, the Chief Guest of the occasion, said there should be a seamless collection of print and digital resources. Inaugural session was followed by plenary session and one technical session. Finally in valedictory session Hon'ble Vice-Chancellor, Dr. R.L. Raina gave concluding remarks.

Inauguration of "MP RANJAN - JKLU Design Resource Centre"

Hon'ble Minister of Industry and State Enterprise, Government of Rajasthan, Shri Prasadi Lal Meena inaugurated MP Ranjan- JKLU Design Resource Centre on March 25, 2019. The Center stocks Prof MP Ranjan's personal collection of 1243 select volumes of books, mainly in the area of 'Design', donated by Prof Ranjan's family to JKLU and is housed in the main Learning Resource Centre of our University. Late Professor MP Ranjan was a leading luminary in the field of 'Design' in India. “With the opening of the new centre, I believe that Rajasthan will be the one-stop hub for the designers at global level. I am honoured to inaugurate the centre, named after the stalwart of design, Prof MP Ranjan,” said Shri Prasadi Lal Meena, Minister of Industry and State Enterprise, Rajasthan. Prof Aditi Ranjan, wife of Late Prof MP Ranjan was the Guest of Honour. We also had the presence of their daughter, Ms Aparna Ranjan at the occasion. The occasion was graced by designers from Bangalore, Delhi, Ahmedabad and Jaipur who were keen to participate in the opening ceremony, besides all the senior faculty & students of JKLU and friends from the media. Following the inauguration, the Hon'ble Minister took a round of the Centre. He also interacted with the students who had put up an exhibition of their projects that were done in their classes

Inauguration of "MP RANJAN - JKLU Design Resource Centre" (March 25, 2019)

ACADEMIC ROUND-UP

Emerging Trends and Applications of Data Sciences

The Department of Computer Science Engineering organised an expert lecture on 'Emerging Trend and Applications of Data Sciences' on January 9, 2019. The experts for the lecture were Mr. Arun Singhal, Managing Director – Technology, Accenture and Mr. Vikas Mittal, Data Scientist, 360 Digital Transformation and a Google Certified Instructor on Data Engineering.

Masterclass on Experiential & Project-Based Learning

Dr. Siddharthan interacting with the participants (January 11, 2019)

JK Lakshmipat University organized Masterclass on “Experiential & Project-based Learning in Engineering Education: How to make it work” during January 11-12, 2019. The workshop was conducted by Dr. Siddharthan Govindaswamy, Associate Professor, Olin College of Engineering, USA and inaugurated by Prof. MP Poonia, Vice-Chairman AICTE. Prof. MP Poonia emphasized on providing students autonomy, time and space to improve the desired skills such as innovative, decision making and problem solving skills. This Masterclass witnessed the participation of 49 external innovative and enthusiastic professors and academic leaders from more than 15 Institutions.

Cutting-Edge Touch Technology

Prof. Mandayam delivering his talk (January 17, 2019)

JKLU organized an interactive session of Prof. Mandayam A. Srinivasan on January 17, 2019. Prof. Mandayam is currently the Director of UCL Touch Lab, Department of Computer Science, University College London (UCL) UK. The objective of the session was to promote further research and development activities related to Haptics, Tactile Sensing and Tactile Displays.

ACADEMIC ROUND-UP

► Mr. Nishant Goel delivering his talk (January 18, 2019)

Robotic Process Automation: Process Overview

A Session on "Robotic Process Automation: An Overview" was organized on January 18, 2019. The speaker of the session was Mr. Nishant Goel, Founder and CEO, BotMantra. Benefits of RPA including Productivity and Efficiency, Quality, Improved turnaround time, Scalability were discussed in detail.

Techathon- 2019 (January 19, 2019)

Techathon- 2019

JKLU Techathon 2019 was organized on January 19, 2019 at JK Lakshmipat University, under the flagship of Computer Society of India (CSI) and Association for Computing Machinery (ACM) Udaipur chapter. The event was co-sponsored by Samyak IT Solutions and Techfi Labs. More than 160 students participated in the event from seven institutes.

Career Guidance Session

Career Guidance session was organized for the sixth semester students on February 2, 2019. Mr. Sanjeev Jindal, GM (Engg. & CSR), Airport Authority of India discussed various applications and jobs at the airport and appraised the students on how to prepare for the various entrance examinations conducted by Airport Authority recruitments.

Artificial Intelligence: Business Applications with Speech and Image

A session on 'Artificial Intelligence (AI): Business Applications with Speech and Image' was conducted by Mr. Sandeep Kumar, CEO, Voxomos Systems Pvt. Ltd. on February 6, 2019 for Pinnacle MBA Students. He talked about Business Applications of Artificial Intelligence.

► Mr. Sandeep Kumar delivering his talk (Feb. 6, 2019)

Mr. Sandeep Kumar delivering his talk (Feb. 6, 2019)

Session on 'Development Aspects of Artificial Intelligence (AI) Products'

A Session on 'Development Aspects of AI Products based on Speech, Image and Biomedical Signals' was conducted by Mr. Sandeep Kumar, CEO, Voxomos Systems Pvt. Ltd. on February 6, 2019 for B.Tech students. The Speaker of the session talked about technical aspects of Processing Speech, Image and Signals.

Interactive Session on 'Marketing'

A session with Prof. Easwar Iyer, Professor and Head, Marketing Department, University of Massachusetts, Amherst was organized for engineering students on February 8, 2019. Prof Iyer introduced the concepts of Marketing to the students, where he explained them elements of marketing which involved advertisement, product endorsement, importance of subliminal messages, pricing, arranging finances and many other important aspects.

► Prof. Easwar Iyer interacting with students (February 8, 2019)

Dr. Yugank Goyal delivering his talk (Feb. 14, 2019)

Liberal Arts Week at JKLU

JKLU organized 'Liberal Arts Week' during Feb 12-17, 2019. The week started with the course on 'Business and Sustainability' by business mentor Ms. Meena Vidyanathan, Founder Niti Consulting and an alumnus of INSEAD Business School, France during February 12-14. Thereafter, 10 - 12 hour long experiential courses on 'Public Policy and Governance' by Ms. Mitali Nikore, Economist Asian Development Bank and Ms. Ankitha Cheerakathil, Executive Director, Institute for Democracy 21 was organized. The week concluded with Yugank Goyal, Associate Dean, Jindal School of Liberal Arts & Humanities, teaching a very interesting 2-day course on 'Law and Ethics'.

Expert Talk on 'Circular Economy for Productivity & Sustainability'

In view of National Productivity Week- 2019 during February 12-18, 2019 a session was organized on the theme 'Circular Economy for Productivity & Sustainability' on February 15, 2019. Mr. Vivek S. Sharma (Honorary Secretary & Director, Programmes, RSPC) discussed the role and responsibility of Rajasthan State Productivity Council (RSPC) for sustainable development in Rajasthan.

Mr. Vivek S. Sharma delivering his talk (February 15, 2019)

National Science Day Celebrations

To celebrate 89th National Science Day on February 28, 2019, Department of Science and Liberal Arts organized a poster competition on 'Great discoveries of the 21st century' and a student's panel discussion on 'Scientific temperament in Indian society: Current status and way forward'.

Digital Logic Design using Discrete Electronic Components

An expert lecture was conducted for students of Electrical and Electronics Engineering on March 2, 2019. Prof. Ashok Agarwal, Professor, Electrical Engineering, Malviya National Institute of Technology was invited for the interaction.

Dr. Jyoti Prakash Naidu presenting memento to Prof. Ashok Agarwal (March 2, 2019)

ACADEMIC ROUND-UP

Think-A-Thon

Think-A-Thon - the Startup Weekend event (March 8, 2019)

Think-A-Thon - the Startup Weekend event was organized at JK Lakshmipat University, Jaipur during March 8 - 10, 2019. The main objective of the event was to make students experience the grilling process of taking an idea from germination to realization. Four ideas got selected on the first day and then the teams were formed that enabled them to network around and collaborate with new individuals to finally pitch a venture in 54 hours.

Competitive Programming Event 'AlgoRythm 19.1'

Students participating in Competitive Programming Event (March 16, 2019)

JKLU in association with Computer Society of India, Jaipur (CSI-JKLU Student Chapter) and HackerRank (coding partner) organized "AlgoRythm_19.1" an ACM-ICPC style national level inter-college competitive programming contest on March 16, 2019.

Expert Talk on Competitive Programming

Mr. Sandeep Jain interacting with the students (March 15, 2019)

An expert talk of Mr. Sandeep Jain, IIT Roorkee alumnus and founder of GeeksforGeeks was organized on March 15, 2019. Mr. Sandeep gave some tips to prepare for competitive programming and placement preparation.

TRAINING PROGRAMMES

Information Security Awareness

A full day workshop on "Information Security Awareness" was conducted on March 28, 2019 at Malaviya National Institute of Technology, Jaipur, Rajasthan for B.Tech CSE students. The main objective of this workshop was to make the students aware of the importance of Information Security in the current technological scenario. The workshop was conducted under the umbrella of Govt. of India and C-DAC's ISEA Project Phase-2.

Empowering Students to Win the Campus to Corporate Journey

Mr. VN Narayana delivering his talk (March 28, 2019)

A workshop was conducted on 'Empowering Students to Win the Campus to Corporate Journey' by Mr. VN Narayana to provide the students real world tips to enhancing employability on March 28, 2019. Mr. VN Narayana worked with P&G & Gillette in India, USA, China & APAC. He discussed the brand development framework and gave some tips to the student to create their personal brand statement.

DISTINGUISHED LECTURE SERIES

The Key Challenges before India

Dr. R.L. Raina extending floral welcome to Mr. Ajay Shankar (18 February, 2019)

Mr. Ajay Shankar Retd. IAS, an esteemed member of Board of Management of the University, delivered a talk on "The Key Challenges before India" on 18 February, 2019. In his address, he highlighted two main challenges before our country: Poverty and Pollution. He also interacted with faculty members of the University and discussed "Role of faculty as Expected by various Stakeholders".

Insights of Experience at Accenture

Mr. Sanjay Jain delivering his talk (January 10, 2019)

Mr. Sanjay Jain (Managing Director, Accenture) Member, Board of Management, JK Lakshmipat University delivered a talk on "Insights of Experience at Accenture" on January 10, 2019. Mr. Sanjay pointed out the dearth of quality talent and discussed different ways of bridging shortage of talent pool required by industry.

'Cache Efficient Computing'

Visit of Prof. Sartaj Sahni (March 5, 2019)

Prof. Sartaj Sahni Distinguished Professor University of Florida, USA & Member: Academic Advisory Board, JKLU interacted with Director-IET and all faculty members of the Department of CSE on March 5, 2019. He shared current needs of the industry and his views on ways to bridge skill gaps. This was followed by his lecture on 'Cache Efficient Computing' attended by IET faculty and CSE & EEE students.

FACULTY FORUM

About Institute of Design, JKLU

A session was organized on January 10, 2019. Prof. A. Balasubramaniam, Dean, Institute of Design, JK Lakshmipat University was the speaker of the session. Prof. Balasubramaniam briefed the audience about Institute of Design at JKLU, its structure, curriculum and way forward to admissions in 2019.

Prof. A. Balasubramaniam delivering his talk (January 10, 2019)

Design for Patentability

Dr. Jyoti Prakash Naidu delivering his talk (March 28, 2019)

A session was conducted by Dr. Jyoti Prakash Naidu on Design for Patentability on March 28, 2019. He shared importance of patenting ideas, process and examples like band-aid, Smiley balls, Slinky, Velcro, Top down squeeze bottle, etc. He also discussed difference between Journal Article and Patent.

Rain Water Harvesting: A Solution to Future Water Problem

Dr. Kedar Sharma shared his views on 'Rain Water Harvesting: A solution to future Water problem' during the faculty forum session held on January 24, 2019. He discussed various issues related to rain water availability and scarcity.

CAMPUS VISITS

Ms. Sarah Craig

Memento presentation to Ms. Craig (February 20, 2019)

Ms. Sarah Craig, CPE Director of Summer Programs at University of Massachusetts, Amherst visited JK Lakshmipat University on February 20, 2019. The agenda of this meeting was to discuss various programs that can be useful for the students of both the universities.

Mr. Kapil Kaul

Mr. Kapil Kaul interacting with Dr. R.L. Raina (Feb. 26, 2019)

Mr. Kapil Kaul, Advisor (CSR), JK Paper Ltd. visited JKLU on February 26, 2019 for discussions on two projects: (i) Interactive Remote Teaching - Learning Facility; and (ii) Conduct of research surveys to establish a baseline/need assessment for the various CSR projects in different locations of the country.

Mr. Shashank Gore

Mr. Shashank Gore (AIM Team, NITI Aayog - Government of India) visited JKLU on March 16, 2019

CENTERS OF EXCELLENCE

Centre For Communication And Critical Thinking Organized Micro Tale Writing Workshop

Mr. Joel Thottan interacting with the participants (January 19, 2019)

JKLU in association with the microblogging giant Terribly Tiny Tales organized a workshop on 'Writing Micro Tales' on January 19, 2019. Facilitated by Mr. Joel Thottan, Chief Curator, Terribly Tiny Tales, the workshop witnessed more than 85 attendees from different schools and colleges.

INDUSTRIAL VISITS

Tanwar Industries Ltd. Kaladera, Jaipur

Department of Electrical and Electronic Engineering organized one day industrial visit at Tanwar Industries Ltd., Kaladera, Jaipur for B. Tech students on February 04, 2019.

Industrial visit at Tanwar Industries Ltd. Kaladera, Jaipur (Feb. 4, 2019)

Centre for Entrepreneurship and Innovation Organized JKLU Startup Expo

JKLU Startup Expo (March 7, 2019)

Centre for Entrepreneurship and Innovation (CEI), JKLU organised a JKLU Start-up Expo for JKLU students on March 7, 2019. This Expo created a platform for JKLU students to exhibit their start-up ideas for a venture or a campus company in the form of presentation or demo of their app or a working model.

TMTL Engine Division, EICHER Engine, Alwar

An industrial visit to TMTL Engine division, EICHER ENGINE, Alwar was organized for 4th and 6th semester students of Mechanical and Electrical Engineering (55 students) on February 18, 2019

Industrial visit to TMTL Engine division, EICHER ENGINE, Alwar (Feb. 18, 2019)

Industrial Visit at Common Effluent Treatment Plant, Jaipur (Feb. 19, 2019)

Common Effluent Treatment Plant (CETP) Jaipur

Department of Civil Engineering organized one day industrial visit at Jaipur Integrated Textile Park's Common Effluent Treatment Plant (CETP) Jaipur for B.Tech students on February 19, 2019.

Daikin Air Conditioning Pvt. Ltd., Neemrana

Industrial Visit at Daikin Air Conditioning Pvt. Ltd., Neemrana (Feb. 27, 2019)

Institute of Management, JKLU organized an industrial visit to Daikin Air Conditioning Pvt. Ltd., Neemrana for the students of BBA/B.Com- II and IV Semester on February 27, 2019.

Industrial Visit at Kishangarh Airport, Ajmer (March 18, 2019)

Kishangarh Airport, Ajmer

Students of Civil, Electrical and Electronics Engineering and Computer Science branch visited Kishangarh Airport on March 18, 2019.

OUTREACH INITIATIVES

Pre- Placement Preparation Session

A pre-placement preparation session was conducted by Mr. Somnath Das, Manager - Career Services & Outreach, JKLU for 3rd year B.Tech. students on January 11, 2019. In the first half there was an interactive session where he discussed the expectation of corporate from students and gave some tips for placement. Thereafter, Mr. Das conducted an aptitude test.

Principals' Meet at JKLU

Principals' Meet at JKLU (February 09, 2019)

JKLU conducted a JKLU Institution Building Program for the Senior Secondary School Principals on February 09, 2019. The Program was facilitated by Dr. R.L. Raina, Vice Chancellor, JK Lakshmipat University, and Mr. Munish Agarwal, Vice President, 9.9 Media.

SHARING VISION BEYOND BOUNDARIES

Dr. R.L. Raina addressing the participants

- Dr. Roshan Lal Raina delivered an address on "Future Ready Education for Future Ready Youth of India" to the participants of the 3rd National Teacher's Congress, organized by MIT-World Peace University, during January 4-6, 2019 at Pune on January 5, 2019.

Dr. R.L. Raina delivering the Inaugural Address (Jan. 15, 2019)

- Dr. Roshan Lal Raina delivered an inaugural address on "Engineering Education: Issues, Challenges & the Way Forward" in the 2nd International Conference on Emerging Trends in Engineering & Applied Sciences (ICETEAS-2019) on January 15, 2019 at Rajasthan College of Engineering for Women.

Dr. R.L. Raina addressing the participants of RCCI Meeting (Jan. 31, 2019)

- On invitation, Dr. R.L. Raina chaired plenary session of the Multidisciplinary International Congress, SANMANTRANA-2019 on "Interdisciplinary Research and Opportunities in Science, Technology, Management and Social Sciences" on February 05, 2019 at Shri Vaishnav Vidyapeeth Vishwavidyalaya.

PANORAMA OF EVENTS

New Year Celebration at JKLU

A New Year get-together was organised on January 1, 2019. The Honorable Vice Chancellor cut the cake and addressed the gathering.

New Year Celebration at JKLU
