**Instructions: Attempt all the questions.**

1. What is the relevance of failure to you? Citing an example of failure in your life , explain how it impacted you and learnings carried from it. **(5 marks)**
2. State your goal which you would like to achieve in next 3 years. Is it related to your passion? What is the purpose behind it. Chart the plan how you will achieve it? **(7 marks)**

**Read the following passage and answer the questions**

Aabid Surti is a renowned writer, painter and cartoonist. He's also a part-time water warrior. Every Sunday, this national award winner visits homes in Mumbai's Mira Road suburb and fixes leaking taps, for free.

Water wastage is one of the most widespread issues facing the country today. And Surti is doing all he can to combat it. He has, thus far, fixed leaking taps in 10,000 homes and saved millions of litres of water. Surti runs the Drop Dead Foundation and is determined to save every last drop.
