JKLU Laureate Award Ceremony & Hari Shankar Singhania Memorial Oration

JK LAKSHMIPAT UNIVERSITY Learning Resource Centre JAIPUR

The University organized its 4th JKLU Laureate Award and Hari Shankar Singhania Memorial Oration on 26 September 2017. The award was conferred on noted management guru Prof. Ram Charan, who delivered the Hari Shankar Singhania Memorial Oration on 'We Make the Future'. The Ceremony was presided over by Shri Bharat HariSinghania, Hon'bleChancellor of the University and was attended by members of the Board of Management, Academic Council and Board of Studies of the University along with guests, invitees, parents, students, and fraternal members of the University. Prof. Ram Charan also delivered the Fourth Hari Shankar Singhania Memorial Oration. The function began with lighting up of the ceremonial lamp by the dignitaries and invocation of blessings of Goddess Saraswati. Dr. R.L. Raina, Hon'ble Vice Chancellor, JKLU delivered the welcome address and threw light on various academic activities held in the university during the last one year. Thereafter, Shri Bharat HariSinghania, Hon'ble Chancellor – JKLU shared the philosophy behind instituting the JKLU Laureate Award and also the series of Hari Shankar Singhania Memorial Orations. He said the main purpose of organizing this event is to acknowledge the talent of learned people and inspire the youth to achieve the same. He also shared various initiatives taken by the JK Group for community development. The award ceremony involved reading out the citation and conferment of the Award on Prof. Ram Charna by Hon'ble Chancellor, Shri Bharat HariSinghania and Dr. R.L. Raina, Hon'ble Vice Chancellor. As a tribute to the unparalleled contributions of ShriHari Shankar Singhania, the Founder Chancellor of JKLU, a film on his journey towards excellence was screened. This was followed by the Fourth Hari Shankar Singhania Memorial Oration on the theme 'We Make the Future' by Prof. Ram Charan. Thereafter, Dr.Pritam Singh, Member-Board of Management, JKLU proposed the Vote of thanks. The Master of the Ceremony was Dr. Ashwini Sharma, Associate Professor, Institute of Management, JKLU.

SAP 01 Overview Training Session

A two-day training programme on SAP01 Overview was organized for faculty members of JKLU during July 29-30, 2017. The training programme was conducted in 'Train the Trainer' mode wherein faculty members were briefed about the SAP 01 Overview training to be imparted to JKLU students from the current semester. Faculty members from both IM and IET participated enthusiastically during the training programme. The facilitators for the programme were Mr. Ramesh Chinchanikar and Mr. Ajay Bhosale from Primus Techsystems Pvt. Ltd. Faculty coordinator for the session was Dr. Kavita Chaudhary and Dr. Ashwini Sharma.

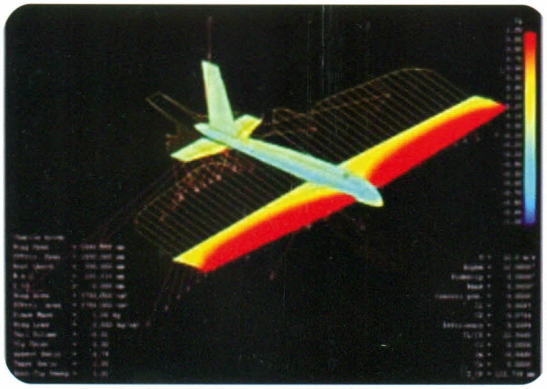

SAP Overview Training Session

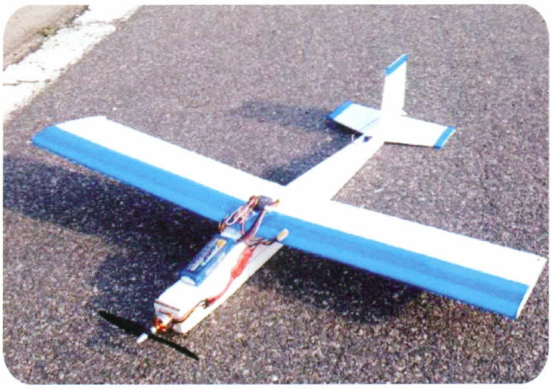

TechEagle Summer UAV Training 2017

Department of Mechanical Engineering, IET had organized 7 Days Training Programme "Summer UAV Training" from 30 July-5 August, 2017 in association with TechEagle Innovation Pvt.Ltd and JK Lakshmipat University (JKLU). The session was delivered by Mr. Vikram Singh Meena (CEO & Founder of Tech Eagle Innovation Pvt. Ltd., Lucknow, UP) and his team of ten members. The programme was attended by 22 (PAN India) participant. The objective of the workshop is to spread awareness regarding design, modelling and flying of drones. The program is designed to take the participants through the technical concepts involved in Design Calculation, modelling and Simulation involved in making of drone. The traning program was coordinated by Prof. AjitBiswas.

CAN SOLAR BATTERIES AND EVS DISRUPT ENERGY INDUSTRY?

An expert talk was organized on July 10, 2017 for the students of Electrical Engineering and Electronics and Communication Engineeringon 'Cansolar, batteries and EVs disrupt energy industry?' The speaker of the session was Dr. Kailash Srivastava, Visiting Professor, Adjunct Faculty, Indian Institute of Technology, Kanpur. The talk was coordinated by Prof. H.P Agrawal and Prof. Narayan Sahoo.

Dr. Kailash Srivastava interesting with students

EXPERT TALK ON WATER MODELLING SOFTWARE-MIKE SOFTWARE POWERED BY DHI

With an objective to disseminate knowledge and technologies regarding water and environment, JK Lakshmipat University organised an expert talk on "Water Modelling Software-Mike software powered by DHI" on 9 August 2017. Mr SajidAlam (Manager – Mike, Powered by DHI) discussed the water modelling softwares and applications of these softwares in the various fields.

EXPERT TALK ON BASICS OF REMOTE SENSING

In order to introduce the various applications of remote sensing and Geographical information system (GIS) JK Lakshmipat University organised an expert talk on 'Basics of Remote Sensing for Civil Engineering Students' on 22 August 2017. Expert, Dr Shiv Mohan (Microwave Remote Sensing Specialist for Earth and Lunar Surfaces, SAC, ISRO, Ahmedabad) talked about various application of remote sensing like LIDAR and RADAR Technologies. Further he threw some light on applications of remote sending in agricultural, flood control, water distribution system etc. The talk was coordinated by Prof. Vinod K. Vishwakarma.

Expert talk on Basics of Remote Sensing for Civil Engineering Students

Expert Talk on Power Quality Problem and Their Solution

An expert talk was organized on the topic "Power Quality Problem and Their Solution" on September 12, 2017 for 5th semester students of Electrical engineering. The expert of the session was Mr. J Hasan Mydin, Sr. Manager-Advanced Power Quality Solution, InPhase Power Technology. The talk was coordinated by Prof. H.P Agrawal and Dr.Pushpendra Singh.

Mr. J Hasan Mydin interacting with students

Expert Talk on Unsaturated Soils - Concepts and Applications

Expert Talk on Unsaturated Soils - Concepts and Applications

Department of Civil Engineering organized an expert talk of Dr. S Rajesh, (Faculty at Indian Institute of Technology Kanpur) on 'Unsaturated Soils - Concepts and Applications' on 22 September 2017 . The lecture catered the students to learn, perceive and understand about the science and basic phenomenon behind unsaturated soils which is a replica of the real field situation and its application and effects on various foundation and earth retaining structures.

An Expert Lecture on 'Stochastic Process and its Applications for Industry'

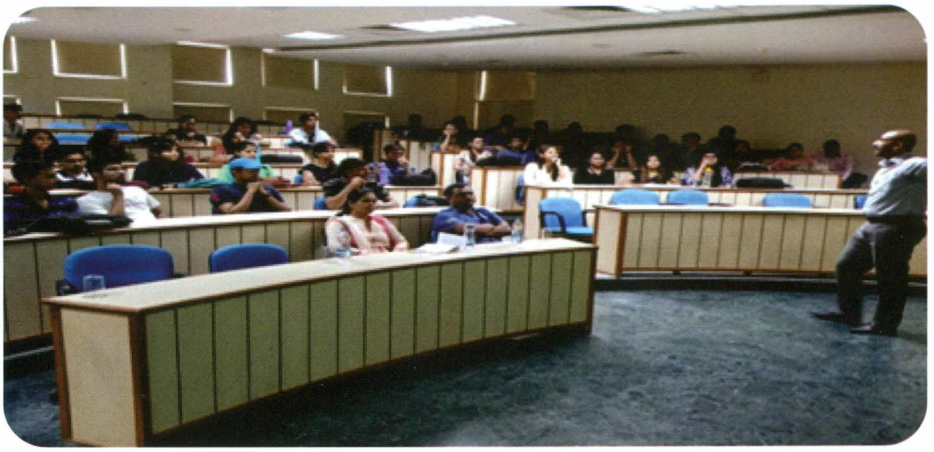

An expert lecture on 'Stochastic Process and its Applications for Industry' was delivered by Dr. K. C. Jain, Professor (Retd.), Malviya National Institute of Technology, Jaipur on September 28, 2017 to the students of B. Tech second year. Dr. Jain touched upon many real life examples of Stochastic Processes while covering all the basic concepts required to have a clear understanding of the topic.

Mr. K. C. Jain interacting with students

Expert lecture on Real Estate Regulatory Authority (RERA)

Institute of management organised an expert lecture of Mr. Vikas Sharma, (Vice President, Customer Sales dept. Mahima Group, Jaipur) on 12 September 2017. While taking about RERA Mr. Vikas said that RERA seeks to protect the interests of home buyers and also boost investments in the real estate sector. The lecture was coordinated by Dr. Kirti Jainani.

Mr. Vikas Sharma interacting with students

Workshop on Understanding Publishing in Academic Journals

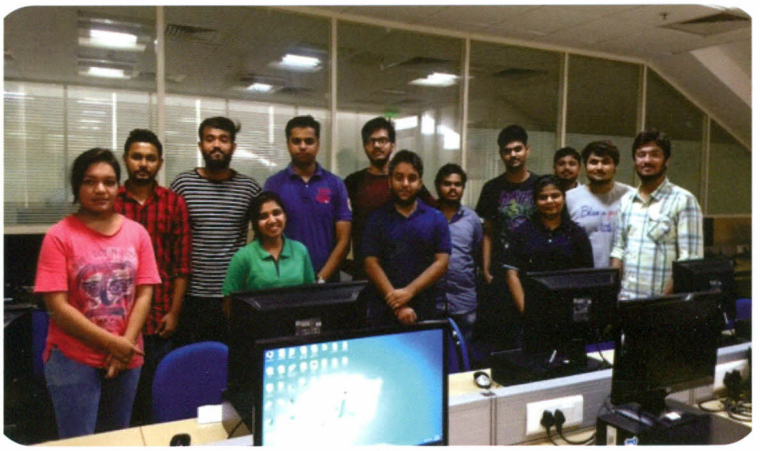

Institute of Management, JK Lakshmipat University has organized a workshop on "Understanding Publishing in Academic Journals" on 20th July, 2017 for the all the faculties of IM and IET, JKLU. Mr. Rajesh Shetty, Manager (OA) from Taylor and Francis has conducted the workshop. The workshop is basically focused on how to choose the best opportunities for early career researchers to publish their work and how to promote the paper post publication period.

Mr. Rajesh Shetty Interacting with faculty

Drishti Online examination conducted at JKLU

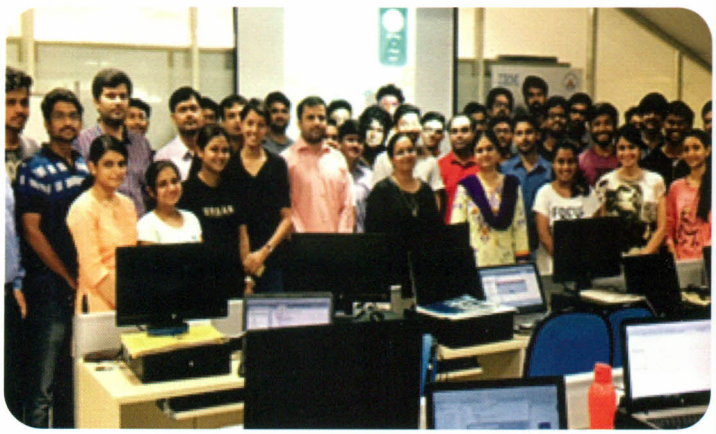

An online examination of 1 hour duration was conducted on 26 August 2017 at the Institute of Engineering and Technology, JKLU. The examination was conducted by Texas Instruments as part of their University education program. Twenty students from Computer Science, Electronics and Communication Engineering and Electrical engineering have appeared in the examination in phase I. The phase II of the exam was conducted on 15 September, 2017. The Programme was coordinated by Dr. Devika Kataria.

Students participating in Drishti Online examination

Workshop on Android Application Development

Computer Science and Engineering Department of JK Lakshmipat University has organized 5 days workshop from 28th August-1st September 2017 on Android Application Development for the students of B. Tech(CSE) (V/VII) semester. The training was given by Mr. Virendra who is affiliated with Dot Square Academy, Jodhpur as developer and trainer of Mobile application Development.

Workshop on Android Application Development

Cisco Networking Academy NetRiders IT skills Competitions

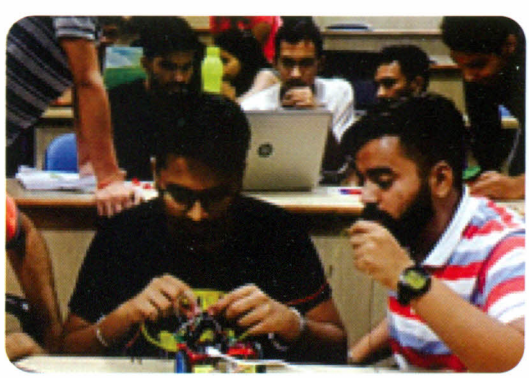

Cisco Networking Academy NetRiders IT skills competitions

Cisco Networking Academy Net Riders IT skills competitions are a great opportunity for students in Asia Pacific and Japan to showcase their networking abilities. This year JK Lakshmipat University hosted the "CISCO Net Riders Competition (CCENT) 2nd Round in Asia Pacific and Japan" On September 6, 2017. Total 23 students, 10 from JK Lakshmipat University Jaipur, 10 from RK University Rajkot Gujrat and 03 from Sir Padampat Singhania University Udaipur, participated in online competition. Round 2 competition test the students' skill through a series of online exam i.e, multiple choice questions and simulation activities using Cisco Packet Tracer. This event was coordinated by Prof. Devendra Bhasvar.

Workshop Training session organised by RoboTech Labs Pvt. Ltd

RoboTech Labs Pvt. Ltd. organised a workshop- training session in our university on 12th September 2017 under the MOU signed between IIT Techfest and JK Lakshmipat University. The training-workshop was conducted by Mr. Vaibhav Agarwal, Founder of RoboTech Labs Pvt. Ltd for the III semester B.Tech. Students. The training-workshop was based on the Autonomous Bots. The faculty coordinator for this event was Dr. Sonal Jain, Head of Department, Computer Science Engineering.

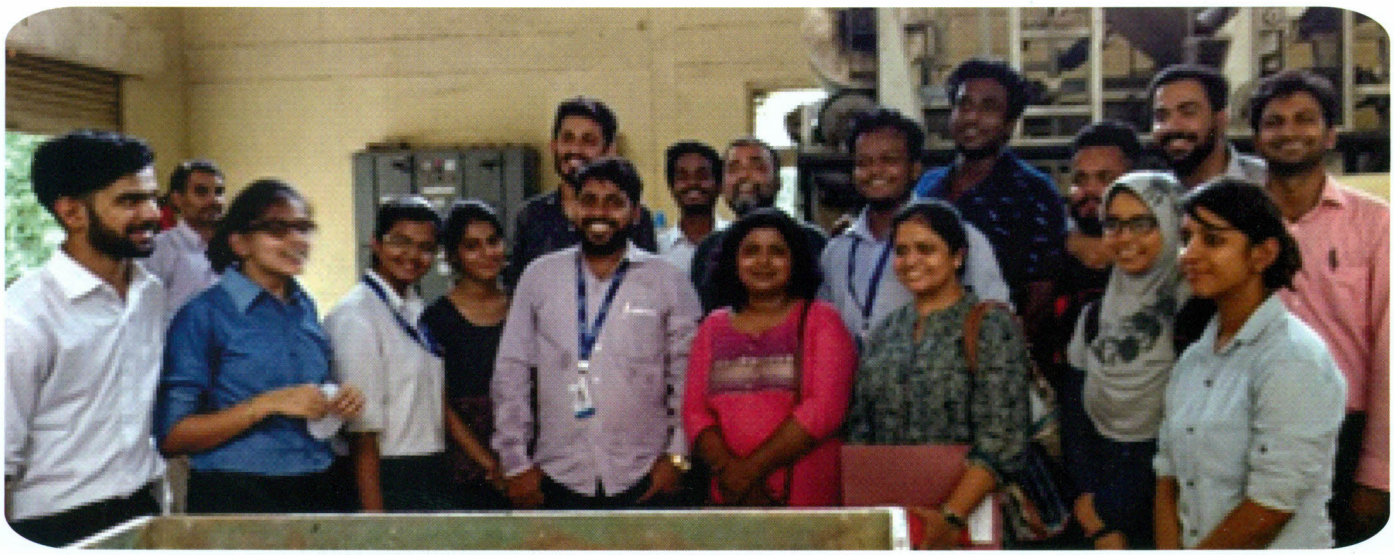

Mr. Vaibhav Agarwal interacting with students

Workshop on Handmade paper manufacturing

Department of Chemical Engineering has organized a one day workshop on Handmade paper manufacturing and visit to Kumarappa National Handmade Paper Institute (KNHPI), Sanganer on September 13, 2017.

Chemical Engineering students of JKLU visiting KNHPI, Sanganer

Workshop on Internet of Things (IoT)

Dr. Kota Solomon Raju interacting with students

Department of Electronics and Communication Engineering has organized a two days workshop on Internet of Things (IoT) at Texas Instruments Innovation Lab on 27th -28th September 2017 . The keynote talk for the workshop was delivered by Dr. Kota Solomon Raju, Principal Scientist, Digital Systems Group, CSIR-CEERIPilani at EB1-007and there were six hands - on sessions conducted by TI India representative from Edgate Technologies Bangalore.

Industrial visits

Himachal Futuristic Communications Ltd. (HFCL), Goa

The industrial visit of ECE 3rd, 5th and 7th semester students to HFCL, Goa took place on September 11, 2017 under the guidance of Prof. Divanshu Jain and Mr. Gajendra Singh from JKLU and Mr. Pramod Agarwal (COO) from HFCL, Goa. He discussed about the electronics equipment used at HFCL and also briefed about the use of different fiber and different colors of cables.

Industrial Visit to Himachal Futuristic Communications Ltd. (HFCL), Goa

Industrial Visit to Hewlett Packard, Rudrapur and Micromax, Rudrapur Uttarakhand

An Industrial visit was carried out at Hewlett Packard, Rudrapur on September 12, 2017 and Micromax (Bhagwati Products Ltd) on September 13, 2017 for semester V & VII students of Computer Science Engineering discipline. The main purpose of the industrial visit was to aware students about Current IT Trends and Mobile manufacturing. The visit was guided by Prof. Devendra Bhavsar and Mr. Hemant Kumar.

Industrial Visit to Hewlett Packard, Rudrapur and Micromax, Rudrapur, Uttarakhand

Central Water and Power Research Station, Pune

Students of Civil engineering visited Central Water and Power Research Station, Pune, Lavasa Smart City, Pune and Khadakwasla dam, Pune from September 12-17, 2017. The objective of this visit is to equip students with knowledge in the field of water and energy resources and to study the various components of dams and their applications. The visit was coordinated by Prof. Amit Kumar, Dr. Srinivasan V and Mr. Jaspal Singh.

Industrial visit of Civil Engineering students

AleoManali Hydropower Pvt. Ltd, Kullu, Himachal Pradesh

Industrial Visit to AleoManali Hydropower Pvt Ltd (AMHPL)

A group of Mechanical Engineering Students (7th Semester) visited AleoManali Hydropower Pvt. Ltd, Kullu, Himachal Pradesh. It was very useful and exciting tour for the students. The students interacted with the Engineers of the plant and accumulated vital information regarding power generation and construction of the Dam. The visit was coordinated by Prof. Shrinivas Rathode and Mr. Ramesh Kumar Sharma from 18 September -23 September, 2017.

RASHTRIYA CHEMICAL FERTILIZERS LTD. MUMBAI

Students of Department of Chemical Engineering visited Rashtriya Chemical Fertilizers Ltd. Mumbai on September 21, 2017. The visit was coordinated by Dr. Jitendra Kumar Singh and Mr. Rajesh Vanshpati.

Industrial visit to Rashtriya Chemical Fertilizers Ltd., Mumbai

Distinguished Lecture Series

E-LEARNING

With a view to develop faculty and keep them updated with upcoming trends and opportunities in management, engineering and technology disciplines, JK Lakshmipat University hosts visits of many eminent personalities. It was indeed a proud moment for JKLU when the university witnessed the presence of luminary personality Dr. M.S. Manna (Director-AICTE) on 27 July, 2017 under Distinguished Lecture Series. He delivered a talk on 'E-Learning'. Dr. Manna started the session by illustrating the journey of our India Education System. He explained transition from Gurukul system to Online Classroom. Further, he threw some light on three services to enhance learning i.e. – SWAYAM, SWAYAM Prabha, and NAD.

Glimps of Dr. M.S. Manna's (Director-AICTE) interactive session

The Success Story of HCL

Similarly, Mr. Ajai Chowdhry, one of the six founder members of HCL delivered a talk on "The Success Story of HCL : How the Company Created" and shared the inspirational story of Hindustan Computers Limited (HCL), its creation, operation and sustainable management on September 20, 2017 under Distinguished Lecture Series.The talk was coordinated by Dr. S. S. Sengar.

Mr. Ajai Chowdhry during the Interaction

Connecting Research & Economic Development

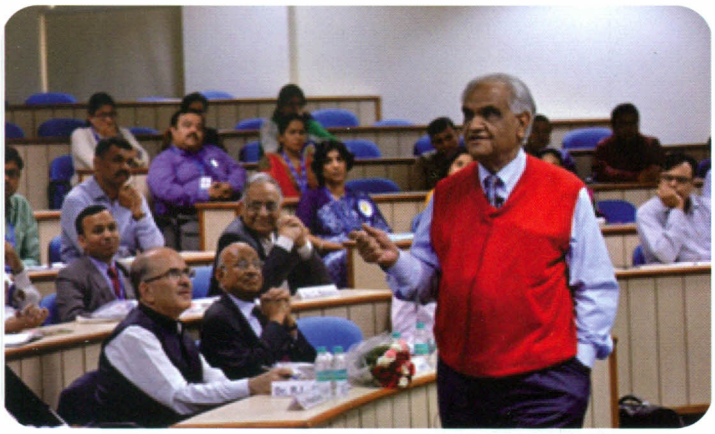

Under distinguished lecture series the university also got an opportunity to interact with Dr. Anil Wali, Managing Director-Foundation for Innovation and Technology Transfer (FITT), IIT-Delhi on 13 September 2017. Dr.Wali informed the students about the dynamics and challenge of the market for entrepreneurship. He also threw some light on the supporting agency and consultancy for start-up in the market.In his exuberance speech on the topic 'Connecting Research & Economic Development' Dr.Wali asserted that mind-set of the leader is critical towards achieving the goals and there is a need of synergy between academia and Industry for all round development of nation.

Dr. Anil Wali interacting with JKLU students

Faculty Interaction with Prof. Ram Charan

In this series of distinguished lectures the university also organized a faculty interaction with a legendary management Guru, Prof. Ram Charan on Sept. 26th, 2017. Prof. Charan said unemployment is a big challenge for India and it is the duty of academic institutes to make them employable with the right aptitude by setting academic standards. The institutions should change their curriculum to compete with the cutting edge word. He suggested to send the students on internships for two months under the guidance of business leaders. This internship should consist of five hours of learning and six hours of training every day. This initiative would automatically make them employable. He further said that learning; researching and delivering should be a continuous process for every faculty. The session was coordinated by Dr. Sheetal Mundra.

Yi Yuva Orientation & Lecture on 'Leadership'

Entrepreneurship Development Centre, JKLU organized an orientation session on Yi Yuva for the students of IM and IET on September 13, 2017 in IM Amphitheatre . The speaker of the session was Mr Atin Jain, Former Principal Officer and Managing Director, Risk Managers Private Ltd. Mr. Ankit Chitlangya, Co-Chair Yi Yuva Vertical also joined him. Mr. Atin Jain introduced Yi Yuva and its three pillars i.e. Nation Building, Youth Leadership and Thought Leadership to the students. Further, he continued his session by delivering a special lecture on 'Leadership'. Dr. Sheetal Mundra and Dr.Umesh Gupta coordinated the event.

Yi Yuva Orientation Session

Academic Forum

Digital Marketing in a Globalized World

The first Academic Forum activity of the Academic Year 2017-18 started with a presentation on the topic: "Digital Marketing in a Glocalized World" by Dr. Ganesh Dash, Faculty-IM on 15 July 2017. Dr. Dash said digital marketing not only include the marketing of products or services using digital technologies, but it also includes mobile phones, display advertising, and any other digital medium.

Dr. Ganesh Dash delivering his talk in Academic forum

Panorama of Events

Invocation and Induction at IET (17 July -21 July 2017)

Induction programme is an initiative to groom the overall personality of students and make them acquainted with the culture of the institution. In view of this the university organized Induction Programme for the first year B.Tech students on 17th July 2017.

The orientation day began with an inaugural speech of the respected Director Dr. Anupam Kumar Singh welcoming the new students to the campus. He said, "JKLU is a learner centric and student friendly university and we will make everything possible to ensure your success". This was followed by welcome address of Dr. Major Kumar Bhatia, Associate Dean, Institute of Management. He motivated the students to make a change in the world by getting maximum benefit of available

Dr. Raina lighting the lamp

resources. Thereafter, chief guest of the occasion, Honorable Vice Chancellor, Dr. R.L. Raina urged the students to surrender themselves for four years to this big cause. He elaborated on the transition from school to the university and assured that the coming days would be of full of excitement and learning. Later on students were introduced to the department heads and faculty members. Dr. Umesh Gupta, coordinator of the programm briefly discussed induction and orientation programme outlines to the present students. Finally, the session was concluded with Vote of thanks proposed by Dr. PoonamVyas, coordinator of the programme. On the second day of induction program Dr. Sandeep Tomar shared different rules and regulations of hostel life and students were motivated to enjoy their hostel life by following certain processes. Thereafter, an overview of engineering education has been given to the students by the Director, IET, Dr. Anupam Kumar Singh. It was followed by a motivational lecture on Life Skills by honorable Vive chancellor Prof R L Raina. After that policy on anti-ragging and prevention of sexual harassment and discipline processes have been discussed by Dr. Sonal Jain and Dr. Vipin Jain respectively. Thereafter, different teams for group activities were formed by Dr. Umesh Gupta and Dr. Poonam Vyas, core coordinators of the program. The day was ended with an enthusiastic session on Photography by Mr. Mahesh Swamy from MNIT, Jaipur. On the third day different sections on available resources such as sports, learning resource center were organized. Students were also briefed about the examination and assessment system of the university. In the post lunch session Mr. Chintan Bakshi, Startup Oasis, talked in depth on "Entrepreneurship: A Career Option for Young Technocrats". The day ended with drama contest in which 7 teams have participated enthusiastically.

On the fourth day students have been introduced to the available IT resources and guided regarding the Ethical use of Internet by Dr. Kavita Chodhary. It was followed by a very informative session on 'Career Planning for Engineers' by Mr. Purushottam Khandelwal, General Manager, Bosch India Ltd. Jaipur. After that an immensely inspiring speech on 3 D's (dedication, discipline and devotion) of life has been given to students by life style trainer Dr. SaurabhShekhwat. Apart from lectures some group based activities have been organized to inculcate team spirit among students like treasure hunt, engineers today etc.

On the last day of orientation details of different programs and teaching pedagogy has been introduced to the students by department heads. Thereafter, the placement process of JKLU has also been discussed with the students. It was followed by a lecture on "Industry expectation from engineering students" by Dr. N.K. Sharma, JK Tyre. Dr. Sharma discussed with the students the expectations of industries of all sectors from fresh undergraduates. In the post lunch session, there was a very informative session on "Financial Literacy" by Mr. M.P. Kothari, Former Regional Director, Reserve Bank of India. Finally there was an exhibition of student's creativity in which all the teams displayed their slide presentations of photographs and JKLU model. The concluding session was presided by Hon'ble Vice Chancellor, Director-IET, Department Heads and all faculty members of IET. In this session a brief report of induction program was presented by Dr. Umesh Gupta. Thereafter, students have shared their feedback and learning from five days long program. After, feedback sharing, winner groups in each activity were awarded. Honorable Vice Chancellor blessed all the students with his worthy words after award ceremony. The program was coordinated by Dr. Umesh Gupta and Dr. PoonamVyas.

Glimpse of Invocation and Induction ceremony of IET, JKLU, 2017

Deekshaarambh 2017 - Invocation and Induction Programme at IM, JKLU

Deekshaarambh-2017, the Invocation and Induction Ceremony for the new batches of MBA, BBA and B.Com. (H) programmes, was organized with a lot of enthusiasm at the Institute of Management, JK Lakshmipat University, Jaipur. The programme was conducted over a period of four days from July 25, 2017 to July 28, 2017. The programme was inaugurated on July 25th, 2017 at 10:00 AM with lighting of ceremonial lamp by dignitaries and invoking blessings of Goddess Saraswati. Dignitaries present on the occasion included the Chief Guest - Shri Rajendra Bhanawat, IAS (Retd.) and Ex-MD, RIICO, Rajasthan; Dr. R.L. Raina, Hon'ble Vice Chancellor of the University; Dr. Manoj K. Bhatia, Associate Dean – IM and Dr. Anupam K. Singh, Director – IET.

Welcome address was delivered by Dr. Bhatia, who emphasized on developing a learning attitude and urged newcomers to utilize their time and energy appropriately. After the welcome address, Dr. Singh blessed the newcomers in his own inspiring way. He congratulated the newcomers in choosing the right institute and explained the uniqueness of this temple of higher learning. The keynote address was delivered by Dr. R. L. Raina who, in his address, urged the students to have a goal driven and a purposive journey at JKLU. Mr. Rajendra Bhanawat, in his inaugural address, inspired the students through sharing of few success mantras which were drawn from his own life experiences as a bureaucrat.

Glimpse of Invocation and Induction ceremony of IM, JKLU, 2017

PARICHAY: JKLU FRESHER'S PARTY 2017

Continuing with the proud tradition of the university, senior students and newcomers mingled with each other at the fresher's party "Parichay 2017" on 11th August 2017. The students, who were eagerly waiting for the turn to showcase their talent, turned up the mighty and enthusiastic fresher's 2017 during the talent show. It was followed by the fashion show. Fresher's showcased their fashion and style through their ramp walk. All were decked as per the occasion and were carrying different props. Based on their performance in the initial rounds, ten studentswere selected for the final "Question & Answer Round". To bring heat and further delight, RJ Mohit from 94.3 My FM shared the stage and organized many fun games which added immense humour in the atmosphere. Theevent coordinators were Dr Shahnawaz Khan, Dr. Jaya Gupta, Prof. Loknath Mishra, Dr.Navneet Kumar and Dr. Kirti Jainani.

Glimpse of Fresher's Party 2017 at JKLU

Convention on "Quality Concepts: Creating Value for the Society"

Quality Circle Forum of India (QCFI) organised the fifth chapter of the convention on "Quality Concepts: Creating Value for the Society" on 26th august, 2017 at JK Lakshmipat University. Approximately 350 participants including delegates from various Manufacturing Industries like Hero Motocorp, JCB, Takata Industries graced the occasion with their benign presence. The guest of honour for the event was Mr. Oyama Mie, Chairman and Managing Director of Takata Industries, Neemrana Division. The idea and approach of the event was explained by the Chief Guest Mr. Ashok Kumar Singh, Plant Head of Mahindra Tractors Ltd. and Chairman of QCFI-DC. Thereafter, the director of IET JKLU, Dr.Anupam Kumar Singh, presented the yearly report of QCFI Jaipur, Sub Chapter activities and a souvenir for the event was released by all the dignitaries present over the dais. The inaugural ceremony was followed by presentations delivered by teams came from various industries. Mr. Karan Gupta, Mr. DivyanshuSuthar and Mr. Arihant Jain from JK Lakshmipat University were awarded Silver Medal for their case study presentation on allied concepts. In quiz contest JCB Ballabhgarh stood first, whereas HTPC Orrisa and HYPC Vidhyanchal were first and second runner up respectively. The winners were felicitated by the Vice Chancellor of JKLU, Dr. R.L. Raina.

Glimpse of Convention on "Quality Concepts: Creating Value for the Society"

Teachers Day celebration

Teacher's Day is celebrated with great enthusiasm in many parts of the world. The day is dedicated to teachers, who play a prominent role in the life of their students. In consonance with previous year Lions Club celebrated Teachers' day at JK Lakshmipat University on 10 September , 2017 by felicitating Honorable Vice Chancellor JKLU Dr. R. L Raina, Director-IET Prof. Dr.-Ing. Anupam Kumar Singh , Dean IM, Dr Manoj Bhatia and 10 faculty members form JK Lakshmipat University on Sunday. Dr. R. L Raina chief Guest of the function, urged the faculty members to be role model for the students. Prof. Dr.-Ing. Anupam Kumar Singh, Director-IET, JK Lakshmipat University emphasized on role of teachers in nation building. Program was coordinated by Prof. Vinod Kumar Vishwakarma.

Teachers Day celebration with Lions Club Jaipur

Teacher's Day Celebration at Institute of Management, JKLU

Students of Institute of Management, JKLU organized a cultural event on the occasion of Teacher's day showing gratitude to all the 'Gurus'. The event was graced by Dr. R. L. Raina, Hon'ble Vice Chancellor, Dr. Anupam Kumar Singh, Director IET, Dr. ManojBhatia , Associate Dean IM, and all the faculty members of Institute of Management. The program was started with Guru Bandana and a Video Clip from the famous TV serial "Chanakya" to highlight the importance of the teacher in one's life. It was followed by various cultural program in which students participated enthusiastically. Thereafter, HonorableVice Chancellor , Associate Dean, IM and all the faculty members shared some of their noble views & experiences with students. The event was mentored by Prof. Lokanath Mishra, Assistant Professor, IM and Dr. Kirti Jainani, Assistant Professor, IM.

Teachers Day celebration at IM, JKLU

MOU between CEERI, Pilani and JKLU, Jaipur

MOU between JKLU, Jaipur and CEERI, Pilani

A Memorandum of Understanding (MOU) has been signed between the JK Lakshmipat University (JKLU), Jaipur and the CSIR- Central Electronics Engineering Research Institute (CEERI), Pilani. The MOU aims to promote co-operation in the field of electronics engineering with the objectives of fostering joint projects. Prof Santanu Chaudhury, Director, CSIR-CEERI, Pilani and Prof. Roshan Lal Raina, Vice Chancellor of the JK Lakshmipat University signed the MOU in presence of Dr. S.A. Akbar, Chief Scientist & Head, Project Management & Business Development and Prof. Dr.-Ing. Anupam K Singh, Director, IET, JKLU and other officials from both the institutes.

Renewal of MOU between St. Cloud State University, USA and JKLU, Jaipur

Dr. Ben Baliga, Professor and Director, MEM Programme at St. Cloud State University (SCSU), USA visited the JKLU campus during July 14, 2017. His visit was aimed at renewal of MOU between JKLU and SCSU. He began his visit by meeting Dr. Roshan Lal Raina, Vice Chancellor-JKLU, Dr.-Ing. Anupam K Singh, Director-IET and Dr. Manoj Bhatia, Associate Dean-IM.Dr.Baliga presented the MoU signed by SCSU officials to Hon'ble Vice Chancellor for his signature. With this signature ceremony, the collaboration between two Universities had been extended for upcoming five years. Post MoU signing ceremony, Dr. Ben Baliga interacted with the faculty members of both the Institutes and shared academic collaboration opportunities with them. Dr. Baliga also interacted with the students who are willing to pursue their higher studies at SCSU and shared the details with them. This visit was coordinated by Dr. Umesh Gupta.

MOU between St. Cloud State University, USA and JKLU, Jaipur

Engineers Day Celebration at JKLU

The 50th engineer's day was celebrated with lots of enthusiasm at IET, JKLU on 15 September 2015. Mr Virendra Singh Sunda, Additional Chief Engineer of Jaipur Development Authority, graced the occasion with his presence. The event started at 2.00 pm with four parallel competitions for students, namely Project, Poster, Coding and Group Discussions. More than hundred students participated in the events. The highlight of the celebrations was the Awards Ceremony for recognition of students who have made outstanding performance at Academics or at Extra-curricular activities like National Quiz, Workshops etc. The winners for the competitions were also awarded .

Engineering's Day Celebration at JKLU

Yoga Camp for freshers' of the University

JKLU Student Welfare Committee has organized a Yoga Camp for all the freshers of the University on 26th July, 2017 at Student Activity Centre, JKLU from 6.30 AM to 8.00 AM. Around 65 new students from both the institutions has participated and performed various asanas, yoga and pranayam. Hon'ble Vice Chancellor has participated and conducted the yoga camp and motivated the students to engage themselves at least half an hour a day for such exercises. The session was coordinated by Prof. Lokanath Mishra(IM) and Dr. Richa Sharma(IET).

Glimpse of Yoga Camp

Nurturing Nature

Community Development Committee (CDC) of JK Lakshmipat University planted around 150 saplings throughout the campus during August 3-5, 2017. The activity was inaugurated by the Honorable Vice Chancellor, Dr. Roshan Lal Raina by planting the first sapling and was followed by the CDC Coordinators, Students and other faculty members. The event was coordinated by Prof. Divanshu Jain, Dr. Shahnawaz Khan, Dr. Jaya Gupta and Dr. Vaibhav Kaushik.

Visit of Dr Kenneth Millers for Automobile Course

A certificate course on Automobile engineering was conducted by Dr Kenneth Miller (From St Cloud State University, Minnesota - USA) at JK Lakshmipat University in Mechanical Engineering department of Institute of Engineering and Technology. It was a 21 days certificate course (10th July, 2017 to 28th July, 2017) in which 39 students of V Semester and VII Semester participated. Dr. Miller focused on IC engine technology and covered topics from the beginning of IC engine and combustion to advanced jet engines and multi stage combustion.

Dr. Kenneth Miller with honorable Vice Chancellor and Director, IET JKLU

71 ST INDEPENDENCE DAY CELEBRATIONS AT JKLU CAMPUS

JK Lakshmipat University, Jaipur celebrated 71st Independence Day on August 15, 2017 with patriotic fervour. Celebrations started with March past by JKLU students around the University campus with sloganeering "Bharat Mata Ki Jai" and "BandeMataram". Thereafter, National Flag was hoisted by Dr. R.L. Raina, Hon'ble Vice Chancellor of the University who was earlier escorted by guard of honor and students to the Central Lawn at the University campus. National anthem was sung by the JKLU choir which was followed by Dr. Raina's encouraging address to the gathering. The gathering then moved to IM Amphitheatre 004 for a cultural performance by the students and members of JKLU fraternity. The programme culminated with Medal Distribution to the Runner-up and Winners of Inter Group KabbadiContest on the eve of 14th August, 2017 at JKLU Campus. The faculty coordinator of the programme was Prof. Lokanath Mishra.

Glimpse of 71st Independence Day Celebrations at JKLU

GANESH MAHOTSAV CELEBRATED

JKLU Student Welfare Committee has organized "Ganesh Mahostav" at the University campus from 25th August, 2017 to 4th September, 2017. The festival was started with Puja, haban, Arati, Prasad Distribution. Hon'ble Vice Chancellor of the University Dr. R. L. Raina performed the Puja. Dr. Anupam Kumar Singh , Director IET, Mr. RK Jain, CFAO and Mr. KK Maheswar, SGM(F & A) and other staffs members , family members of the staffs, students also graced the occasion. One important aspect of the festival was daily puja, archana, haban, arati and samuhikpratharna of Lord Ganesha which was done religiously at 8 AM in the morning and 7.30 PM in the evening. The evening Arati followed by samuhikprathana and Prasad distribution to everybody and followed by BhajanSandhya and cultural program for ten days, which were attended and participated by more than hundreds of students every day. The program was coordinated by the faculty coordinator of JKLU student welfare Committee Prof. Lokanath Mishra and Prof. Amit Kumar

JANMASHTAMI CELEBRATION

Krishna Janmashtmi is an annual Hindu festival that celebrates the birth of Krishna, the eighth avatar of Vishnu. This year the Student Welfare committee of JK Lakshmipat University (JKLU) took the initiative of celebrating the birthday of Lord Krishna in a very different way. The program was started with the pooja of Lord Krishna by honorable Vice Chancellor Dr. R. L. Raina. Thereafter, students exhibited posters of 'Lord Krishna'and 'DahiHandi' which were made by students. It was followed by cultural program where students took part enthusiastically. Finally , 'DahiHandi' program started where the students of JKLU made the pyramid to reach the hanging handi.

7TH INDIA INTELLIGENCE CONTEST AT JK LAKSHMIPAT UNIVERSITY, JAIPUR

A National Quiz Contest called India Intelligence Contest was organized by JK Lakshmipat University, Jaipur on 20th September 2017. The contest started with prayer of goddess Saraswati. The welcome address was delivered by Hon'ble Vice Chancellor, JK Lakshmipat University, Dr. R.L. Raina wherein he emphasized on the importance of such quiz contests to gauge the intelligence quotient of students. Thereafter, Dr.Anupam Kumar Singh, Director IET briefed the audience about the program. Chief Guest of the program was Ranisa Rukshmani Kumari Ji, founder of the NGO Star Foundation. She highlighted that it is the spirit of participation and competition which is more important than winning or losing the contest and encouraged the students to maintain this spirit throughout their life. Prof. Yogesh Rohilla, Prof. Vinod K. Vishwakarma and Dr. Poonam Vyas, coordinated the event.

Interactive Sessions of Mrs PremaIyer (Campus Nani)

While academic knowledge is an important and necessary component of education, it is often not sufficient by itself. Moral values should be properly inculcated among students in schools and colleges. The stress and anxiety which college students encounter can hamper optimal learning outcomes of students. It is in recognition of the need to focus on these aspects, JK Lakshmipat University has organized different interactive sessions of Mrs PremaIyer, with faculty, staff and students of the university. Mrs. Iyer, popularly known as 'Campus Nani' has decided to follow the path of Nishkam Karma for the betterment of the humanity. Viewing her immense potential in an institution building, JK Lakshmipat University identified the five major stakeholders who impact the learning outcomes in the university and divided her sessions accordingly. The first was management, where the attempts were made to interact and understand each other. The primary idea was to comprehend management expectations and to prioritize the issues they believe will best improve learning outcomes. The second and the most important group was students. The primary focus of these sessions was to help students to identify and verbalize their concerns and give them a congenial environment to share them and find solutions. The third group Mrs. Iyer addressed was faculty and they are the primary change agents who can influence students' performance. The fourth group consisted of the staff or more appropriately the facilitators who can strongly influence the other stakeholders. The fifth group consisted of parent whose role in student well-being is self-evident. The session aimed at enabling them to create the right balance between letting go and monitoring their wards.

Mrs. Iyer during her interactive session

Navratri and Dushehra Celebration at JKLU, Jaipur

Garba is a dance form originated in Gujarat, performed during Navratri – a 9-day festival of Goddess Durga. This year Student Welfare Committee of JK Lakshmipat University Jaipur organized Dandiya night and Dusshera to celebrate Navratri. The fun and frolic event of Dandiya night commenced with the lighting of lamp and puja of Goddess Durga by the all faculty, staff members and students of JKLU on 29th September 2017. Approximately 150 people participated in the Dandiya night. During the programm, a Dandiya competition has been organised for couples. Traditional Garba music, Dandiya numbers along with some peppy Bollywood songs kept everyone glued to the dance floor till the end of the event. On 30 September 2017 the programme started with different kinds of games followed by the Ramayana quiz. Finally there was a program of Raavana Dahan which was performed by Prasanta Swarnakar (Deputy Registrar) and other faculty members. At last the cultural program was organized and award were distributed among the winners of the different program. The program was coodrnated by Prof. Amit Kumar.

Glimpse of Navratri Celebration

Student Achievements

1. Saanidhya Srivastava, 2015 btech CSE018 participated in National Creativity Aptitude test and secured All India Rank 2nd. He was awarded a trophy, 15,000/- cash and invited for a week's workshop on "creativity & innovation" in New Delhi from 10th-14th July, 2017.

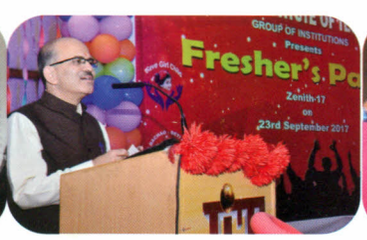

2. Three of B.Tech (Civil Engineering) students Mr. Pratyush Gupta (2015BTechCE008), Mr. Utpal Jhalani (2015BTechCE013) and Mr. Sagar Mewara (2016BTechCE015) secured second position in University Challenge at IFAT 2017 conducted by Messe München India Pvt. Ltd., Mumbai during 26-28 September 2017 in Mumbai. IFAT-INDIA 2017 is India's Leading Trade Fair for Water, Sewage, Refuse and Recycling to meet business partners and industry experts from the environmental sector.
3. On 20 June 2017, HCL Technologies organized the world's biggest businesses to the #United By HCLH ackathon in search of solutions propelling them into the 21st Century. 13487 Teams Registered for #United By HCLH ackathon out of which 2771 are selected for second round. JKLU fifth semester students team "Techno Smart" comprised of Sarthak Vijayvergiya, Geetanshu Mathur, Harsh Patoda, Rishabh Bhandari successfully cleared 1 round of Hackathon and got selected for 2nd round. In the project, an algorithm was proposed for indoor positioning based on Bluetooth Low Energy RSSI.

Sharing Vision beyond Boundaries

1. Dr. Roshan Lal Raina delivered an address on "Science & Technology Absorption & Innovation: A Challenge & an Opportunity for Youth of India" in the National Conference on Science & Technology, ABHYUTTHANAM organized by Initiative for Moral and Cultural Training (IMCT) Foundation, Jaipur on September 02, 2017.
2. Dr. Roshan Lal Raina delivered a keynote address on "Competencies in Information Professionals for bringing in and absorbing Technological Innovations" in the MANLIBNET 2017 International Conference on "Innovation in Library Technology, Services and Resources – Current Trends in Libraries Globally' organized jointly by MANLIBNET & Jaipuria Institute of Management, Noida, during September 15-16, 2017 at Noida, Uttar Pradesh.

3. Dr. Roshan Lal Raina delivered an inaugural address on "How to make the most of Engineering Profession" as Chief Guest in the Fresher's Day Party "Zenith 17" organized by Jaipur Institute of Technology, Jaipur on September 23, 2017.
4. Dr. Manoj Kumar Bhatia delivered a talk during Retail King Award function by 94.3 MY FM held at Hotel Sheraton Jaipur on July 27, 2017.
5. Dr. Kapil Arora conducted a Session on "Goods and Service Tax: An Overview" at School of Management, Poornima University, Jaipur on August 17, 2017. It was attended by nearly 110 students from MBA First Year Batch.

Research and Academic Contributions

Awards, Honours and Achievements

1. Dr. Roshan Lal Raina, on invitation, attended as "Guest of Honour" at the 31st Installation Ceremony, organized by Lions Club Jaipur Capital on July 30, 2017.
2. Dr. Vipin Kumar Jain was awarded with the Venus International Faculty Award (VIFA) - 2017 as "Outstanding Faculty in Science" during Contemporary Academic Meet (CAM) – 2017 at Chennai on July 08, 2017.
3. Dr. Richa Sharma was awarded with the Venus International Faculty Award (VIFA) - 2017 as "Outstanding Faculty in Science" during Contemporary Academic Meet (CAM) – 2017 at Chennai on July 08, 2017.

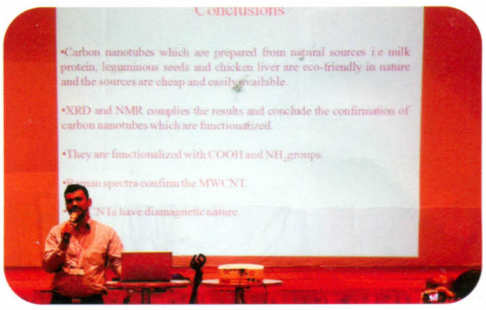

Dr. Vipin Jain receiving the Award

बिजनेस में कस्टमर सब सिखा देता है...

मैनेजमेंट गुरु प्रो. राम चरण को दिया गया जेकेएलयू लॉरिट अवॉर्ड

पत्रिका PLUS रिपोर्टर

जयपुर ● मैं उत्तरप्रदेश में पला बढ़ा, पिता की शू शॉप पर मैंने बिजनेस के मंत्र सीखे। पिता जब शॉप खोल रहे थे तो किसी ने उनसे कहा कि हमें तो इस बिजनेस की नॉलेज तक नहीं है, फिर इसे कैसे चला पाएंगे, तो पापा ने उनसे कहा कि बिजनेस में कस्टमर सब सिखा देता है। यह कहना है जाने माने मैनेजमेंट गुरु और बिजनेस कंसल्टेंट प्रो. राम चरण का। वे मंगलवार को जेके लक्ष्मीपत यूनिवर्सिटी की ओर से बिड़ला ऑडिटोरियम में आयोजित हरि शंकर सिंघानिया मेमोरियल ओरेशन में सम्बोधित कर रहे थे। उन्होंने 'थी मेक द फ्यूचर' पर संबोधित करते हुए कहा कि दुनिया में सिर्फ इंसान ही फ्यूचर क्रिएट कर सकता है। उन्होंने कई सफल बिजनेस टाइकूंस का उदाहरण देते हुए कहा कि वे लोग इसलिए सफल हो सके, क्योंकि उन्होंने फ्यूचरिस्टिक एप्रोच रखी। उन्होंने कहा कि हमें सीमित दायरे से निकलकर बड़े पहलुओं की ओर गौर करना चाहिए। दुनिया की निगाहें अब इंडिया पर है। यहां वर्ल्ड का बेस्ट टैलेंट नजर आता है। इसलिए सिलिकन वैली में जितनी भी बड़ी कंपनीज है सभी के सीईओ ज्यादातर इंडियंस ही है।

मिला अवॉर्ड

इस मौके पर जेकेएलयू चांसलर भरत हरि सिंघानिया ने प्रो. राम चरण को जेकेएलयू लॉरिट अवॉर्ड से नवाजा। खेलकम एडुसेंस व्हाइस ..... आर. एल. ....

रामचरन को जेकेएलयू लॉरिएट अवॉर्ड

जयपुर | बिड़ला ऑडिटोरियम में जेके लक्ष्मीपत यूनिवर्सिटी की ओर से लॉरियट अवॉर्ड सेरेमनी का आयोजन किया गया। इस मौके पर नोटेड ग्लोबल मैनेजमेंट गुरु प्रो. रामचरन को जेकेएलयू लॉरियट अवॉर्ड व 'मोस्ट इंफ्लूएंशियल कंसल्टेंट अलाइव' का खिताब दिया गया। रामचरन पिछले 35 वर्षों से मल्टीनेशनल कंपनीज के सीईओज के सलाहकार के रूप में कार्य कर रहे हैं। इसके अलावा उन्होंने अलग-अलग भाषाओं में 15 किताबें लिखी हैं।

र|जेके लक्ष्मीपत यूनिवर्सिटी ने इसरो, टेक्सास आईबीएम से अनुबंध किया है। इसरो से जीपीएस विक' का डेटा जयपुर में जुटाया जा रहा है। जेके मीपत यूनिवर्सिटी में इस पर रिसर्च की जा रही है। के लिए इसरो ने यूनिवर्सिटी को दो डेटा रिसीवर हैं। यूनिवर्सिटी में इंस्टीट्यूट ऑफ इंजीनियरिंग एंड नोलॉजी के निदेशक डॉ. अनुपम के. सिंह ने बताया कि पीएस 'नावि‌क' देश का अपना ग्लोबल ...स्टम है। इसके जरिए लोगों को दृश्य औ ...। सटीक समय व स

जेकेएलयू के कन्वेंशन में शामिल हुए 350 डेलीगेट्स

सिटी रिपोर्टर | जेकेएलयू में शनिवार को कन्वेंशन का 5वां चैप्टर 'क्वालिटी कॉन्सेप्ट: क्रिएटिंग वैल्यू फॉर दि सोसायटी' पर हुआ। क्वालिटी सर्किल फोरम ऑफ इंडिया की ओ से आयोजित चैप्टर में हीरो मोटोक जेसीबी जैसी मैन्यूफैक्चरिंग इंडस्ट्री लगभग 350 डेलीगेट्स शामिल

नेवटा में बढ़ा 15 प्रतिशत पानी

जयपुर ● इसरो द्वारा विकसित देश के अपने जीपीएस 'नाविक' का डेटा जयपुर में जुटाया जा रहा है। अजमेर रोड स्थित जेके लक्ष्मीपत यूनिवर्सिटी में पिछले कुछ महीनों से इसकी रिसर्च की जा रही है। जिसके ग्राउंड रिजल्ट भी आना शुरू हो गए है। हाल ही स्टूडेंट्स ने सैटेलाइट इमेज के जरिए ग्राउंड फीचर्स को क्लासिफाई किया और साथ ही नेवटा बांध का फील्ड सर्वे किया तो पाया कि बांध में मार्च के बाद लगभग 15 प्रतिशत ज्यादा पानी आया है। इसका उपयोग आगामी पांच महीनों के लिए आसानी से किया जा सकता है। यूनिवर्सिटी के इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी के डायरेक्टर डॉ.अनुपम सिंह का कहना है कि डेटा को इसरो को भेजा जा रहा है। इसरो इसे राज्य सरकार को रिपोर्ट ट्रांसफर कर देगा। जिससे प्रदेश में बांधों की स्थिति के बारे में पता लगाया जा सकेगा। डॉ.अनुपम का कहना है कि नाविक क्षेत्रीय स्तर पर काफी मदद करेगा। जिससे बांधों में पानी का आंकलन, सूखा या आपदा का सही विश्लेषण और ग्राउंड वाटर लेवल को आइडेंटिफाई करना आसान होगा।

विभिन्न क्षेत्रों में इस्तेमाल

बढ़े हुए पानी का उपयोग एक्वा कल्चर, एग्रीकल्चर, एनीमल और ग्राउंड वाटर के लिए होगा। रिसर्चर विकांत ने बताया कि नाविक के डेटा से कैमेसिटी को कैल्कुलेट कर बाढ़ आने के खतरों के बारे में भी पता लगाया जा सकता है। इसके लिए हिस्टोरिकल डेटा को कैल्कुलेट कर बफर जोन बनाया जा सकता है। संभावित बाढ़ का पता चलने पर लोगों को इससे बचाने के लिए एक्यूरेट डेटा के लिए यदि ग्राउंड बेस्ड नेटवर्क से राडार बेस्ड नेटवर्क पर शिफ्ट करते है तो यह बेहतर होगा। डॉ.अनुपम का कहना है कि ढाई साल में 25 डैम पर शोध करेंगे। जिसमें छोटे डैम को भी शामिल किया गया है।
