ENTREPRENEURIAL OPPORTUNITITES FOR BUDDING ENTREPRENEURS

AIC-JKLU hosted a session with students from IIIM, Jaipur, on the topic of 'Entrepreneurial opportunities for budding entrepreneurs', in which our COO, Nidhi Kachhawa, discussed the opportunities available to IIIM students who are working on a startup idea or who aspire to be entrepreneurs in the future.

RISE CHALLENGE

We opened the application for all young startups working in the field of rural energy after launching RISE Challenge, which not only benefits the rural area healthcare sector but also plays a key part in the development of rural areas and improving the overall state of energy. The RISE Challenge assists startups that are either in the prototype or scaling stages.

Horses Stable - Season 3:

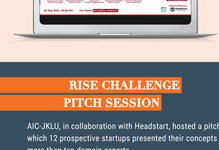
THE FIRST AND LARGEST BUSINESS FUNDING SHOW IN INDIA, ENABELING BUDDING ENTREPRENEURS FROM ALL OVER THE COUNTRY TO SHOWCASE THEIR IDEAS TO THE CREAM OF THE CREAM PANEL OF INVESTORS AND ETCH THEIR NAMES IN THE SUCCESS BIBLE. AIC-JKLU PROMTOES ALL THE STARTUP LOOKING FOR FUNDING.

Moving towards a new era of Renewable Energy by RISE Challenge

To continuously support the startups with brilliant minds and innovation, AIC-JKLU is continuously adapting the new normal and continuously conduct webinars on different topic:

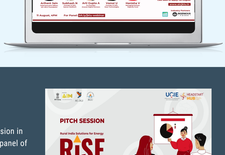
Investor's perspectives on the Energy & Healthcare Sector

It was the investor views discussion session, during which some of the leading investor groups engaged in the healthcare and energy sectors discussed the influence of Covid-19 on the entire healthcare and energy sectors, as well as what the future scenario for these sectors should be. They also addressed how the start-intense up's interest aroused investors' interest, as well as how things and investor mindsets changed after covid.



Founder's Journey in Building Impactful & Sustainable ventures for rural India

Startups should prioritise technological innovation for societal advantages and impact. Rural India and health) care in the post-COVID era require this assistance more than ever. Listen in to hear from startup founders about their experiences building impactful and sustainable ventures for rural India.



RISE CHALLENGE PITCH SESSION

AIC-JKLU, in collaboration with Headstart, hosted a pitch session in which 12 prospective startups presented their concepts to a panel of more than ten domain experts.

ROAD AHEAH WITH AIC-JKLU (Cohort - 6)

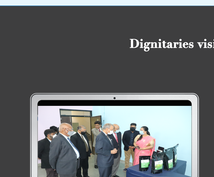
AIC-JKLU welcomed its sixth cohort and held its first meeting with them, during which we discussed the programme in detail and set goals for the coming months.

MISFITS VIRTUAL PITCH SESSION

AIC-JKLU teamed with MisFits as a co-host for the North-East area of their global level virtual Pitch session, in which 30+ startups applied and 10 start) ups pitched their idea in front of the jury after the first round of screening.

STUDENT STARTUPS PITCH SESSION

AIC-JKLU hosted a student startup pitch session, where we brain) stormed with JKLU students about how they might turn their pre-conceived idea into a viable business.



ROAD AHEAD WITH AIC-JKLU RISE Cohort - 1

AIC-JKLU welcomed its first cohort of RISE and held its first meeting with them, during which we discussed the program in detail, understand their needs and set goals for the coming months.
