EMBLEM OF THE UNIVERSITY

The rising flame epitomizes leadership through enlightenment. The bright orange colour represents brilliance

The lotus symbolizes divine knowledge and wisdom. The colour blue reflects serenity and infinity

Knowledge is divine

JK LAKSHMIPAT UNIVERSITY ACT

As per the State Government Notification No. F. 2 (23) Vidhi/2/2011 dated September 15, 2011, the JK Lakshmipat University, Jaipur (Rajasthan) has been established by an Act No. 19 of 2011 – The J.K. Lakshmipat University, Jaipur Act, 2011 of State Legislature of Rajasthan as a State Private University and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies / councils, wherever required. This Act is effective from June 4, 2011.

PRELUDE

I am pleased to present the 3rd Annual Report of the JK Lakshmipat University, Jaipur for the session 2013-14. JK Lakshmipat University was established in 2011 as a private University under the Rajasthan Private Universities Act, with the explicit purpose of providing facilities for the quality, globally relevant and future ready education, research, training and consultancy.

The University has state-of-the-art infrastructure and facilties driven by new-age knowledge delivery systems. The two constituent institutes of the University named Institute of Management (IM) and Institute of Engineering and Technology (IET) offer world class education to budding managers and technocrats. The second batch of MBA (Full Time Residential) and M. Tech programmes has passed out successfully. We had the honour of having a seasoned diplomat Dr. Narendra P. Jain who has been the Secretary, Ministry of External Affairs, Government of India, besides having been India's Ambassador to European Union, UN, Nepal, Belgium and Mexico, as Chief Guest for the 2nd Convocation on May 10, 2014. The University has successfully trained number of corporate executives and faculty members in its Management Development Centre (MDC). The corporate world has vested its confidence in the University by offering possible support in various respects.

This report provides an overview of various curricular, co-curricular and extra-curricular activities of the University during the period from July 1, 2013 to June 30, 2014. The report also gives a glimpse of teaching-learning process, research, consultancy and infrastructure of the University.

Date: July 31, 2014

Place: Jaipur

Dr. Upinder Dhar

Vice Chancellor

HON'BLE CHANCELLOR: Shri Bharat Hari Singhania

Shri Bharat Hari Singhania is the Chairman & Managing Director of JK Lakshmi Cement Ltd., Chairman of JK Paper Ltd., Managing Director of JK Tyre & Industries Ltd., Chairman of JK Agri-Genetics Ltd., and Director of other Companies. Shri Bharat Hari Singhania is also the Director of JK Organisation, an Industrial Group founded over 100 year ago. The Group is a multi-business, multi-product and multi-location group. His vision of creating enabling touch points at the societal and human level find expression in the CSR and HRD focus across Group companies. The mentoring legacy of his father, Lala Lakshmipat Singhania, resonates in his world-view and finds a uniquely individual expression that is always distinct and memorable. An avid proponent of the importance of creating knowledge capital and equitable development, Shri Bharat Hari Singhania is associated with the various philanthropic organisations and Academic Institutions run by JK Group.

HON'BLE PRO-CHANCELLOR: Dr. Raghupati Singhania

Dr. Raghupati Singhania, an industrialist, has over 40 years experience in managing various industries including those engaged in the business of automotive tyres and tubes, power transmission, v-belts, conveyor belts, automotive belts, oil seals, industrial electronics, material handling systems, bulk drugs and hybrid seeds. Dr. Singhania is a Fellow of the Institute of Directors, London. He has been conferred with an Honorary Doctorate in Science by the Mohanlal Sukhadia University, Udaipur for his outstanding contribution in education, training and research in the field of elastomer, polymers and tyres. Dr. Raghupati Singhania is managing number of companies of JK Organisation in various positions. He is also the President of Hari Shankar Singhania Elastomer & Tyre Research Institute (HASETRI) and Member of Managing Committee of Pushpawati Singhania Research Institute (PSRI).

HON'BLE VICE CHANCELLOR: Prof. Upinder Dhar

A renowned educationist and academician, Prof. Upinder Dhar, Vice Chancellor (President) of JK Lakshmipat University has over three decades of experience in post graduate teaching, corporate training, faculty development, research and consulting. Before joining JKLU, he was the Director - Institute of Management, Dean - Faculty of Management and Dean - Faculty of Doctoral Studies and Research, Nirma University, Ahmedabad. Earlier, he was Professor and Head of Management at NITIE Mumbai – a national institute established by the United Nations. Prof. Dhar has been an eminent guest faculty for the Management Development Programmes of the Indian Institute of Management Calcutta and Indore. He has authored/co-authored more than 500 publications. Twenty-nine scholars have been awarded Ph. D degree under his supervision by various universities so far. In recognition of his contributions, Prof. Dhar was awarded National Fellowship by the Indian Society for Training and Development in 2002-03. He has been the President of Anthropological and Behavioural Sciences Section of the Indian Science Congress Association (2007-08) and Indian Society for Training and Development (2008-09).

ABOUT THE UNIVERSITY

In the real, fiercely competitive world of business, it's not just what you know, but what you do with what you know, that separates success from failure. Turning information into workable ideas and knowledge into wisdom is the cutting edge that students will get at the multi-faculty JK Lakshmipat University from our holistic approach to education. The University focuses on globally relevant, future ready and actionable intelligence for the leaders of tomorrow.

1. Leadership

The JK Lakshmipat University is promoted by Lakshmipat Singhania Education Foundation through Lakshmipat Singhania Foundation for Higher Learning as the sponsoring body. Over the last 100 years, JK Organisation has set up multiple educational and healthcare institutions in line with the needs of the society and the country from time to time. The Singhanias of today under the visionary leadership of Shri Hari Shankar Singhania, President, JK Organisation have achieved an exemplary growth in diversified industries with a lead position in major businesses over the years through companies like JK Tyre, JK Paper, JK Lakshmi Cement, Fenner India, JK Agri Genetics, JK Sugar and other such successful enterprises. The Lakshmipat Singhania Foundation for Higher Learning supported by eminent educationists and intellectuals shall focus on higher education, building the youth of the country to face challenges and demands of the time by providing the initial corpus and directions to set up institutions of excellence.

The advent of JK Organisation on the industrial landscape of India almost synchronizes with the beginning of an era of industrial awareness - an endeavor for self-reliance and the setting up of a dynamic Indian industry.

This was way back in the middle of the 19th century. And the rest that followed is history. JK Organisation has been a forerunner in the economic and social advancement of India. It always aimed at creating job opportunities for a multitude of countrymen and to provide high quality products. It has striven to make India self reliant by pioneering the production of a number of industrial and consumer products, by adopting the latest technology as well as developing its own know-how. It has also undertaken industrial ventures in several other countries.

2. Teaching - Learning Process

With a vision "To create an educational environment that engages deep intellectual, moral and spiritual stimulation, thereby nurturing leadership", JK Lakshmipat University (JKLU) started with two institutes: Institute of Management (IM) and Institute of Engineering and Technology (IET) which are offering varied Graduate, Postgraduate and Doctoral Programmes. These programmes at JKLU have been designed so as to equip the future professionals with the latest tools and techniques in their area of studies.

IM offered Master of Business Administration (MBA), BBA + MBA (5 Years) – Integrated Dual Degree, MBA (Family Business & Entrepreneurship), Master of Educational Administration and Ph. D in 2012-13. IET offered B.Tech in Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Electronics & Communication Engineering, Information Technology and Mechanical Engineering in 2012 - 13. It also offered M. Tech in Electronics & Communication and Computer Science Engineering, B. Tech + MBA (5 Years), B. Tech + M. Tech (5 Years) – Integrated Dual Degree Programmes and Ph. D

The University has recruited Professors, Associate Professors , Assistant Professors and other supporting staff members to effectively address its objectives. The University regularly collects feedback from students and teachers as a part of quality assurance.

The admission in various programmes is based on merit as per the rank obtained in the entrance test(s) or marks obtained in qualifying examination. Merit scholarships and Merit-cum-Means scholarships are awarded based on the performance of the students from second year onwards.

Group and Self-Learning: This is a very effective means towards preparing professionals who are proactive in seeking and acquiring knowledge rather than having it imparted only in the classroom. Free exchange of ideas among the group members through discussions and presentations not only leverages on time ideas exchange and effort but also enhances teaching and communication skills. Aptitude is developed for self-study and use of web resources and data banks to foster lifelong learning.

Problem Solving Exercises: Problem solving is an integral part of the teaching-learning process. Lectures emphasize this aspect through carefully set, open-ended design problems. Students are organized in small groups where an opportunity is provided to carry out problem solving exercises, engage in design activities, and perform information search and processing.

Evaluation Procedure: The University follows the continuous evaluation system, which is at par with leading institutes in the country. Multiple inputs are given for evaluation of students' performance through assignments, quizzes, weekly tests, minor and major tests at the middle and end of each semester, and a holistic view is taken of all these inputs for awarding the final Grade. A dynamic system of weightages for the various academic components, such as project activity, presentations, group behavior, and leadership qualities has been put in place.

Credit based academic programmes with modular structure offer flexibility to progress at one's own pace. A minimum level of performance is necessary for satisfactory progress. At the end of a semester, letter grades A, B, C, D and F are awarded to the students based on their overall performance in the course. A student is allowed to carry five 'F' grades. However, he/she will is allowed to carry more than Six 'F' grades to the next semester any time during the programme. There is a strict attendance policy for the students to appear in the

examinations. A student has to maintain a minimum of 75% attendance, without which he/she shall be detained from appearing in the examination.

Guest Lectures & Seminars: Eminent professionals from the country and abroad drawn from academic institutions, research laboratories and industry were invited for delivering lectures and seminars and for interactions with the Institute's fraternity.

Latest Curricula: Students are exposed to the latest techniques in their domains. Courses are flexible and will be updated continuously.

In addition to various academic programmes at two institutes, University has established Management Development Center (MDC) that conducts various Management Development Programmes (MDPs) and Faculty Development Programmes (FDPs) for various industries and institutions. These programmes are serving training and development needs of various corporates and institutions.

3. Research and Consultancy

The faculty members at JKLU are encouraged to contribute in their area of interest through peer reviewed publications. The faculty members were supported financially to attend workshops, seminars and conferences.

Ph. D Programme at JKLU

The minimum duration for the Ph. D programme is two years/four semesters from the date of confirmation of the registration for the programme to the date of the submission of the thesis. However, a research student may be given relaxation of up to 6 months in the above periods allowing pre-submission of the thesis, provided he/she produces sufficient evidence of having done prior research work resulting in publication of research papers in refereed journals in his/her area of research. Maximum duration of Ph.D programme is five years/ ten semesters from the date of confirmation of registration into the programme to the date of the submission of the thesis. However, the submission of thesis may be extended by not more than one year by the Chairman, Board of Research, under special circumstances, on a written request by the student duly forwarded by his/her supervisor and recommended by the Director of the Institute.

Course Work/Credit Requirements

All candidates admitted for the Ph. D programme are required to undergo a 20 credit course work during the first semester of the programme. The courses offered for the Ph. D programme will be a combination of Lecture Courses, Laboratory Courses, Design Courses, Self-Study Courses, Minor Project work as the case may be, for the candidates registered under each discipline. The course work will be in two parts.

Part 1: A common module of courses including Research Methodology, and Statistical Methods carrying eight credits in total has to be taken by every Ph. D candidate irrespective of the discipline under which he/she is registered.

Part 2: All lecture courses, laboratory courses, design courses, self-study courses and minor project work shall carry a maximum of twelve credits. The courses, as prescribed by the Director of the respective Institute, should be based on the recent developments/literature survey in the areas of research in the respective disciplines.

Pre-Ph. D Examination

After the completion of the course work in the first semester, each candidate is required to take a Pre-Ph. D examination. It consists of one written test or lab work of the duration of 2 hours based on the courses taken in Part I of the course work. For Part II, the candidate is required to produce a paper based on the literature review or a concept paper in his/her area of research to claim the necessary credits.

Dissertation

After a candidate has passed the Pre-Ph. D written test, he/she is required to submit the research proposal and make a presentation within two months. It is mandatory that every research scholar will have to submit a half yearly progress report at the end of every semester, till the submission of the final thesis, to the Professor Incharge Research, duly reviewed, evaluated and recommended by his/her supervisor(s) and forwarded by the Directors of the respective Institutes. The candidate's progress report for each semester may be graded as Satisfactory or Unsatisfactory. A candidate has to earn 'Satisfactory' grade for all the semesters to be eligible for the final submission of the thesis. If a candidate fails to submit two consecutive half-yearly progress reports on time, or the progress reports submitted by the candidate are not satisfactory, then his/her registration will stand cancelled. Every Ph. D candidate is required to hold a pre-submission open seminar at least six months before the final submission of the thesis. On completion of the research work, he/she is required to publish at least two papers in refereed journals and then submit to the University.

4. Infrastructure

The University has separate Administrative Block, MDC Block, Management Block, Engineering Block – I and II, LRC Block, residential blocks for students and faculty members. Administrative Block has CF&AO Office, Deputy Registrar's Office, Accounts Section, Establishment Section, Academic Section & Estate Section, Chancellor's / Pro-Chancellor's Office, Vice Chancellor's Office, Mini Conference Room, Board Room, Registrar's Office and Examination Section.

MDC Block has Training Rooms, Lounge, Office of the Manager - Corporate Relations, Pantry and Dining Room, Guest Rooms. Management Block has Director's Office, Administrative Office, Placement Office, Records Section, Class Rooms, Faculty Chambers and Faculty Lounge. Engineering Block – I and II has Workshop & Labs, Director's Office, Administrative Office, Placement Office and Class Rooms. LRC block has library, reading section, Research Lab and Computer labs. The new two storey lab block was developed in this year. This lab block has total 43 labs to satisfy the need of various engineering programme of IET.

Residential facilities at JKLU include Boys Hostel, Girls Hostel, Vice Chancellor Bungalow, 2 BHK Flats, 1 BHK Flats, Mess (Dining Hall), Canteen (Cafeteria), Multipurpose Block, Utility Store, Healthcare Centre and Bank, Gymnasium, Activity Centre and Community Hall, Power Station. The construction of a sewage treatment plant has also started and it is expected to complete in the coming session.

HIGHLIGHTS OF 2013-14

Landmark Activities

1. JK Lakshmipat University organized its first doctoral conference titled "SHODH 2013" on July 6, 2013. Conference Patron was Hon'ble Vice Chancellor Prof. Upinder Dhar, Conference was chaired by Prof. Santosh Dhar and Co-chaired by Prof. Sonal Jain. The conference was inaugurated by chief guest on the occasion, Prof. Kanta Ahuja, Ex-Vice Chancellor, Rajasthan University, Jaipur and MDS University Ajmer. In her inaugural address, Prof. Ahuja highlighted the need for conducting quality research. She suggested that research is not a time-bound activity and research scholars should not resort to short-cuts. She further added that ethics in research is very important. Inaugural address was followed by release of Souvenir, Saransh-2013 by the chief guest.

   The University received 44 papers. Received Papers were divided into three major categories, Management, Engineering & Sciences and Humanities. 24 papers were received in Management category, 16 papers were received in Engineering & Sciences category and 4 papers were received in humanities category. The Conference concluded with Valedictory function anchored by Namrata Jain, Research Scholar, JK Lakshmipat University. The function was presided by Prof. Upinder Dhar, Vice Chancellor of the University and Conference Patron. Prof. Upinder Dhar congratulated all the participants of the conference for contributing towards its grand success.

2. The Invocation and Induction Programme for the new entrants to the University was organized from July 22 - 24, 2013. In the first half of the first day students registered themselves in the respective academic programmes. In the second half, the Invocation was held in two batches. The first batch was comprised of

the students of MBA (FT), MBA (Integrated), B. Tech / (CSE) and M. Tech. (ECE & CSE) and the second batch included the students of B. Tech / (ECE, ME, CE, EE & CHE). Prof. Swapan Kumar Majumdar, Director – IM addressed the students and assured their parents for taking care of their wards. Extending a warm welcome in his address, Prof. Upinder Dhar, the Vice Chancellor highlighted that how quality education plays a crucial role for students in charting out a successful and goal-driven career. Bringing JKLU in view, the Vice Chancellor highlighted how the academically robust and culturally vibrant culture at the University is going to help students explore their latent abilities and tap their dormant potentialities. He urged the students to utilize their time at JKLU in developing their vision, skill set and expression during their course of studies at the University. The invocation session ended with a vote of thanks by Col. S. K. Manohar.

The first half of second day of the Induction Programme consisted of three sessions. The day started with the parallel sessions for IM and IET students. In the morning, Prof. Ashwini Sharma conducted a session on *Handling Pressures at B-School* for IM students. The parallel session for IET students was conducted by Prof. Vipin Kumar Jain on *Do's and Don'ts* in Labs. The next two sessions were also conducted for the two batches parallelly. The session on Micro Lab was conducted by Prof. Santhosh Dhar of the Institute of Management. The other session was conducted by Prof. Upasana Singh of the Institute of Management. Entitled *Know Yourself.* The second half consisted of four sessions. The first two sessions were conducted parallelly for IM and IET students. One session for IM students was conducted by Prof. Ashu Sharma of the Institute of Management on *Teaching through Case Method.* The other session for IET students on *Pedagogy and Curriculum* was conducted by Prof. Vipin Kumar Jain. The sessions *English Language and Communication Skills* by Prof. Sanjay Kumar and *Youth Empowerment* by Dr. Saurabh Shekhawat from Art of Living Foundation, were conducted parallelly.

The first half of third day was divided into four sessions. The session *Students' Activities and Clubs* was conducted by Prof. Sheetal Mundra and Prof. Mohd. Shahnawaz Khan. The other session on *Examination Scheme and Regulations* was conducted by Col. S. Manohar. The next two sessions were *Hostel Rules and Regulations* and *Community Development* that were conducted respectively by Prof. Ashwini Sharma and Prof. Divyanshu Jain. The second half that consisted of three sessions was started with the parallel sessions for IM and IET students. Prof. Amit Jain of the Institute of Management and Mr. Kamal Panjabi discussed *Corporate Expectations from Management Graduates* for IM students, while Prof. Umesh Gupta from the Institute of Engineering and Technology brought into view *Industry Expectations from Engineering Graduates* for IET students. The next two sessions were also conducted for the two batches parallelly. A session on *Introduction to IT Resources* was conducted

by Prof. Alok Agarwal and Mr. Vikrant Sharma. The other session was conducted by Mr Mukesh Pathak, Assistant Librarian on *Introduction to Library resources* of the University. The three day long Invocation and Induction Programme was concluded successfully in the evening of July 24, 2013.

3. A meeting of the Management Advisory Committee of the scheme "Utilization of Scientific Expertise of Retired Scientists" of the Department of Science and Technology, Government of India, New Delhi was held at JK Lakshmipat University, Jaipur (Rajasthan) on October 01, 2013.

   Utilization of Scientific Expertise of Retired Scientists (USERS) scheme was introduced by Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, New Delhi. The main objective of this scheme is to utilize the expertise and potential of the large number of eminent scientists in the country who are active and deeply motivated to participate in Science and Technology development activities even after their retirement.

   Prof. Upinder Dhar, Hon'ble Vice Chancellor and Prof. Vipin Kumar Jain, Faculty Coordinator, USERS meeting extended a warm welcome with floral bouquets to the Experts and Principal Investigators of USERS Projects. The meeting was attended by various Expert members Prof. D.V. Singh, Former Director-IIT Roorkee, Prof. Krishan Lal, Former Director NPL, New Delhi, Prof. Sneh Anand, Centre for Biomedical Engineering, IIT Delhi, Prof. V.V. Ramamurthy, Indian Agricultural Research Institute, New Delhi and Prof. V.S. Rao, Indian Institute of Science Education & Research (IISER) Pune. The USERS meeting was perceived by Mr. S.S. Kohli, Scientist-F at DST and Incharge USERS scheme.

4. Founder's Day was celebrated at JK Lakshmipat University, Jaipur on November 23, 2013 to mark 103rd Birth Anniversary of Lala Lakshmipat Singhania. The function was presided over by Hon'ble Chancellor Shri Bharat Hari Singhania. Hon'ble Vice Chancellor Prof. Upinder Dhar, Director - Institute of Management, Prof. Swapan Kumar Majumdar and Director - Institute of Engineering and Technology, Prof. Anupam Kr. Singh joined him on the dais. Guests from industry, academia, parents and students along with faculty and staff of the University participated in the function. Prof. Sheetal Mundra hosted the function as master of ceremony. Guests from industry, academia, parents and students alongwith faculty and staff of the University participated in the function.

   Prof. Upinder Dhar, Hon'ble Vice Chancellor, JKLU, delivered the welcome address. In his address, he highlighted the contributions of JK Lakshmipat University in achieving academic excellence and implementing the vision of Lala Lakshmipatji Singhania. Hon'ble Chancellor Shri Bharat Hari Singhania in his presidential address reflected the vision and entrepreneurial spirit of Lala Lakshmipat Singhania. In his address, he shared the legacy of Lala Lakshmipatji Singhania and his contribution and commitment to education. He stressed on nurturing key personality traits among the students in addition to the education

for their holistic development. Aditya Awasti , a student of MBA Integrated programme, proposed the vote of thanks. First half of the function ended with National Anthem.

The second half of the function started with the cultural programme. Students of JKLU presented captivating performances in different colours, such as; poem recitation, solo dance, group dance, MIME and group song etc. The programme ended with first stage performance by JKLU Band, Blue Moon. The masters of ceremony were Harshvardhan and Anshul Gupta, students of B.Tech. Words of thanks were proposed by Shiva Johari, a student of B.Tech.. The Programme Coordinators of the cultural programme were Prof. Sheetal Mundra and Prof. Chandramohan Singh.

5. The First JKLU Laureate Award was conferred on Padma Vibhushan Dr. K. Kasturirangan in a grand ceremony held at Vidya Ashram Auditorium on February 22, 2014. The ceremony was presided over by Shri Bharat Hari Singhania, Hon'ble Chancellor of the University and was attended by members of the Board of Management, Academic Council and Boards of Studies of the University apart from guests, invitees, parents, students, and fraternal members of the University. The ceremony was also marked by the First Hari Shankar Singhania Memorial Oration delivered by Dr. K. Kasturirangan.

   The function commenced with lighting up of the ceremonial lamp by the dignitaries. Shri Bharat Hari Singhania, Hon'ble Chancellor – JKLU delivered the welcome address. A film on JKLU and its achievements was screened to introduce the University to the audience. Prof. Upinder Dhar, Hon'ble Vice Chancellor, JKLU briefed the audience about the philosophy behind instituting the JKLU Laureate Award and commencement of the series of Hari Shankar Singhania Memorial Oration. This was followed by introducing Dr. K. Kasturirangan to the audience. The award ceremony involved reading out the Citation with subsequent conferment of the Award on Dr. K. Kasturirangan by Hon'ble Chancellor, Shri Bharat Hari Singhania. Dr. R.P. Singhania, Hon'ble Pro Chacellor and Prof. Upinder Dhar, Hon'ble Vice Chancellor, joined him in doing the Honours.

   As a tribute to the unparallel contributions of Shri Hari Shankar Singhania, the Founder Chancellor of JKLU, a film on his journey towards excellence was screened. This was followed by the First Hari Shankar Singhania Memorial Oration that was delivered by Padma Vibhushan Dr. K. Kasturirangan. Dr. R.P. Singhania, Hon'ble Pro-Chancellor, JKLU proposed the Vote of thanks. The Master of the Ceremony was Prof. Ashwini Sharma, Associate Professor, Institute of Management, JKLU.

6. The Joint Expert Committee visited JKLU Campus on March 24-25, 2014. The Committee included Prof. Mihir K. Chaudhuri, Vice-Chancellor, Tezpur University, Assam; Prof. Suman Chakraborty, Indian Institute of Technology, Kharagpur; Prof. L. Venugopal Reddy, Former VC, Andhra University, Hyderabad ; Prof. Yogesh Singh, Vice Chancellor, MS University,Baroda; Prof. Kandhaswamy, NIT,

Mangalore; Prof. Shashi Dhar, Prof of Civil Engg., JNTU, Ananthpur; Ar Paras Narhari, M/s Samyak, Jaipur; Dr. (Ms) Ratnabali Banerjee, Former Joint Secretary, UGC, Kolkata.

7. The Scond Convocation of the University was held on the Campus on May 10, 2014 in the august presence of Chief Guest of this occasion, Dr. Narendra P. Jain and Hon'ble Chancellor Shri Bharat Hari Singhania. Dr. Narendra P. Jain is a seasoned diplomat and has been Secretary, Ministry of External Affairs, Government of India, besides having been India's Ambassador to European Union, UN, Nepal, Belgium and Mexico. During his nearly 40 years as a diplomat, he has also served in Russia, Germany and Thailand. The University premises were decked up with flowers and flags for the occasion.

The ceremony started with convocation procession, led by Dr. Jain. The Chairman of the Board of Management and Chancellor, Shri Bharat Hari Singhania declared the Convocation "Open". In his welcome address, Shri Singhania said that Globally, it is a landmark day in the life of a university; a day when a student successfully completes his programme of studies and is conferred a degree- a recognized instrument for establishing his credentials. It is the day of satisfaction for the Guru who completes his duty towards the Sishya in imparting knowledge which shall enlighten his path through life. He highlighted the achievements of JKLU in recent years. He congratulated all convocating students on getting their degrees. He emphasized that with the skills, knowledge and ethics JKLU have imparted and students imbibed, they will become role models who shall define new India. On this occasion, he also extended thanks to the parents and other stakeholders of the university including the government for extending their whole hearted support & media.

The Vice Chancellor, Prof. Upinder Dhar said in his address that JKLU is a young institution completing 3 years of its existence this year. He described various initiatives taken by the University such as Internship Exchange Programme with St. Cloud State University, Expert lectures from premier Institutions of India and abroad. He also highlighted the achievements of JKLU and Management Development Programmes conducted by MDC of JKLU.

The Chief Guest, Dr N. P. Jain, Former Ambassador ,Govt. of India (UN, EU, Mexico & Nepal), has delivered convocation address. He expressed his delightfulness for association with the 2nd Convocation of the JK Lakshmi University. He congratulated the chancellor for his lofty vision and distinguished vice chancellor for his admirable goal centric planning and dynamic institution building. He also congratulated the bright boys and girls for their great scholastic achievements and creditable all round performance. He emphasized the development of mindset of aiming high to make a mark in your field of specialization. We are in the age of innovative action. The key to success lies much more Innovative thinking and acting than solely on proficiency or expertise in the roles of the game. The

transformational innovators have made a mark in India with global impact in fields ranging from health care, drinking water, slum rehabilitation, drug abuse to scientific applications and so on. We must have compassion in our actions that gives larger view of life's mission. The convocation was over with the Ceremony Closing Declaration by Chancellor Shri Bharat Hari Singhania and National Anthem.

The degrees were awarded to the students by Shri Bharat Hari Singhania. The dignitaries congratulated the graduating students and wished them best of luck for their future career. Board of management members, academic council members, faculty members were also present on the occasion.

8. Under 'Student Exchange Programme' JKLU students visite the St. Cloud State University, USA. The University has developed collaborative relationship with number of fine academic institutions in United States, United Kingdom and Asia Pacific region to hone the skills of its students on global standards.

   Four students of MBA IInd Semester, B.Tech IVth Semester and B.Tech VIth Semester visited for their Summer Internship and Practice School-1 respectively under Student Exchange Programme with St. Cloud State University, USA where they undertook their training at Electrolux. In turn, two students of St. Cloud State University will also be visiting India for their summer internship at JK Lakshmi Cement Ltd. in July with the support of JKLU. The Cultural Emersion of these students will be organized by JK Lakshmipat University.

Awards, Honours and Achievements

1. The University was conferred on the 'Quality Initiative Mission Educational Leadership Award 2013' in the field of 'Management and Technical Education' by Knowledge Resource Development & Welfare Group.
2. JKLU was positioned in Top 20 Private Universities in India 2013 by Silicon India.
3. The University was awarded 'Productivity Excellence Award 2011-2012' in testimony of Sustainable Achievements in Productivity by Rajasthan State Productivity Council, Jaipur.
4. JKLU was ranked 9th in the Top 10 Emerging Universities in India survey conducted by Higher Education Review Magazine.
5. The University was rated A++ among Best 500 Engineering Colleges in India survey conducted by The Education Post.
6. JK Lakshmipat University had been awarded "Entrepreneurship Week India 2014 HONOR ROLL, North Region" for doing extraordinary work in building support for entrepreneurship, engaging young minds, and growing the number of India's new and future entrepreneurs.. This week was celebrated during March 1 -8, 2014 by National Entrepreneurship Network (NEN), a Wadhwani Foundation Initiative.

7. Considering rich and varied experience as well as the valuable contribution made to the profession of Training and Development, ISTD nominated Prof. Upinder Dhar as Mentor of the Editorial Committee.

8. Prof. Upinder Dhar was invited to preside the Students Personality Development Programme in VIT Campus, Jaipur as Chief Guest on November 27, 2013.

9. Prof. Upinder Dhar was conferred Professor *A.K.P. Sinha Memorial Best Psychologist Award* during the 5th National Conference and 1st International Conference of Indian Psychometric & Educational Research Association (IPERA) held from September 21-22, 2013 on Applicability and Relevance of Psycho-Educational Testing in Human Life at Agra.

10. Prof. Upinder Dhar was invited for Deep Prajwalan Ceremony of "Rajasthan Patrika National Book Fair-2013" on September 10, 2013 at Jaipur.

11. Prof. Upinder Dhar was invited to deliver Special Address at the 101st Indian Science Congress at Jammu University.

12. Prof. Upinder Dhar was invited to preside over the Inaugural function as Chief Guest at the Students' Personality Development Programme in VIT Campus, Jaipur on November 27, 2013.

13. Prof. Anupam Kumar Singh delivered an expert lecture on "Global Positioning System under Advances in Civil Engineering" on January 10, 2014 at National Institute of Technical Teachers Training and Research (NITTTR), Ahmedabad.

14. Prof. Anupam Kumar Singh was invited as Expert in 29th Young Scientist Congress for evaluating the research paper for selecting Young Scientists in the Civil Engineering theme to be held in Bhopal from February 28 – March 01, 2014

15. Prof. Ashwini Sharma was conferred with the Best Ph.D Thesis Award during 8th International Conference on 'Managing People, Processes and Environment for Global Prosperity' organized by Prestige Institute of Management and Research, Indore during January 30-31, 2014. The award was presented by Dr. Rishikesha T. Krishnan, Director, IIM Indore during the Conference.

16. Prof. Amit Jain was conferred with the Best Paper Award for paper titled "Dimensions and Underlying attributes of Employer Attractiveness in Indian Context" during the International Conference on 'Emerging Trends in Business and Economy: Mapping the Way Ahead' organized by Poornima Group of Colleges, Jaipur in association with Asian Institute of Technology, Bangkok, Thailand, Hanyang University, Seoul, South Korea and JK Lakshmipat University, Jaipur from February 14-15, 2014.

17. Prof. Loknath Mishra was conferred with the Best Paper Award for his paper entitled " Study of the Ramification of Mandated Changes in Corporate Social Responsibilities in India" 3rd Annual Commerce Convention organized by Delhi School of Economics, University of Delhi on April 13, 2014.

18. Mechanical First Year Students: Shilp Kakra, Kshitiz Sharma, Gaurav Champawat, Shubham Gupta, Swapnil Badgaiyan and Yash Jain won First Prize in Grand Finale COMET'14 at IIT - BHU, whereas IIT-BHU students stood at Second Position.

19. Karnav Bishnoi, student of B.Tech won Gold medal in the 10 metre Air Pistol team event at the International Shooting Grand Prix, Kuwait.

20. Nitin Jain, student of B.Tech ECE presented a research paper titled "Monitoring a water efficient Irrigation system through SCADA" in conference "ADMET-2014" held at Thapar University, Patiala from 19-21 February, 2014.

21. Nitin Jain, student of B.Tech ECE got selected for Science Academies Summer Research Fellowship Programme 2014 jointly conducted by Indian Academy of Sciences, Indian National Science Academy and The National Academy of Sciences. Under this programme he will get opportunity to work under Dr. Girish Kumar, IIT-Bombay.

22. Chirag H Deora (Team Leader, student of B.Tech ME.) and Rishu Agarwal , Student of CSE, Shlok Ishan , Student of CSE, Rishab Soni , Student of CSE and Yash Jain , Student of CSE made IC engine car and participated in the competition "Full Throttle-the chase" in the Techfest'14 organised by IIT Bombay and reached till quarter finals among the top 18 teams with total participation of around 110 teams under the guidance of faculty coordinators, Prof. Ram Kumar Agarwal (HOD, Department of Mechanical Engineering) and Prof. Divanshu Jain, Department of Electronics and Communication Engineering.

23. Jatin Manghnani, student of B.Tech ME and his team stood 1st in advance level robotics workshop (Robo Lumina) held in JK Lakshmipat University, Jaipur and got a chance to participate in Aakar-14 held at IIT-Bombay.

Foreign Visits and Paper Presentations Abroad

1. Prof. Upinder Dhar visited the various departments of the following Universities between October 1, 2013 and October 13, 2013.

   1. St. Cloud State University, Minnesota, United States

   2. Metropolitan State University, Minnesota, United States

   3. University of Houston, Texas, United States

2. Prof. Upinder Dhar attended the International Conference of American Society for Engineering Management from October 2 - 5, 2013 at Minneapolis, USA as an Invitee. He was invited to address the delegates of International Annual Conference of American Society for Engineering Management on Case Method on October 4, 2013 at Minneapolis, USA.

3. Prof. Upinder Dhar was invited by the organizing and scientific working committee of United Nations-European Union Council (UN-EUC) to attend World Summit on Sustainable Development to Assess the Worst Global Economic Downturn Since the Great Depression in London (United Kingdom) from August 13 - 16, 2013.

4. Prof. Upinder Dhar was invited by the United Nations Conference on Sustainable Development (UNCSD) scientific working committee to attend and address the four-day Summit in London (United Kingdom) from July 22 - 25, 2013.

5. Prof. Upinder Dhar and Prof. Swapan Kumar Majumdar attended the International Conference and Annual Meeting (ICAM 2014) of the Association to Advance Collegiate Schools of Business (AACSB) at Singapore from April 7-9, 2014.

6. Prof. Kanad Ray presented a paper entitled "Protein Polarization induced B LOCH Waves in Axonal Fibres" in the 11th International Conference on Vibration Problems (ICOVP-2013) held at Lisbon, Portugal during September 9 -12, 2013.

7. Prof. Devendra Bhavsar presented Research Paper on "e-learning Paradigm for Teaching Enhancements" in the 2013 International Conferences on "Computer Graphics, Visualization, Computer Vision, and Game Technology (VisioGame 2013)" on 21st and 22nd December 2013 JAKARTA, Indonesia. He also chaired a session during the conference.

8. Prof. Sheetal Mundra presented a paper entitled "Growth Story of India: Interplay of Macroeconomic Variables" in 12th EBSE Conference organized by Nanyang Technological University, School of Humanities and Social Sciences, Singapore from January 9 - 11, 2014.

ADMINISTRATIVE SET-UP

OFFICERS OF THE UNIVERSITY

S. No.	Name	Designation
1.	Shri Bharat Hari Singhania	Chancellor
2.	Dr. Raghupati Singhania	Pro-Chancellor
3.	Prof. Upinder Dhar	Vice Chancellor
4.	Prof. Swapan Kumar Majumdar	Director - Institute of Management (22.07.2013 onwards)
5.	Prof. Anupam Kumar Singh	Director - Institute of Engineering and Technology (28.11.2013 onwards)

6.	Mr. R. K. Jain	Chief Finance & Accounts Officer
7.	Lt. Col. (Retd.) S. Manohar	Deputy Registrar

BOARD OF MANAGEMENT

S. No.	Name	Designation
1.	Shri Bharat Hari Singhania Industrialist	Chairperson
2.	Dr. Raghupati Singhania Industrialist	Co-Chairperson
3.	Prof. Upinder Dhar Educationist	Member
4.	Prof. Anil K. Gupta Michael Dingman Chair, The University of Maryland, USA, Visiting Professor of Strategy, INSEAD Singapore	Member
5.	Maj. Gen. D.N. Khurana, Former Director General, AIMA	Member
6.	Shri H.P. Singhania Industrialist	Member
7.	Prof. K. Kasturirangan Member, Planning Commission & Former Chairman, ISRO	Member
8.	Prof. M.S. Ananth Visiting Professor, IISc Bangalore Former Director, IIT Madras	Member
9.	Prof. Pritam Singh Director General, IMI, New Delhi Former Director – IIM Lucknow	Member
10.	Dr. R.P. Singhania Industrialist	Member
11.	Shri S.K. Roongta Vice Chairman, BALCO Former CMD, Steel Authority of India	Member
12.	Prof. Subhash C. Jain Director of CIBER, School of Business,	Member

	University of Connecticut, USA	
13.	Shri Surendra Malhotra Corporate Director	Member
14.	Shri S. A. Bidkar Senior Executive - Finance	Member
15.	Smt. Vinita Singhania Industrialist	Member
16.	Nominee, Govt. of Rajasthan	Member
17.	Prof. Swapan Kumar Majumdar Director - Institute of Management	Member (22.07.2013 onwards)
18.	Prof. Anupam Kumar Singh Director - Institute of Engineering and Technology	Member (28.11.2013 onwards)

ACADEMIC COUNCIL

S. No.	Name	Designation
1.	Prof. Upinder Dhar Vice Chancellor	Chairperson
2.	Prof. D.M Pestonjee GSPL Chair Professor, PDPU, Gandhinagar Former L&T Professor of Management, IIM Ahmedabad	Member
3.	Prof. I. K. Bhat Director, Malaviya National Institute of Technology, Jaipur	Member
4.	Prof. Mangesh G Korgaonker Director General, National Institute of Construction Management and Research, Pune	Member
5.	Prof. A. Sridharan IISc, Bangalore	Member
6.	Dr. Anupam Tiwari GM-HR, Ranbaxy Laboratories Ltd.	Member
7.	Mr. Sanjay Jain Company Secretary cum GM (Accounts), Mahindra World City, Jaipur	Member
8.	Prof. Swapan Kumar Majumdar Director - Institute of Management	Member

9.	Prof. Anupam Kumar Singh Director - Institute of Engineering and Technology	Member
10.	Prof. Santosh Dhar Professor, Institute of Management, JKLU	Member

Practice School

Details of Practice School – I for B.Tech (2011 – 15) held during May 20 – June 29, 2013

Sr. No.	Roll No.	Name	Name of Company	Location
1	2012BTechME004	Amit Khushal Gandhi	Ferromatic, Ahmedabad (AKS)	Ahmedabad
2	2012BTechECE002	Ankur Kumar	Indira Gandhi Rashtriya Udan Academy, Amethi, UP	Amethi
3	2012BTMBA004	Karan Singh	Hindustan Aeronautics Ltd., Bangalore, Karnataka	Bangalore
4	2012BTechME031	Shivam Kant	NTPC, Bhagalpur	Bhagalpur
5	2012BTechME035	Ujjwal Prakash		
6	2012BTechEE003	Atul Kumar		
7	2012BTechEE006	Rohit Kumar		
8	2012BTechCE020	Shubham Nayak Jain	MP Housing and Infrastructure Development Board, Bhopal	Bhopal
9	2012BTechME003	Amit Goyal	JBM Maruti, Chennai (MB)	Chenani
10	2012BTechME012	Chirag H. Deora		
11	2012BTechME020	Mohit Gupta		
12	2012BTechECE014	Siddharth Dhakad	Dell	Chennai
13	2012BTMBA009	Urvashi Khandelwal	Umesh Construction Company, Chittorgarh, Rajasthan	Chittorgarh, Rajasthan
14	2012BTechECE010	Nisha Singh	DRDO, Dehradun	Dehradun
15	2012BTechCSE005	Ashrut Bharadwaj	IRDE, Raipur Road, Dehradun	Dehradun
16	2012BTechME022	Nirbhay Raj	Indian Oil, Delhi	Delhi
17	2012BTechME001	Abhishek Chakravarty	VE Commercial Vehicles Ltd, Dhar	Dhar
18.	2012BTechCE001	Akshay Sharma	L & T MHI Boilers Pvt. Ltd., Faridabad	Faridabad
19	2012BTechCE006	Chetan Mathur	NHAI	Faridabad
20	2012BTechCE017	Sachin Kumar Gupta		
21	2012BTechME032	Shubham Khuntamar	Minda	Greater Noida
22	2012BTechCE024	Vishal Juneja	AEMCOM, DLF Cyber City, Gurgaon, Haryana	Gurgaon
23	2012BTechCSE008	Deeksha Saini	Cashkaro.com, Gurgaon	Gurgaon
24	2012BTechCSE017	Piyush Sain		
25	2012BTechCSE020	Rakesh Jha		
26	2012BTechCSE026	Saar Bhatt		
27	2012BTechCE021	Vaibhav Sharma	IL & FS, Himachal Pradesh	Bilaspur, HP
28	2012BTMBA002	Anurag Singh	Kiran Udyog Pvt. Ltd., Gurgaon	Gurgaon
29	2012BTechCSE007	Chitra Dubey	Xcelserve, Gurgaon	Gurgaon
30	2012BTechCSE009	Garima Saxena		
31	2012BTechCSE030	Swati		
32	2012BTechCHE003	Mayur Rawlani	Tata Chemicals	Haldia, West Bengal

33	2012BTechCE004	Avinash Godara	Public Works Department, Hanumangarh	Hanumangarh
34	2012BTechME027	Rahul Ranjan	JK Fenner	Hyderabad
35	2012BTechME016	Jatin Manghnani		
36	2012BTechCE008	Imran Gouri	Apeksha Housing Pvt. Ltd., Jaipur	Jaipur
37	2012BTechCE022	Vaibhav Trehan		
38	2012BTechECE015	Vaibhav Goyal	Ericsson, Jaipur	Jaipur
39	2012BTechCE014	Nayan Choudhary	JDA, Jaipur	Jaipur
40	2012BTechCE011	Jyotsna Goyal	Pratibha Aparna Industries	Jaipur
41	2012BTechCSE016	Payal Sharma	JVVNL, Jaipur	Jaipur
42	2012BTechCSE019	Rajat Kumawat		
43	2012BTechCSE023	Rishu Agarwal	Kamtech Associates Pvt. Ltd.	Jaipur
44	2012BTechCE013	Naman Sukhija	L & T	Jaipur
45	2012BTechCE015	Pulkit Parnami		
46	2012BTechME008	Bharat Sharma	National Bearing Corporation, Jaipur	Jaipur
47	2012BTechCE009	Isha Bhatt	National Highwary Authority of India, Jaipur	Jaipur
48	2012BTechCE012	Mandavi Bansal		
49	2012BTechME011	Chandra Prakash Shukla	Supersonic Turners Pvt. Ltd.	Jaipur
50	2012BTechME023	Prateek Kataria		
51	2012BTechME034	Sumit		
52	2012BTechME013	Deepak Khandelwal		
53	2012BTechCSE014	Kumkum Gupta	Rajasthan Electronics and Instruments Ltd., Jaipur	Jaipur
54	2012BTechCSE029	Sparsh Agrawal		
55	2012BTechCSE003	Anurag Bhardwaj	Tata Teleservices Pvt. Ltd.	Jaipur
56	2012BTechECE012	Shishir kumar		
57	2012BTechECE013	Shubham Bohra		
58	2012BTechECE004	Avi Jain	Technosys Pvt. Ltd., Jaipur	Jaipur
59	2012BTechECE006	Harsha Heda		
60	2012BTMBA001	Anirudh Bhardwaj		
61	2012BTechCE003	Anil Singh Tomar	Krishna Builders, Gurgaon	Gurgaon
62	2012BTechCE007	Gourav Suthar		
63	2012BTechCE010	Jatin Jain	Vijaytech Consultants	Jaipur
64	2012BTechCE019	Saurabh Sharma		
65	2012BTechME029	Satyam	Tata Hitachi Construction Machinary Co. Ltd., Jamshedpur	Jamshedpur
66	2012BTechEE005	Nitin Manglam	Jhajjar Power Ltd.(ACLP India Company), Jhajjar, Haryana	Jhajjar, Haryana
67	2012BTechME017	Manjot Singh	Bharat Heavy Electrical Ltd., Jhansi	Jhansi
68	2012BTechECE003	Annsh Chawla	Defence Laboratory, DRDO, Jodhpur	Jodhpur
69	2012BTechCSE013	Kartikey Joshi	JK Tyres & Industries Ltd., Kankroli	Kankroli
70	2012BTechCSE031	Uday Gupta		

71	2012BTechME030	Shivam Dixit		
72	2012BTechECE001	Alind Mishra	Honeywell Papers Pvt. Ltd., Lucknow	Lucknow
73	2012BTechCSE018	Rachit Agarwal	National Informatic Center, Lucknow	Lucknow
74	2012BTechCSE032	Yash Jain		
75	2012BTechCE023	Vanshika Bharadwaj	Ambuja Cements Ltd., Mumbai	Mumbai
76	2012BTechCSE027	Shivam Maheshwari	Nokia solutions and Networks Pvt Ltd, Mumbai	Mumbai
77	2012BTechCHE005	Ritu Parashar	Rashtriya Chemicals & Fertilizers Ltd., Alibag,Mumbai	Mumbai
78	2012BTechCHE006	Suruchi Kumari		
79	2012BTechECE007	Isha Baokar	NTPC Ltd., Talcher Super Thermal Power Stn, Orissa	Orissa
80	2012BTechECE009	Megha Jain		
81	2012BTechCHE004	Rikesh Tanwar	JK Paper Mills, Rayagadda	Orissa
82	2012BTechCSE001	Aayushi	Finesse Webtech, Patna	Patna
83	2012BTechCSE004	Arsh Vardhan		
84	2012BTechECE011	Pushkar Raj	Indian Railways, Patna	Patna
85	2012BTMBA005	Kaustubh Kalla	CEERI	Pilani
86	2012BTechEE001	Anurag Pandey	NTPC, Unchohar	Raebareli
87	2012BTechEE002	Arman Singh Shekhawat		
88	2012BTechEE004	Bindesh Kumawat		
89	2012BTechEE008	Sunder Singh Shekhawat		
90	2012BTechME033	Siva Sambhav Mandava	Tafe Motors and Tractors ltd., Raisen, M. P.	Raisen, M.P.
91	2012BTMBA007	Prateek Goel		
92	2012BTechME002	Akash Kumar	Heavy Engineering Corporation Ltd, Ranchi, Jharkhand	Ranchi
93	2012BTechME010	Brijesh Kumar Pandey		
94	2012BTechME015	Devendra Nath Yadav		
95	2012BTechME018	Mayank Verma		
96	2012BTMBA006	Oshonic Sharma		
97	2012BTechCSE010	Harish Kumar	JK Lakshmi Cement Ltd., Sirohi	Sirohi
98	2012BTechCSE012	Kanishka Singh Lalas		
99	2012BTechCSE021	Ramesh Kumar		
100	2012BTechCSE022	Rishabh Soni		
101	2012BTechCSE028	Shlok Ishan		
102	2012BTMBA003	Devesh Yadav		
103	2012BTechCHE001	Gayasuddin Mansoori		
104	2012BTechME026	Rahul Kumar Singh		
105	2012BTechME014	Deepak Sharma	India Railways, Abu Road	Sirohi
106	2012BTechCHE007	Vijay Joshi	Krishak Bharti Co. Ltd.(KRIBHCO), Surat, Gujrat	Surat Gujrat
107	2012BTechCSE006	Chandrika Singh	RRVUNL, STPS, Suratgarh	Suratgarh
108	2012BTechCSE011	Hitesh Ranka		

109	2012BTechCSE024	Ritu Sharma		
110	2012BTechCSE025	Riya Choudhary		
111	2012BTechEE007	Satyam Srivastava	NTPC, Tanda	Tanda, Ambedkar Nagar
112	2012BTechCHE008	Yadvender Singh	Centeral Pulp Mills, JK Papers	Tappi
113	2012BTechECE016	Yash Khandelwal	SCSU	USA
114	2012BTechME005	Anand Ojha	Diesel Locomotive Works, Varanasi, U. P.	Varanasi
115	2012BTechCE018	Satyajeet Salam	L & T	Delhi
116	2012BTechCE016	Ronit Sinha	Bihar Rajya Pul Nirman Nigam	Patna

Activities of Distinction

1. Prof. Rajesh Purohit has been awarded Ph. D Degree from Birla Institute of Technology & Science, Pilani in March 2014.
2. Prof. Richa Sharma was invited as Invited Speaker in National Conference on 'Synergetic Trends in Engineering & Technology' held during April 25 - 26, 2014 at Mathura, India.
3. Prof. Gireesh Kumar was invited as Invited Speaker in National Conference on 'Synergetic Trends in Engineering & Technology' held during April 25 - 26, 2014 at Mathura, India.
4. Prof. Sandeep Kumar Tomar was nominated as Steering Committee member for International Conference on Science and Engineering of Materials (ICSEM – 2014) held at Sharda University, Greater Noida from January 6 – 8, 2014.

Research Contribution

Books and Chapters in Books

1. B. V. Babu, Atulya Nagar, Kusum Deep, Millie Pant, Jagdish Chand Bansal, Kanad Ray, Umesh Gupta (eds.) (2014). Proceedings of the Second International Conference on Soft Computing for Problem Solving (SocProS 2012), December 28–30, 2012, Advances in Intelligent Systems and Computing, 236, Springer.

Research Papers Published in National and International Journals/Conference Proceedings

1. Roja Singh, S. P. Pandey, P. K. Shukla, S. K. Tomar, B. Bhattacharya, and Pramod K. Singh (2014). Synthesis of Lead Sulphide Nanoparticles for Electrode Application of Dye Sensitized Solar Cells. Nanoscience and Nanotechnology Letters, 6(1), 31-36.
2. Mukesh Arora, Abha Sharma and Kanad Ray (2014). A Π- Slot Microstrip Antenna with Band Rejection Characteristics for Ultra Wideband Applications. B. V. Babu et al. (eds.), Proceedings of the Second International Conference on Soft Computing for Problem Solving (SocProS 2012), December 28–30, 2012, Advances in Intelligent Systems and Computing, 236, 1135 – 1144.

3. Sandeep Kumar Toshniwal and Kanad Ray (2014). A Technique to Minimize the Effect On Resonance Frequency Due to Fabrication Errors of MS Antenna by Operating Dielectric Constant. B. V. Babu et al. (eds.), Proceedings of the Second International Conference on Soft Computing for Problem Solving (SocProS 2012), December 28–30, 2012, Advances in Intelligent Systems and Computing, 236, 1145 – 1149.

4. Garima Kedawat, Vipin Kumar Jain, and Y. K. Vijay (2014). Fabrication of Metal Dielectric Metal Multilayer Thin Film: Color Filter. Proceeding of American Institute of Physics, 1591, 1024-1026.

9. Richa Sharma (2014). A Bulk Arrival Queue with Server Breakdown and Vacation under N- Policy. Proceeding of National Conference on "Emerging Trends in Engineering & Technology" held during March 30, 2014, at Abu, India.

10. Richa Sharma and Gireesh Kumar (2014). Unreliable Server M/M/1 Queue with priority queueing system. Special issue of International Journal of Engineering and Technical Research, pp. 368-371.

11. M. Kaushik and Gireesh Kumar (2014). Reliability Characterization for Embedded System with N-Version programming. Special issue of International Journal of Engineering and Technical Research, pp. 372-374.

Research Papers presented in conferences

1. Prof. Sandeep Kumar Tomar presented a paper entitled "Fabrication and Characterization of Conducting Polymer Nanocomposite Electrolyte for Photovoltaic Application" in an International Conference on 'Science and Engineering of Materials (ICSEM-2014)' at Sharda University, Greater Noida from January 6 – 8, 2014.

2. Prof. Sanjay Kumar presented a research paper entitled "Rediscovering The French Lieutenant's Woman through Pinterseque Jigsaw" in the International Conference on Language, Literature & Library: Disruptive Digressions and Digital Dimensions organized by Department of English, Manipal University, Jaipur from 22-24 January, 2014.

3. Prof. Jagdish Sharma presented a paper entitled "Modelling and Analysis of Solid State Faultcurrent Limiter" in SARC-IRF International Conference on April 12, 2014 at New Delhi, India.

4. Prof. Richa Sharma presented a paper entitled "A Bulk Arrival Queue with Server Breakdown and Vacation under N- Policy" in National Conference on 'Emerging Trends in Engineering & Technology' held on March 30, 2014 at Abu, India.

5. Prof. Richa Sharma presented a paper entitled "Unreliable Server M/M/1 Queue with priority queueing system" in National Conference on 'Synergetic Trends in Engineering & Technology' held from April 25 - 26, 2014 at Mathura, India.

6. Prof. Richa Sharma and Prof. Gireesh Kumar presented a paper entitled "Working Vacation Queue with K-phases Essential Service and Vacation Interruptions" in "IEEE conference on Recent Advances and Innovations in Engineering" held during March 30, 2014, at Jaipur, India.

7. Prof. Gireesh Kumar presented a paper entitled "Availability analysis for embedded system with N-version programming using fuzzy approach" in National Conference on 'Emerging Trends in Engineering & Technology' held on March 30, 2014, at Abu, India.

8. Prof. Gireesh Kumar presented a paper entitled "Reliability Characterization for Embedded System with N-Version programming" in National Conference on 'Synergetic Trends in Engineering & Technology' held from April 25 - 26, 2014 at Mathura, India.

9. Kapender Phogat presented a paper entitled "Optimization of Heat Exchanger Networks: Pinch Technology Method" in an International Conference on 'Advances & Innovations in Mechanical Engineering' (AIME 2013) held at Sir Padampat Singhania University, Udaipur from October 5 - 6, 2013.

10. Jaya Gupta presented a paper entitled "On a New Generalized Beta Distribution" during an international conference & Symposium on 'Applications in Diverse Fields of Engineering and Technology' held at Malaviya National Institute of Technology, Jaipur from December 13-15, 2013.

11. Richa Sharma and Girish Kumar presented a paper entitled "Optimal N-policy for Unreliable Server Queue with Impatient Customer and Vacation Interruption" in an International Conference on "History and Development of Mathematics" held at JECRC University Jaipur from November 29 – December 1, 2013.

12. Yogesh Rohilla presented a paper entitled "T-connected Transformer Integrated Three-leg VSC based 3P4W DSTATCOM for Power Quality Improvement" in 2013 Nirma University International Conference on Engineering (NUiCONE) held at Institute of Technology, Nirma University, Ahmedabad from November 28 – 30, 2013.

Conferences/Workshops attended

1. Prof. Anupam Kumar Singh attended NBA Workshop for Experts/Evaluators/Master Trainers/Stakeholders on February 3 and February 17 - 19, 2014 at The LNM Institute of Information Technology (LNMIIT), Jaipur.

2. Prof. Kapender Phogat attended a workshop on "Computational and Experimental Methods for Advanced Research in Composites" at Malaviya National Institute of Technology, Jaipur from June 12-16, 2013.

3. Prof. Kapender Phogat attended a workshop on "Structure, Properties and Applications of Engineering Materials" at Malaviya National Institute of Technology, Jaipur from July 1 - 5, 2013.

4. Prof. Kapender Phogat attended a Training Programme on "Creo 2.0 Software" conducted by PTC at JK Lakshmipat University, Jaipur from July 6 - 23, 2013.

5. Prof. Jaya Gupta participated in the two day national workshop on "Scientific Computational Techniques" organized by Manipal University, Jaipur during November 08 – 09, 2013.

Academic Positions / Distinctions Held

1. Prof. Mohd. Shahnawaz Khan was nominated as Editorial Review Board Member of International Journal of Scientific and Engineering Research(IJSER).

2. Prof. Mohd. Shahnawaz Khan was nominated as Editorial Review Board Member of 3- Journal of Pharmacy and Pharmacology.

Membership/any other Professional Association

1. Prof. Vipin Kumar Jain became the Life member of Material Research Society, IISc Bangalore.

2. Prof. Umesh Gupta became the Annual member of ISTD, Jaipur Chapter.

3. Prof. Kapender Phogat became the Life Time Membership of Om Shanti a spiritual Society.

4. Prof. Jaya Gupta became the Life member of Society for Special Functions and Their Applications, India.

5. Prof. Rajesh Purohit became Life Member of Metrology Society of India and member of IEEE USA, Delhi Chapter.

MANAGEMENT DEVELOPMENT CENTRE

The Management Development Centre (MDC) has been set up for practicing managers & engineers to build capabilities through short-term programmes. Well researched and need based Management Development Programmes facilitate learning and sharing amongst the participants and help orgnizations to transform into learning organisations. It organizes practitioner sessions by bringing in industry stalwarts and functional experts from various sectors. In addition, short term executive and professional development programmes are conducted for the working professionals from the industry and academia.

In-house Management Development Programmes Conducted

S. No.	Date	Programme Leader / Resource Persons	Programme	Organisation	Venue	Number of Participants
1	August 5-9, 2013	Prof. Upinder Dhar, Prof. Swapan Kumar Majumdar, Prof. Santosh Dhar, Prof. Kapil Arora, Prof. Amit Jain,	Leadership and Management Skills	JK Tyre & Industries Ltd.	JK Lakshmipat University, Jaipur	16
2	August 23-24, 2013	Prof. Kapil Arora, Mr. Sanjay Jain	Finance for Sales Executives	JK Lakshmi Cement Ltd.	Ahmedabad	22
3	August 26, 2013	Prof. Upinder Dhar	Communication Skills	JK Group	New Delhi	20
4	September 11-12, 2013	Mr. Anil Kaushik	Programme on Industrial Relations	JK Tyre	JKLU	16
5	November 12-14, 2013	Prof. Upinder Dhar, Dr. S.K. Majumdar, Prof. Santosh Dhar, Prof. Ashu Sharma	Interpersonal Relations for Team Building	GAIL	Jaipur	20
6	January 21-25, 2014	Prof. Upinder Dhar, Dr. S.K. Majumdar, Prof. Santosh Dhar, Prof. Ashu Sharma, Prof. Kapil Arora, Dr. Loknath Mishra, Dr. Poonam Mishra, Prof. Sheetal Mundra	Leadership and Management Skills	JK Tyre	Jaipur	15
7	January 27-	Prof. Upinder	Personality and Self	JK Cement	Nimbahera	18

	28, 2014	Dhar, Prof. Santosh Dhar	Development	Ltd.		
8	June 18, 2014	Prof. Upinder Dhar	Workshop on Knowledge Management	NTPC	Mumbai	18
TOTAL						**145**

Open-house Management Development Programmes Conducted

S. No.	Date	Programme Leader / Resource Persons	Programme	Venue	Number of Participants
1	July 19-20. 2013	Prof. Upinder Dhar & Prof. Ashwini Sharma	Managing Conflicts for Higher Performance	JKLU	4
2	August 12-14, 2013	Prof. Amit Jain	Building Skills for Effective Selling	JKLU	6
3	February 10-12, 2014	Prof. Upinder Dhar & Prof. Santosh Dhar	Managerial Effectiveness	JKLU	5
TOTAL					**15**

Open-house Faculty Development Programmes Conducted

S. No.	Date	Programme Leader / Resource Persons	Programme Coordinator	Programme	Venue	Number of Participants
1	December 13-15, 2013	Prof. Upinder Dhar	Prof. Kapil Arora	Seventh National Case Writing Workshop	JK Lakshmipat University, Jaipur	24
2	May 22-24, 2014	Prof. Upinder Dhar	Prof. Kapil Arora	Eighth National Case Writing Workshop	JK Lakshmipat University, Jaipur	10
3	May 28-31, 2014	Prof. Upinder Dhar	Prof. Kapil Arora	Third National Research Methodology Workshop	JK Lakshmipat University, Jaipur	15
TOTAL						**49**

Victory has thousand fathers, but defeat is an orphan

- John F. Kennedy

LEARNING RESOURCE AND COMPUTING CENTRES

Learning Resource Centre (Library)

The Learning Resource Centre (LRC) came into existence as a constituent of the JK Lakshmipat University, Jaipur. The aim of the LRC is to serve the needs of the Faculty, Research Scholars, Students and External Members of the LRC. It is heart of the University and acts as a centre for the collection of literature predominantly related to management, engineering and technology and its allied subjects and develops a comprehensive collection of information that is useful for teaching and reference purposes. User satisfaction is the current day approach to LRC services. Library is situated in a multi-story building with growing collection of Books, Journals and other reading materials. LRC is subscribing wide range of national and international periodicals and journals, in addition to an impressive collection of databases such as EBSCO, corporate & technical annual reports and CDs, ETintelligence Service, and CII (Confederation of Indian Industry) publications. LRC is the also in the process of subscribing databases such as IEEE Transactions, Science Direct, ACSE (American Society of Civil Engineers) Publications, ASME (American Society of Mechanical Engineers) Publications etc.

Learning Resource Centre is managed by KOHA software integrated with ERP system of the University. It is web based integrated library systems installed on Linux platform. KOHA is equipped with Acquisition, Cataloguing, Circulation, Serial Control and OPAC modules. It supports MARC21 and UNIMARC for professional cataloguing and z39.50 for copy cataloguing from reputed libraries. OPAC module provides access to the library catalogue. Through this module, users of the library will also be able to check their borrowing details, reserved items, make suggestions for new books, and update their personal details as well as add tags to books of their liking. This module provides a simple and clear search interface. Users are able to search through all fields of the database as well as within specific fields.

Status of Library Resourc Centre as on June 30, 2014

Collection	No. of Titles	Total No. of Books / Journals
(a) Books	4953	6593
(b) CD & DVDs	440	522
(c) Bound Volumes	90	228
Print Journals and Magazines		
Journals & Magazines (National)	81	165
Journals & Magazines (Foreign)	84	
Online Databases and Journals		
Ebscohost (Business Source Elite and Academic Search Elite)	3486 Approx. (Full text Journals and Magazines) Business Source Elite covers 111 Full Text and Academic Search Elite covers 2375 Full Text	

ETintelligence	It provides research knowledge of macro-economic and sectorial research for the benefit of Indian business with detailed primary, secondary and market research based studies.
Indiastat.com	India's comprehensive information portal that provides recent, authentic & exhaustive socio-economic data/information. Statistics and data about India in an exclusive data base that provides stat about any sector on India comprising health statistics, education statistics, agricultural statistics, etc.
International Monetary Fund E-Library	It offers the entire catalog of over 10,400 publications in several digital formats. We can access all IMF content in one integrated environment. All text is fully searchable, making it easier to find information. New material is available automatically, eliminating the need to monitor release schedules or review catalogs. All collection categories allow for easy content expansion.
The IEEE/IEE Electronic Library (IEL)	It covers almost one third of the world's current electrical engineering and computer science literature, providing unparalleled access to publications from the Institute of Electrical and Electronics Engineers (IEEE) and the Institution of Electrical Engineers (IEE).

Information Technology (IT) Centre

Computing facilities for the students include well-equipped labs having modern software. A state -of-the-art gigabit network connects every corner of the Institute. The students and faculty members have access to networked computers at their disposal. High-speed servers running on a variety of platforms to suit all kinds of requirements support the entire network. A dedicated optic fiber leased line and Wi-Fi hotpot enables round the clock Internet connectivity on the campus. Internet and Intranet mail servers are available to students and faculty round the clock in each and every hostel room and faculty house on the campus. LAN / WAN and Wi-Fi are functioning in the University.

IT Center has implemented ERP system for functioning of the University and it is used at all levels of academics and administration. The committee given below is looking after the ERP system.

S. No.	ERP Module	Name of the Champion		Name of the Users	
		IET	IM	IET	IM
1.	Admissions	Prof. Umesh Gupta	Prof. Loknath Mishra	Mr. Deepak Singh	Mr. B.R. Yadav

ENTREPRENEURSHIP DEVELOPMENT CELL (E - CELL)

1. E-Cell, JK Lakshmipat University organized one day workshop on "How to Prepare an Effective B-Plan" on 18th August, 2013. The workshop started with the address of Vice Chancellor of the University, Prof. Upinder Dhar. He emphasized on the importance of planning in every sphere of life including business. Dr. Arya Kumar, Chief of Entrepreneurship Development and IPR Unit, and Professor in the Department of Management at BITS Pilani was facilitator for the workshop. He started the workshop by differentiating between businessman and entrepreneur. He covered various dimensions of entrepreneurship during the workshop, such as components of business plan and their relative importance. The learning was emphasized through case studies. 125 students from various institutions Prof. Sheetal Mundra proposed the vote of thanks.

2. Institute of Management, JK Lakshmipat University organized a Colloquium on Entrepreneurship, 'Samundra-Manthan' on the theme "Green Entrepreneurship: Inclusive and Sustainable Entrepreneurship" on 31st August, 2013 in association with NEN and CSBE. The event was inaugurated by Director IM, Dr. S. K. Majumdar and all the dignitaries presented on the occasion. The theme of the Colloquium was introduced by Prof. Sheetal Mundra. Prof S K Majumdar focused on the interrelationship among Sustainability, Green entrepreneurship and Development in his inaugural Address.

   The Guest of Honour, MD, Home Store India Ltd., New Delhi, Salil Sahu said that Green entrepreneurship was an art of converting 'Green to Gold' and industries were proactively following many such practices. In the plenary session, the distinguished speakers were: Mr. Ankit Vyas, Founder, Green Globe Solutions, Ahmedabad; Mr. RR Alluri, Director, Centre for Clean Technologies and Sustainable Business, Amity University Jaipur; and Ms. Aparna Vashisht, Research Associate, Green Growth and Development Division from The Energy and Resources Institute (TERI), New Delhi.

   Mr. Ankit Vyas talked on waste recycling and reusing methods, and his practices on Time Place Management System in his business. He called his team "Garbage People". Mr. RR Alluri emphasized that waves of Innovation were required for Green Entrepreneurship practices. Ms. Aparna Vashisht spread awareness about the role of technology in the present and future of Green entrepreneurship. Mr. Nadeem Rahim, Business Development Officer, Honeybee Networks, Jaipur presented the innovations taking place in Green entrepreneurship. An Innovator, Rai Singh Dahiya of Rajasthan presented his innovation about Bio-Waste Gasifier that works out cheaper than grid power. The biomass-based gasifier unit processes about 20 kg of bio-waste to run an engine of 30 HP for an hour.

   Mr. Aditya Awasti, student MBA Integrated, introduced CSBE (Council for Small Business and Entrepreneurship) to audience and invited membership for Jaipur Chapter. Vote of thanks was proposed by Prof. Punam Mishra. Prof. Sheetal Mundra and Prof. Punam Mishra were coordinators for the event. Forty-

four participants from various Institutions attended the event. Forty-four participants from various Institutions attended the event.

3. A competition on 'Green Start-up B-Plan Contest' was held August 31, 2013. Eight teams from various Management Institutes participated in the contest. The winner of the competition was Manipal University and the runner up was Poornima Institute of Engineering. Prof. Sheetal Mundra and Prof. Punam Mishra were coordinators for the event.

4. The Entrepreneurship Development Cell JK Lakshmipat University inaugurated the E-Week on March 1, 2014 at University campus. E-week was celebrated during March 1 -8, 2014. The event marked the commencement of the E-Week. The E-Week is an NEN initiative that invites Entrepreneurship Cells across all educational institutes in the county to celebrate the spirit of Entrepreneurship. Hon'able Vice Chancellor, JKLU, Prof. Upinder Dhar joined as the Chief Guest. He shared his thoughts on the essence and significance of entrepreneurship, and his vision about the E-Cell. Director, IM, Dr. S.K. Majumdar enlightened the students about the various entrepreneurial opportunities that exist on the campus. To encourage and support entrepreneurship on the campus, the E-Cell, JKLU launched an Entrepreneurship Clinic. The E-Clinic shall act as a support cell for the students, comprising of faculty-level and expert-level panels, to help students in their entrepreneurial desires. The event was coordinated by Prof. Umesh Gupta, Prof. Sheetal Mundra and Prof. Upasana Singh.

5. E-Cell organized an Intra University campus company competition March 4, 2014. Total 4 teams participated in the competition. The teams presented their ideas for companies they propose to run in the campus. The ideas included Providing bikes on rent, Utility items on doorstep, Food stall in Hostel and Virtual Game. The idea of establishing stall of snacks on Hostel was ranked on top and hence, the team lead by Shiva Johari, a students of B. Tech III year was declared winner of the competition. The event was coordinated by Prof. Umesh Gupta, faculty mentor of JKLU E-Cell.

6. E – Cell organized an Intra- University quiz competition March 5, 2014. The activity was to enhance the interest and awareness in entrepreneurship amongst the students. Students from Institute of Engineering and Management of JKLU participated in the event. The participating teams were quizzed on entrepreneurship and business. The second part of the event was made more interesting and was more oriented towards new product idea generation. The each participating teams were given bunch of unrelated product wherein they need to come up with one innovative product out of it with its unique value. The winning teams were given prizes to encourage their interest in entrepreneurship. The event was coordinated by Prof. Upasana Singh, faculty mentor of JKLU E-Cell.

7. E- Cell, JKLU organized a seminar on the topic "Yuva Udhyamita Protsahan Yojna(YUPA)" on March 6, 2014 in the Combined initiative of E-cell & Extra Moral Series. It was facilitated by Mr. S.S.Agarwal

(Manager – Training, Rajasthan Finance Corporation).He lectured about the RFC , its Constitution, its various departments, its organizational hierarchies etc. He also discussed about the sources by which RFC arranges funds for the granting loan. He highlighted the difference between the loans, granted by RFC and the Commercial Banks. He shared about ``Yuva Udhyamita Protsahan Yojna (YUPA)", an flagship scheme of RFC for encouraging and supporting the young entrepreneurs in getting the funds without the collateral security .He also encouraged the students to become entrepreneurs rather than seeking the jobs in the market. The event was coordinated by Prof. Sheetal Mundra.

8. E-Cell organised a seminar on the topic "Project Financing: Government & Institutional Financing for Start-ups" by Prof M. L. Bhargava (Advisor SKIT) on March 7, 2014. He introduced the topic to the students and talked about the various supports available for funding the ventures. The students of IM and IET participated and discussed queries related to the same. The event was coordinated by Prof. Sheetal Mundra.

9. E- Cell, JKLU participated in Entrepreneurship Week India 2014 Grand Finale-North Zone on 8th March at VIT, Jaipur, organized by Wadhwani Foundation & NEN. 12 students along with the faculty coordinator, Prof. Sheetal Mundra participated in the event and won the E Week India 2014 Honor Roll award.

10. The University organized a National Entrepreneurship Seminar on the theme "Stand, Start and Sustain: Journey of Start–ups" on Saturday, March 15, 2014. Event Coordinator, Prof. Sheetal Mundra introduced the event. In his welcome address, Prof. Upinder Dhar, Hon'ble Vice Chancellor - JKLU, emphasized on the power of determination to succeed in life. He motivated the students to do things differently for developing their entrepreneurial skills. The Chief Guest of the Inaugural Session Mr. Anand Singhal, Chairman, CII Rajasthan State Council & Desert Inn Limited, stated that entrepreneurship is the state of mind, full of risks and challenges, which are present at every stage of life. He motivated the students to identify their hidden creativity and follow it with passion. Vote of Thanks was proposed by Prof. Upasana Singh at the end of the Inaugural Session.

    In Plenary Session, Mr R.K.Poddar , Director, Mayur Leather Products Limited, shared his views on the basic principles which are required for becoming a successful entrepreneur. Mr Ajay Data, Founder of Data Infosys, shared his views about the journey of start-ups and common fears prevailing during this journey. In the second half of the Seminar, a panel discussion was chaired by Dr. S. K. Majumdar , Director, IM, JKLU on the Seminar theme. The panelists were Mr. Ajay Gupta, MD, Kamtech Associates Pvt. Ltd.; Mr. Vivek Swami, Director, Smiling Stars; Dr. Anupam Singh, Director, IET, JKLU and Ms. Preeti Singh, Network Manager - Student Entrepreneur Support, NEN. The panel discussed about the various facets of Start-ups like importance of green element, IT, innovation, networking and cloud funding for Start-ups. The session concluded with the question-answer round with students.

The Chief Guest of the Valedictory Session was Mr. N.K. Chaudhary, Founder, Jaipur Rugs. He shared his entrepreneurial journey with the students. The report on the event was presented by Deeksha Saini, Student, B. Tech- IVth Sem., JKLU and vote of thanks was proposed by the Event Coordinator, Prof. Umesh Gupta.

11. Student Start-up Contest was held on March 15, 2014 after the successful completion of Entrepreneurship Seminar . There were eight participating teams in the Contest. Global Institute of Technology, Kautilya Institute of Technology and Engineering, Vivekanand Institute of Technology, JK Lakshmipat University and a team of Alumni of Vivekanand Institute of Technology were the participating teams. Ramesh Sadani, Student, MBA- IInd Sem., JKLU and Animesh Joshi, alumnus, VIT, were winner and runner up of the Contest respectively.

Nothing in the world is more dangerous than sincere ignorance and conscientious stupidity

- Martin Luther King Jr.

CLUBS AT JKLU

1. **JKLU Fraternity Club (JKLUFC)**: JKLUFC is a social and cultural club that was formed in the year 2011. The objective of this is to have a platform where the active and retired fraternity and their family members can interact and participate in myriad and meaningful activities. The existence of a non-political campus organisation adds value to the university system where involvement of the fraternity and their family members could be restricted to pure entertainment. All round the year JKLUFC organized various activities.

   The club membership is open to the active and retired fraternity of JKLU. This includes only full time membership of the fraternity. Membership is open around the calendar year.

   JKLUFC Executive Committee Members

Chief Patron	:	Vice Chancellor (Prof. Upinder Dhar)
Patron	:	Director, IET (Prof. Anupam Kr. Singh)
		Director, IM (Prof. Swapan Kr. Majumdar)
Treasurer	:	Mr. R. K. Jain
Champion/President	:	Prof. Sandeep Kumar Tomar
Co-Champion/Vice President	:	Prof. Divanshu Jain
Secretary	:	Prof. Chandramohan Singh
Joint Secretary	:	Col. S. K. Manohar
		Mr. Ragesh Bhatt

   Acvtivities Organized by JKLUFC

   i. Birthday Celebrations

   JKLU celebrates the birthdays of its club members at the end of each month. On this occasion, a cake cutting ceremony along with refreshmens is organized for birthdays of the club memberJKLUFC celebrated birthday that falls in the duration after the previous birthday celebration. In this series the club organized birthday parties on April 30, 2014, January 31, 2014 and November 30, 2014.

   ii. Welcoming of new entrants

   JKLUFC organized a welcome ceremonies for new entrants including Director – IM Prof. S. K. Majumdar and Director – IET Prof. Anupam Kumar Singh on November 30, 2013.

   iii. Deepawali Meet

   Fraternity Club of JKLU celebrated Deepawali by invoking the blessings of goddess lakshmi by performing Lakshmi Puja and Prayer on November 9, 2013.

iv. Movie Show and Dinner

JKLUFC organized a movie show followed by lunch on May 18, 2014. The 3-D movie titled 'Godzilla' was shown in Cinepolis, World Trade Park on this occasion. The lunch was arranged at Pind Balluchi Restaurant, Crystal Palm.

v. Farewell Ceremonies

JKLUFC organized Farewell Ceremonies for outgoing faculty and staff members who served JKLU for more than a year on February 6, 2014 and June 24, 2014.

ACADEMIC ACTIVITIES

Research Projects

1. "UK-India SME Innovation Initiates", with University of Wales and financial support of British Council under UKIERI.

2. "Faculty Engagement in Higher Education: Challenges and Opportunities (An Empirical Study with Special Reference to Rajasthan)", a research project assigned to JKLU by the Working Group on Education, State Planning Board, Rajasthan.

Invited Expert Talks

1. A lecture under Extramural Lecture Series was organized by the Institute of Management for the 1st & 3rd semester students of MBA (FT) and MBA (I). The Resource Person on the occasion was Dr.Sachin Bhardwaj, Manager, IDBI Bank Ltd, Personal Banking Group. The theme for the lecture was "Customer Management and its Impact on Profitability". The theme for the lecture was "Customer Management and its Impact on Profitability" Dr. Bhardwaj emphasized that for most organizations understanding customer is the key to success while not understanding them is a recipe for failure. It is so important that the constant drive to satisfy customers is not only a concern for those responsible for carrying out marketing tasks; satisfying customers is a concern of everyone in the entire organization.The coordinator for this event was Prof. Loknath Mishra.

2. A Colloquium Address was delivered by Prof. D.V. Singh, Former Director-IIT Roorkee on October 01, 2013 on the topic "Story of Dynamics: From Isochronism of Swinging Bodies to Multibody Dynamics". The address was well attended by students and faculty members of the University with full enthusiasm.

3. Dr. Laszlo Jozsa, Professor of Marketing, Kautz Gyula Faculty of Economics, Széchenyi István University, Győr, Hungary visited JK Lakshmipat University, Jaipur, India from Nov. 17, 2013 to Dec. 5, 2013 as Adjunct Professor. Dr. Laszlo conducted a session for engineering students on the theme "European Engineering Education System" on November 28, 2013.

4. Dr. Laszlo also acted as an expert speaker in the symposium organized by Indian Society for Training and Development along with JK Lakshmipat University on the theme 'Training and Development: A Hungarian Perspective" on November 29, 2013 and conducted a guest session on "Retail Management: A Global Perspective" of 3 hrs for Poornima University on November 28, 2013.

5. An expert talk was organised by Dept. of Civil Engineering on the topic "Application of Remote Sensing and GIS in Civil Engineering" on March 07, 2014. The lecture covered the case studies of Rajasthan State related to public works, irrigation and infrastructure. The Resource person on this occasion was Er. Kamal Kant Mishra is State Nodal Officer (GIS & IT) & Executive Engineer in Public works department Govt. of Rajasthan.

   Mr. Mishra stated that "Remote Sensing and GIS "are now providing new tools for advanced ecosystem management. He said that the land use/land cover pattern of a region is an outcome of natural and socio-economic factors and their utilization by man in time and space. The terms "land use" and "land cover" are often used simultaneously to describe maps that provide information about the types of features found on the earth's surface and the human activity that is associated with them. Mr. Mishra concluded the lecture by pointing at the use of Remote sensing and GIS to analyze the urban sprawl mapping and detect the changes of urban land use/ land cover, vegetation and irrigation in different cities of Rajasthan. After completion of lecture, Prof. Anupam Kumar Singh (Director IET) proposed the vote of thanks to Er. Kamal Kant Mishra.

6. An interactive session by Prof. Namjae Cho, Hanyang University (South Korea) on "Design Thinking Approach" was arranged on March 11, 2014. All the students of the Institute of Management and ECE and CSE Students of B.Tech Programme attended the session. Dr. Cho in his address talked about applying design thinking approach to solve complex managerial problems. He contended that design thinking approach can lead to innovation and help in creating better future. Through elaborate examples, he shared success stories of the organizations applying the concept and thereby challenging the status-quo through their innovative products and services. He observed that the one that brought advantage to US is not the capability of production, neither manufacturing nor military power, but ability to design the future clearly with confidence. Hon'ble Vice Chancellor, JKLU, Prof. Upinder Dhar presented a memento to Dr. Cho as a token of gratitude and remembrance.

7. An expert talk was organised on April 10, 2014 by Department of Civil Engineering on the topic "Disaster planning , Assessment and Management" with special reference to recent Kedarnath Disaster 2013. the civil engineering students (II Sem,IV Sem & VI Sem) along with some mechanical students have attended his lecture. Formal inauguration of lecture was done by Prof. Anupam Kumar Singh (Director IET) by giving a brief note to the students. Prof. Ghosh has given very informative and knowledgeable lecture on disaster management with reference to recent Kedarnath disaster 2013 in Uttarakhand. Prof. Ghosh brought out few

interventions mainly related to lacuna in early warning/ monitoring, information sharing, etc. and what went wrong and what can be learned from this. Prof. Ghosh informed that although India is known for eminent scientific agencies like IIRS, CBRI, WIHG, our neighbouring country Bhutan takes pride in the deployment of GLOF warning system. Prof. Ghosh stated that NIDM is mandated to do documentation of disasters, which it has started from 2011 onwards and unfortunately as of now most of the data is taken from Google/Wikipedia/CRED or web. He emphasized that data/information/warnings produced by these agencies need to be customized to the level of administrators and common man, who are living in the hazardous area.

8. An Extra Mural Lecture on theme "How much we are safe in RF radiations" was held on April 15, 2014. Dr. Deepak Bhatnagar, Professor, Department of Physics, University of Rajasthan, Jaipur, was the keynote speaker of the session. Hon'ble VC Prof. Upinder Dhar delivered the welcome address and discussed about significant advancements in technology. He also mentioned impact of the technology on the day to day life. Then, keynote speaker, Dr. Deepak Bhatnagar delivered his talk on the theme of the session. His deliberation was emphasized on biological effects of RF-radiations on human body. He conceptually indicated the possible harmful effects of microwave radiations and also cleared the various myths related to it. He concluded his presentation with some suggestions and precautions that should be taken by the people to minimise the harmful effects of these radiations. The queries of students and faculties were well explained by him at the end of his address. Dr. Bhatnagar advised various career opportunities in the field of microwave on request of audience.

   Then, Dr. Anupam K Singh, Director, Institute of Engineering and Technology concluded the session with his views about usefulness and harmful effects of radiations followed by presentation of memento to Dr. Bhatnagar. Prof. Vipin Kumar Jain expressed sincere thanks to speaker Dr. Deepak Bhatnagar for his deliberation and visiting the University Campus.

Academic Forum Activities

The University has established Academic Forum which consists of the faculty members from both of its constituent institutes. The purpose of the Academic Forum is to have an inhouse presentation of any recent research paper by the faculty and subsequent deliberations on the same. Discussions could also be based on any topic of general interest. The main motive is the strengthening of the research culture and exposing the new teachers to the research methodology. Under this series of lectures were planned. Prof. Ashwini Sharma from IM and Prof. Sonal Jain from IET were the co-ordinators The following sessions were held:

1. Prof. Easwar S. Iyer, Professor of Marketing, Isenberg School of Management-UMass Amherst delivered a talk on "Behavioural Economics: Psychology Meets Economics" on February 13, 2014.

2. Dr. S.K. Majumdar, Director, Institute of Management, JK Lakshmipat University, Jaipur delivered a talk

on Soft Systems Methodology: An Exploratory Method of Solving Real-Life Problems on March 20, 2014.

3. Prof. Sanjay Kumar (Associate Professor, IET) delivered his lecture on the topic "Linguistic Improvisations in Indian English Usage" on July 25, 2013. Faculties of IM and IET attended the lecture.

Academic Collaboration

1. Dr. Laszlo Jozsa, Professor of Marketing, Kautz Gyula Faculty of Economics, Széchenyi István University, Győr, Hungary visited JK Lakshmipat University, Jaipur, India from Nov. 17, 2013 to Dec. 5, 2013 as Adjunct Professor. During this period, Dr. Laszlo actively engaged himself in teaching and research activities of the University. Dr. Laszlo conducted sessions for MBA students, PhD scholars and faculty members of the University.

   During his visit, Dr. Laszlo taught the following courses at the University:

   1. Research Methodology for PhD Scholars between November 18-24, 2013 (7 Sessions of 1.5 hrs each)
   2. Market Analysis for PhD Scholars between November 18-24, 2013 (7 Sessions of 1.5 hrs each).
   3. Faculty Development Programme on November 25, 2013 (4 sessions of 1.5 hrs each)
   4. Certificate Course on Marketing Communications for MBA Students from December 2-4, 2013 (12 sessions of 1.5 hrs each)

   The faculty Development Programme was for Faculty members of the Institute of Management on the theme "Advances in Management Research and Practice: New Directions for Research". In addition to above mentioned programme, Dr. Laszlo engaged himself along with faculty members in research workshop on November 26 & 27, 2013.

2. Dr. Daniel D. Gregory and Dr. Ben Baliga from St. Cloud State University visited JKLU on February 10, 2014 and they had an interactive session with the students. Students from both management and engineering streams participated in the event. Aditya Awasthi, student under the MBA(I) programme, introduced the guests to the gathering, and gave a glimpse of the student life at JKLU. Dr. Gregory started his presentation by giving an overall description of the education system in Minnesota. He shared information about the city and its culture and activities. Dr. Baliga apprised the audience with the scope of the Engineering Management programme, especially for the integrated course students. Remarkably, he added, that the integrated Engineering and Management programme that JKLU offers in collaboration with SCSU is a unique arrangement. Hon'ble Vice Chancellor, Prof. Upinder Dhar addressed the students and shared future prospects of harnessing the best from this relationship towards student development. Prof. Amit Jain extended gratitude to the guests on behalf of the University and thanked the students for their active participation.

3. Prof. Namjae Cho, Professor at School of Business, Hanyang University, Seoul, South Korea delivered a session on Sustainable Business and Management Research on March 11, 2014 at JK Lakshmipat University, Jaipur. In his session, Prof. Cho stressed upon the importance of various factors, such as creativity, innovation, hope, desire, goodwill and trust in solving prevalent problems like environmental disorders, health issues, depleting environmental and energy resources, uncertainty, complexity and hyper competitiveness. Prof. Upinder Dhar, Vice Chancellor of JKLU, appreciated the contributions of Dr. Cho and his initiatives for the academic collaboration between JKLU and Hanyang University.

Success is the sum of small efforts, repeated day in and day out

- Robert Collier

CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

1. Dr. (Mrs) Renu Bapna Advisor 1, of AICTE visited JK Lakshmipat University on July 12, 2013. During her visit she visited the Institutes, classrooms, laboratories, LRC and MDC. After the visit there was an interaction with the faculty in the MDC. She told about variour opportunities of AICTE funded projects or programmes available for private Universities.

2. To make the commencement of the new academic session from July 2013 memorable, the seniors organized for their juniors the traditional grand welcome – "The Freshers Bash" on September 4, 2013. The party was based on the theme "Angels and Demons!". The event began with a welcome of all the new members to the JKLU family, for which each fresher had to perform a ramp walk in front of the audience and the panel of experts : Prof. Amit Jain, Prof. Sanjay Kumar and Prof. Lokanath Mishra, who screened them for the crown of Mister and Miss Fresher. The event was marked with a number of remarkable performances. A talent show was held for giving an opportunity to freshers to showcase their talents. Thirteen students participated in this event. The event was also designed to identify the Mister and Miss Talent amongst the freshers. The senior students presented an astounding dance performance, which concluded with raving chants of "once more" from the audience. The winners of the Fresher party were Mr. Fresher – Rajat (MBA), Miss Fresher –Shubhangi (B- Tech) , Mr. Talent-Aman Agarwal (B- Tech), Miss Talent- Priyanka Tailor (B- Tech), Angel of the Year- Gourish Tikku (BBA) and Demon of the Year- Monika Jain (MBA). The prizes were distributed by Dr.Amit Jain and event coordinators Prof. Sheetal Mundra and Prof. Mohd. Shahnawaz Khan. The event was concluded with loud music by the DJ as both seniors and juniors danced towards a beginning of a long fun-filled year. The student coordinators for the event were Kumkum Gupta, Shivam Dixit, Garima Saxena and Mayank Verma.

3. The University celebrated the 67th Independence Day of the country on 15th August, which started with the flag hoisting by Hon'ble Vice Chancellor Prof. Upinder Dhar. The vice chancellor addressed the students and emphasized on the need for educated and alert citizens in today's world. He spoke on the importance of the day and the need to remember the great patriots of our nation to enthuse the youth of today to strive for greatness in their lives. Various activities were performed during cultural event on the day such as patriotic song performance "Rang De Basanti", a video on the freedom fighters and great sons and daughters of India, a skit depicting the prevalent modern form of social evil of dowry system and the need to fight back such injustice, poetry contest on the theme "PATRIOTISM", a quiz competition titled "Hidden Heroes", in which the students were quizzed regarding the lesser known patriots of our nation. The students were also shown a short film on the brave Capt. Vikram Batra who laid down his life while protecting his motherland. The video was followed by a heart-touching song performance on "Khoon Chala" by the upcoming University band 'The Blue Moon'.

Professor Loknath Mishra presented the song "Mein Bharat ka rehne wala hun, mein baat wahin ki sunata hun" followed by a presentation "Because we are Indians". He highlighted the distortion in language while adapting English in our country. He finally ended by praising the nation as a lover in the form of a song "Koi Deewana kehta hai". IM Director, Dr. S. K. Majumdar addressed the students and advised them that freedom is never devoid of responsibility and that the education is the strength of any nation. He mentioned that an uneducated person is a liability to the nation. The Vice Chancellor highlighted the maladies of our nation in his speech. He regarded students as the future of the country and asked them to listen to their "inner conscience" and be morally and ethically sound.

Prof. Santosh Dhar, Prof. Sanjay Kumar, Dr. Rajesh Pujari and Prof. Punam Mishra adjudged Mr. Abhishek Pratap Singh (MBA Ist sem.) as the winner of poetry competition and Shiva Johari (B. Tech, VI Sem.) as 1st Runner up . The winners were given prizes by Vice Chancellor Prof. Upinder Dhar and Director IM, Dr. S.K. Majumdar. The event concluded with the words of thanks by event coordinator, Prof. Sheetal Mundra. Prof. Mohd. Shahnawaz Khan finally asked the students to disperse after roaring the slogan "Jai Hind" to which the gathering responded in unison "Jai Hind".

4. To mark the birthday of Sarvapalli Radhakrishnan on September 5, 2014, the students of JKLU organized a cultural programme to express their gratitude and respect for the teachers. The event began with lighting of the lamp and invoking the blessings of Goddess Saraswati by Hon'ble Vice Chancellor, Prof. Upinder Dhar and Director IM, Dr. S. K. Majumdar. This was followed by an inspired speech on the 'Meaning of Gurus' in the words of Shubhangi (Student, B.Tech I Semester). The students then presented a hilarious yet thought-provoking skit, coordinated by Gourish Tikku (Student, MBA Integrated I Semester), highlighting the misconceptions towards academic scores and pressure it builds on students. The event took a fun turn into the "Mime Dance", where teachers and students alike danced and enjoyed in their own way. It was followed by the first round of card distribution. Each teacher was invited to give a message to the students and the students actively responded and conveyed their gratitude by presenting cards to their respected faculty members. The card distribution took a break as everybody was mesmerized by a poem presented by Yash Jain (Student, B.Tech III Sem). Resuming the card-distribution, the audience was enthused to sing along with Prof. Sanjay Kumar as the veteran revealed his passion in music and sung an Old Rafi melody. A poem was also recited by Himanshu Solanki (Student, MBA- I Semester). The event concluded with profound words of wisdom and blessings by Hon'ble Vice Chancellor, Prof. Upinder Dhar and Director IM, Dr. S. K. Majumdar. The master of ceremony was the student coordinator, Aditya Awasti. The event was coordinated by Prof. Sheetal Mundra and Prof. Mohd. Shahnawaz Khan, who appreciated the efforts of student coordinators Deepak Sharma, Oshonic Sharma, Amit Khushal Gandhi and Aditya Awasti for their sincere efforts.

5. Jaipuria Institute of Management organized a Sports Fest from September 7-8, 2013. Teams from JKLU participated in Badminton (boys and girls), Cyber Game, Kho-Kho and Shot Put Throw showed an appreciable performance in many of the sports events. The teams were accompanied by Prof. Devendra Bhavsar (Sports Committee Member) and Mr. Sharad Vegad (Sports Committee Member) to Jaipuria Institute of Management. JKLU team won kho-kho by defeating BIT Mesra.

6. To recognize the great works done by our hard working engineers each year September 15, 2013 was celebrated as 46th Engineer's Day marking the birthday of Sir Mokshagundam Visvesvarayya, recognizing his contributions in the field of hydro energy in India. The function was presided over by Prof. Upinder Dhar, Vice Chancellor and Prof. Swapan Kumar Majumdar, Director-IM. The function was convened by Er. Jagdish Prasad Sharma. The function started with Saraswati Vandana.The 46th Engineer's day theme 2013 "Frugal Engineering –Achieving More with Fewer Resources" was presented and discussed. Frugal Engineering appears as a Mantra to be adopted in all walks of human activity to retain the world in sustainable form. Frugal engineering will be of great relevance to developing countries, as a flexible approach that perceives resource constraints as a growth opportunity. Prof. Upinder Dhar, Vice Chancellor spoke about Engineer's Day and advised the students to read biography of late Sir M.Visvesvaraya and Prof. Swapan Kumar Majumdar, Director-IM also highlighted the great engineering works done by Sir M. Visvesvaraya and stressed upon self-discipline.

7. On Engineers' day, September 15, 2013, Er.Bhaskar Sharma Head-IBMS, Sofcon India Pvt. Ltd. has conducted the Integrated Building Management System Workshop for B.Tech students of Mechanical Engineering, Chemical Engineering and Civil Engineering and Er. Swami Head-Automation, Sofcon India Pvt. Ltd. conducted the Industrial Automation for B.Tech students of Electrical Engineering, Electronics & Communication Engineering and Computer Science & Engineering at JKLU campus. One hundred and five students participated in IBMS workshop, while seventy six students participated in Automation workshop. This event provided an opportunity to everyone to learn about industrial needs.

8. A workshop in association with Sofcon India Pvt. Ltd (ISO 9001-2008 certified) on "Embedded System" was conducted on September 21, 2013 for the B.Tech students of Electrical Engineering, Electronics & Communication Engineering and Computer Science & Engineering. The workshop was conducted by Er. Ratnaditya, Embedded Engineer, Sofcon India Pvt. Ltd and Er. Jagdish Prasad Sharma of JKLU in IET-Amphitheatre and Linux Laboratory. Ninety students participated in this workshop. The event was organized successfully and left its imprints like flowing water embarks its impression on a pebbled shore. It gave an opportunity to everyone to learn about industrial needs.

9. Praktikum, National Summer Internship Contest was organized at JK Lakshmipat University Jaipur on September 21, 2013 in which 28 students from 16 Management institutes participated. The event was inaugurated by Dr. S.K. Majumdar, Director - Institute of Management, JKLU. The judges were welcomed

by presenting a bouque. The judges for the event in the first panel were Mr. Rohit Verma , Director- Lotus Dairy and founder Chairman, Young Indians, Jaipur Chapter - a part of CII (Confederation of Indian Industry), Mr. Pankaj Saxena, Director- HR at Ericsson India Ltd., Mr. Himanshu Sharma, G.M. Idea Cellular Ltd. and Mr. Rajesh Kumar Malhotra, Regional Head- Sahara India, Jaipur.

10. I3indya Technologies organized a workshop entitled 'Ethical Hacking & Cyber Security' in the University on July 27, 2013. The workshop aimed at protecting the youth from the cyber diseases. The one day workshop was facilitated by Mr. OOPPSS and Mr. Prasshant Masih. The workshop was coordinated by Prof. Divanshu Jain and his team of students, namely Ashok Kumar, Nitin Jain, Saurabh Dhawan, Shiva Johari and Namita Pandey. The event was formally inaugurated by Prof. Sonal Jain and Prof. Divanshu Jain. Mr. OOPPSS took the charge as facilitator and introduced himself and his assistant, Mr. Prasshant Masih. He briefed the gathering about the objective of the workshop and made them aware about the cyber laws. He also strongly emphasized on the usage of genuine softwares and alerted everyone on boycotting the pirated softwares. He then showed the glimpses of number of cases which he had solved during his career and also discussed some of them in detail.

    On a very special demand of students, he taught a tactic of phishing and the total procedure step by step with demonstration. He also picked a student randomly and showed the spectators, how he used to hack the criminal ID's by hacking that student's account but he also remarked that all these things are strictly illegal and are used only for defensive purposes or for terrorists. He concluded his session by throwing light on some more cases and finally one of the most interesting rounds came up, the chocolate quiz. The quiz was

(Convention Patron and VC - JKLU) extended a warm welcome to the delegates and participants. In his address, he emphasized on the relevance and importance of developing human resources if the organizations strive for excellence. He said that mantra for "success" of the organizations lies in three elements – Learning, Skill Upgradation and Desire to develop. ISTD - Jaipur Chapter was introduced by Prof. Santosh Dhar (Chairperson- ISTD Jaipur Chapter and Convention Chair). She shared the information regarding various activities ISTD - Jaipur Chapter has been organizing from time to time. Prof. Swapan Kumar Majumdar (Director, IM, JKLU) introduced the convention theme to the august gathering. He focused on human development as an endless process – thus felt that there will always be requirement of such kind of conventions.

The Keynote Speaker of the Convention was Dr Aquil Busrai (CEO – Aquil Busrai Consulting and Former President, NHRD Network). He threw light on sustainable values that make an organisation to excel. Through the roles and responsibilities of Indian mythological Gods trinity - Brahma, Vishnu and Mahesh - he emphasized on the important role the Organizational Leadership has to play in achieving organizational excellence. The Chief Guest, Dr. Devi Singh (Director, IIM Lucknow), released the Souvenir. In his address, he emphasized on developing the human resources of the organizations, because it is the people and their ideas which make an organisation successful and sustainable. Development of the people is possible also by giving them the challenge and allowing them to conduct experiments and make mistakes. This way only leaders emerge. He further stressed that innovation is the key for development. The inaugural session was anchored by Prof. Amit Jain, Vice-Chairman, ISTD Jaipur Chapter. The inaugural session concluded with Prof. Ashu Sharma, Hony. Secretary – ISTD - Jaipur Chapter and Organizing Secretary of the Convention proposing vote of thanks to the guests and delegates.

Plenary Session – 1 was conducted by Prof. Sheetal Mundra and chaired by Prof. Swapan Kumar Majumdar. The eminent speakers of the session were Shri Pankaj Saxena (Director , HR Ericsson India Ltd.) and Shri Govind Sharma (VP - HRD), Wires and Fabriks S.A. Ltd. Shri Pankaj Saxena focussed on the development of human resource by developing leadership skills. This could be done by setting clear goals and responsibilities, proper communication and involvement, providing feedback and coaching, encouraging new ideas, and ensuring development plan. Shri Govind Sharma explained in a subtle way through 'HRD ki Pathshala' that organizational excellence is delivering sustained superior performance that meets the business goals and which exceeds the expectations of stakeholders. He focussed on five pillars of Organizational Excellence i.e., Process Management, Project Management, Change Management, Knowledge Management and Resource Management.

Plenary Session - 2 was conducted by Prof. Upasana Singh and chaired by Shri Suresh Choudhary (DGP – Home Guards , Rajasthan) and the distinguished speakers for the session were Shri Vinay Hebbar (MD , Harvard Business Publishing, India) and Dr. Saurabh Shekhawat (Art of Living Consultant). Mr. Vinay

Hebbar in his presentation titled "Danger in the Middle – Holistic Development of Managers" discussed various Megatrends which are shaping our future, such as Globalization, Biotechnology and Digital Revolution. The second speaker of the session, Dr. Saurabh Shekhawat - a dentist by profession and Art of Living Consultant identified himself with the youth of the day. Youth want to attain success in life but they should strive to attain it. Pursuing something without passion won't get one anywhere.

The Valedictory Session started with welcoming of the Chief Guest Dr Ashok Bapna (Member- State Planning Board), followed by the report presentation of the Convention by Prof. Punam Mishra. Prof. Swapan Kumar Majumdar (Director - Institute of Management, JKLU) shared his observations and emphasized that human potential is infinite and there is no replacement of thought process. He stated that "Future does not replicate the past". The Chief Guest Dr Ashok Bapna in his address focussed on Time Management and quoted "Do not be a part of crowd, be different and make your own path". The Session ended with concluding remarks by Prof. Upinder Dhar and vote of thanks by Prof. Santosh Dhar . 104 delegates from industry, academia, research scholars and students from different parts of the country attended the Convention.

14. JK Organization organized the 21st Inter-Company Exchange Conference at JK Lakshmipat University, Jaipur on September 13-14, 2013. The theme of the Conference was "Engineering Preparedness to Ensure Sustained Supply of Critical Resources required to Grow in Business". The inauguration of the Conference and lighting of lamp was done by the Chief Guest Smt. Vinita Singhania, Vice Chairperson and MD of JK Lakshmi Cement Ltd. Mr. Naveen Kr. Sharma-Vice President (Projects) of JK Lakshmi Cement Ltd. welcomed all senior professionals and technocrats of JK Lakshmi Cement Ltd., Paharpur Business Centre, JK Tyre, Fenner, Umang Dairy, JK Paper and JK Agri Genetics. Prof. Upinder Dhar, the Vice Chancellor of JK Lakshmipat University, Jaipur emphasized on the importance of engineering preparedness to ensure sustained supply of critical resources required to grow in business.

In her address, the Chief Guest Smt. Vinita Singhania said that "in view of the philosophy of the organization we have been organizing such Conferences for our people to enable them to prepare themselves to meet the future challenges of business". Shri S.K. Wali, Whole Time Director – JK Lakshmi Cement also spoke on this occasion. He congratulated the executives for having travelled long distances for taking advantage of this opportunity. The Director of the Institute of Management of JK Lakshmipat University, Dr. S.K. Majumdar addressed the participants on the concerns due to limited resources and plan to coup up with the situation. Mr. Bipin Agarwal- Director- Sales and Marketing of Paharpur Business Centre, Delhi informed the participants about the importance of the superior Indoor Air quality for Sustainable Development. The inaugural session was summed up by Mr. Dilep Misra, President - Corporate HR - JK Organization.

15. A National HR Summit on "Paradigm Shift in Managing Human Wealth" was organized by JK Lakshmipat University on October 5, 2013. Experts from industry and academia were invited to share their knowledge and experiences and have meaningful deliberations on the theme. The Summit was discussion-based and interactive with management videos and puzzles. Prof. Santosh Dhar delivered the welcome address. In her address, she stated that a maintained human wealth is important. Prof. Upasana Singh, Coordinator of HR Summit, introduced the theme of the Summit to the audience. The keynote address was delivered by Dr. S.K. Majumdar. In his keynote address, Prof. Majumdar tried to explore the HR perspective as an analyst and a strategist and raised several curiosities, such as 'Is it Hope, Hype or Reality'. He asserted that we must change the content & context of HR and "there is no silver bullet for unlocking human potential. Sometimes it requires shock treatment".

In the first plenary session, there were two speakers. Mr Rajeev Mathur, GM-HR, BHEL and Mr. Sanjay Mitra, VP-HR & Global OD Head. The session was chaired by Mr. Munish Bhargava, Director, Corporate Relations and Placements, JKLU. Mr Bhargava stated that Change in Business Environment has led to rise in people's aspirations and HR must focus on forecasting change and deliver as per employee expectations. Mr. Rajeev Mathur, in his deliberation discussed the challenges faced by HRD at BHEL and stressed that collective effort is the driving force to success. Mr. Sanjay Mitra stated that 'change is not only constant but accelerating and complex' and discussed over the practicality of VUCA and Darwinian theory. He Focused on understanding self and preparing self for the future and talked about maintaining balance between objective knowledge and the subjective wisdom.

In second plenary session, the speakers were Col. M. K. Aeri, Head HR, Development Alternatives and Ms. Vani Mehta, Sr. HR, OTIS. The session was chaired by Prof. Santosh Dhar. She stated the importance of people in the organizations and highlighted the need for employing right people at right place at the right time. Col. M. K. Aeri emphasised that human wealth is collective development and not only individual pursuit. He discussed various reasons for shift and the need for managing multi- generations at workplace, such as Generation X,Y and Z. Ms. Vani Mehta introduced the gathering with real-time harsh realities of corporate life. She focused on the necessity of the awareness about the environment and advised the budding managers that ultimate mantra for success is to help each other.

The plenary sessions were followed by the valedictory session. In this session, Mr. Nayan Agarwal, BBA 3rd Semester student presented the brief report of the Summit followed by valedictory address delivered by the Chief Guest, Dr. R.P. Yadav, VC, Rajasthan Technical University. Dr. R.P. Yadav shared his experiences and concerns over the shift in the aspirations of the students in various educational institutions which shall form an important chunk of corporate workforce. He stressed on the importance of greater role

of educational institutions in grooming young minds so that they become the real wealth for business organizations. The Summit came to an end with the vote of thanks proposed by Prof. Upasana Singh, coordinator of National HR Summit.

16. The University organized a small gathering at 6 pm in the Amphitheatre to commemorate the birthday of two legends, Mohandas Karamchand Gandhi and Lal Bahadur Shahstri, for the sacrifices they had made for the country. The programme was organized by Ms. Meghna Jain (B.Tech III Sem), under the guidance of Prof. Mohd. Shahnawaz Khan and Prof. Sheetal Mundra.

17. The programme started by a prayer, "Raghupati Raghav..." which was sung by the audience in entirety with enthusiasm and reverence. The gesture was an offering of gratitude and remembrance to Gandhiji and Shahtriji. This was followed by a speech each from Ms. Shubhangi and Mr. Kshtiz of B.Tech (I Sem), who enlightened the audience about the lives of Shahstriji and Mahatma Gandhi, respectively. The audience applauded their oratory. A fun-filled 4-rounds quiz followed next, which was equally full of learning. This was conducted by Ms. Meghna Jain, B.Tech III Semester, and Mr. Abhishek Sharma, B.Tech I Semester, who also gave out chocolates for the right answers. The quiz was followed by IM Director, Dr. S. K. Majumdar, addressing the students and inspiring them with the concept of "Servant leadership" that both the great men of the occasion practiced. He spoke about simplicity as well as beauty of the mind, rather than the appearance. The event was concluded by the Vote of Thanks presented by Abhishek Sharma.

18. Under the Financial Literacy initiative of Reserve Bank of India (RBI), a batch of forty six MBA and BBA students of the Institute of Management, JK Lakshmipat University, Jaipur along with seven faculty members including the Director – Prof. Swapan Kumar Majumdar visited RBI Jaipur Office on October 15, 2013. The trip was aimed at getting better insight into the functions and working of Reserve Bank of India, the apex regulatory banking authority of India. The visit was co-ordinated by Prof. Kapil Arora and Prof. Lokanath Mishra.

19. The first JKLU Finance Summit 2013 (JFS'13) on the theme "Contemporary issues in Finance" and All India Finance Quiz were organized on October 19, 2013 at the JKLU Campus. The summit was sponsored by Bombay Stock Exchange – Investor's Protection Fund (BSE IPF) through the funding of Rs.50,000/- (Rupees Fifty Thousand). The grant of the sponsorship was communicated by Mr. C. Vasudevan, Senior General Manager, BSE IPF, BSE Ltd., Mumbai. The Summit was organized keeping in view the volatile financial scenario in the country in recent past. The Summit saw some 151 participants toiling throughout the day on various relevant and burning issues facing the nation at present. The experts included representation from Banking Regulator - RBI and Financial Market Regulator – SEBI besides representation from Markets (Bombay Stock Exchange), Foreign Banking (The Royal

Bank of Scotland N.V.), Consultancy (Ernst & Young), Industry (Mahindra World City) and Academia (R.A. Podar Institute of Management, University of Rajasthan and Institute of Management, JK Lakshmipat University). The participants were from various institutions. The Finance Summit was inaugurated by the Chief Guest - Mr. Ashvin Parekh, Managing Partner, Asshvin Parekh Advisory Services, LLP, and Senior Expert – Advisor, Global Financial Services, Ernst & Young Private Limited, Mumbai.

Prof. Upinder Dhar, Hon'ble Vice Chancellor, JKLU, delivered the welcome address. In his address, he stressed the importance of money to the organizations which is like fuel in the engine. He emphasized the necessity of understanding Why, What, and How of financial phenomenon to management students. Prof. Kapil Arora Co-ordinator, JFS'13 briefed the audience about the background of the Summit. Dr. S.K. Majumdar, Director, IM, JKLU addressed the participants of finance summit on "Science and Sociology of Finance". He stated that managing finance is the scientific art and trust/promise is sociology. Chief Guest - Mr. Ashvin Parekh, E&Y P. Ltd. highlighted the policy reforms taking place in Indian financial sector in his address. He remarked that financial deceptions are blessings in disguise which have led to formulations of investor protection policy. The JKLU Finance Club was introduced by Mr. Siddhant Chauhan , MBA 1st Year student and was launched by chief guest Mr. Ashvin Parekh. Prof. Lokanath Mishra, Co-ordinator, JFS'13 proposed the Vote of Thanks.

The first Plenary Session on the theme – "Contemporary Issues in Indian Financial Markets" was Chaired by Dr. Rajesh Kothari, *Professor (Finance), R.A. Podar Institute of Management (RAPIM), University of Rajasthan, Jaipur.* The other panelists on the occasion were Dr. Prabhakar Patil, *Joint Director, Securities Exchange Board of India (SEBI), Mumbai* and Mr. Rajeev Garg, *Deputy General Manager & Head – North Zone, Bombay Stock Exchange Ltd. (BSE), New Delhi.* Dr. Rajesh Kothari, in his inimitable style, pointed out the problems faced by the common investors and the reasons because of which the financial markets are facing a crisis of confidence. Dr. Prabhakar Patil, representing SEBI, the financial markets regulator and who was itching to respond to Dr. Kothari, said that financial market was not a place for the faint hearted and immature people. The investment decisions should be made with prudence after doing a lot of fact finding and proper analysis of the investment vehicle. Mr. Rajeev Garg, representing Asia's oldest Stock Exchange – BSE, in his address supported the contention of Dr. Patil that no regulator can guarantee the returns. If an investor is promised returns, which may seem to be very high compared to those received from well-known investments in the market, then he / she should ponder over it and go for it only after proper background check of the scheme and the Offerer. Mr.

Garg also focused on the current NSEL Scam (circa, September, 2013) and pointed out that the Derivatives Market has taken off a big way in India in the last decade. The plenary session had a question - answer round where the panelists faced queries from the audience. The session was concluded with thanks to the Chair and panelists for sparing their valuable time for the deliberations.

A multi-objective written test was held during lunch time for the selection of five (05) finalist teams from the twenty-one (21) teams who had registered for the All India Finance Quiz to be held later in the evening. The second Plenary Session on the theme – "Contemporary Issues in Banking and Financial Services" was chaired by Dr. N. Subrahmanyam. The other panelists on the occasion were Mr. R. Giridharan, *General Manager, Department of Banking Supervision, Reserve Bank of India, Jaipur Regional office, Jaipur* and Mr. Debashish Dutta, *Vice President & Head, Business Process Control, The Royal Bank of Scotland, N.V. India, Gurgaon.* Mr. Debashish Dutta, representing foreign banks in India, straight-away came to the ills afflicting Indian Banking Industry. According to him, the twin aspects of money laundering and criminal sources of finance highlighted in the national arena through the reported case of Robert Vadra land allotment scam in Gurgaon and terrorist funding of betting ring were causes of deep concern for the finance community. Mr. R. Giridharan, representing RBI, the apex banking regulator in the country, addressed the students amongst the delegates first. He informed them that there were two types of Banks, one which catered to the banking needs of the general public also known as scheduled commercial banks and the other, Central Banks such as RBI, which catered to those very Banks. Dr. Subrahmanyam, in his address, highlighted the points from the panelists' deliberations. His address was followed by the question - answer round where the panelists faced queries from the audience. The session concluded with thanks to the Chair and panelists for sparing their valuable time for the deliberations.

The All India Finance Quiz selection round results were declared in the post-lunch session. Five teams were selected for the Final Quiz session. The teams selected were from Jagan Institute of Management Studies, New Delhi; Institute of Management, JK Lakshmipat University, Jaipur; Faculty of Management Studies, Institute of Rural Management, Jaipur; Department of MBA, School of Commerce and Management, Central University of Rajasthan, Kishangarh; and School of Management, Poornima Group of Colleges, Jaipur. The Quiz Master on the occasion was Prof. Lokanath Mishra, *Co-ordinator, JFS'13.* Four rounds were held after which clear winners and runnersup emerged from the finalists. Mr. Arpit Agarwal and Ms. Nikita Mehta, from *Faculty of*

Management Studies, Institute of Rural Management, Jaipur were declared the Winners and Mr. Aman Jain and Mr. Dilip Kumar from *School of Management, Poornima Group of Colleges, Jaipur* were declared the Runners Up. The Master of Ceremony for the Quiz session was Mr. Dushyant Singh Shekhawat, *MBA 1st Year student* and Rapporteur was Prof. Amit Jain.

The concluding session of the day was scheduled the same day. The Guest Speaker on the occasion was Mr. Sanjay Jain, *Company Secretary and General Manager (Accounts), Mahindra World City, Jaipur*. At the start, the participants were called for their feedback. Subsequently, Dr. N. Subrahmanyam read out the report of the function. It was followed by the observations of Prof. Swapan Kumar Majumdar and the address of the guest speaker, Mr. Sanjay Jain. Mr. Sanjay Jain, in his address, welcomed the organization of such events for creating awareness about finance and strengthening the knowledge base in the youth. He dwelt upon the role of Mahindra Special Economic Zone (SEZ) of which he was a representative in increasing the potential of the region multiple times. The Winners and Runners Up were presented with the Cheques of the Award money by Mr. Sanjay Jain, Prof. Swapan Kumar Majumdar and the two co-ordinators of JFS'13 – Prof. Kapil Arora and Prof. Lokanath Mishra. The session concluded with the Vote of Thanks by Prof. Kapil Arora.

20. The third National Quiz Contest named 'India Intelligence Contest' was organized on October 19, 2013. Prof. Umesh Gupta, Coordinator, 3rd India Intelligent Contest shared the journey of success of the Contest. 1st India Intelligence Contest was held on 11th February, 2012 wherein 26 teams participated and 2nd India Intelligence Contest held on October 5, 2012 witnessed participation of 34 teams comprising the college as well as school students. He said that participation from 47 teams in the 3rd India Intelligence Contest. Prof. Upinder Dhar, Hon'ble Vice Chancellor of the University addressed the participants, wherein he emphasized on the importance of such quiz contests to gauge the intelligence quotient of students. At the end of his address, he formally announced the opening of the Contest. After this announcement, Prof. Chandramohan Singh briefed the contestants about the pattern of the Contest. He also acquainted the participants about the rules and regulations of the quiz.

The quiz was divided into several rounds. After the Preliminary and Qualifier rounds, there were Pre-final and Final rounds. In each of these rounds, students were quizzed on various subjects. Some of the most exciting rounds were Subject Choice Round, Memory Round, Visual Round,

Rapid-Fire Round, Buzzer Round, Do-or-Die Round, India History Round and Identify-and-Discover round.

24. An airshow was organized on November 28, 2013 by the students of JK Lakshmipat University, Jaipur. The purpose of the airshow was to demonstrate the work of the students who were scheduled to participate in Tech Fest 2014 at IIT Bombay. The purpose of the airshow was also to make fellow students of JKLU aware about the same. The aircraft was made by Siddharth Dhakad, Ankur Kumar, Deepak Sharma and Kaustabh Kalla. The airshow was inaugurated by Prof. Upinder Dhar, Vice Chancellor and Dr Anupam K Singh, Director (IET). The suggestions were

given by the later on how to make the aircraft more economically. The aircraft made by Ankur and Siddharth was launched by the Hon'ble Vice Chancellor. The event lasted for twenty minutes and aircraft landed successfully. The whole project of making the aircraft and conducting the airshow was done under the guidance of faculty coordinator, Prof. Rajesh Purohit, Head-ECE. He helped the students to stay motivated and positive.

The students had collaborated with "Zenith Flying" club which was formed in 2011. The flying club helped the students in learning about making aircraft and making it possible. The members of the flying club had also visited the university to morally support the students of JK Lakshmipat University.

25. JKLU teams participated in "Armageddon'13" National Sports Fest of JK Business School, Gurgaon. The teams participated in badminton, volleyball, Table Tennis, chess, carom, shot put and Cyber games. The teams were comprised of 46 students and were accompanied by Prof. Devendra Bhavsar, who guided and motivated them throughout the tournament. JKLU Volleyball team secured runner's up position. Ms. Vanshika Bharadwaj won the badminton tournament girls. The team of Counter Strike gamers bagged the first prize under the captaincy of Anand Singh. In Table Tennis, (Girls singles) Ms. Deeksha Saini won the trophy. In chess competition four students Samyak Jain, Shivam Jaiswal, Harmanpreet Singh and Ashutosh Mishra participated.

26. Monthly meeting of ISTD, was held on January 14, 2014 at JKLU, Jaipur. 22 participants including ISTD members, non members, faculty members and students attended the meeting. The formal meeting was preceeded by a symposium on the theme "Recent Trends in Education and Training - An International Perspective" delivered by Dr. Easwar S.Iyer, Professor and Head of Marketing of University of Massachusetts, USA. The programme focussed on recent trends in Education and training and latest developments in the area in US. The programme was organised by ISTD, Jaipur Chapter in collaboration with JKLU, Jaipur.

27. 2nd Robotics Workshop "Robo-Lumina" held on January 18 -19, 2014 at JKLU campus. Director-IET Prof. Anpuam Kr. Singh delivered the welcome address. He not only emphasized on students' involvement in such type of practical and research oriented activities but also focused on the result-oriented contribution of faculty members as well as students towards the advancement of society. Hon'ble VC Prof. Upinder Dhar, Chief Guest of the Workshop emphasized that students should be goal-oriented and focused on the practical as well as technical applications to be

delivered by the invited expert in various technical sessions. He declared the 'Two day Workshop' open.

Prof. Kapender Phogat introduced to the participants different activities to be covered during two days and the possible takeaways in advanced level workshop "Robo-Lumina". Mr. Pranjal Srivastava started the workshop with the introduction to robotics and robots. He classified the robots on the basis of utilization as Service Robots and Industrial Robots. He also classified the robots as Manual Robots and Autonomous Robots. The students were also taught about the new and the latest upcoming technology in robotics, chassis design, introduction to embedded systems, microcontrollers and microprocessors. Practical programming was demonstrated on microcontroller using the software ARDUINO. Many programmes on ARDUINO were made to understand how LED, Buzzers and LED pattern generation work.

The second day students were told about how to design their robotic cars. He also gave introduction to sensors and motors which are used to assemble different kinds of robot. He demonstrated different sensors to explain that how to use various shields provided to them e.g., motor shield IR sensor. "Seven Segment Display" was also introduced to students. Programming part was explained in detail, as how to program the seven segment display to interface 7 – segment shield with Arduino. Students were allowed to make their line follower robot for the competition. Competition amongst eight registered teams took place and time was recorded for each team to complete their task. In the end, two top teams were selected for final competition at IIT Bombay on March 8-9, 2014. The Workshop Coordinator Er. Kapender Phogat concluded with the vote of thanks and he also congratulated the winner teams, who earned an opportunity to participate in the Grand Finale "AAKAAR'14 at IIT Bombay" on March 8-9, 2014.

28. A Round Table Conference was organized on the theme at JK Lakshmipat University, Jaipur on January 20, 2014. The Round Table was attended by 37 Deans & Directors of various B-Schools including their nominees and some faculty members. Prof. Upinder Dhar, Regional Vice President (North) and Vice Chancellor JK Lakshmipat University, Jaipur delivered the welcome address. In his address, he raised concerns on the Notification from UGC and the Supreme Court judgments in the said context. Dr. Apoorva Palkar President, AIMS, Dr. D.Y. Patil, the immediate past president of AIMS, Dr. H. Chaturvedi, Director BIMTECH, Greater Noida, Dr. Ashok Bapna, Advisor IILM and Member – State Planning Board, Govt. of Rajasthan, Dr. Prabhat Pankaj, Director, JIM, Jaipur and Mr. Amit Agnihotri, Chairman, MBAUniverse.com, Noida addressed the conference.

Dr. Rakesh Khurana, Former Pro VC-IGNOU and Chairman Knowledge Network India, Gurgaon, Prof. Swapan Kumar Majumdar, Director, Institute of Management, JK Lakshmipat University, Jaipur, Prof. Rajesh Kothari, University of Rajasthan, Jaipur, Prof. Prabir Pal, past President of AIMS, Prof. H.K. Maram, Regional Vice President (South), Prof. Ajit Singh, Regional Vice President (West) and Prof. S. Sarkar, member of the Executive Board of AIMS also put their opinion during an open discussion in the conferene.

29. An Industrial visit to JK Lakshmi Cement, Sirohi was organised on January 22, 2014 by the university for Civil and Mechanical Engineering students. There were 46 students (Mechanical Engg.IVSem and Civil Engg. IV Sem).

30. JK Lakshmipat University organized a programme to commemorate the birth anniversary of Netaji Subhash Chandra Bose on January 23, 2014. All the faculty, Staff and student fraternity of JKLU participated in the event. The event had two major parts. The first half of the event hosted a panel discussion in the IM Amphitheatre on the topic "Value Based Politics has no Place in Indian Political Scenario." Prof. Sanjay Kumar and Prof. R.K. Agrawal were faculty representatives in the panel. The discussion commenced with panelists sharing their views and countered by disagreements. Later, the discussion was opened to the audience as well. Director IM, Dr. S. K. Majumdar and Director IET, Prof. Anupam Kumar Singh provided new insights to the discussion. Hon'ble Vice Chancellor, JKLU, Prof. Upinder Dhar addressed the gathering by sharing his valuable thoughts on the topic. For the second half of the event, all the participants gathered in the central lawn for the Candle Lighting Ceremony. Everyone lit candles as a tribute to Netaji with pride in their hearts and respect for his contributions.

31. A "Career Guidance Seminar" was conducted on the theme "Developing Self and Shaping Career "on January 24, 2014 at Vallabh Vidya Nagar, District Anand, Gujarat by JK Lakshmipat University in association with Junior Chamber International (JCI). Prof. Amit Jain, on behalf of JK Lakshmipat University, facilitated the organizers as career expert for the seminar. The programme witnessed participation of 200 students pursuing Graduation. The Seminar was attended by the office bearers of JCI VV Nagar, JCI Members, Faculty and Students from various institutes. Prof. Amit Jain of JK Lakshmipat University and Dr. Raju Rathod of JCI VV Nagar addressed the gathering and their deliberations were found to be highly educative and informative by the students attending the seminar. A Booklet containing 60 pages was also provided to interested participants and teachers attending the seminar. After the presentation, queries raised by students regarding their career were taken up for discussion during the interactive session. Prof. Amit Jain guided students with possible solutions for their specific queries. One-to-one interaction with the experts post-seminar helped to satisfy the specific queries related to career choices.

32. JK Lakshmipat University celebrated the Nation's 65th Republic Day on January 26, 2014. The day started with flag hoisting and speech by Vice Chancellor- JKLU, Prof. Upinder Dhar on the importance of Republic Day. He remembered the patriotic martyrs of our nation. Director IM, Prof. Swapan Kumar Majumdar, Director IET, Prof. Anupam Kumar Singh, faculty members, their family members and students congregated to celebrate the day. Patriotic fervor was evident through performances made by the students, staff and family members. Mr. Prashant Dixit, B. Tech 1st year student, briefed about the history of formation of Indian Constitution. A group of students portrayed themselves as Dr. Bhimrao Ramji Ambedkar, Sardar Vallabh Bhai Patel, Moulana Abul Kalam Azad, Pandit Jawahar Lal Nehru respectively, who were in forefront of our freedom struggle. The students showcased the principles and vision of these great leaders before the audience.

    A group of students presented a dance performance on the song 'Vande Mataram', after which the students, kids and the faculty members voiced their emotions on the prestigious occasion. The event outstood when Abhishek Pratab Singh, the student of MBA 1st year (delivered a patriotic speech) expressed his feelings of patriotism in his speech. Many other students and faculty members and their family members also came forward and shared their patriotic views and remembered martyrs and heroes, who had shown courage and bravery for the country's sake without bothering about their own lives.

33. JK Lakshmipat University invited the Global HR team of Ericsson India Pvt. Ltd. to visit the University on January 30, 2014 and have a face to face interaction with the students. The team was comprised Ms. Birgitta Burman - Head HR&O for BNET supply, Mr. Daniel Sundelius - Site Head, Ericsson Supply Site, Jaipur as well as Mr. Pankaj Saxena – Head, Human Resources, Ericsson India Pvt. Ltd. Aditya Awasthi, student, MBA(I), gave a brief presentation on the student life at the University. Ms. Burman expressed her appreciation about the campus and the students and shared the memories of her time in school and college. She was optimistic towards exploring the opportunities ahead of learning together. Mr. Sundelius followed her optimism and invited students to visit the Jaipur plant. He discussed about the scope of internships at the organization. Mr. Saxena talked about the potential as well as the prospects of the students. He suggested that JKLU and Ericsson need to enter into a symbiotic relationship. Director - IM, Dr. S.K. Majumdar addressed the gathering and pitched the strengths of the students to the guests. Prof. Amit Jain proposed the vote of thanks, and appreciated the team members from Ericsson for their interest and presence.

34. Industrial visit to Anil Special Steel Industries Limited, Jaipur was organized on Feburary 01, 2014. Industrial visit was organized to provide real exposure to B.Tech Electrical Engineering students about knowledge of gang sliding process, annealing process, induction heating and packing process. This visit was carried out under the guidance of Er.Vikas Kumar, Senior Manager and Er.C.S. Hada, Assistant Manager.

35. A "Career Guidance Seminar" was conducted on February 01, 2014 at Sujangarh, Dist. Churu, Rajasthan on the theme "Career Preference Profile for Success in Life" by JK Lakshmipat University in association with Maheshwari Sewa Trust (Maheshwari Mahila Sangathan and Maheshwari Yuva Sangathan) as organizing partner. The Team of JK Lakshmipat University was invited to make the presentation and educate the students for various career openings. The programme witnessed participation of more than 300 students of class XI.

The Seminar was chaired by Prof. Upinder Dhar, Vice Chancellor of the University and Co-Chaired by Dr. A.K. Jain, President, JK Sugar and Dr. Anupam Singh, Director, IET. Dr. Dhar in his address highlighted the importance of making right career choices. Prof. Amit Jain and Prof. Vipin Jain addressed the gathering and their deliberations were highly educative and informative for students attending the seminar. In addition to providing information to students regarding various career opportunities, the Career Preference Record (CPR) was administered on the students attending the seminar. Through CPR, the students got to know about their preferred career options and were guided accordingly to prepare for achievement of their career goals. The CPR provided relative career preference amongst 10 different career options viz., Mass Media and Journalism, Artistic and Designing, Science and Technology, Agriculture, Defence, Tourism and Hospitality, Medicine, Commerce and Management, Law and Order, and Education. Dr. Anupam Singh shared his experience of Technology Education and guided students with possible solutions for their specific queries. Most active participants amongst the students were awarded prizes. Dr. A. K. Jain expressed his satisfaction on good response by the students. The seminar ended with vote of thanks by the organizers, who requested the JKLU Team to visit the town again. Prof. Upinder Dhar, Vice Chancellor, JK Lakshmipat University extended invitation to participating students and their teachers to visit JKLU campus in April/May 2014.

36. A one day seminar on "How to Crack Engineering Entrance Exam..." was organized at JKLU campus on February 18, 2014. The seminar was attended by 200 students of XI & XII standard from various schools of Jaipur city and surrounding area. Dr. Anupam K. Singh, Director-IET delivered a welcome address. Prof. Singh in his address talked about right exposure of future builders of modern India and also about huge employment potential for engineering. Prof. Sandeep Sancheti, President of Manipal University, Jaipur graced the seminar as chief guest. Dr. Sancheti delivered a humorous set of words which allured each and every person sitting in the amphitheatre.

There were four sessions in the seminar related to chemistry, physics, mathematics and time management. Prof. C. V. Kalyan, the co-founder and Director FIIT-JEE, Jaipur eloquently gave a clear insight of the human life and role of such competitive examinations, such as JEE. His message to students was "chase excellence and success will be chasing you." Prof. A.K. Sharma, Head-Department of Mathematics at DPS Jaipur, enlightened the students by showing a presentation on Problem Solving strategies in mathematics.

Prof. Sharma also highlighted the importance of NCERT Books as they are very important to get a crystal clear vision of Basic concepts. Prof. Avinash Yadav, Director F3 academy-Jaipur explained the importance of unique problem solving technique and the 4 C's namely Conceptualize, Classify, Compute and Categorize. Finally in the 4th session, Col. A.K. Singh, Registrar-BNITM Jaipur enriched the students with his presentation on "How To Get Success".

Prof. Gireesh Kumar Kaushik presented report on the day long activities. Dr. Anupam K. Singh, Director-IET delivered the valedictory address and wished all the best to the participants for their future. Prof. Richa Sharma proposed the vote of thanks while expressing gratitude to all the dignitaries, faculty colleagues, student coordinators as volunteers and the participants who contributed in making the event successful.

37. A Certificate course on "Analytical techniques in Behavioral and Global Marketing" was conducted by Dr. Easwar Iyer from Isenberg School of Business, University of Massachusetts, USA on February 26 and March 3, 2014 for All IM Students (MBA and MBAI). The two-day workshop included topics on qualitative and quantitative analytical techniques, behavioral marketing principles, globalization, and competitive strategies. The pedagogy for the course included case studies, group discussion and project assignment in addition to informative lectures by the programme facilitator. 20 Students successfully completed the course and were awarded certificates. The programme was coordinated by Prof. Amit Jain, Chairperson MBA (FT).

38. Third National sports meet titled "SPARDHA" was organized on February 28 to March 2, 2014 at University campus. The event was coordinated by Prof. Devendra Bhavsar along with student Sports Coordinator Abhishek Singh. The main sponsors of the fiesta were Wonder Cement & JK Group. The University received overwhelming response from around 50 institutions of Rajasthan, Uttar Pradesh, Madhya Pradesh and Haryana with participation of about 600 students. Institutions such as LNMIIT, MUJ, SKIT, VIT, JECRC, DRIT, JIT and Ansal University were the highlights with a dominating participation. A total of 16 games and sports were held, namely, Table Tennis, Chess, Carom, Basketball, Volleyball, Kabaddi, Football, Box Cricket, 3-A Basketball, 3-A Volleyball, LAN Gaming, Badminton, Cricket, Shot Put, Long Jump and 100 m Race. This event included:

S. No.	Activity	Winners	Runners-up
1	Chess	Sumit Kumar LNMIIT	Avinash Manipal University
2	Carom (Singles)	Ashutosh W. Comp com	Shubham Sharma JK Lakshmipat University
3	Carom (Doubles)	Prashant & Manpreet JK Lakshmipat University	Anish Sharma & Chirag JK Lakshmipat University

4	Table Tennis (Boys Single)	Kunal St. Xavier's, Jaipur	Bhavya Sharma Vivekanand Institute of Technology
5	Table Tennis (Girls Single)	Nikita Malik MNIT	Apoorva Kedia JK Lakshmipat University
6	Table Tennis (Boys Double)	Kunal and Ashish St. Xavier's, Jaipur	Nichit B. Goel and Kshitiz Kedia JK Lakshmipat University
7	Table Tennis (Girls Double)	Nikita and Neha MNIT	Apoorva Kedia and Deeksha Saini, JK Lakshmipat University
8	Table Tennis (Mixed Double)	Nikita and Maulik MNIT	Karan and Tanya Manipal University
9	Table Tennis (Team Event)	Vivekanada Institute of Technology	JK Lakshmipat University
10	3-A Volleyball	Devendra, Manpreet and Satyajeet, JK Lakshmipat University	--
11	Volleyball (Boys)	Vitender Pal Singh and Team Vivekanada Inst. of Technology	Anshul Ruhela and Team Ansal University
12	Volleyball (Girls)	Amity University	Vivekanada Inst. of Technology
13	Basketball (Boys)	SKIT	JK Lakshmipal University
14	Basketball (Girls)	Manipal University	JECRC
15	Football	Varun Singh and team Suresh Gyan Vihar University	Rakesh and Team JEC
16	Badminton (Team event)	Rajat and team Amity University	Prashant and team Vivekanada Inst. of Technology
17	Shot Put (Boys)	Arpit JECRC	Yuvraj SKIT
18	Shot Put (Girls)	Arohi JECRC	Vanshika JK Lakshmipat University
19	Long Jump (Boys)	Amar Singh Anand Engg. College	Yogesh Sewde Balaji Engg. College
20	Long Jump (Girls)	Apoorva Amity University	Anmol JECRC

21	Kabbadi	Rakesh Kumar and Team JKLU	Chandra Prakash and team JK Lakshmipat University
22	100M Race (Boys)	Amar Singh Anand Engg. College	Yogesh Sewde Balaji Engg. College
23	100M Race (Girls)	Apoorva Amity University	Ritika JECRC
24	Counter Strike	Arjit Pradhan & team Manipal University	Anand Singh and team JK Lakshmipat University
25	Need For Speed (NFS)	Bhavesh Hotchandani JK Lakshmipat University	Shashank Mathur JK Lakshmipat University

After a three-day long grueling competition, the sports meet came to an end and prizes were distributed in the Valedictory session. Attractive trophies and Cash prizes besides certificates were awarded to all the winners and runners-up by Hon'ble Vice Chancellor, Prof. Upinder Dhar and faculty members of the University in the Valedictory Session. All other participants were given participation certificates. The 3-day long sporting event ended with the concluding remarks of the Vice Chancellor.

39. First Workshop on "Automobile Designing using Reverse Engineering" was held during March 03 - 05, 2014. Director-IET Prof. Anupam Kr. Singh delivered the welcome address. He not only emphasized on students' involvement in such type of practical and research oriented activities but also focused on the learning outcomes based teaching. Director-IM Dr. S. K. Majumdar delivered the motivational address to the gathering. He focused on Cornerstones of Success and gave the definition to RE. He said that this workshop will provide the enough thoughts and hands on practices to the participants in the Automobile domain. Hon'ble VC Prof. Upinder Dhar, Chief Guest of the Workshop emphasized that such type of workshop provides the platform to add-on the technical knowledge and hands on practice besides the class room knowledge and Labourites practices. At last he declared the "Three days' Workshop" open. The HoD of Mechanical Engineering Department Prof. R. K. Agarwal introduced the invited experts to the gathering by reading their profiles then Prof. Kapender Phogat introduced to the participants different activities to be covered during three days' Workshop and the possible takeaways in Automobile Designing using Reverse Engineering workshop. He highlighted the reasons for need of Reverse Engineering. Vote of thanks was proposed by Prof. Mohneesh Sharma.

In the first session, Mr. Advitiya of APM technologies talked about the basics of 3D scanning, 3D inspection, 2D inspection & Reverse Engineering. Further he discussed about the digital manufacturing

process chain. Mr. Vivekanand of APM technologies had shown the practical aspect of 3D scanning & 3D inspection wherein he asked students to do scanning by them so that they can be aware by this new technology. Parts like transmission case casting & sheet metal parts were scanned by students live. In three days workshop, various concepts along with demonstration was covered by the experts.

On the last day, Mr. Yojit Bhugra & Mr. Prateek started with the basics of automobiles. Mr. Yojit Bhugra shown vedio clips of different automobiles parts to the participant students. Mr. Saurbh Gupta evaluated all the knowledge of participants through a written test of one hour duration. In the end, top twenty participants were selected for final competition in the Grand Finale "COMPT'14 at IIT BHU" on April 06, 2014.

In valedictory session, the Workshop Coordinator Er. Kapender Phogat proposed the vote of thanks. He congratulated the participants, who were selected for participation in the Grand Finale "COMPT'14 at IIT BHU" on April 06, 2014.

40. Institute of Management, JK Lakshmipat University organized the marketing summit on the theme "Green Marketing: Business Perspective on Environment Protection and Sustainable Growth" on March 22, 2014. The event was inaugurated by the Chief Guest Mr. Avinash Gandhi, Non-Executive Chairman, FAG Bearings, Hon'ble Vice Chancellor- Prof. Upinder Dhar, Director IM - Dr. S. K. Majumdar, Director IET - Prof. Anupam Kumar Singh, and all the dignitaries present on the occasion. The theme of the summit was introduced by Prof. Amit Jain. Prof. Upinder Dhar - Vice Chancellor - JK Lakshmipat University extended the warm welcome to the delegates and participants. He shared his views on the theme. Esteemed Chief Guest Mr. Avinash Gandhi - Non Executive Chairman of FAG Bearings emphasized on Consumer Market. He focused on the interrelationship among Sustainability, Green Marketing and Development. Nayan Agarwal, a student MBA Integrated introduced the "Marketing Club" to the audience and shared basic objective of the club. The JKLU-Marketing Club was launched by the Chief Guest by releasing the charter of the club. Vote of thanks for the inaugural ceremony was proposed by Prof. Punam Mishra.

In the plenary session-I, distinguished speakers were Mr. Pooran Chandra Pandey, Executive Director, UN Global Compact Network India, and Mr. Pranesh Sridharan, Business Director, DSM Sinochem Pharmaceuticals Ltd. The Plenary Session -I was chaired by Prof. Santosh Dhar. In her welcome remarks, Prof. Santosh Dhar said that to bring effectiveness and efficiency in the organization the consumer sensitivity towards environment protection is also required along with the green marketing practices of the organization. Mr. Pooran Chandra Pandey asserted that Economy is playing a significant role in green area. The Academicians and Universities should take lead role in creating awareness in this field. Mr. Pranesh Sridharan shared his thoughts on 'Sustainable Branding and Communication Competitiveness'. He emphasised that we should breathe sustainability day in and day out and in this competitive era sustainability is a core value and a guiding principle for everyone.

Plenary Session -II was chaired by Prof. Amit Jain. Eminent speakers for the plenary session –II were Dr. Shailendra Chouksey, Wholetime Director, JK Lakshmi Cement and Dr. S.K. Majumdar, Director IM, JK Lakshmipat University. Dr. Shailendra Chouksey talked about the concept and importance of green marketing. He explained the success and failure factors of the green marketing. He also talked about the Green initiatives taken by the JK Companies like JK Tyre Plants which are "Zero Discharge Plants" and are made with the use of renewable sources of energy. Dr. S.K. Majumdar emphasised that green is the environmentally friendly way of living and doing business. The Guest of Honor for the concluding session, Mr. Kushagra Juneja, Managing Partner, Design to Occupancy emphasized that innovation is the key to sustainability. Prof. Upinder Dhar, Hon'ble Vice Chancellor, JKLU awarded prizes for active participation to the delegates. Prof. Amit Jain proposed the vote of thanks for the event and acknowledged the active participation of faculty, students, guests from industry and academia. The event was coordinated by Prof. Amit Jain and Prof. Punam Mishra, which had 94 participants from various Institutions.

41. The Second Management Conclave on "Harnessing Potential of Youth: Challenges and Opportunities" was organized by JK Lakshmipat University on March 29, 2014, in association with NHRDN (National Human Resource Development Network, Jaipur Chapter), NEN (National Entrepreneurship Network), ISTD (Indian Society for Training and Development, Jaipur Chapter) and CSBE (Council for Small Business and Entrepreneurship).

    Prof. Upinder Dhar, VC, JKLU, delivered the welcome address. In his address, he stated that the importance of human capital and the challenges which organizations face in attracting and retaining talent. Prof. Upasana Singh, Coordinator of Management Conclave, introduced the theme of the Conclave to the audience. The Chief Guest of inaugural session Dr. M.B. Athreya, Management Advisor, Athreya Management Systems, in his address, explained the mission of young Indian managers to effectively utilize existing and new management knowledge to help raise effectiveness of Indian business, social and governmental organizations from bottom up with strong ownership. The inaugural session came to an end with the vote of thanks proposed by Prof. Santosh Dhar, Professor, IM, JKLU.

    In the first plenary session, there were three speakers. Mr. Prabhakar Patil , Joint Director, SEBI; Mr. Rajiv Chawla, Director, National Small Industries Corporation Ltd.; and Mr. Prateem Tamboli, Director Fortis Escorts. The session was chaired by Dr. S.K. Majumdar, Director, IM, JKLU. Dr. Majumdar started by introducing human lifecycle, and emerging adulthood that is ready to work. Mr. Prabhakar Patil, talked about the financial opportunities in the Indian Economy, especially in the sector of insurance, mutual funds and banking. Mr. Rajiv Chawla narrated a story of eagle as a metaphor and emphasized on the need for change and transform for long-term sustainability. Mr. Prateem Tamboli focused on three laws of global integration – economics, expertise and openness.

In second plenary session, the speakers were Dr. Prabhat Pankaj, Director, Jaipuria Institute of Management; Mr. Puneet Tiwari, GM- ER, Ultra Tech Cement; and Ms. Kalpana Sinha, Network Manager, NEN. The session was chaired by Prof. Anupam Kumar Singh, Director IET, JKLU. Dr. Prabhat Pankaj deliberated that new engine of growth and creative economy is youth driven, therefore the Indian students need to own the responsibility for learning and should be less dependent on teachers. Mr Puneet Tiwari emphasized on the characteristics of youth and challenges at national Level in skilling them. Ms Kalpana Sinha spoke about the significance of entrepreneurship in youth development.

The plenary sessions were followed by the valedictory session. The speakers were Mr. Manab Roy, AVP Anibrain and Ms. Kavita Choudhary, Design Director, Jaipur Rugs. Mr. Manab Roy talked on managing successful career-2025 and stressed upon the need for embracing change and upgrading skills as per need of the hour. Ms Kavita Choudhary shared her perspective of employability by citing examples from Jaipur Rugs. Abhishekh Pratap Singh, a student of MBA IInd semester presented a brief report of the Management Conclave followed by valedictory address delivered by the Chief Guest, Mr. K.L. Jain, Hony. Secretary, Rajasthan Chamber of Commerce. Mr. K. L. Jain shared his experiences and good practices which young generation should follow. He stressed on the importance of values, respect for seniors and sense of responsibility in growth and success of youth. The Conclave came to an end with the vote of thanks proposed by the conclave coordinator Prof. Upasana Singh. The Conclave had participation of students from the host and other institutions.

42. A Session on "Innovation As a Tool to Enhance Productivity" was conducted by Dr. Yuosre Badir, Asian Institute of Technology (AIT), Bangkok at JK Lakshmipat University on February 17, 2014. The session was organized by Rajasthan State Productivity Council as a part of Productivity Week celebrations in association with ISTD Jaipur Chapter. The venue courtesy was extended by JK Lakshmipat University for the session. Mr. V K Sharma, Hon. Secretary from Rajasthan State Productivity Council greeted Prof. Upinder Dhar, Vice Chancellor, JKLU. Mr H L Chauhan, Hon. Advisor, RSPC extended a floral welcome to the speaker for the session. The team from RSPC Shri U C Jain, Hon. Secretary General, RSPC, Mr V K Sharma, Mr H L Chauhan and Mr C B Bairathi were welcomed by the JKLU faculty members. Dr. Dhar delivered the welcome address. Mr V K Sharma from RSPC introduced RSPC and Productivity week to the audience. Dr Yuosre Badir, speaker for the occasion, in his deliberation talked about the importance of management of innovation in improving productivity of the organizations. Shri U C Jain, Hon. Secretary General, RSPC also emphasized on the importance of such activities and thanked the organizers for the arrangements. Prof. Ashu Sharma, Hon. Secretary, ISTD Jaipur chapter proposed the vote of thanks. Thirty-One RSPC, ISTD and JKLU members attended the programme, which included the management students of the University.

43. JK Lakshmipat University invited the Professor of international repute and from Amity University Campus, Noida to visit the University on April 5, 2014, and have a face to face interaction with the students. The team was comprised Prof. Dr David Mark Leifer; formerly Director at University of Sydney, Australia, Prof Keith McKinnell; University of Melbourne, Australia and Prof Dr Anil Kashyap, School of Built-Environment, Ulster University Ireland; currently program Director RICS School of Built Environment at Amity University Campus, Noida. Prof. Ramkumar Agrawal, Assistant Professor, IET and HOD Mechanical Engineering, coordinated the visit.

The guests interacted with Director-IET and Vice-Chancellor and discussed about the plan and strategy related to future development of JKLU, which includes the courses combining Management and Engineering stream. Prof. Dr David Mark Leifer was optimistic towards exploring the opportunities ahead of learning together. The delegates interacted with IET faculty members. They also interacted with the students of civil and mechanical engineering. Prof. Dr David Mark Leifer was welcomed with a warm applause to the podium. He expressed his appreciation about the campus and the faculties and shared the knowledge on the topic "Building Services" with the audience. He invited the students to visit University of Sydney, Australia and do a project together.

Prof Dr Anil Kashyap, shared knowledge on the topic "Energy and sustainable construction". Prof Keith McKinnell followed his optimism and shared knowledge on the topic "Real Estate". In line Director-IET Prof Dr. Anupam K Singh shared knowledge with the audience about "Designing energy efficient buildings in India". He also addressed the gathering and pitched the strengths of the students to the guests. He thanked the guests for their time and concern and assured that their relationship with JK Lakshmipat University shall be mutually rewarding. Prof. Ramkumar Agrawal proposed the vote of thanks, and appreciated the guest members for their new ideas, interest and presence.

44. The junior student batch, JKLU organized a farewell programme on May 09, 2014 at the University for the outgoing batch of MBA and M.Tech students. They invited the latter to celebrate the time spent together, relive the memories and bid adieu for a new and exciting chapter in their lives.

The faculty and students welcomed the students of outgoing batch with applause and cheers. Abhishek Chakravarty (B.Tech 2nd Year) started the event with a jubilant song. The first segment was introduced by the juniors, where they "inducted" the seniors into the JKLU Dictionary, giving meanings to their names that match their personalities. The seniors enjoyed the segment thoroughly, as the words mirrored themselves aptly with good humour. This was followed by a dance performance by Devesh Yadav (B.Tech 2nd Year), which raised the energy levels in the hall. For the next segment, Aditya Awasthi (MBA-I 2nd year) invited the seniors to a rapid fire session on the couch, grilling them with hilarious questions. This

was followed by the concluding segment, wherein the audience gave their messages to the senior with slow music playing in the background. At the end Hon'able Vice Chancellor, JKLU, Prof. Upinder Dhar; Respected Directors IM, Prof. Swapan Kumar Majumdar and Respected Director IET, Prof. Anupam Kumar Singh conveyed their blessings to the outgoing batch. The programme was followed by dinner with smiles and laughter accompanying the delicious food. The event was coordinated by Prof. Sheetal Mundra.

45. Institute of Engineering and Technology organized an Industrial visit for the students on May 12, 2014. The students and Faculty coordinators visited Parle G at Nimrana on this tour. The main thrust of this visit was to expose the students to different functions of an organization. Prof. Devendra Bhavsar discussed the objective and entire process of the visit. Ms. Shweta Sharma, Officer-HR explained the process of biscuit Making and Automation in the Parle Industry. This Industrial visit was coordinated by Prof. Devendra Bhavsar, Prof. Rajesh Purohit and Prof. Vinod Kumar Vishwakarma.

46. JK Organization organized two days Inter Company IT Conference-2014 at JK Lakshmipat University, Jaipur. The theme of conference was "Leveraging Mobility to Derive Business Benefits". The Conference was inaugurated with the lighting of Lamp and Saraswati Vandana by the Chief Guest Shri Harshpati Singhania, Shri Vikrampati Singhania, Shrivats Singhania, Dilip Mishra and Prof. Upinder Dhar.

    In his inaugural address, Shri Harshpati Singhania welcomed all senior delegates and IT professionals. He said that technology is the enabler to achieve business objectives and we can do better business with technology. He described that how we can connect with rural India as well as young India. He emphasized that more participation of women in IT sector should be encouraged.

    In his keynote address, Shri Vikrampati Singhania said that IT should understand business, customers and consumers to give business solutions for achieving measurable business objectives. Mohit Pandey, Country Manager, Google stressed on enabling business through IT and Rajesh Uppal, CIO, Maruti shared the Maruti experience of achieving manufacturing excellence through IT. Senior executives of Oracle, IBM and SAP also discussed the subject at length. All delegates and IT professionals of IT Departments of JK Group companies participated in this Conference.

SOCIAL ACTIVITIES

1. As a drive towards Green Environment, plantation of saplings at the JK Lakshmipat University Campus was organized on July 14, 2013 by JK Lakshmipat University (JKLU) in association with Lions Club Jaipur Rajdhani. On this occasion, Lions Club President Lion Jagdish Goyal, District Secretary Lion K.C. Bhandari and Mjf Lion (Past President) P.D. Kanojia were present. Prof. Divanshu Jain & Prof. Upasana Singh coordinated the activity.

2. The Community Development Committee conducted "Nurturing Nature" on August 05, 2013. The

activity involved plantation of 85 saplings in the campus. The activity was inaugurated by the Hon'ble Vice Chancellor, Prof. Upinder Dhar by planting the first sapling and was followed by Director IM, Dr. Swapan Majumdar, Dy.Registrar, Col. S. Manohar, CF&AO, Mr R. K. Jain and faculty members. Students of all the programmes actively participated in the plantation activity. The plantation was taken up with an intention to sensitize the students towards nature and make them realize their responsibility for future. The plantation was also an effort to make the campus greener and beautiful. The event was coordinated by Prof. Divanshu Jain and Prof. Upasana Singh.

3. The Community Development Committee of JKLU on the occasion of Teachers' day on September 5, took an initiative to assert the importance of education, make education meaningful and encourage the poor children to move to school with greater enthusiasm. The committee distributed bags, books, and stationary to underprivileged children studying in the Government School at Laliya Ka Vas, a village adjacent to the University. The event was marked by Lighting the lamp before goddess saraswati and distribution of bags and stationary to 69 students from the school. The school teachers who accompanied the children were also presented the pen as a token of respect for their contribution in laying the foundation stone of education. The event was addressed and supported by Hon'ble Vice Chancellor, Prof. Upinder Dhar; Director IM, Prof. Swapan Kumar Majumdar; Deputy Registrar, Col. S. Manohar; CF&AO, Mr R. K. Jain, faculty members and students of all the programmes. The event was followed by lunch for the school children. The activity was made possible by the humble and voluntary contribution made by faculty, staff, students and University.

4.
