DEFINING MOMENTS

RECOGNITIONS

INDIA TODAY

May 2019 Edition

Institute of Engineering and Technology, JKLU, has been ranked 16 among the “Top 25 Emerging Private Colleges of this Century” in India, 9 among the “Best Private Engineering Colleges in North India”, and 49 among the “Top 200 Best Private Engineering Colleges” in India, by India Today in its May 2019 issue.

ACADEMIC ROUND-UP

Workshop On DESIGN PROCESS

JK Lakshmipat University organised a workshop on **Design Process** for Design aspirants on April 8, 2019, to introduce them to design process and design methodology. Post the ice-breaking session by Mr. Gaurav Juyal, Lecturer, Institute of Design, Prof. A. Balasubramaniam briefed the participants about the offerings of the Institute of Design at JKLU. The session was followed by activities and a tour facilitated by Ms. Parul Gupta, Lecturer, Institute of Design, and Mr. Premlal Ravilal, Lecturer, JKLU, where the participating aspirants were familiarized with 3D Printing Machines & Laser Cut Machines.

Prof. A. Balasubramaniam interacting with the participants >>>

Workshop on MATLAB Programming in Communication Systems

Dr. Divyang Rawal interacting with the participants. >>>

The Department of Electrical and Electronics Communication, IET, organised a one-day workshop on **MATLAB Programming in Communication Systems** on April 10, 2019. The workshop aimed at making the participants understand the methods to improve data rate of wireless communication systems and their MATLAB implementation. The resource person for the workshop was Dr. Divyang Rawal, Department of ECE, LNMIIT, Jaipur.

Workshop On DEVOPS in Integration with Cloud and Security

DEVOPS in Integration with Cloud and Security workshop participants >>>

Department of Computer Science & Engineering, IET, organised a two-day workshop on **DevOps in Integration with Cloud and Cyber Security** in collaboration with Adhoc Networks, Jaipur during April 10-11, 2019. The workshop was facilitated by Mr. Ashutosh, Chief Technical Officer, Adhoc Network, where the students came to know about trending technologies like Docker and Ansible.

Expert Lecture on Energy Sector CONVENTIONAL AND RENEWABLE POWER

An expert lecture on **Energy Sector: Conventional and Renewable Power** was delivered by Mr. R. Narasimhan Iyer, Vice-President-Projects, SB Energy, on April 16, 2019. During the talk, students were informed about the various regulatory bodies involved in power distribution within the country and were familiarized with the new technology used for metering power consumption.

Mr. R. Narasimhan Iyer delivering the talk

Expert Lecture on CLASSROOM LEARNING AND SOLVING REAL LIFE PROBLEMS

An expert lecture on **Classroom Learning and Solving Real Life Problems** was delivered by Dr. Ravi Mehrotra on April 18, 2019. Dr. Mehrotra shared his rich experience as consultant for R&D, where he was involved in projects like automated strength testing machine for concrete blocks, hand-held ECG monitor, and many other projects. The need of market research, design thinking and interdisciplinary teams for developing successful products, was highlighted during the session.

Dr. Ravi Mehrotra delivering the talk >>>

Eighth Meeting of the BOARD OF STUDIES- INSTITUTE OF MANAGEMENT

Eighth Meeting of the Board of Studies (BoS) of the Institute of Management was held on April 19, 2019, wherein Dr. R. L. Raina, Vice Chancellor, JKLU, welcomed the members of the BoS and shared the progress that has taken place since the last BoS meeting held on October 6, 2018.

Eighth Meeting of the Board of Studies >>>

Expert Talk on MOBILE APPLICATION DEVELOPMENT

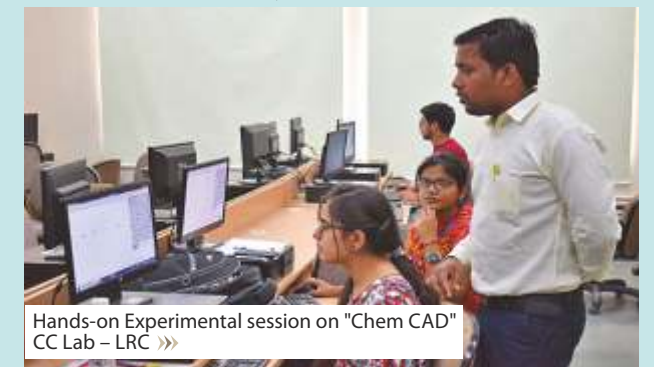

An expert talk on **Mobile Application Development** by Mr. Prabodh Prakash, Software Engineer, InMobi, Bengaluru, was conducted on April 20, 2019 for B.Tech, Computer Science & Engineering students. During the session, Mr. Prakash talked about the various technologies related to mobile application development. He also emphasized on the importance of problem-solving skills and the need of continuous practice for developing them.

Mr. Prabodh Prakash interacting >>> with the participants

Hands-on Experimental Session on CHEMICAL ENGINEERING DESIGN SOFTWARE "CHEM CAD"

A hands-on experiment session on **Chemical Engineering Design Software "Chem CAD"** was organised by the Department of Chemical Engineering, IET, on April 20, 2019. The session was facilitated by Dr. Rakesh Baghel, Technical Support Engineer, Refinery Division, Avinex Software Pvt. Ltd.

Hands-on Experimental session on "Chem CAD" CC Lab - LRC >>>

Students exhibiting their projects during Srijan »

सृजन REVELATION OF THE CREATIONS

Institute of Engineering and Technology, JKLU, organised a project exhibition सृजन on April 25, 2019, with an objective to provide an opportunity to the students to showcase their skills and innovative approach. More than 50 projects were exhibited by the students and were evaluated by eminent industry experts like Mr. Prateek Vyas, COO, Adhoc Networks, Mr. Gaurav Sanghai, Founder, Bodhi AI, Jaipur (An IT Start-up), Mr. Bharat Singh, Technical Director, Rajwada Cabs, and Faculty members of IET, during the exhibition. The best projects were awarded with certificates. The online portal S4S: Support for Students was also launched during the event.

Session on Contract Management and Arbitration for Engineers

An interactive session on **Contract Management and Arbitration for Engineers** was organised on April 26, 2019, for Civil Engineering and Electrical Engineering students. The speaker of the session, Mr. Vinod Agrawal, Executive Director, ESPAN Infra (I) Ltd., talked about the importance of arbitration in large-size projects and explained the differences between legal cases and arbitration, and legal acceptance of it.

Memento presentation to Mr. Vinod Agrawal »

Ninth Meeting of the Board of Studies-IET »

Ninth Meeting of the Board of Studies INSTITUTE OF ENGINEERING AND TECHNOLOGY

Ninth Meeting of the Board of Studies (BoS) of the Institute of Engineering and Technology was held on May 04, 2019. Dr. R. L. Raina, Vice Chancellor, JKLU, welcomed the members of the BoS and shared the progress that has taken place since the last BoS held on October 13, 2018.

First Meeting of the Board of Studies INSTITUTE OF DESIGN

The first meeting of the Board of Studies (BoS) of the Institute of Design was held on May 18, 2019. Dr. R. L. Raina, Vice Chancellor, JKLU, welcomed the members of BoS and introduced the University and its agenda to the Board, along with highlighting the role of different academic governance bodies like the Faculty Council, Board of Studies, Academic Advisory Board, Board of Research, Academic Council and Board of Management. The opening remarks by the Vice Chancellor were followed by an informative presentation by Prof. A. Balasubramaniam, Dean-Institute of Design, JKLU, depicting the three programmes offered by the Institute in the Academic Session 2019-20.

First Meeting of the Board of Studies-ID »

Fifteenth Meeting of the Academic Council

Fifteenth Meeting of Academic Council

Fifteenth Meeting of the Academic Council was held on May 25, 2019. Dr. R. L. Raina, Vice Chancellor, JKLU, welcomed the members of the Academic Council and shared the progress that has taken place since the last Academic Council held on October 15, 2018.

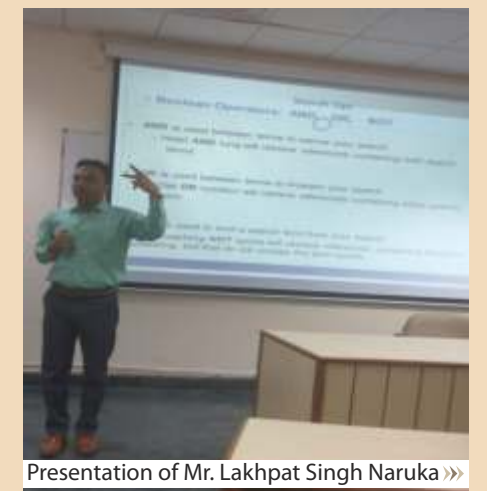

Harvard Business Publishing Resources Awareness Programme

Harvard Business Publishing (HBP) Resources Awareness Programme was organised by the Learning Resource Centre for faculty members of the Institute of Management, JKLU, on May 17, 2019. The session, facilitated by Mr. Lav Nigam, Regional Manager, HBP, Gurugram, focused on various resources like HBP cases, multimedia cases, pod cases, brief cases, simulations etc. He also talked about curricula mapping, case analysis coaching and various online certification courses.

Mr. Lav Nigam interacting with the participants »

EBSCO Business Source Elite User AWARENESS Programme

Presentation of Mr. Lakhpat Singh Naruka »

EBSCO Business Source Elite User Awareness Programme was organised by the Learning Resource Centre for the faculty members of the Institute of Management, JKLU, on May 1, 2019. The expert session was facilitated by Mr. Lakhpat Singh Naruka, Training Specialist, North India, EBSCO Information Services, India. He gave a presentation and a live demo on how to locate the most relevant resource as well as remote access facility, which is a recently-added feature for providing resource access outside the campus.

Training session on Managerial Excellence through Effective Communication »»

Training Session on **MANAGERIAL EXCELLENCE THROUGH EFFECTIVE COMMUNICATION**

Acknowledging the contribution of the secretaries of JKLU On the occasion of World Secretaries Day, a training session on **Managerial Excellence through Effective Communication** was conducted on April 24, 2019 by Dr. R.L. Raina, Vice Chancellor, JKLU. As an acknowledgment of the contribution of the participant secretaries of JKLU, they were presented with appreciation mementos.

ACADEMIC FORUM SEMINAR SERIES

FLEXIBLE ELECTRONICS

An Academic Forum Session was organised on April 4, 2019, where Dr. Devika Kataria shared her views on **Flexible Electronics**. She explained some of the sophisticated flexible electronic products like sweat sensor, Organic LEDs, and blood sugar monitors. She also talked about the increase in research and job opportunities in the area during the session.

Dr. Devika Kataria delivering the talk »»

Honor Code

An Academic Forum Session was organised on June 1, 2019, where Dr. Gustavo Sanchez, Professor, JKLU, first briefly discussed about the general concepts related to **Honor Code** and finally proposed specific ideas to be considered for JKLU students' honor code.

Dr. Gustavo Sanchez facilitating the session

Project Based Learning (PBL) at JKLU

Dr. Kavita Choudhary delivering the talk »»

A session on **Experience of Teaching PBL Course at JKLU** was organised on May 9, 2019, where Dr. Sonal Jain, Associate Professor, IET, Dr. Umesh Gupta, Associate Professor, IET, and Dr. Kavita Choudhary, Associate Professor, IET, shared their journey of designing and facilitating the PBL course "Computational Data Analysis". They showcased effective practices of delivering concepts of the course that integrated Statistics, Linear Algebra and Python to second semester B.Tech students.

ACADEMIC FORUM SEMINAR SERIES

An Academic Forum Seminar Series was organised on June 6, 2019, where Dr. R.L. Raina, Vice Chancellor, JKLU, Dr. Punam Mishra, Assistant Professor, Institute of Management, JKLU, Dr. Ashwini Sharma, Associate Professor, Institute of Management, JKLU, and Ms. Shraddha Bharatiya, Communication Specialist-CCCT, JKLU, discussed about Scholarly Writing, Pedagogy and Andragogy, and CCCT Contribution.

International Day of Yoga @ JKLU

International Day of Yoga was observed at JKLU on June 21, 2019. The event witnessed students and staff, along with their families, practicing various yoga postures. The highlight of the event was the yoga demonstration by Dr. R. L. Raina, Vice Chancellor, JKLU.

STUDENT ACHIEVEMENTS

Tushar Sharma

(Semester 5, B.Tech) has cleared levels of Red Hat Certified System Administrator and Red Hat Certified Specialist in Ansible Automation and has been awarded with two Red Hat certifications.

Ms. Videsha Bansal

(Semester 5, B.Tech) has been selected for the Summer Undergraduate Research Programme in the Chinese University of Hong Kong, China. It is an independent research programme organised by the Chinese University of Hong Kong every year where 80 students around the globe are selected and are teamed up for 70+ research programmes. Ms. Videsha will be researching on Crystal Immobilized Enzymes for Industrial Catalysis during her tenure in the research programme.

Vipin Agarwal

(Semester 5, B.Tech) has cleared a level of Red Hat Certified System Administrator and has been awarded with a Red Hat certification.

Academic Positions / Distinctions Held

- Dr. Kavita Choudhary has been conferred upon Excellence in Academics Award by the Institute of Technical and Scientific Research, Jaipur, on 31 March 2019.
- Vinod Kumar Vishwakarma had been appointed Reviewer in the technical committee of the 9th International Conference on Key Engineering Materials (ICKEM 2019) held at St Antony's College, University of Oxford, United Kingdom March 29-April 1, 2019.

RECRUITMENTS

Dr. Tanmoy Kumar Deb

PhD, IIT Guwahati; M.Tech, NIT Agartala, B.Tech, SRM University, Chennai.

Dr. Tanmoy Kumar Deb has joined JKLU as Assistant Professor in the Institute of Engineering and Technology on April 8, 2019.

Ms. Deep Dutt

MA, University of Rajasthan

Ms. Deep Dutt has joined JKLU as Deputy General Manager – Admissions & Outreach on April 23, 2019. Ms. Dutt has more than 17 years of experience in various organisations like NIIT Jaipur, AHA - Air Hostess Academy, Poddar Institute, etc.

Dr. Dinesh Kumar Sharma

PhD, M.Tech, BE, MNIT, Jaipur

Dr. Dinesh Kumar Sharma has joined JKLU as Professor in the Institute of Engineering and Technology on May 8, 2019. Prof. Sharma has more than 24 years of work experience as a faculty of Civil Engineering and Construction Industry.

Mr. Gaurav Juyal

GDPD-Four Years, NID Ahmedabad

Mr. Gaurav Juyal has joined JKLU as Lecturer in the Institute of Design on May 17, 2019. He has professional experience in Animation Film Design and teaching at various schools. He has also been a television host for Walt Disney's TV series, Art Attack (India).

Prof. Rani S. Ladha

PhD, NLU, Jodhpur; MS, Carnegie-Mellon University; MS, Washington University, St. Louis; PGDM, IIM Calcutta

Prof. Rani S. Ladha has joined JKLU as Professor & Dean, Institute of Management, on 20 June, 2019. She has more than three decades of experience in academic institutes like Kellogg School of Northwestern University, St. Louis University, Indian Institute of Management, Kozikhode, and Goa Institute of Management, and organizations like Wells Fargo, JP Morgan Chase, and Citicorp.

Prof. Krishna K. Ladha

PhD, Carnegie-Mellon University; PGDM, IIM Calcutta; M.Sc., Calcutta University

Prof. Krishna K. Ladha has joined JKLU as Senior Professor, Institute of Management, on June 20, 2019. His vast academic and research experience involves ventures at Washington University, NYU, University of Chicago, University of Maryland, University of Mississippi, Helsinki Business School, MDI, IIM Calcutta, IIM Kozikhode, and Goa Institute of Management.
