JKLU NEWSLETTER

Editorial....

Welcome to the tenth issue of Pratibimb: JKLU Newsletter. This edition captures events, activities and academic prowess and achievements of first half of the Academic year 2015-2016 corresponding to six months i.e. July-December, 2015.

JKLU welcomed Dr. R. L. Raina with great enthusiasm as the Vice Chancellor of the University on October 14, 2015. Dr. Raina is recognized as one of the top Academic Leaders in India who have created and transformed Institutes of higher learning.

This issue highlights multifaceted activities and events held during the reporting period. The mega event which JKLU celebrated with great passion was the Second JKLU Laureate Award conferred on Padma Bhushan Prof. Lord Meghnad Desai. The University also celebrated its foundation day with exuberance and elegance on 23 November, 2015. The University also hosted a three days ISG-ISRS National Symposium on "Geomatics and Space Science for Digital India".

A number of Training programmes and workshops held during the period. Industrial visits at many organizations were also organized for students of JKLU as an important step to provide industrial exposure to them. E-Cell of JKLU organized many events to encourage and support entrepreneurship at the campus. Expert lectures were also held during the period. Panorama of events were celebrated with great enthusiasm and passion.

The research oriented faculty of both management and engineering are passionate to engage themselves in research and academic activities. They received number of awards, honors and achievements. A number of peer reviewed research papers, books, case studies, etc. were published in national and international journals. They also presented their research work in number of national and international conferences.

So here, the issue is now in your hand. We hope that this issue will cater to the need of all stakeholders. We also invite all your valuable inputs to make the newsletter more meaningful to all our readers.

DEFINING MOMENTS

JKLU welcomes Dr. R. L. Raina, as its Vice Chancellor

Dr. Roshan Lal Raina joined JKLU as the Vice Chancellor of the University on October 14, 2015. Dr. Raina is a Professor of 'Communication'. Dr. Raina is known for building and managing state-of-the-art and world-class academic infrastructure, including the learning resource center at IIM Lucknow. On the academic front, besides teaching a variety of innovative courses in the areas of 'Communication for Management', he has had several prestigious assignments in educational institutes in US, UK, France, Germany, and Canada. Reputed organizations like the Fulbright Foundation (USA), the British Council (UK), the Max Mueller Bhawan (Germany), the ESCP-EAP (France), and the IDRC (Canada) sponsored these assignments. In terms of research, he has authored 6 and edited 11 bestselling books, journal volumes and conference/seminar proceedings. Dr. Raina has published 70 research papers in national and international level peer-reviewed journals and has also presented (mostly on invitation) 118 papers in national and international conferences and seminars.

We look forward to Dr. Raina providing inspiring leadership in achieving our vision of making our University a benchmark institution of Higher Learning and Research.

Second JKLU Laureate Award Conferred on Padma Bushan Prof. Lord Meghnad Desai

The Second JKLU Laureate Award was conferred on Padma Bhushan Prof. Lord Meghnad Desai during the award ceremony held on October 17, 2015. The Ceremony was presided over by Shri Bharat Hari Singhania, Hon'ble Chancellor of the University and was attended by members of the Board of Management, Academic Council and Board of Studies of the University apart from guests, invitees, parents, students, and fraternal members of the University. Lord Desai also delivered the Second Hari Shankar Singhania Memorial Oration on the day.

Shri Bharat Hari Singhania, Hon'ble Chancellor – JKLU

Dignitaries on the Dais during the JKLU Laurette Award Ceremony

delivered the welcome address. Dr. R.L. Raina, Hon'ble Vice Chancellor, JKLU briefed the audience about the philosophy behind instituting the JKLU Laureate Award and also about the series of Hari Shankar Singhania Memorial Orations. The award ceremony involved reading out the Citation with subsequent conferment of the Award on Lord Desai by Hon'ble Chancellor, Shri Bharat Hari Singhania. This was followed by the Second Hari Shankar Singhania Memorial Oration that was delivered by Lord Desai. Dr. R.P. Singhania, Hon'ble Pro Chancellor, JKLU proposed the Vote of Thanks.

Padma Bhushan Prof. Lord Meghnad Desai addressing the gathering

Founder's Day Celebration

JK Lakshmipat University, Jaipur celebrated the 105th Birth Anniversary of Lala Lakshmipat Singhania with exuberance and elegance on 23 November, 2015. Shri Kali Charan Saraf, Hon'ble Minister for Higher, Technical, Sanskrit Education, Sainik Kalyan & Science

The roots of education are bitter, but the fruit is sweet. - Aristotle

Dignitaries on the Dais during Founder's Day

and Technology Department, Government of Rajasthan, presided over as the Chief Guest on the occasion. Shri Bharat Hari Singhania, Hon'ble Chancellor of the University and President of the JK Organization, graced the occasion with his presence.

Led by the University administration comprising of Dr. R.L. Raina the Vice Chancellor, Dr. S. K. Majumdar-Director, Institute of Management and Dr. Anupam Kumar Singh-Director, Institute of Engineering & Technology, the programme was attended by faculty, staff members and students of the University.

The welcome address was delivered by Dr. R.L. Raina. In his address Shri Bharat Hari Singhania, the Chancellor highlighted dreams and achievements of Late Lala Lakshmipat Singhania and shared how the University was focused on helping students to gain exposure, develop proficiency, enhance skills and achieve success in their career and life.

Students Performance on Founder's day

In his speech Shri Kali Charan Saraf pointed out the efforts of the Govt. of Rajasthan in facilitating the participation of private sector in higher education. He appreciated the vision of JK Organisation to provide higher education to the people of this country and especially the students of Rajasthan. The evening came to an end with mesmeric performances by the students of the University during a colorful cultural programme which enthralled the audience.

Three days ISG-ISRS National Symposium on "Geomatics and Space Science for Digital India"

The Indian Society of Geomatics (ISG) and the Indian Society of Remote Sensing (ISRS) conducted a joint national symposium on 'Geomatics and Space Science for Digital India' during December 16-18, 2015. This mega event was jointly hosted by JK Lakshmipat University Jaipur and ISG Jaipur Chapter. The Symposium was inaugurated by Dr. M. Annadurai, Programme Director, Indian Remote Sensing Satellites (IRS) and ISRO Satellite Centre, Bangalore.

The second day of the ISG symposium had a wonderful galaxy of speakers and the most prominent feature of the day was the special session named as 'Vikarm Sarabhai Memorial Lecture'. The lecture was presented by Hon'ble Secretary, Ministry of Culture, GOI, Mr. N. K. Sinha, IAS. The session was chaired by the noted space scientist Mr. A. S. Kiran Kumar, Hon'ble Chairman of ISRO and President of ISRS. At the end of the day a mesmerizing cultural eve with a flavour of Rajasthani culture was organized for all the participants of the symposium.

The Day 3 of the Symposium started with an industry session, in which the representatives of various industries such as ISGR, Scanpoints Geomatics Ltd., OGC Mumbai, Hexagon Gurgaon, IIRS Dehradun and Urthecast presented their work in various related areas. The symposium was further proceeded by different technical sessions based on the themes such as Environment & Climate Change, Sustainable Land Management and Renewable Energy, Geosciences, etc. chaired by various dignitaries of ISRS and ISG. These technical oral sessions were followed by poster presentations on various topics related to the theme of symposium.

Education is not preparation for life; education is life itself. - John Dewey

The symposium was concluded with a valedictory session, which was chaired by Prof. P. G. Diwakar, Vice President-ISRS and Deputy Director-NRSC, Hyderabad. A panel of six other eminent persons – Dr. S. S. Ray, Director – MNCFC; Shri S. P. Agarwal – Secretary ISRS; Shri R. P. Dubey – Visiting Professor, CEPT University Ahmedabad; Dr. A. S. Rajawat, Head – Geosciences Division, SAC Ahmedabad; Dr. Anupam K. Singh, Director – Institute of Engineering and Technology of JKLU Jaipur and Dr. N. S. Mehta, Secretary – ISG expressed their view points about the conference. Dr. A. S. Rajawat thereafter announced the 'Best Oral Paper Award' and 'Best Poster Paper Award'. Dr. N. S. Mehta proposed Vote of Thanks to the host Institute of Engineering and Technology, JK Lakshmipat University, Jaipur.

JKLU bags an Excellence award

JK lakshmipat University was awarded with 'Best University for Academic Excellence in India' by Smt. Vasuben Trivedi, Hon'ble MoS for Higher and Technical Education, Govt. of Gujarat in 'Education Excellence Awards for 2015'- a function jointly organized by The Education Post and ASSOCHAM at Ahmedabad on December 22, 2015.

Receipt of Award

TRAINING PROGRAMMES

Case Review Meeting of Ninth Case Writing Workshop

Institute of Management, JK Lakshmipat University, Jaipur organized case review meeting on October 3, 2015 of cases developed in Ninth Case Writing Workshop held during June 4 to 6, 2015. It was attended by faculty teams who were the part of 9th case writing workshop and were collectively working on developing cases on respective organization. The review began with the address of Dr. S.K. Majumdar -Director IM, and facilitator of Case Writing Workshop. Dr. Majumdar presented the case on "Manipal Hospital" which was developed by him during the 9th case writing workshop, it was set as an example wherein the participating members could understand the art of writing a teaching case. Further the workshop proceeded with the presentation of redrafted case by each groups and sharing review comments by the colleagues and facilitator. The workshop concluded with vote of thanks by Dr. Upasana Singh, coordinator of the Case Review Meeting.

Dr. S. K. Majumdar, Director-IM, JKLU interacting with participants of the Case Review Meeting

ACADEMIC ROUNDUP

The JKLU-SCSU Internship Exchange Programme

The Second Internship Exchange Program collaborated between JK Lakshmipat University, Jaipur (India) and St. Cloud State University (USA) held from May 29, 2015 to August 05, 2015. This Programme was an extension to the first internship exchange program which was held earlier in the year 2014. As a journey towards the successful implementation of MOU's signed between the Universities, this program has been designed with the purpose to apprise the students of both the University with industrial training as well as the inter-country cultural exposure. Two students of JKLU- one from MBA Program (Mr. Kushang Agarwal – MBA Sem II), and one from B. Tech Program (Mr. Digvijay Singh Shekhawat – B. Tech IV Sem) were selected for this exchange program. Two students of SCSU (Mr. Alman Asif Ali – B. S. Manufacturing Engineering and Mr. Peter Ojambo – B.S. Mechanical Engineering) visited JKLU and JK Lakshmi Cement Ltd. (JKLC), Sirohi from July 2 - August 5, 2015. This program was coordinated by Dr. Umesh Gupta, Associate Professor – IET, JKLU.

Students of St. Cloud State University (USA) with JKLU Faculty Members

Visit and Expert Lectures by Prof. Ben Beliga

Dr. Ben Beliga, Professor and Director, MEM Program of St. Cloud State University, USA visited JKLU on July 7-8, 2015. He delivered an expert lecture on July 7, 2015 for the Students of B. Tech. second year. The topic of the talk was 'Applications of Mathematics in various Engineering disciplines'. On the second day of his visit he delivered a lecture on the topic 'Optimization Techniques in an Engineer's life' to B. Tech III Year and IV Year students.

Workshop on "Soft Skills and Communication Training"

A Workshop on 'Soft Skills and Communication Training' was conducted during the Orientation Programme for the First Year students of the MBA (2015-17), BBA (2015-20) and B.Com. (2015-20) Programmes. The said Workshop was conducted over duration of five days, 2 hours daily from July 20-24, 2015. The resource person for the Workshop were Expert Trainers – Ms. Anushree Dixit and Mr. Mukesh Vyas from Winner Academy of Excellence (WAE). The Workshop was coordinated by Dr. Kapil Arora, Chairperson – MBA Programme.

Workshop on "Open source GIS and Its Application in Civil Engineering"

Students of Civil Engineering along with expert speaker Mr. Akshay O. Jain

Education is the key to unlock the golden door of freedom. - George Washington Carver

A three-day workshop on 'Open source GIS and Its Application in Civil Engineering' was organised by Civil Engineering Department from July 24 to 26, 2015. Prof. Anupam Kumar Singh (Director-IET, JKLU), Mr. Akshay O. Jain, Dr. Kuaum Lata (Indian Institute of Public Administration) and Mr. Sudhakar Sharma were the expert speakers of the workshop.

Expert Lecture on "Channel Estimation in Wireless Communication with MATLAB Coding/Simulations"

A guest lecture was organized by Institute of Engineering and Technology, JKLU on July 27, 2015 for B. Tech VII Semester ECE students. Expert speaker on the occasion was Dr. Divyang Rawal, Assistant Professor, LNMIIT, Jaipur. The topic of the talk was 'Channel Estimation in Wireless Communication with MATLAB Coding/Simulations'. The lecture was coordinated by Prof. Divanshu Jain.

Dr. Divyang Rawal -Assistant Professor, LNMIIT, Jaipur, delivering a talk to B. Tech students

Extra Mural Lecture on "How to be a Smart Manager"

A lecture under Extra Mural Lecture Series was organized by the Institute of Management, JKLU for the students of MBA (FT), MBA (I), and B.Com. on July 31, 2015. The resource person on the occasion was Mr. Sharu S. Rangnekar- Management Consultant. The topic of the lecture was 'How to be a Smart Manager'. The lecture was coordinated by Dr. Punam Mishra.

Mr. Sharu S. Rangnekar -
Management Consultant addressing the audience

Expert Lecture on "Current State of Art & Future Threats-Nitrate Pollution Management"

Department of Civil Engineering-IET, JKLU organized an expert lecture on the topic 'Current State of Art & Future Threats- Nitrate Pollution Management' for Civil Engineering students on August 10, 2015. The resource person of the session was Dr. Ram Karan Singh- Professor, Department of Civil Engineering, King Khalid University, Abha City, Kingdom of Saudi Arabia. Prof. Vinod Vishwakarma and Dr. Ravikumar Ganti coordinated the session.

Felicitation of Dr. Ram Karan Singh (Professor, King Khalid University, Saudi Arabia) by Dr. Anupam Kumar Singh (Director-IET) and Dr. Ravikumar Ganti (Assistant Professor-IET)

Expert Lecture on "Practical Aspect of Various Analog Communication Techniques"

A guest lecture was organized by Institute of Engineering and Technology, JKLU on August 17, 2015 for B. Tech V and VII Semester ECE students. Expert

speaker on the occasion was Dr. Lokesh Tharani, Associate Professor- Rajasthan Technical University, Kota. The topic of the talk was 'Practical Aspect of Various Analog Communication Techniques'. The lecture was coordinated by Prof. Divanshu Jain.

Dr. Lokesh Tharani, Associate Professor - Rajasthan Technical University, Kota, delivering a talk to B. Tech students

Extra Mural Lecture on "Role of HR in 2015 and Expectations from Students"

Institute of Management, JK Lakshmipat University organized second lecture under Extra Mural Lecture Series for management students of the University on August 18, 2015. Speaker of the lecture was Ms. Garima Srivastava, Manager – Human Resources, Ericsson India Pvt. Ltd. Ms. Srivastava gave her insights on the topic 'Role of HR in 2015 and Expectations from Students'. The session was coordinated by Dr. Punam Mishra.

Ms. Garima Srivastava, Manager – Human Resources, Ericsson India Pvt. Ltd., being felicitated by Director- IM, JKLU- Dr. S. K. Majumdar

Guest Lecture on "Career Opportunities in Analytics Industry"

A Guest Lecture on 'Career Opportunities in Analytics Industry' was organized for students of MBA at IM, JKLU on August 26, 2015. The eminent speakers for the session were Mr. Himanshu Agrawal and Ms. Sonal Garg, the Founders of Sheersha Learning Solutions LLP, a SAS Accredited Training Centre at Jaipur. The lecture was coordinated by Dr. Ashwini Sharma.

Session on "Internet of Things"

Two days interaction for B. Tech CSE students (Sem. VII) was organized by IET, JKLU during August 31- September 1, 2015. The resource person was Mr. Vinod Gupta, Ex-IT Head, JK Organisation. The topic of the session was 'Internet of Things (IoT)'. On the second day, this lecture was followed by the round of mock interviews for the students. The event was coordinated by Dr. Paras Jain and Prof. Gireesh Kumar and headed by Dr. Sonal Jain, Head, Department of Computer Science Engineering.

Mr. Vinod Gupta, delivering a talk to B. Tech CSE students

Mock Interviews of B.Tech CSE Sem. VII students

Workshop on "Embedded System"

A one-day workshop on 'Embedded System' was conducted on September 4, 2015 by Prime Vision Automation Solutions, Jaipur under the super vision of Dr. R.R. Singh and Dr. S.S. Sengar of the ECE Department. The workshop is organized for 3rd Year & 4th Year students of ECE and CSE Department.

CAD Softwares Training Program Series on "Making Industry Ready Engineers"

A CAD Softwares Training Program Series under 'Student's Skill Development Program' was organized by the Institute of Engineering & Technology for the students of B. Tech during September 4-6, 2015; September 11-13, 2015; and October 16-19, 2015. Mr. Vipul Dave from Vision World Tech (Pvt.) Ltd., a training and consultant firm, carried out the training session on 'Design Philosophy and Product design and Development'. The program was coordinated by Prof. Sachin Gangwar.

Extra Mural Lecture on "Sustainable Blue Ocean Strategy"

The Institute of Management, JK Lakshmipat University organized an informative lecture under Extra Mural Lecture Series on September 8, 2015. The topic of this lecture was 'Sustainable Blue Ocean Strategy'. The speaker was Mr. Gagandeep Singh – AGM International Sales CK Birla Group. The session was attended by the faculty members and students of the Institute of Management, JKLU. The session was coordinated by Dr. Punam Mishra.

Mr. Gagandeep Singh – AGM International Sales (Orient Electric) CK Birla Group- addressing the audience

Expert talk on "Advance Separation Processes"

An expert talk was organized by Department of Chemical Engineering on 'Advanced Separation Processes' on September 19, 2015. The Keynote speaker of the session was Dr. S. P. Chaurasia. He is the Professor in Department of Chemical Engineering, Malaviya National Institute of Technology Jaipur. The session was attended by 3rd and 7th Semester students of B. Tech Chemical Engineering. The session was coordinated by Dr. Neha Sharma.

Dr. S. P. Chaurasia- Professor, Department of Chemical Engineering, MNIT, Jaipur, addressing the B. Tech students

Extra Mural Lecture on "Conservation of Fuels and Saving Energy"

Institute of Management, JK Lakshmipat University organized a lecture under Extra Mural Lecture Series for management students of the University on September 22, 2015. Speaker of the lecture was Mr. Ravi Menaria, Trainer at Petroleum Conservation Research

Mr. Ravi Menaria (Trainer at PCRA) delivering a talk to IM students

To produce a mighty book, you must choose a mighty theme. - Herman Melville

Association (PCRA). Mr. Menaria gave his insights on the topic 'Conservation of Fuels and Saving Energy'. The session was coordinated by Dr. Punam Mishra.

Interaction of B. Tech Students with Industry Expert

Three days interaction for B. Tech CSE students (Sem. VII) was organized by IET, JKLU during September 22-24, 2015. The resource person was Mr. Vinod Gupta, Ex- IT Head, JK Organisation. The lecture was based on 'Computer Networking'. The 3 Day interaction with Mr. Vinod Gupta started with a small discussion regarding the strategy chosen for strengthening concepts of different areas of Computer Science Engineering. Mr. Gupta discussed major points regarding interview as well. The interaction was coordinated by Dr. Paras Jain and Prof. Gireesh Kumar Kaushik.

Expert Lecture on "Paving Bitumen and Bitumen Mixes used in India"

Department of Civil Engineering-IET, JKLU organized an expert lecture on the topic 'Paving Bitumen and Bitumen Mixes used in India' on September 23, 2015. The resource person was Prof. P. S. Kandhal, Associate Director (Emirutus) NCAT, Aubourn University, Albama USA. The session was coordinated by Dr. A. N. Arora.

Expert Lecture on "Knowledge and Data Integration, and Building Bayesian Network for Modelling Risk-problems"

Department of Civil Engineering-IET, JKLU organized an expert lecture on the topic 'Knowledge and Data Integration, and Building Bayesian Network for Modelling Risk-problems' on September 28, 2015. The speaker of the event was Dr. Durga Prasad.

Workshop on "Energy Conservation and General Aspects"

On October 13, 2015 Department of Electrical Engineering –IET had organized a workshop on the topic 'Energy Conservation and General Aspects' for Electrical Engineering III, V and VII Semester students.

Mr. Kocheta delivering the lecture to audience

Mr. Reetesh Kocheta - Faculty at Petroleum Conservation Research Association, was the expert. The workshop was coordinated by Prof. H. P. Agrawal.

A Expert talk on "Possibilities of Higher Education in Germany "

Department of Civil Engineering- IET, JKLU organized an expert talk on the topic 'Possibilities of Higher Education in Germany' on October 16, 2015. The speaker of the session was Mr. Ruger Winnegge, Facilitator, Universität Siegen, Germany.

Expert talk on "Metallic Coatings for Corrosion Control"

An expert talk was organized by Department of Chemical Engineering on 'Metallic Coatings for Corrosion Control' on October 20, 2015. The speaker of this session was Dr. Ram Avtar Sharma, R&D Manager -

Students and Faculty of Chemical Engineering Department are interacting with Dr. Ram Avtar Sharma, R&D Manager - Atotech India Ltd.

A blank piece of paper is God's way of telling us how hard it to be God. - Sidney Sheldon

Atotech India Ltd. The session was attended by I, III and VII Semester students of B. Tech Chemical Engineering. The session was coordinated by Dr. Shahnawaz Khan.

Expert talk on "Advanced Materials in Mechanical Engineering"

An expert talk was organized on October 26, 2015 for the Students of Department of Mechanical Engineering. The speaker was Dr. Chandra Shekhar Bendigeri, Associate Professor- Visvesvaraya College of Engineering- Bangalore University, Bangalore. The lecture was coordinated by Prof. Hemant Gupta and Dr. Murari Lal Gupta.

One day seminar on "Process Safety Management and Risk Assessment"

One day seminar on 'Process Safety Management and Risk Assessment' was organized by Department of Chemical Engineering on October 29, 2015 in collaboration with Chilworth Technologies Pvt. Ltd. The expert of the session was Mr. Jitendra Kumar, Director - Chilworth Technologies Pvt. Ltd., Delhi. The session was attended by Second Year and Final Year students of B. Tech Chemical and Mechanical Engineering. The session was coordinated by Dr. Neha Sharma and Dr. Shahnawaz Khan.

Students of B. Tech interacting with Mr. Jitendra Kumar, Director - Chilworth Technologies Pvt. Ltd., Delhi

Expert talk on "Overview of Oil and Gas Industry"

An expert talk was organized by Department of Chemical Engineering on 'Overview of Oil and Gas Industry' on November 4, 2015. The speaker of the session was Mr. Shashwat Kulshrestha, Head, Corporate Affairs – Rajasthan, Cairn India Ltd. The session was attended by III and VII Semester students of B. Tech Chemical Engineering. The session was coordinated by Dr. Neha Sharma.

Mr. Shashwat Kulshrestha- Head, Corporate Affairs (Rajasthan), Cairn India Ltd., delivering a talk to B. Tech Students

Guest Lecture on "Methodology to finalize B. Tech Project"

Department of Mechanical Engineering, IET, JKLU organized a guest lecture on November 5, 2015. The resource person was Dr. G. D. Agrawal-Professor, Mechanical Engineering from MNIT Jaipur. The topic of his talk was 'Methodology to Select B. Tech Project'. The event was coordinated by Dr. Murari Lal Gupta.

Guest Lecture on "Green Mobility and Sustainability"

An expert lecture was organized by Institute of Engineering & Technology, JKLU on December 8, 2015. The speaker of the session was Dr. R. Mukhopadhyay- Director R&D, JK Tyre & Industries Ltd. His lecture was on 'Green Mobility and Sustainability'. The session was coordinated by Dr. Murari Lal Gupta.

A Distinguished Lecture delivered by Dr. Pritam Singh

Padmashree awardee Dr. Pritam Singh, Esteemed Member of Board of Management, JK Lakshmipat University Jaipur delivered a talk on the topic 'Academics in Institution Building' to all the faculty members of the University on December 22, 2015.

Faculty members of JK Lakshmipat University with Dr. Pritam Singh

Dr. R. L. Raina, Hon'ble Vice Chancellor-JKLU delivered a welcome address on this occasion. Dr. Pritam Singh shared his experiences and learnings from the academic journey of his life. Dr. Raina thanked Dr. Pritam Singh for delivering such a motivational lecture.

STRENGTHENING INDUSTRY ACADEMIC INTERACTION

Visit of Chairman-ISRO Padmashree Shri A.S. Kiran Kumar

Padmashree awardee Mr. Aluru Seelin Kirankumar Chairman-Indian Space Research Organization (ISRO) and Secretary Department of Space-Government of India visited JK Lakshmipat University Jaipur on August 1, 2015. Shri Kirankumar was accompanied by other renowned dignitaries associated with space science and technology, Prof. P. K. Verma-Director General, Madhya Pradesh Council on Science & Technology, Bhopal, Dr. P. G. Diwakar- Additional Director NRSC Hyderabad, Dr. A. S. Rajawat - Head RSA, SAC Ahmedabad, Dr. S. P. Agrawal - IIRS Dehradun, Dr. A. S. Jayseelan-RRSC Jodhpur and Shri N. S. Mehta-ISG Ahmedabad.

Prof. Dr.-Ing. Anupam Kumar Singh, Chairman ISG-Jaipur Chapter & Director- IET, JKLU, welcomed Chairman-ISRO Padmashree Shri A. S. Kirankumar

Shri Kirankumar delivered a public lecture on 'Glorifying 40-years of Achievements of India in Space'. Shri Kirankumar shared initiatives of ISRO in remote sensing for agriculture, for urban development, for regional planning and environment mapping. The program was jointly organised by Dr. Pushpendra Singh, Dr. Sandeep S. Sengar, Mr. Vinod Vishwakarma, and Mr. Amit Kumar.

Padmashree Awardee Shri A. S. Kirankumar Chairman-ISRO addressing the audience

5th National HR Summit on "Skilling Youth for Evolving Organizations"

Institute of Management, JK Lakshmipat University, Jaipur in association with Indian Society for Training and Development, Jaipur Chapter organized the 5th HR Summit on October 1, 2015. The summit was on the topic 'Skilling Youth for Evolving Organizations'. Dr. Upasana Singh, Assistant Professor, IM and coordinator of the summit introduced the theme. The Keynote address was delivered by Dr. S.K. Mujumdar, Director IM who highlighted the demographic features of India and the trend from 2015 to 2025.

The theme of the plenary session-I was 'Competency Targets for Employability: An Industry Perspective'. The speakers of the session were Mr. Dharmendra Singh, Global Deployment Leader, Schneider Electric and Mr. Vijay Rai, President & CEO, Power Con Knowledge Services. The session was chaired by Dr. Ashwini

I love deadlines. I like the whooshing sound they make as they fly by. – Douglas Adams

Sharma, Associate Professor, IM. The theme of the plenary session-II was 'Effective Ways of Developing High Performing Employees'. The speakers of the session were Ms. Vasudha Jha, GM, Cornerstone International Group and Prof. Pronoy Dutt, Co-Founder, Executive Director-HR, 360 Degree Engineering & Consulting Services Ltd. The session was chaired by Dr. Kapil Arora, Associate Professor, IM. The event concluded with Question Answer Session and vote of thanks by Dr. Richa Mishra, Assistant Professor, IM and Coordinator of HR Summit.

Visit of Mr. Sanjeev Asthana, Head, HR, Triveni Engineering & Industries Ltd.

Mr. Sanjeev Asthana, Head, HR, Triveni Engineering & Industries Ltd. visited JK Lakshimpat University on October 20, 2015. The visit started with his talk on 'Corporate Expectation and Challenges for Young Professionals'. He highlighted upon the skills that a student should imbibe to be successful in the corporate world. The session ended with vote of thanks delivered by Dr. Umesh Gupta.

Second part of his visit comprised of interaction with Heads of Departments of all Engineering Branches. After the interaction Mr. Asthana visited the laboratories of Mechanical Engineering Department with Professor Hemant Kumar Gupta. This visit was coordinated by Dr. Umesh Gupta, Dr. Sonal Jain and Prof. Gireesh Kumar.

Mr. Sanjeev Asthana, HR Head, Triveni Engineering & Industries Ltd., addressing the audience

Department Heads, IET, Interacting with Mr. Sanjeev Asthana, HR Head, Triveni Engineering & Industries Ltd.

INDUSTRIAL VISITS

Industrial Visit to Ericsson India Pvt. Ltd., Jaipur

An industrial visit for ECE 7th and 5th semester students to Ericsson, Jaipur took place on July 24, 2015 under the guidance of Prof. Divanshu Jain from JKLU and Ms. Garima Srivastava (HR) and Mr. Naved from Ericsson.

Industrial Visit to Aksh Opticfibre Ltd., Reengus

An industrial visit for ECE 7th Semester students to Aksh Optifibre Ltd. (FRP Division) took place on August 4, 2015 under the guidance of Prof. Divanshu Jain from JKLU and Mr. Pankaj K. Pandey (Process Leader) from Aksh Optifibre Ltd. The whole visit was well organised by Dr. S.S. Sengar (Head, ECE, JKLU) and Mr. Vinod Kumar (Manager, HR, Aksh Optifibre).

IET Faculty & Students at Aksh Optifibre Ltd.

Industrial Visit to 220 KV Grid Sub Station, Mahendra SEZ-I, Jaipur

An Industrial Visit for 3rd, 5th and 7th Semester Electrical Engineering students was organized to 220 KV Grid Substation, Mahinda SEZ-I, Jaipur on August 14, 2015.

IET Faculty members and Students at
220 KV Grid Sub Station, Mahendra SEZ-I, Jaipur

IET Faculty members and students along with staff of
ZNetLive, Jaipur

Prof J. P. Sharma and Prof. H. P. Agrawal coordinated the visit.

Lab visit to Advanced Level Telecom Training Centre, BSNL, Ghaziabad, UP

A Lab visit for ECE 5th and 7th Semester students to Advanced Level Telecom Training Centre (ALTTC), BSNL, Ghaziabad took place on September 7, 2015 under the guidance of Prof. Divanshu Jain and Mr. Gajendra Shekhawat from JKLU and Mr. A.K. Jha (Sub Divisional Engineer, NC-I) from ALTTC.

IET Students understanding Lab Resources at
ALTTC Labs, BSNL, Ghaziabad, UP

Industrial Visit to ZNetLive Jaipur

An Industrial visit was carried out at ZNetLive Jaipur on September 08, 2015, for III Semester students of Computer Science Engineering discipline. The visit was guided by Mr. Harish Patel, CTO, ZNetLive and coordinated by Prof. Devendra Bhavsar, Prof. Gireesh Kumar Kaushik and Mr. Hemant Kumar.

Industrial Trip to ZNetLive and Netleon Technologies, Jaipur

An Industrial visit was carried out at ZNetLive and Netleon Technologies Pvt.ltd., Jaipur on September 10, 2015, for V Semester students of Computer Science Engineering discipline. The visit was coordinated by Prof. Devendra Bhavsar, Prof. Gireesh Kumar Kaushik and Mr. Hemant Kumar.

Raina delivered a Video session on 'Bridging the Gap between What is Taught and What Ought to be Taught' in LIS domain delivered in XXXI IATLIS National Conference on Hundred Years of LIS Education and Library Services in South Asia: Perceptions and Directions, jointly organized by Indian Association of Teachers of Library and Information Science (IATLIS) and Panjab University, Chandigarh, on November 18, 2015.
3. Dr. R. L. Raina delivered a Celebration Address on

'Drucker and Today's Management Education' as Chief Guest in the Management Day - 2015 organised by Poornima Group of Colleges, Jaipur, on November 19, 2015.

4. Dr. R. L. Raina delivered an Inaugural Address on 'Webometrics, Informetrics, and Scientometrics (WIS)' in the 11th International COLLNET Conference 2015 organised by Institute of Economic Growth, University of Delhi, North Campus, Delhi, on November 26, 2015.
5. Dr. R. L. Raina delivered an Inaugural Address as Chief Guest in the National Workshop organized by IIHMR University, Jaipur on "Scholarly Writing, Reference Management and Deterring Plagiarism" on December 21, 2015.
6. Dr. Swapan Kumar Majumdar delivered a lecture on 'Executive Leadership' at Mody University of Science & Technology, Laxmangargh on October 27, 2015.
7. Dr. Anupam K. Singh delivered a lecture on 'Bridge Protection and River Training' at Staff Training College, Gandhinagar on July 22, 2015.
8. Dr. Anupam K. Singh delivered a keynote address on 'Wastewater Treatment in Indian Industries Case Studies from Rajasthan and Gujarat' in International Conference on Geo-engineering and Climate Change Technologies for Sustainable Environmental Management held at MNNIT Allahabad on October 09, 2015.
9. Dr. Anupam K. Singh delivered a talk on 'Appropriate Qualifications for Water & Wastewater Staff in Asia: Experiences from a joint program' in an international program during IFAT-2015 by German Water Association on October 15, 2015 in Mumbai.
10. Dr. Anupam K. Singh delivered a lecture on 'Potentials and Prospects of International Cooperation between India-Thailand' at Burapha University, Chon-Buri (Thailand) on November 12, 2015.
11. Dr. Anupam K. Singh delivered a talk on 'Intelligent Infrastructure for Smart Cities' in the panel discussion during a National Conference on 'Delhi: From Seven Cities to Smart City' organized by Centre of Urban Studies, Indian Institute of Public Administration, New Delhi.
12. Dr. S. C. Bhaduri delivered an expert lecture on 'Issues of Air Conditioning Industry due Phaseout of R22' at Saheed Udham Singh College of Engineering and Technology, Chandigarh on September 21, 2015.
13. Dr. S. C. Delivered Expert lecture on 'Variable Refrigerant Flow Air Conditioning System' at ISHRAE, Urjavaran 15 at Ludhiana on September 27, 2015; Meerut on November 8, 2015; Jodhpur on December 5, 2015; and Agra on December 19, 2015.
14. Dr. Pushpendra Sigh delivered an expert talk on 'Relay Setting' on September 12, 2015 at JVVNL, Jaipur.
15. Dr. Pushpendra Sigh delivered an expert lecture on 'Power System Stability and FACTs' at Vedanta college of Engineering & Technology, Kota on October 3, 2015.
16. Dr. Pushpendra Sigh delivered an expert talk on 'Smart Grid & Rural Electrification' in the National Conference on TMRI -2015 at Suresh Gyan Vihar University, Jaipur on October 31, 2015.
17. Dr. Kavita Choudhary delivered a keynote speech on 'Bio-inspired Algorithms in Software Testing' at 10th India-Japan Bilateral Conference (BICON-2015) at Biyani College, Jaipur on September 21, 2015.
18. Dr. Kavita Choudhary delivered a plenary talk on 'Ubiquitous Computing – Existing Everywhere' in 5th National Conference on Emerging Technologies in Computer Engineering (NCETCE-2015) at SKIT, Jaipur on November 28, 2015.
19. Prof. Jagdish Sharma delivered a talk on 'situation of the power sector companies in Rajasthan' organized by 'Samta Power' and 'RSEB Retired Abhiyanta Evam Adhikari Jan Kalyan Trust' at the

Institution of Engineers, Tonk Road, Jaipur, November 19, 2015.

20. Dr. Punam Mishra delivered a keynote address on 'Recent Trends in Marketing' at UGC International Conference on 'Recent Trends in Business Finance and Economics', organized by Department of Business Finance and Economics, Jai Narain Vyas Univeristy, Jodhpur on October 9, 2015.
21. Dr. Richa Mishra delivered a talk on 'Creativity : Way Forward for Success' at Sri Balaji College of Engineering and Technology, Jaipur on August 12, 2015.
22. Dr. Ravikumar Ganti delivered a talk on 'Stress Management through Mind Control' at Delhi Public School (DPS), Jaipur on November 20, 2015.

Foreign Visits and Paper Presentations Abroad

1. Dr. Devendra Punia presented a paper entitled "Role of Business Analytics in Higher Education Institution in India" in the 6th International Conference on Education and Management Technology at the City View, Hong Kong on August 25-26, 2015
2. Dr. Sandeep Kumar Tomar presented a paper entitled "Carbon Nanotube Synthesis: Natural Precursors" in the 5th International Conference on Functional Materials & Devices (ICFMD - 2015) on August 4-6, 2015 at Johor Bahru, Malaysia.
3. Dr. Vipin Kumar Jain presented a paper entitled 'Study of Dielectric Behavior of TiO2 Doped PANI Nanocomposite' in the 4th Nano Today Conference on December 6-10, 2015 at Dubai (UAE).
4. Dr. Ashwini Sharma presented a research paper titled "Bridging Sectoral Differences through Information Systems: A Study of Indian Banking Industry" at the International Conference on Organization and Management (ICOM-2015) organized by Abu Dhabi University, Abu Dhabi, UAE in association with Asia Academy of Management during November 22-23, 2015.

RESEARCH AND ACADEMIC CONTRIBUTIONS

Awards, Honours and Achievements

1. Dr. R. L. Raina has been nominated as a Member of the Research Council of the Defence Scientific Information and Documentation Centre (DESIDOC) of the Defence Research and Development Organisation, Ministry of Defence, Govt. of India, New Delhi.
2. Dr. S. C. Bhaduri has been nominated as the Governing Council Member, Rajasthan State Innovation council.
3. Dr. Punam Mishra received Best Paper Award at UGC International Conference on Recent Trends in Business Finance and Economics, organized by Department of Business Finance and Economics, Jai Narain Vyas Univeristy, Jodhpur, October 8-10, 2015.
4. Dr. Paras Jain received Best Paper Award in International Congress on Information and Communication Technology (ICICT- 2015) held at Hotel Golden Tulip Udaipur during Oct 9-10, 2015.

Books/Chapters in Books

1. Upinder Dhar, Santosh Dhar and Ashwini Sharma (2015). Perceived Health Status and Quality of Life: A Study of Young Population. In Swati Jain, Swati Jha, Nidhi Tak, Sakshi Sharma and Arpita Mehta (Eds.). Emerging Trends in Business and Economy, 178-185, New Delhi: Excel Books.
2. Lokanath Mishra (2015) Changing Face of Corporate Social Responsibility: An Exploratory

I went for years not finishing anything. Because, of course, when you finish something you can be judged. – Erica Jong

Study of Indian Companies. In Swati Jain, Swati Jha, Nidhi Tak, Sakshi Sharma and Arpita Mehta (Eds.). Emerging Trends in Business and Economy, 93-108, New Delhi: Excel Books.

Case Study

1. Punam Mishra, Swati Jain, Savita Panwar, Swati Jha and Ashish Nagar (2015). Akshaya Patra: Nourishing Souls and Feeding Minds. In Upinder Dhar and Santosh Dhar (eds.), Case Method: Lerning from Experiences, Excel Books, New Delhi, First Edition, 281-290

Research Papers presented in Conferences

1. Ajay Sharma, a JKLU Ph. D scholar presented a paper entitled "Study of Dielectric Behavior of CNT Doped PANI Nanocomposite" in the 7th International Workshop on Polymer Metal Nanocomposite on November 2-5, 2015 at Jaipur (India).This paper was authored by Ajay Sharma, Vipin Kumar Jain, Subodh Srivastava, SN Dolia and YK Vijay.

2. Dr. Ashwini Sharma presented a paper titled "Assessing Website Usability of an Educational Institute: Towards Development and Validation of a Scale" at the 2015 IMRA-IIMB International Conference on Inclusive Growth & Profits with Purpose: New Management Paradigm organized by International Management Research Academy (IMRA) London, UK in collaboration with IIM Bangalore during December 16-18, 2015.

3. Dr. Pushpendra Singh presented a paper entitled "Need of ICT for Sustainable Development of Power Sector" in the International Conference on ICT for Sustainable Development organized by Computer Society of India during July 3-4, 2015 at Ahmedabad.

4. Mohd. Shahnawaz Khan presented a paper entitled "Substituted Coumarins and their Antibacterial Activity'' in the National Conference on RAICS – 2015 held at MNIT Jaipur during August 21-23, 2015.

5. Prof. Jagdish Prasad Sharma and Prof. Devendra Bhavsar presented a paper entitled "A Scientometric Analysis of Smart Grid Implementation at Distribution Feeder" in the International Conference on 'ICT for Sustainable Development –ICT for Sustainable Development (ICT4SD 2015)' held at Ahmedabad, Gujrat during July 3-4, 2015.

6. Prof. Jagdish Sharma and Prof. Sachin Gangwar presented a paper entitled "Analysis and Control of Fault Current by Firing Angle Control of Solid-State Fault Current Limiter" in the IEEE International Conference on Energy Systems and Application (ICESA – 2015) held at Pune during October 30 to November 01, 2015.

7. Prof. Jagdish Sharma and Prof. Sachin Gangwar presented a paper entitled "A standalone Hybrid Energy System Modelling for Academic Institution" in the IEEE International Conference on Energy Systems and Application (ICESA –

2015) held at Pune during October 30 to November 01, 2015.

8. Dr. Sheetal Mundra presented a paper entitled "Regional Disparities in India: Education, Health, Poverty and Malnourished in an International Conference on 'Research and Business Sustainability' (ICRBS 15) organized by Department of Management Studies, Indian Institute of Technology Roorkee and Sheffield Business School, Sheffield Hallam University, United Kingdom at IIT Roorkee, Greater Noida Campus during December 4-6, 2015.

9. Dr. Sheetal Mundra presented a paper entitled "Make in India and Management Education: A Sustainable Path" in the 4th Biennial Indian Academy of Management Conference on 'Managing in the Indian Institutional Context', organized by the Indian Institute of Management Lucknow and Indian Academy of Management at Indian Institute of Management Lucknow, Noida Campus during December 11-13, 2015.

10. Dr. Punam Mishra presented a paper entitled "Consumer Perception and Attitude towards 'Product Placement' in India" at the UGC International Conference on 'Recent Trends in Business Finance and Economics' organized by Department of Business Finance and Economics, Jai Narain Vyas Univeristy, Jodhpur, October 8-10, 2015.

11. Dr. Richa Sharma presented a paper entitled "N-Version Programming for Embedded System using Fuzzy Approach" in the National Seminar on 'Recent Developments in Pure and Applied Mathematics (NSRDPAM)' & 19th Prof. P. D. Verma Memorial Lecture-2015 (PDVML-2015) held at Jaipur during September 12-13, 2015.

12. Prof. Gireesh Kumar presented a paper entitled "Reliability Analysis for Embedded System with Two Types of Faults and Common Cause Failure Using Markov process" in an International Conference on Computer and Communication Technology 2015, held during September 25-27, 2015, Allahabad, India.

13. Dr. Paras Jain presented a research paper entitled "An Adaptive Edge-Preserving Image Denoising using Block-Based Singular Value Decomposition in Wavelet Domain" in the International Congress on Information and Communication Technology (ICICT- 2015) held at Hotel Golden Tulip Udaipur during Oct 9-10, 2015.

14. Prof. Sachin Gangwar presented a paper entitled "A standalone Hybrid Energy System Modelling for Academic Institution" in the IEEE International Conference on Energy Systems and Application (ICESA – 2015) held at Pune during October 30 to November 01, 2015.

Academic Positions / Distinctions Held

1. Dr. R. L. Raina chaired a panel discussion session in the 18th International Symposium on Electronic Theses and Dissertations, organized by Jawaharlal Nehru University, New Delhi, on November 6, 2015.

2. Dr. R. L. Raina participated as panelist in the ICSU-CODATA-Data Science Workshop on "Data Management, Sharing and Services : Current & Future Roles of Data Stakeholders, organized by the Indian Institute of Public Administration, in association with Indian National Science Academy (INSA), on November 6, 2015.

3. Dr. S. C. Bhaduri became the Fellow of Institution of Engineers, India.

4. Dr. S. C. Bhaduri became the Member of the Chapter Working Committee of Indian Society for Refrigeration and Air-conditioning Engineers (ISHRAE) Jaipur Chapter.

5. Dr. Pushpendra Singh and Dr. Kavita Choudhary were invited to Judge the Technical Projects in different fields for "J-Tectrix 2015" at Jaipur Engineering College & Research Center, Jaipur on November 27, 2015.

6. Prof. Vinod Vishwakarma was invited for consultation on "New Solid Waste Management Rule-2015" organized by Institute of Chartered Waste Managers (ICWM) and Institute of Development Management (IDM) on July 24, 2015 at Jaipur.
7. Dr. Richa Mishra was invited as a judge for the inter school debate competition on the topic "Capital Punishment is Unjust & Degrading" at G. R. Global Academy Jaipur, on October 8, 2015.
8. Dr. Neha Sharma was appointed as member of Technical Program Committee/Reviewer for 2nd International Conference on Innovative Advancements in Engineering and Technology (IAET) – 2016
9. Prof. Narayan Sahoo has been appointed as coordinator of SESI Jaipur chapter

Upcoming Events

International 3G Conference	January 22-24, 2016
Republic Day celebration	January 26, 2016
National Debate Competition	January 30, 2016
Spardha (National Sports Contest)	February 24-26, 2016
e-week	4th Week of February

Education is the best friend. An educated person is respected everywhere.- Chanakya
