Ahmedabad, July 10

IIM-A's two-year Post-Graduate Programme in Food and Agri-Business Management (PGP-FABM), has been ranked No 1 in the world for the third consecutive year in 2017-18 by Eduniversal, Paris.

A Post-Graduate Programme with Specialisation Package in Agriculture (PGP-SPA) was started in 1974. In 2000, the Indian Institute of Management-Ahmedabad, revamped it following the Institute's new approach to agri-business management

education under the changing economic environment.

More than 125,000 candidates apply for this programme each year, and only about 45 are selected.

The PGP-FABM is a full-time residential programme that evolved and expanded beyond agriculture to other allied areas

The PGP-FABM is a full-time residential programme that evolved and expanded beyond agriculture to other allied areas such as food processing, commodities and rural development sector, and rural infrastructure, according to a press release here on Tuesday.
